Itinerary Disclaimer

While it is our intention to adhere to the route described below, there is a certain amount of flexibility built into the itinerary and on occasion it may be necessary, or desirable to make alterations. The itinerary is brief, as we never know exactly where our journey will take us. Due to our style of travel and the regions we visit, travel can be unpredictable. The Trip Details document is a general guide to the tour and region and any mention of specific destinations or wildlife is by no means a guarantee that they will be visited or encountered. Aboard expedition trips visits to research stations depend on final permission.

Additionally, any travel times listed are approximations only and subject to vary due to local circumstances.

Group Leader Description

All G Adventures group trips are accompanied by one of our group leaders, a G Adventures representative, or an expedition team. The aim of the group leader is to take the hassle out of your travels and to help you have the best trip possible. They will provide information on the places you are travelling through, offer suggestions for things to do and see, recommend great local eating venues and introduce you to our local friends. While not being guides in the traditional sense you can expect them to have a broad general knowledge of the countries visited on the trip, including historical, cultural, religious and social aspects. We also use local guides where we think more specific knowledge will add to the enjoyment of the places we are visiting- we think it's the best of both worlds.

Joining Instructions

Jorge Chavez International Airport in Callao Lima, is approximately a 45-minute drive from the Miraflores district, where our joining hotel is located. The easiest way to get there is via taxi. Immediately after the customs and immigration area, as you head to the exits, you will find an official taxi stand. You can pay for the car at set (approximately \$27 USD) rates and won't need to worry about sorting out a ride outside the airport facilities, where the situation tends to get more chaotic, with many drivers vying for few clients. There are exchange facilities in the Arrivals area open 24 hours.

If you are arriving from abroad and have paid in advance for an arrival transfer, someone will be at the airport to meet you. Upon leaving the baggage claim area you will see a large open area with sign boards all around. Look for a G Adventures sign board with your name. As there are many people and signs in this area it may be difficult for you to spot the sign immediately. Please take your time in doing so and if at that stage you do not see a G Adventures sign board with your name go to the customer service area to

wait. In the event that your driver does not arrive within 20 minutes please ask the information desk to arrange an official taxi for you which should cost approximately \$27 USD and this money will be reimbursed by your CEO or G Adventures representative.

FINDING YOUR TRANSFER - As you walk out of the airport there will be many drivers holding signs with agency or passenger names as well as taxi drivers asking you if you require their services. These are NOT our drivers and you should not accept their services. Please wait for our designated transfer person with a G Adventures sign board.

Arrival Complications

We don't expect any problems, and nor should you, but if for any reason you are unable to commence your trip as scheduled, as soon as possible please contact your starting point hotel, requesting that you speak to or leave a message for your CEO (if you are not on a group tour please refer to the emergency contact details provided in this dossier). If you are unable to get in touch with your leader, please refer to our emergency contact details. If you have pre-booked an airport transfer and have not made contact with our representative within 30 minutes of clearing customs and immigration, we recommend that you make your own way to the Starting Point hotel, following the Joining Instructions. Please apply to your travel agent on your return for a refund of the transfer cost if this occurs.

Emergency Contact

Should you need to contact us during a situation of dire need, it is best to first call either the G Adventures Local Representative (if one is listed below) or our G Adventures Local Office. If for any reason you do not receive an immediate answer, please leave a detailed message and contact information, so they may return your call and assist you as soon as possible.

AIRPORT TRANSFER

If you have purchased an arrival through G Adventures or if an arrival transfer is included in the cost of your tour, please note that:

Your arrival transfer has been arranged based on flight information provided to us. If you are advised of a flight schedule change within 48 hours of your scheduled arrival time, we will do our best to rearrange your arrival transfer however we cannot guarantee this. If your arrival transfer does not arrive within 30 minutes after you have exited the arrivals area please take a taxi to your start point hotel.

There will be times when you may want to or have to do your own laundry so we suggest you bring non-polluting/biodegradable soap.

Visas

All countries require a valid passport (with a minimum 6 months validity). Contact your local embassy, or consulate for the most up-to-date visa requirements, or see your travel agent. IT'S YOUR RESPONSIBILITY TO HAVE THE CORRECT TRAVEL DOCUMENTATION.

Spending Money

Every traveller is different and therefore spending money requirements will vary. Some travellers may drink more than others while other travellers like to purchase more souvenirs than most. Please consider your own spending habits when it comes to allowing for drinks, shopping and tipping. Please also remember the following specific recommendations when planning your trip.

Money Exchange

The currency in Peru is the Nuevo Sol (PEN).

Credit cards and debit cards are very useful for cash advances. Visa cards are the most widely accepted cards. While ATMs are widely available, there are no guarantees that your credit or debit cards will actually work in Latin America. Check with your bank.

You should be aware that to purchase products or services on a credit card a fee of 5%-10% usually applies.

Do not rely on credit or debit cards as your only source of money, a combination of US dollar cash and cards is best. Always take more rather than less, as you don't want to spoil the trip by constantly feeling short of funds.

We do not recommend bringing travellers cheques as they are very difficult to change in country.

CURRENCY EXCHANGE TIP: Please be advised that slightly torn notes, notes that have been heavily marked or are faded may be difficult to exchange. It is best to bring notes in fairly good condition, in denominations lower than 100USD (or equivalent).

As currency exchange rates can fluctuate often we ask that you refer to the following website for daily exchange rates: www.xe.com

Emergency Fund

Please also make sure you have access to at least an additional USD \$200 (or equivalent) as an 'emergency' fund, to be used when circumstances outside our control (ex. a natural disaster) require a change to our planned route. This is a rare occurrence!

Tipping

It is customary in Latin America to tip service providers such as waiters, at approximately 10%, depending on the service. Tipping is an expected - though not compulsory - component of your tour program and an expression of satisfaction with the persons who have assisted you on your tour. Although it may not be customary to you, it is of considerable significance to the people who will take care of you during your travels. There are several times during the trip where there is opportunity to tip the local guides or drivers we use.

We recommend tipping \$15 per day or \$90 in total for time spent on the boat. There will be two envelopes left by the staff one, for guides and one for crew. The recommended breakdown is 50% for the naturalist staff and 50% for the crew. This is only a suggestion as we understand that tipping is a personal choice.

For the land portion of your trip we recommend tipping drivers and local guides from \$5-10 USD per day depending on the quality and length of the service; ask your CEO for specific recommendations based on the circumstances and culture. Also at the end of each trip if you felt your G Adventures CEO did an outstanding job, tipping is appreciated. The amount is entirely a personal preference, however as a guideline \$20-25 USD per person, per week can be used.

For this reason, we do not include the Huayna Picchu hike in any of our itineraries, and our CEO's and support staff are prohibited from providing advice or assistance with booking this activity.

Health

Please note inoculations may be required for the country visited. It is your responsibility to consult with your travel doctor for up to date medical travel information well before departure.

You should consult your doctor for up-to-date medical travel information well before departure. We recommend that you carry a First Aid kit and hand sanitizers / antibacterial wipes as well as any personal medical requirements. Please be aware that quite often we are in remote areas and away from medical facilities, and for legal reasons our leaders are prohibited from administering any type of drug including headache tablets, antibiotics, etc. When selecting your trip please carefully read the brochure and itinerary and assess your ability to cope with our style of travel. Please refer to the Physical and Culture Shock ratings for trip specific information. G Adventures reserves the right to exclude any traveller from all or part of a trip without refund if in the reasonable opinion of our CEO they are unable to complete the itinerary without undue risk to themselves and/or the rest of the group.

For your own safety, we strongly recommend that you advise us of any medical condition that may affect you while traveling.

If you are carrying any prescribed medication, or if you have any particular health needs, please bring with you a signed and dated letter from your physician stating any such health problems and dosage requirements for any medication to be provided to our doctor on board, as well as to any medical authorities in case of an emergency.

We suggest that you confer with your own physician to be sure your routine immunizations, such as tetanus, diphtheria and hepatitis A, are up-to-date before traveling. Older travelers, in particular, may wish to consider preventive measures against influenza and pneumonia.

Also, please note that if you are particularly sensitive to heat, this may not be the trip for you.

Safety and Security

Many national governments provide a regularly updated advice service on safety issues involved with international travel. We recommend that you check your government's advice for their latest travel information before departure. We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewellery at home - you won't need it while travelling. Many of the hotels we use have

safety deposit boxes, which is the most secure way of storing your valuables. A lock is recommended for securing your luggage. When travelling on a group trip, please note that your CEO has the authority to amend or cancel any part of the trip itinerary if it is deemed necessary due to safety concerns. Your CEO will accompany you on all included activities. During your trip you will have some free time to pursue your own interests, relax and take it easy or explore at your leisure. While your CEO will assist you with options available in a given location please note that any optional activities you undertake are not part of your itinerary, and we offer no representations about the safety of the activity or the standard of the operators running them. Please use your own good judgment when selecting an activity in your free time. Although the cities visited on tour are generally safe during the day, there can be risks to wandering throughout any major city at night. It is our recommendation to stay in small groups and to take taxis to and from restaurants, or during night time excursions.

Protests and Demonstrations- Protests and demonstrations, even those that are well intended, have the potential to turn violent with no warning. Counter protests can also turn violent. Action by security forces to disperse demonstrators and protesters may occur at any time. If you are in an area where demonstrators or protesters are gathering, avoid the temptation of staying for a good photo opportunity and leave the area immediately.

Water based activities have an element of danger and excitement built into them. We recommend only participating in water based activities when accompanied by a guide(s). We make every reasonable effort to ensure the fun and adventurous element of any water based activities (in countries with varying degrees of operating standards) have a balanced approach to safety. It is our policy not to allow our CEOs to make arrangements on your behalf for water based activities that are not accompanied by guide(s).

Swimming, including snorkeling, is always at your own risk.

We take all prudent measures in relation to your safety. For ways to further enhance your personal safety while traveling, please visit:

www.gadventures.com/travel-resources/safety/

Trip Specific Safety

Care should be taken when wandering around on your own in central Lima, as some areas can be dangerous and pickpockets are daring.

Medical Form

Our small group adventures bring together people of all ages. It is very important you are aware that, as a minimum, an average level of fitness and mobility' is required to undertake our easiest programs. Travellers must be able to walk without the aid of another person, climb 3-4 flights of stairs, step on and off small boats, and carry their own luggage at a minimum. Travellers with a pre-existing medical condition are required to complete a short medical questionnaire, which must be signed by their physician. This is to ensure that travellers have the necessary fitness and mobility to comfortably complete their chosen trip. While our CEOs work hard to ensure that all our travellers are catered for equally, it is not their responsibility to help individuals who cannot complete the day's activities unaided. Please refer to the physical ratings in this Trip Details document for more information.

Please note that all passengers traveling to Antarctica are required to fill out this questionnaire.

The medical questionnaire can be found online at:

www.gadventures.com/medical-form.

A Couple of Rules

Illegal drugs will not be tolerated on any trips. Possessing or using drugs not only contravenes the laws of the land but also puts the rest of the group at risk. Smoking marijuana and opium is a part of local culture in some parts of the world but is not acceptable for our travellers. Our philosophy of travel is one of respect towards everyone we encounter, and in particular the local people who make the world the special place it is. The exploitation of prostitutes is completely contrary to this philosophy. Our CEOs have the right to expel any member of the group if drugs are found in their possession or if they use prostitutes.

Travel Insurance

Travel Insurance: Travel insurance is compulsory in order to participate on any of our trips. When travelling on a group trip, you will not be permitted to join the group until evidence of travel insurance has been sighted by your CEO, who will take note of your insurance details. When selecting a travel insurance policy please bear in mind that all clients must have medical coverage and that

we require a minimum coverage of USD 200,000 for repatriation and emergency rescue. We strongly recommend that the policy also covers personal liability, cancellation, curtailment and loss of luggage and personal effects. If you have credit card insurance we require proof of purchase of the trip (a receipt of credit card statement) with a credit card in your name. Contact your bank for details of their participating insurer, the level of coverage and emergency contact telephone number.

Planeterra-The G Adventures Foundation

Through our commitment to responsible tourism we have developed the Planeterra Foundation, a non-profit organization dedicated to making a positive difference in the lives of people and communities around the world through support of international charities, local organizations and community projects in the places that we visit on our tours. G Adventures matches all individual donations and pays all administration costs, which means that 100% of each donation is doubled and goes directly to support our projects. For more information about Planeterra and the projects we support, or to make a donation, please visit www.planeterra.org

Planeterra Dollar-A-Day Program

Our Dollar-A-Day Program provides travellers with the opportunity to help us give back to the people and places visited on our tours by donating one dollar per day for the duration of their tour. 100% of these proceeds will go directly to support our Planeterra projects.

To participate in this program please indicate at the time of booking that you would like to participate in G Adventures' Dollar-A-Day program, either by clicking the check box online, or by advising your G Adventures specialist or travel agent. (Note: Donation will be charged in the currency of your booking)

Associated Planeterra Project

On this tour you may have the opportunity to visit the following Planeterra projects:

HOUSE OF THE PEOPLE OF THE SUN

Inti Runakunaq Wasin (IRW) is Quechua for "House of the People of the Sun". It is a non-profit organization based in Cusco that acts as a haven for children and adolescents who live in extreme poverty. The home is open during the day and is run by a staff of volunteer teachers and social workers. Children are given the opportunity to voluntarily drop-in to receive help with homework, a warm meal and participate in a variety of classes and workshops that teach them valuable skills including jewelry making, leather working, cooking, music and English. IRW currently supports 50 children through their programs. However, there are still many more children working and living on the streets of Cusco.

After fundraising for 5 years, a dream was made into a reality in 2009 when Planeterra purchased a permanent home for IRW. Planeterra continues to support the children's training workshops and support programs.

It is possible to visit this project on most tours that pass through Cusco. To arrange a visit please speak to your G Adventures CEO.

How You Can Help? All donations to this project are being matched by G Adventures, please go to www.planterra.org to learn more or make a donation.

WOMEN'S WEAVING PROJECT – Ccaccacollo Community

In January and March 2005, G Adventures developed and offered training courses to 123 people from four local communities just outside of Cusco to work as Porters and Cooks on the Inca Trail. The women and wives of our cooks and porters from the Ccaccacollo Community saw how G Adventures was working to provide jobs on the Inca Trail and approached us to ask us for support to develop a women's weaving project.

Three women from the Ccaccacollo Community took part in a three month training course held by a local organization in which they learned ancient weaving techniques of the Incas including how to dye the wool using native flowers and plants. Each of the three women continued on to teach the rest of the women what they had learned and today 60 women have joined together to create the Ccaccacollo Women's Weaving Project.

Beginning in April 2005, G Adventures groups began to visit this community as part of the Sacred Valley Tour where they have the opportunity to meet the women and learn about all the stages of the weaving process; from spinning the sheep wool, to dyeing the wool using natural dyes, and participating in a weaving demonstration. Travellers are also given the opportunity to purchase high quality textiles directly from the women who made them.

By working directly with the Ccaccacollo community G Adventures and the Planeterra Foundation are encouraging men and women to be proud of their cultural heritage, and enabling them to benefit from tourism in a way that avoids negative social and cultural impacts while providing economic benefits.

How You Can Help

You can help support this project by purchasing these high quality weavings during your visit to the Ccaccacollo community. All proceeds go directly to the woman who made the weaving.

Donations made through the Planeterra Foundation are based on the needs of the community. In the past our donation has been used to purchase needed construction material to build a place for the women to weave indoors on rainy days and showcase their work. We have also used donation to purchase alpacas for the community so that they do not have to purchase the wool but instead will have their own animals provide a steady supply.

For more information about these projects and/or to make a donation please visit our website at www.planeterra.org or contact us at info@planeterra.org
