Itinerary

Day 1 Anchorage/Seward (1L,1D)

After a welcome meeting in the morning in Anchorage, we'll head out on an amazing hike to the Exit Glacier and Harding Icefield. Considered one of the greatest hikes on the Kenai Peninsula, we'll experience glaciers and the forces that shaped the landscape up close, while exploring only a tiny portion of the nearly 1 million acres that make up Kenai Fjords National Park. Exit Glacier, the only area of Kenai Fjords National Park accessible by car, is one of thirty-five glaciers that flow off the vast Harding Icefield. The Icefield is the largest in North America, and it remains as a 300 square mile vestige of the last ice age. The 7.4-mile round trip of the Harding Icefield Trail is a spectacular day hike. Starting on the valley floor, the trail winds through cottonwood and alder forests, passes through heather filled meadows and ultimately climbs well above tree line to a breath-taking view of the Icefield. The top of the trail is a window to past ice ages – a horizon of ice and snow that stretches as far as the eye can see, broken only by an occasional nunatak, or lonely peak. Then what would be Alaska without bears? This is bear country! The vegetation along the trail is dense and passes through thickets of salmonberries, a favorite food of black bears. Black bears are spotted almost every day from the Harding Icefield Trail. Check into your hotel in Seward for the next 2 nights. Enjoy a group dinner and reflect on the spectacular natural wonders of the Alaskan Wilderness you experienced today on this amazing hike.

Estimated Travel Time: 5 hours

Approximate Distance: 233 km/145 miles

Day 2 Seward (1B,1L)

Experienced naturalist sea kayaking guides will lead you out of Seward along the west shoreline of the scenic Resurrection Bay. The bay is surrounded by snow covered mountains with hanging glaciers coming off the tops. Along the way your guide will point out points of interest and tell you about the bay's history and about the wildlife we encounter. You need no prior sea kayak paddling experience.

Your Resurrection Bay sea kayaking adventure starts with kayaking instruction from expert guides. Within minutes the guides will

have you paddling. You'll be surprised as to how stable sea kayaks are in the water. We often see sea otters, sea lions, harbor seals, seabirds, bald eagles, jumping salmon and occasionally we see whales that venture into the bay. Our path will take us out along Caines Head State Recreation Area and towards Tonsina Creek. Depending on the group's speed and what wildlife we encounter along the way, we may make it all the way out to Tonsina Creek. If the tides are high it may be possible to paddle up the creek a short way to see spawning salmon during spawning season. About halfway into the trip we will make a quick shoreline stop for hot drinks and a snack.

Day 3 Seward/Kenai (1B,1L)

In the morning it's time to return and visit the Alaskan Sealife Center for a behind the scenes tour. The Center offers an unrivaled, up-close and personal experience with Gulf of Alaska marine wildlife. Witness a 2000+ pound Stellar sea lion gliding past underwater viewing windows, puffins diving in a carefully crafted naturalistic habitat, and harbor seals resting on rocky beaches. Alaskan king crab, sea stars, and the Giant Pacific octopus also await you, as well as a whole variety of intertidal creatures and deep sea fishes.

Alaska is vast, still mostly road less and wild, and stunningly beautiful. Alaska is so big- equal in area to about one-fifth of all the lower 48 states- it is difficult to completely cover all of its available hiking on our tour. Therefore today we concentrate on the Kenai Peninsula, which has the largest number, greatest concentration, and most diverse range of hiking environments in the state. The Kenai, as it is known locally, is itself huge, containing an ice field larger than the state of Rhode Island. The Kenai offers coastal, forest, subalpine, tundra, and even glacial hiking opportunities. Our trail leads us up to Carter Lake. It is a short but steep climb through spruce/hemlock forest to a wide subalpine valley of meadows surrounded by mountains. Enjoy a picnic lunch in the Alaskan Wilderness until it's time to hike back to civilization.

Estimated Travel Time: 6 hours (including hike)

Approximate Distance: 200 km/120 miles

Day 4 Kenai/Homer (1B,1L)

Spend a day exploring the Kenai National Wildlife Refuge on a scenic raft trip on the Kenai River. Nearly two million acres in size, the Refuge offers majestic wilderness scenery and multiple species of wildlife and birds. Your guide will steer your raft into Kenai Canyon and you'll cross Skilak Lake, a pristine, glacier-carved lake in the heart of the Wildlife Refuge. Or, on the rare occasion the Alaskan winds kick up three-foot or higher waves on the lake, the trip will end with a 1.5 mile walk up Hidden Creek. At the take out point, meet your CEO and enjoy a delicious picnic lunch. In the afternoon transfer to Homer.

Estimated Travel Time: 5 hours

Approximate Distance: 160 km/100 miles

Day 5 Homer (1B,1L,1D)

Your excursion begins with a scenic 20-minute boat ride across beautiful Kachemak Bay, into the heart of Kachemak Bay State Park. A fun and informative guided hike takes you through 3 distinct ecosystems; The coastal/marine environment, old-growth coastal forest, and glacial outwash plain. Enjoy lunch in full view of the nearly mile-wide glacier face. After lunch, back to the trail head, hike out, and return to Homer by boat. Truly breathtaking, truly unforgettable! Enjoy a last group dinner!

Day 6 Anchorage (1B,1L)

After breakfast we shuttle a short distance to the Carl E. Wynn Nature Center. This former homestead is now a wildlife refuge, with hiking trails, great bird-watching and an undeveloped migration corridor for moose and black bears. Return to Anchorage where our adventure ends at approx 5pm. End of trip.

Estimated Travel Time: 6 hours

Approximate Distance: 402 km/250 miles

Itinerary Disclaimer

While it is our intention to adhere to the route described below, there is a certain amount of flexibility built into the itinerary and on occasion it may be necessary, or desirable to make alterations. The itinerary is brief, as we never know exactly where our journey will take us. Due to our style of travel and the regions we visit, travel can be unpredictable. The Trip Details document is a general guide to the tour and region and any mention of specific destinations or wildlife is by no means a guarantee that they will be visited or encountered. Aboard expedition trips visits to research stations depend on final permission.

Additionally, any travel times listed are approximations only and subject to vary due to local circumstances.

Important Notes

1. In order to cover the vast distance in North America to be able to visit several different parks and cities along our trip, we will have a couple of long driving days.
2. All walks and hikes proposed by our CEO will be easy to moderate level. You may choose to participate or not, but exploring our national parks on foot is part of our way of travelling. It's a healthy way to discover North America's beauty and landscape.
3. Please note that some trips could be a combination of multiple G Adventure tours. You should expect some group members to join or leave the tour between tour segments.
4. Please note that the legal drinking age in the United States is 21 and in Canada, 19 (with Alberta and Quebec at 18). Many bars and clubs will ask for ID at the door, therefore listening to live music in certain bars or spending a night out in Las Vegas or New Orleans is not possible when you are under the legal age, even if you don't plan on consuming alcohol. Drinking laws in both countries are strictly enforced and our CEOs are unable to help those under age obtain alcohol of any kind.

While this should not stop those under legal drinking age from booking a tour, it is important to note that if a traveller is under-age there are certain optional nighttime activities that they may not legally be able to participate in. When trying to book the right trip, we recommend that travellers under legal drinking age take this into consideration when booking a tour that visits several big cities.

Group Leader Description

This G Adventures group trip is accompanied by one of our group leaders, otherwise known as a Chief Experience Officer (CEO). The CEO will be the group manager, leader and driver - this person is experienced in the routes travelled and will organize and lead the meal preparations and has experience in cooking a variety of local and international dishes for large groups.

As the group coordinator and manager, the aim of the CEO is to take the hassle out of your travels and to help you have the best trip possible. While not being guides in the traditional sense, you can expect them to have a broad general knowledge of the countries visited on the trip, including historical, cultural, religious and social aspects. They will also offer suggestions for things to do and to see, recommend great local eating venues and introduce you to our local friends.

We also use local guides where we think more specific knowledge will add to the enjoyment of the places we are visiting - we think it's the best of both worlds.

Group Size Notes

Max 12, Avg 10.

Meals Included

5 breakfasts, 6 lunches, 2 dinners.

Meals

Some of the meals on this tour are included in the tour price. When meals are not included, this is because there are often many options available - we would like to give you the opportunity to explore a bit and taste the local cuisine yourself. In these cases, your CEO will be able to suggest some good local restaurants or options for you to choose from.

Breakfasts and dinners included will be organized in local restaurants. Lunches included will be provided en-route or in parks during the trip from fresh local produce bought by the CEO, such as sandwiches and/or salads. The majority of the shopping for foodstuff will be done before the trip departs, and fresh goods, such as meats, fruits, vegetables, and dairy products, will be bought en route during the trip from supermarkets, local shops and markets. Your participation in these lunch preparations is more than welcome.

Vegetarian meals and other dietary requirements need to be specified prior to arrival.

Meal Budget

Allow USD100-150 for meals not included.

Transport

Air-con private touring van, kayak, boat, hiking.

About our Transportation

We use 15-passenger vans for up to 13 people plus the CEO/Driver for all our of our trips in North America. For groups of 8 and more travellers, we also use a trailer to carry luggage and camping equipment.

These vans are durable vehicles that allow us to drive on most types of roads in North America.

Each van has a front passenger seat and 4 benches that will accommodate 3 people each. No standing is permitted in these vehicles, but there is air conditioning to cool things down on warm days and mandatory seat belts to us secure and safe.

This is not a physically demanding journey. However, travelling can be difficult, with long drives and limited space in the van. Please take note of the travel times and distances in the above itinerary. Despite some of the long days, most clients feel that the diversity of the North American landscape, culture and wildlife are all well worth the experience!

Solo Travellers

We believe single travellers should not have to pay more to travel so our group trips are designed for shared accommodation and do not involve a single supplement. Single travellers joining group trips are paired in twin or multi-share accommodation with someone of the same sex for the duration of the trip. Some of our Independent trips are designed differently and single travellers on these itineraries must pay the single trip price.

Accommodation

Comfort hotels/lodges (5 nts).

My Own Room

Please note that if you have booked the "My Own Room" option for this tour, you will receive your own single room for all night stops

About Accommodation

This trip uses comfortable 3 to 4 star hotels, well located in cities and in or near park entrances. Our chosen hotels vary in size, character, and amenities, but are of a very good standard, and the rooms are double occupancy, or single occupancy upon request, with a private bathroom.

Finishing Point Instructions

The tour does not finish until 5 pm on the last day of this tour. If you plan to book a departure flight on that day, it must be later in the evening, to allow yourself enough time to get to the airport with ease. Arrangements can also be made at time of booking to book at hotel for the last evening.

What to Take

You will be on the move a lot, so our advice is to pack as lightly as possible.

For days in the outdoors, we recommend the use of lightweight, breathable, moisture-wicking fabrics made of wool or synthetic fibers. Cotton is not recommended for days to spend hiking as it does not allow for heat or moisture to enter or escape, and it will not dry

easily once wet.

We recommend the use of a well-labeled duffel bag, soft bag or backpack (whichever you find easiest to carry). Suitcases or heavy luggage are not recommended for the health of the CEO! A good size day-pack (20-35L) is also essential as you will have the chance to walk and hike in different national parks during these trips This daypack will be used to carry your personal gear for the day, lunch and water bottle.

It is important to pack clothes for warm days and cool evenings, as well as a light jacket. A set of smart casual clothes is also advisable.

NOTE: Mountains in Canadian Rockies and Alaska could have unpredictable weather with snow and heavy rain even in Summer time. Spring time could be snowy (until end of June) and fall season could start as soon as mid-August. Make sure you have equipment and clothing for all conditions!

Visas

All countries require a valid passport (with a minimum 6 months validity). Contact your local embassy, or consulate for the most up-to-date visa requirements, or see your travel agent. It is your own responsibility to have the correct travel documentation. Visa requirements for your trip will vary depending on where you are from and where you are going. We keep the following information up to date as far as possible, but rules do change and sometimes without warning. While we provide the following information in good faith, it is vital that you check yourself and understand that you are fully responsible for your own visa requirements.

Spending Money

Every traveller is different and therefore spending money requirements will vary. Some travellers may drink more than others while other travellers like to purchase more souvenirs than most. Please consider your own spending habits when it comes to allowing for drinks, shopping and tipping. Please also remember the following specific recommendations when planning your trip.

Money Exchange

The United States currency is the US Dollar (USD).

Credit cards are accepted almost everywhere in the US and can be used to purchase small and large items. When purchasing products or services with a foreign credit card in the USA, you may be charged additional fees by your credit card company for foreign purchases.

Credit cards and debit cards are very useful for cash advances but you must remember to bring your PIN number (be aware that many ATM machines only accept 4-digit PINs). Both Cirrus and Plus system cards are the most widely accepted debit cards. Both Visa and Master Cards are the most widely accepted credit cards. While ATMs are commonly available, there are no guarantees that your credit or debit cards will actually work check with your bank before you travel. A visit to an ATM can be arranged on Day 1 and other days of the trip.

Do not rely on credit or debit cards as your only source of money. A combination of US Dollars as cash (preferably smaller bills, 5's, 10's and 20's), traveller's cheques and credit cards is best. Currency exchange is best obtained prior to travel or at the airport, currency exchange is very difficult to find in the USA and most banks do not accommodate.

Always take more rather than less, as you don't want to spoil the trip by constantly feeling short of funds.

As currency exchange rates can fluctuate often we ask that you refer to the following website for daily exchange rates: www.xe.com

Emergency Fund

Please also make sure you have access to at least an additional USD \$200 (or equivalent) as an 'emergency' fund, to be used when circumstances outside our control (ex. a natural disaster) require a change to our planned route. This is a rare occurrence!

Tipping

It is customary in North America to tip service providers such as waiters, bartenders and taxi drivers, at approximately 15-18%, depending on the service. Tipping is an expected - though not compulsory - component of your tour program and an expression of satisfaction with the persons who have assisted you on your tour. Although it may not be customary to you, it is of considerable significance to the people who will take care of you during your travels. There are times during the trip where there is opportunity to tip any local guides used. Recommendations for tipping local guides would range from \$2-8 USD per activity depending on the quality and length of the service; ask your CEO for specific recommendations based on the circumstances and culture.

Also at the end of each trip if you felt your G Adventures Chief Experience Officer did an outstanding job, tipping is appreciated. The amount is entirely a personal preference; however as a guideline \$5-10 USD per person, per day can be used as a guide. If your CEO exceeded your expectations, feel free to tip more.

Safety and Security

Many national governments provide a regularly updated advice service on safety issues involved with international travel. We recommend that you check your government's advice for their latest travel information before departure. We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewellery at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes, which is the most secure way of storing your valuables. A lock is recommended for securing your luggage. When travelling on a group trip, please note that your CEO has the authority to amend or cancel any part of the trip itinerary if it is deemed necessary due to safety concerns. Your CEO will accompany you on all included activities. During your trip you will have some free time to pursue your own interests, relax and take it easy or explore at your leisure. While your CEO will assist you with options available in a given location please note that any optional activities you undertake are not part of your itinerary, and we offer no representations about the safety of the activity or the standard of the operators running them. Please use your own good judgment when selecting an activity in your free time. Although the cities visited on tour are generally safe during the day, there can be risks to wandering throughout any major city at night. It is our recommendation to stay in small groups and to take taxis to and from restaurants, or during night time excursions.

Protests and Demonstrations- Protests and demonstrations, even those that are well intended, have the potential to turn violent with no warning. Counter protests can also turn violent. Action by security forces to disperse demonstrators and protesters may occur at any time. If you are in an area where demonstrators or protesters are gathering, avoid the temptation of staying for a good photo opportunity and leave the area immediately.

Water based activities have an element of danger and excitement built into them. We recommend only participating in water based activities when accompanied by a guide(s). We make every reasonable effort to ensure the fun and adventurous element of any water based activities (in countries with varying degrees of operating standards) have a balanced approach to safety. It is our policy not to allow our CEOs to make arrangements on your behalf for water based activities that are not accompanied by guide(s).

Swimming, including snorkeling, is always at your own risk.

We take all prudent measures in relation to your safety. For ways to further enhance your personal safety while traveling, please visit:

www.gadventures.com/travel-resources/safety/

Medical Form

Our small group adventures bring together people of all ages. It is very important you are aware that, as a minimum, an average level of fitness and mobility' is required to undertake our easiest programs. Travellers must be able to walk without the aid of another person, climb 3-4 flights of stairs, step on and off small boats, and carry their own luggage at a minimum. Travellers with a pre-existing medical condition are required to complete a short medical questionnaire, which must be signed by their physician. This is to ensure that travellers have the necessary fitness and mobility to comfortably complete their chosen trip. While our CEOs work hard to ensure that all our travellers are catered for equally, it is not their responsibility to help individuals who cannot complete the day's activities unaided. Please refer to the physical ratings in this Trip Details document for more information.

The medical questionnaire can be found online at:

www.gadventures.com/medical-form.

A Couple of Rules

Illegal drugs will not be tolerated on any trips. Possessing or using drugs not only contravenes the laws of the land but also puts the rest of the group at risk. Smoking marijuana and opium is a part of local culture in some parts of the world but is not acceptable for our travellers. Our philosophy of travel is one of respect towards everyone we encounter, and in particular the local people who make the world the special place it is. The exploitation of prostitutes is completely contrary to this philosophy. Our CEOs have the right to expel any member of the group if drugs are found in their possession or if they use prostitutes.

Travel Insurance

Travel Insurance: Travel insurance is compulsory in order to participate on any of our trips. When travelling on a group trip, you will not be permitted to join the group until evidence of travel insurance has been sighted by your CEO, who will take note of your insurance details. When selecting a travel insurance policy please bear in mind that all clients must have medical coverage and that

we require a minimum coverage of USD 200,000 for repatriation and emergency rescue. We strongly recommend that the policy also covers personal liability, cancellation, curtailment and loss of luggage and personal effects. If you have credit card insurance we require proof of purchase of the trip (a receipt of credit card statement) with a credit card in your name. Contact your bank for details of their participating insurer, the level of coverage and emergency contact telephone number.
