Itinerary

Day 1 Hawaii Island

Arrive in Hawaii at any time, and transfer to your hotel. Once you arrive into your hotel, the rest of the day is free to explore. In the evening we have time for a local dinner, to get to know our fellow families better.

Day 2 Hawaii Island (1B)

Kilauea is regularly mentioned as one of the most active volcanoes in the world. Today we learn all about how this volcano was formed, as we visit the visitor centre, which contains a fascinating insight into the history of Kilauea, before a walk along the Kilauea Iki Trail. Starting in rainforest, we descend to the crater floor, still stetaming in places, before visiting the Thurston lava tube.

Return to our hotel for the evening.

Day 3 Hawaii Island (1B)

Picking up bikes (all ages available) today we cycle around Hilo and its surrounding parks. We stop along the way to explore the Liliuokalani gardens, named for a former Hawaiian princess, and dedicated to the Japanese population of Hawaii. The largest Edo period gardens outside of Japan, the beautifully landscaped park provides a great place to rest after our cycle.

Following the route along Bay Front, we stop for lunch, before continuing along Hamakua Coast. We stop at Akaka Falls and Waipio Valley for a walk.

Return to our hotel for the evening,

Day 4 Hawaii Island (1B)

The volcanic coast of Big Island is rugged and varied. The ideal place for a sea kayaking expedition. After a short safety briefing we head out into the waves.

Travel along sea cliffs adorned with interesting arches and blowholes, then kayak into a spectacular sea cave with pink walls and

electric blue waters, followed by an exploration of a rare, dry lava tube that extends deep into the earth. There will be time to take a break and swim and snorkel in the waters in the cave. The sea life here is particularly abundant, and you may even see Sea Turtles and Spinner Dolphins, and whales in season.

Day 5 Hawaii Island (1B)

Head into paniolo country today up in the Kohala Mountains. You might be surprised to learn that Hawaii has a rich cowboy heritage, and it is these paniolos, as they are named, who we will meet today. Living here since the late 1790s, we visit a paniolo ranch where we will hear all about the history of the people.

What better way to get to know more about cowboy culture than a horseback riding lesson. We cross the green Waipo Valley and ride along the coast, along cliffs over 2000m in height.

Day 6 Hawaii Island (1B)

This morning we return to the water on a boat trip in Kealakekua Bay. This marine conservation area is home to bright coral and schools of tropical fish. In the right season, we might even see dolphins swimming in the bay. This is also a historic location, as it marks the first point Captain Cook landed on the island. Less than a year after he arrived, he was killed in battle. A monument marks this point.

This afternoon is free to relax at the hotel at leisure.

Day 7 Hawaii Island (1B)

This morning its time to say goodbye to our new, extended family and head for the airport.

What's Included

We recommend a minimum age of 7 years for this trip. Please see the activities for any specific minimum age requirements. Arrival transfer from airport to hotel is included in this tour.

Highlights

Reach the crater of Kilauea, Hawaii's most active volcano, kayak along the coast of Big Island, search for marine life while snorkelling, cycle along impressive coastal roads

Itinerary Disclaimer

While it is our intention to adhere to the route described below, there is a certain amount of flexibility built into the itinerary and on occasion it may be necessary, or desirable to make alterations. The itinerary is brief, as we never know exactly where our journey will take us. Due to our style of travel and the regions we visit, travel can be unpredictable. The Trip Details document is a general guide to the tour and region and any mention of specific destinations or wildlife is by no means a guarantee that they will be visited or encountered. Aboard expedition trips visits to research stations depend on final permission.

Additionally, any travel times listed are approximations only and subject to vary due to local circumstances.

Group Leader Description

This G Adventures group trip is accompanied by one of our group leaders, otherwise known as a Chief Experience Officer (CEO). The CEO will be the group manager, leader and driver - this person is experienced in the routes travelled and will organize and lead the meal preparations and has experience in cooking a variety of local and international dishes for large groups.

As the group coordinator and manager, the aim of the CEO is to take the hassle out of your travels and to help you have the best trip possible. While not being guides in the traditional sense, you can expect them to have a broad general knowledge of the countries visited on the trip, including historical, cultural, religious and social aspects. They will also offer suggestions for things to do and to see, recommend great local eating venues and introduce you to our local friends.

We also use local guides where we think more specific knowledge will add to the enjoyment of the places we are visiting - we think it's the best of both worlds.

Group Size Notes

Max pax 20

Meals Included

6 breakfasts

Meals

Most of the meals on this tour are included in the tour price. When a meal is not included, this is because there are often many options available - we would like to give you the opportunity to explore a bit and taste the local cuisine yourself. In these cases, your CEO will be able to suggest some good local restaurants or options for you to choose from.

All included meals will be prepared from fresh local produce. The majority of the shopping for food will be done before the trip departs, and fresh goods, such as meats, fruits, vegetables, and dairy products, will be bought en route during the trip from supermarkets, local shops and markets. Breakfasts will generally consist of breads and cereals, if time allows a warm breakfast may be prepared. Many lunches will be provided en-route and will be light meals such as sandwiches and/or salads. All evening meals will be freshly-prepared hot meals, and will consist of a variety of continental and local dishes.

Our CEO will organize the meal preparation and lead the way here, but will prepare a duty schedule for ensuring a fair, rotating participation from you and your group members in the meal preparation and dish washing duties.

Vegetarian meals and other dietary requirements need to be specified prior to arrival.

Meal Budget

Allow USD 350-375 for meals not included.

Transport

Private van, horseback, biking, boat, sea kayak

Solo Travellers

We believe solo travellers should not have to pay more to travel so our group trips are designed for shared accommodation and do not involve a single supplement. Single travellers joining group trips are paired in twin or multi-share accommodation with someone of the same sex for the duration of the trip. Some of our Independent trips are designed differently and solo travellers on these itineraries must pay the single trip price.

Please note that if you have booked the "My Own Room" option for this tour, you will receive your own single room for all night stops

Visas

All countries require a valid passport (with a minimum 6 months validity). Contact your local embassy, or consulate for the most up-to-date visa requirements, or see your travel agent. It is your own responsibility to have the correct travel documentation. Visa requirements for your trip will vary depending on where you are from and where you are going. We keep the following information up to date as far as possible, but rules do change and sometimes without warning. While we provide the following information in good faith, it is vital that you check yourself and understand that you are fully responsible for your own visa requirements.

Spending Money

Every traveller is different and therefore spending money requirements will vary. Some travellers may drink more than others while other travellers like to purchase more souvenirs than most. Please consider your own spending habits when it comes to allowing for drinks, shopping and tipping. Please also remember the following specific recommendations when planning your trip.

Money Exchange

The United States currency is the US Dollar (USD).

Credit cards are accepted almost everywhere in the US and can be used to purchase small and large items. When purchasing products or services with a foreign credit card in the USA, you may be charged additional fees by your credit card company for foreign purchases.

Credit cards and debit cards are very useful for cash advances but you must remember to bring your PIN number (be aware that many ATM machines only accept 4-digit PINs). Both Cirrus and Plus system cards are the most widely accepted debit cards. Both Visa and Master Cards are the most widely accepted credit cards. While ATMs are commonly available, there are no guarantees that your credit or debit cards will actually work check with your bank before you travel. A visit to an ATM can be arranged on Day 1 and other days of the trip.

Do not rely on credit or debit cards as your only source of money. A combination of US Dollars as cash (preferably smaller bills, 5's, 10's and 20's) and credit cards is best. Currency exchange is best obtained prior to travel or at the airport, currency exchange is very difficult to find in the USA and most banks do not accommodate.

Always take more rather than less, as you don't want to spoil the trip by constantly feeling short of funds.

As currency exchange rates can fluctuate often we ask that you refer to the following website for daily exchange rates: www.xe.com

Emergency Fund

Please also make sure you have access to at least an additional USD \$200 (or equivalent) as an 'emergency' fund, to be used when circumstances outside our control (ex. a natural disaster) require a change to our planned route. This is a rare occurrence!

Tipping

It is customary in North America to tip service providers such as waiters, at approximately 18%, depending on the service. Tipping is an expected - though not compulsory - component of your tour program and an expression of satisfaction with the persons who have assisted you on your tour. Although it may not be customary to you, it is of considerable significance to the people who will take care of you during your travels. There are times during the trip where there is opportunity to tip the local guides. Recommendations for tipping local guides would range from \$2-8 USD per activity depending on the quality and length of the service; ask your CEO for specific recommendations based on the circumstances and culture.

Also at the end of each trip if you felt your G Adventures Chief Experience Officer did an outstanding job, tipping is appreciated. The amount is entirely a personal preference; however as a guideline \$5 USD per person, per day can be used.

Safety and Security

Many national governments provide a regularly updated advice service on safety issues involved with international travel. We recommend that you check your government's advice for their latest travel information before departure. We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewellery at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes, which is the most secure way of storing your valuables. A lock is recommended for securing your luggage. When travelling on a group trip, please note that your group leader has the authority to amend or cancel any part of the trip itinerary if it deemed necessary, due to safety concerns. Your Chief Experience Officer (CEO) will accompany you on all included activities. During your trip you will have some free time to pursue your own interests, relax and take it easy and explore at your leisure. While your CEO will assist you with options available in a given location, please note that any optional activities you undertake are not part of your itinerary, and we offer no representations about the safety of the activity or the standard of the operators running them. Please use your own good judgement when selecting an activity in your free time. Although the cities visited on tour are generally safe during the day, there can be risks to wandering throughout any major city at night. It is our recommendation to stay in small groups and to take taxis to and from restaurants, or during night time excursions.

Water based activities have an element of danger and excitement built into them. We recommend only participating in water based activities when accompanied by a guide(s). We make every reasonable effort to ensure the fun and adventurous element of any water based activities (in countries with varying degrees of operating standards), have a balanced approach to safety. It is our policy not to allow our CEOs to make arrangements on your behalf for water based activities that are not accompanied by guide(s).

Swimming, including snorkeling, is always at your own risk. [Read more about travel safety](#) for ways to further enhance your personal safety while traveling.

Medical Form

Our small group adventures bring together people of all ages. It is very important you are aware that an average level of fitness and mobility is required to undertake our easiest programs. Travellers must be able to walk without the aid of another person, climb 3-4 flights of stairs, step on and off small boats, and carry their own luggage at a minimum. Travellers with a pre-existing medical condition are required to complete a short medical questionnaire, which must be signed by their physician. This is to ensure that travellers have the necessary fitness and mobility to comfortably complete their chosen trip. While our leaders work hard to ensure that all our travellers are catered for equally, it is not their responsibility to help individuals who cannot complete the day's activities unaided. Please refer to the physical ratings in this Trip Details document for more information.

Please note that all passengers traveling to Antarctica are required to fill out this questionnaire.

The medical questionnaire can be found online at www.gadventures.com/medical-form.

A Couple of Rules

Illegal drugs will not be tolerated on any trips. Possessing or using drugs not only contravenes the laws of the land but also puts the rest of the group at risk. Smoking marijuana and opium is a part of local culture in some parts of the world but is not acceptable for our travellers. Our philosophy of travel is one of respect towards everyone we encounter, and in particular the local people who make the world the special place it is. The exploitation of prostitutes is completely contrary to this philosophy. Our group leader has the right to expel any member of the group if drugs are found in their possession or if they use prostitutes.

Travel Insurance

Travel insurance is compulsory in order to participate on any of our trips. When travelling on a group trip, you will not be permitted to join the group until evidence of travel insurance has been sighted by your leader, who will take note of your insurance details. When selecting a travel insurance policy we require that at a minimum you are covered for medical expenses including emergency evacuation and repatriation. A minimum coverage of USD200,000 is required. G Adventures can provide you with the appropriate coverage. We strongly recommend that the policy also covers personal liability, cancellation, curtailment and loss of luggage and personal effects. If you have credit card insurance we require proof of purchase of the trip (a receipt of credit card statement) with a credit card in your name. Contact your bank for details of their participating insurer, the level of coverage and emergency contact telephone number.

Planeterra-The G Adventures Foundation

Planeterra is G Adventures' non-profit foundation created to make a positive difference in the communities where G Adventures takes travellers. Planeterra supports sustainable social and environmental solutions in destinations travellers love to visit.

As travellers, it's natural to want to give back to the places we've come to love. But to truly impact poverty, we work to build self-sufficiency, not dependency.

Planeterra partners with grassroots organizations with firsthand knowledge of local culture and true community needs. This ensures that solutions come from the people we support. Then G Adventures brings travellers to visit, fuelling sustainable local income in these communities. This model is helping many rural and marginalized communities on their way to self-sufficiency because they are harnessing the power of the tourism industry as a force for good. G Adventures matches all individual donations and pays all administration costs, which means that 100% of each donation is doubled and goes directly to support our projects. For more information about Planeterra and the projects we support, or to make a donation, please visit planeterra.org.

MAKE EVERY DAY COUNT

Fifty percent of our planet lives on less than \$2/day. For the price of a coffee, you can make every day of your trip count by giving back to the communities you visit through Planeterra.

To participate in this program please indicate at the time of booking that you would like to participate in G Adventures' Dollar-A-Day program, either by clicking the check box online, or by advising your G Adventures specialist or travel agent. (Note: Donation will be charged in the currency of your booking).

Feedback

After your travels, we want to hear from you! Your feedback information is so important to us that we'll give you 5% off the price of your next G Adventures trip if your feedback is completed on-line within 30 days of finishing your trip. Your tour evaluation will be e-mailed to you 24 hours after the conclusion of your trip. If you do not receive the tour evaluation link in the days after your tour has finished, please drop us a line at customerservice@gadventures.com and we will send it on to you.
