Itinerary

Day 1 Anchorage

Arrive to our joining hotel at any time. Welcome meeting in the evening.

Day 2 Homer (1L,1D)

Travel around the coast of the Kenai Peninsula, where glaciers tumble down from the mountains towards the ocean. Keep an eye out for beluga whales playing out at sea while travelling along the Turnagain Arm on the journey to Homer.

Approximate Distance: 357 km/222 miles

Estimated Travel Time: 7 hrs

Day 3 Homer (1B,1L,1D)

Homer may be the end of the road but it is the starting place for many wilderness adventures in a variety of public lands. The largest wildlife refuge in Alaska, the Alaska Maritime National Wildlife Refuge is headquartered in Homer, offering bird viewing and experiences unmatched anywhere else. While in Homer, you can enjoy the wildlife whether it's hiking on a local trail, exploring a tide pool, or halibut fishing in Kachemak Bay. Bald eagles, sandhill cranes, moose and shorebirds are just a few of the varieties of local watchable wildlife available to see.

Day 4 Seward (1B,1L,1D)

Leave Homer in the morning and arrive at the tip of the Kenai Peninsula lies a land where the ice age still lingers. In Kenai Fjords, glaciers, earthquakes, and ocean storms are the architects. Ice worms, bears and whales make their home in this land of constant change. Native Alutiiq used these resources to nurture a life entwined with the sea. Explore this site to discover Kenai Fjords, its history, science and remote splendor. Optional boat cruise.

Approximate Distance: 270 km/168 miles

Estimated Travel Time: 5 hrs

Day 5 Seward (1B,1L)

After a hardy breakfast, we'll head out on an amazing hike to the Exit Glacier and Harding Icefield. Considered one of the greatest hikes on the Kenai Peninsula, we'll experience glaciers and the forces that shaped the landscape up close, while exploring only a tiny portion of the nearly 1 million acres that make up Kenai Fjords National Park.

Exit Glacier, the only area of Kenai Fjords National Park accessible by car, is one of thirty-five glaciers that flow off the vast Harding Icefield. The Icefield is the largest in North America, and it remains as a 300 square mile vestige of the last ice age. The 7.4-mile round trip of the Harding Icefield Trail is a spectacular day hike. Starting on the valley floor, the trail winds through cottonwood and alder forests, passes through heather filled meadows and ultimately climbs well above tree line to a breath-taking view of the Icefield. The top of the trail is a window to past ice ages – a horizon of ice and snow that stretches as far as the eye can see, broken only by an occasional nunatak, or lonely peak.

Then what would be Alaska without bears? This is bear country! The vegetation along the trail is dense and passes through thickets of salmonberries, a favorite food of black bears. Black bears are spotted almost every day from the Harding Icefield Trail! Those who are not up for hiking are welcome to relax and explore Seward on their own.

Enjoy a dinner out and reflect on the spectacular natural wonders of the Alaskan Wilderness you experienced today on this amazing hike!

Day 6 Valdez (1B,1D)

Indescribable adventure awaits at every bend of Alaska's incredible coastline. Each magnificent fjord, towering glacier, and historic waterfront town urges you to linger and discover its wonders. Give yourself the freedom to answer this "call of the wild" on an Alaska Marine Highway ferry, through the Inside Passage, across the Gulf of Alaska, into Prince William Sound. If weather permits, we may get a glimpse of the Columbia Glacier. Columbia Glacier itself is receding, leaving huge blocks of ice and an impassible moraine. It is always changing and each day the bay is filled with floating ice. Some of this ice floats all the way out to the Gulf of Alaska, where it becomes a hazard to shipping. Valdez is a must for your Alaska vacation itinerary. The crashing glaciers and towering Chugach mountains rising from the sea make Valdez absolutely picturesque. Come and see the spectacular natural beauty that entices people from around the world to visit. Prepare to be amazed!

Approximate Distance: 290 km/180 miles
Estimated Travel Time: 7 hrs

Day 7 Wrangell St Elias (1B,1L,1D)

View the Trans-Alaskan Pipeline, located at Valdez, 800.5 miles from its origin on the Arctic Ocean. The 48 inch diameter pipeline was completed in 1977 at a cost of \$8 billion, and is one of the largest pipelines in the world. It has a capacity of 2 million barrels of oil per day. Since the opening of the line, more than 19,000 oil tankers have loaded up at the terminal in Valdez, take crude to refineries along the coast in Washington and California.

Stop at Worthington Glacier. Located in the Chugach Mountains near Thompson Pass—the snowiest place in Alaska—Worthington Glacier is one of the most accessible glaciers in Alaska, passing within a few feet of the parking lot and viewing shelter right off the Richardson Highway. Like most of Alaska's glaciers, this valley glacier has been steadily retreating for the last 150 years, but not as dramatically as many others. The upper basin sits at 5,500 feet and collects about 28 feet of snow each year.

We reach our final destination. McCarthy is surrounded by more mountains and glaciers than anywhere else in Alaska! Visit the historic town of McCarthy and discover the real Alaska!

Approximate Distance: 233 km/145 miles
Estimated Travel Time: 6 hrs (including stops)

Day 8 Wrangell St Elias NP (1B,1L,1D)

Wrangell-St. Elias National Park is located in the Eastern region of South-central Alaska. The Chugach, Wrangell, and St. Elias mountain ranges converge here in what is often referred to as the "Mountain Kingdom of North America." It is the largest national park in the United States, six times the size of Yellowstone. Wrangell-St. Elias encompasses over 20,000 square miles of mountain wilderness - that's over 50,000 square kilometers, or 25% larger than Switzerland! The combination of ease of access, incredible natural beauty and great summer weather make Wrangell-St. Elias a great destination for your Alaskan itinerary! Spend a full day exploring this amazing National Park or choose from several optional activities such as scenic flights, glacier walks or ice climbing.

Approximate Distance: 290 km
Estimated Travel Time: 5 hrs

Day 9 Wrangell St Elias NP (1B,1L,1D)

You can explore Kennecott, a ghost town frozen in time on an optional guided tour. When the Kennecott Copper Corporation abruptly abandoned the town in 1938 they left behind their equipment, their buildings, and their personal belongings. However, their stories of discovery, perseverance, and ingenuity live on. The optional guided tour tells you what it was like to live and work in this remote wilderness; listen to tales of lucky fortunes, tenacious frontiersmen, and tragic endings. Without the guided tour, you can still visit the ghost town but you cannot enter the buildings.

There will be an opportunity to walk the Bonanza Mine trail, a fairly strenuous walk that follows the ridges and tram lines to the old mine, taking in the magnificent panoramas of the Chugach Mountains, Mt Blackburn and the Kennicott Glacier along the way. From the ridge above the mine there are some spectacular views across to the University Range in the St. Elias Mountains.

Day 10 Tangle Lake (1B,1L,1D)

Copper River salmon are fattier than others because they have to travel hundreds more miles, and need more reserves. Yes, they're considered the best in the world. Salmon from any Copper River Valley river, no matter what its name, are Copper River. Copper River Country is where the wilderness meets the road in roadside Alaska. Far enough away from both Anchorage and Fairbanks to develop a certain independent self-reliance, people are unfettered by local government. When something needs to be done you don't wait for somebody else to do it here. You step up to the plate and pitch in. Then continue to Tangle Lake.

Approximate Distance: 290 km/181 miles

Estimated Travel Time: 8 hrs

Day 11 Denali (1B,1L,1D)

The highest mountain in North America, Mt. McKinley has been the goal of aspiring high altitude climbers since it was first climbed in 1913. Its reputation as a highly coveted summit derives from its location near the Arctic Circle and the Pacific Ocean giving it some of the most ferocious weather in the world. Because of its weather and ease of access, some climbers use McKinley as a training ground for climbing the 8,000 meter peaks of the Himalaya, including Everest. Mt. McKinley is also known by its Athabascan name Denali meaning "The Great One" and some climbers refuse to use "McKinley" when referring to this mountain. In fact, at least half a dozen names exist for the highest mountain in North America and most translate to "The Great One".

Approximate Distance: 257 km/160 miles

Estimated Travel Time: 6 hrs

Day 12 Denali (1B,1L,1D)

Full day to explore and hike Denali NP. With the parks shuttle service dropping us off in the heart of Denali National Park our adventure begins. Denali is well-known for its diversity of wildlife. There are 39 species of mammals, 167 species of birds, 10 species of fish, and one species of amphibian known in Denali. Summer is a time for raising the young and preparing for migration, hibernation, or survival during the winter and with a little luck, we witness it all! Yet there is more to come. On our hikes we discover the dynamic glaciated landscape providing large rivers, countless lakes and ponds, and unique landforms which form the foundation of the ecosystems that thrive in Denali. Enjoy a picnic lunch and just be in awe of this amazing place.

Day 13 Denali (1B,1L,1D)

Everything about Denali National Park is big: the scenery, the mountains, the incredible beauty, and the animals. Enjoy a full day exploring the Alaskan Wilderness in Denali National Park! We can enjoy hikes in the front country of the park. For those that do not want to hike, options include rafting on the Nenana River, a visit to the dog sled kennels run by the park rangers or it is possible to take a scenic flight over Mount McKinley.

Day 14 Anchorage (1B,1L)

Transfer to Anchorage. Anchorage is a rugged city beautifully settled between the base of the Chugach mountain range and Cook Inlet. An urbanized wilderness, humans are not the city's only inhabitants: They share the city with bears, moose and a small wolf pack. Year-round outdoor recreation is very accessible and venues are well-maintained to make the most of the city's setting. Anchorage is something rugged and wild, beautiful and urban all at once, so enjoy all it has to offer, and be sure to watch out for the wildlife! Discover this city with an orientation tour until it's time to say good bye.

For our final night in Anchorage, enjoy a shower and some good rest in a local hotel.

Approximate Distance: 402 km/250 miles

Estimated Travel Time: 7 hrs (including stops)

Day 15 Anchorage

Depart at any time.

What's Included

Entrance fees to all National and State Parks with walking and hiking excursions, Ferry to Valdez

Highlights

Devouring seafood in Anchorage, hiking in stellar Denali National Park, being dwarfed by Mt McKinley, hearing glaciers groan at Wrangell-St Elias National Park, marvelling at views of the Kenai Peninsula.

Dossier Disclaimer

The information in this trip details document has been compiled with care and is provided in good faith. However it is subject to change, and does not form part of the contract between the client and the operator. The itinerary featured is correct at time of printing. It may differ slightly to the one in the brochure. Occasionally our itineraries change as we make improvements that stem from past travellers, comments and our own research. Sometimes it can be a small change like adding an extra meal along the itinerary. Sometimes the change may result in us altering the tour for the coming year. Ultimately, our goal is to provide you with the most rewarding experience. Please note that our brochure is usually released in November each year. If you have booked from the previous brochure you may find there have been some changes to the itinerary.

VERY IMPORTANT: Please ensure that you print a final copy of your Trip Details to review a couple of days prior to travel, in case there have been changes that affect your plans.

Itinerary Disclaimer

While it is our intention to adhere to the route described below, there is a certain amount of flexibility built into the itinerary and on occasion it may be necessary, or desirable to make alterations. The itinerary is brief, as we never know exactly where our journey will take us. Due to our style of travel and the regions we visit, travel can be unpredictable. The Trip Details document is a general guide to the tour and region and any mention of specific destinations or wildlife is by no means a guarantee that they will be visited or encountered. Aboard expedition trips visits to research stations depend on final permission.

Additionally, any travel times listed are approximations only and subject to vary due to local circumstances.

Important Notes

1. An essential part of your trip is participation - from putting up your tent (while camping) or packing it away in the morning, to helping with meal preparation and cleaning up - it is all part of your adventure and when everyone puts in a little effort the trip will run smoothly. Your CEO will do all the meal planning, but we do ask the clients to help with the preparation and washing up. Team spirit is part of the fun! All camping equipment (with the exception of your sleeping bag and pillow) is supplied. We supply dome tents and assembly/disassembly takes only 5 minutes. All tents have built-in insect nets. Self-inflating mattresses are also provided, which are approximately 4cm thick, warm and comfortable.
2. Proper sleeping bags are necessary for this tour. Evening temperatures can reach -9°C - 0°C. Please ensure that your sleeping bag is rated to (-17°C for spring and fall trips and 0°C for trips June - Sept). If you prefer you can purchase a proper sleeping bag on the first day of the trip. Prices range from \$40-\$60USD.
3. In order to cover the vast distance in North America to be able to visit several different parks and cities along our trip, we will have a couple of long driving days.
4. All walks and hikes proposed by our CEO will be easy to moderate level. You may choose to participate or not, but exploring our national parks on foot is part of our way of travelling. It's a healthy way to discover North America's beauty and landscape.
5. Please note that some trips could be a combination of multiple G Adventure tours. You should expect some group members to join or leave the tour between tour segments.
6. Please note that the legal drinking age in the United States is 21 and in Canada, 19 (with Alberta and Quebec at 18). Many bars and clubs will ask for ID at the door, therefore listening to live music in certain bars or spending a night out in Las Vegas or New Orleans is not possible when you are under the legal age, even if you don't plan on consuming alcohol. Drinking laws in both countries are strictly enforced and our CEOs are unable to help those under age obtain alcohol of any kind.

While this should not stop those under legal drinking age from booking a tour, it is important to note that if a traveller is under-age there are certain optional nighttime activities that they may not legally be able to participate in. When trying to book the right trip, we recommend that travellers under legal drinking age take this into consideration when booking a tour that visits several big cities.

Group Leader Description

This G Adventures group trip is accompanied by one of our group leaders, otherwise known as a Chief Experience Officer (CEO). The CEO will be the group manager, leader and driver - this person is experienced in the routes travelled and will organize and lead the meal preparations and has experience in cooking a variety of local and international dishes for large groups.

As the group coordinator and manager, the aim of the CEO is to take the hassle out of your travels and to help you have the best trip possible. While not being guides in the traditional sense, you can expect them to have a broad general knowledge of the countries visited on the trip, including historical, cultural, religious and social aspects. They will also offer suggestions for things to do and to see, recommend great local eating venues and introduce you to our local friends.

We also use local guides where we think more specific knowledge will add to the enjoyment of the places we are visiting - we think it's the best of both worlds.

Group Size Notes

Max 13, avg 10.

Meals Included

12 breakfasts, 12 lunches, 11 dinners.

Meals

Most of the meals on this tour are included in the tour price. When a meal is not included, this is because there are often many options available - we would like to give you the opportunity to explore a bit and taste the local cuisine yourself. In these cases, your CEO will be able to suggest some good local restaurants or options for you to choose from.

All included meals will be prepared from fresh local produce. The majority of the shopping for food will be done before the trip departs, and fresh goods, such as meats, fruits, vegetables, and dairy products, will be bought en route during the trip from supermarkets, local shops and markets. Breakfasts will generally consist of breads and cereals, if time allows a warm breakfast may be prepared. Many lunches will be provided en-route and will be light meals such as sandwiches and/or salads. All evening meals will be freshly-prepared hot meals, and will consist of a variety of continental and local dishes.

Our CEO will organize the meal preparation and lead the way here, but will prepare a duty schedule for ensuring a fair, rotating participation from you and your group members in the meal preparation and dish washing duties.

Vegetarian meals and other dietary requirements need to be specified prior to arrival.

Meal Budget

Allow USD75-100 for meals not included

Transport

Air-conditioned private touring van, ferry, hiking

About our Transportation

We use 15-passenger vans for up to 13 people plus the CEO/Driver for all our of our trips in North America. For groups of 8 and more travellers, we also use a trailer to carry luggage and camping equipment.

These vans are durable vehicles that allow us to drive on most types of roads in North America.

Each van has a front passenger seat and 4 benches that will accommodate 3 people each. No standing is permitted in these vehicles, but there is air conditioning to cool things down on warm days and mandatory seat belts to us secure and safe.

This is not a physically demanding journey. However, travelling can be difficult, with long drives and limited space in the van. Please take note of the travel times and distances in the above itinerary. Despite some of the long days, most clients feel that the diversity of the North American landscape, culture and wildlife are all well worth the experience!

Solo Travellers

We believe single travellers should not have to pay more to travel so our group trips are designed for shared accommodation and do not involve a single supplement. Single travellers joining group trips are paired in twin or multi-share accommodation with someone of the same sex for the duration of the trip. Some of our Independent trips are designed differently and single travellers on these itineraries must pay the single trip price.

Accommodation

Hotels (2 nts), participation camping (12 nts)

My Own Room

If you have booked the "My Own Room" option for this tour, you will receive your own single room/tent for all night stops.

About Accommodation

This trip includes a few nights in hotels, used mainly in cities, and most of the nights on tour we camp in tents in public and private camp grounds.

The hotels that we use are well located, good quality, 2-3* venues, based double occupancy with a private, en route bathroom.

All camping equipment (with the exception of your sleeping bag and pillow) is supplied, including camp mattresses, which are warm and comfortable. We supply dome tents and assembly/disassembly takes only 5 minutes. They are good quality, durable, industry-standard 2-person pop-up tents, each with 2 separate and convenient zip-up doors and vestibules, so that each person has his/her own entrance.

We use 2 types of campgrounds in North America:

1. Private campgrounds: These are privately run sites, usually with all services such as a fire pit, picnic table, drinking water, toilet & shower buildings. Some have small outdoor swimming pools and laundry facilities. These campgrounds are located near national park entrances or towns.
2. Public campgrounds: These are park-run sites, usually with basic facilities such as a fire pit, picnic table, and drinking water. In some cases, these types of campgrounds don't have showers, only pit toilets and a lake! In other locations, toilet and shower facilities may be located outside of campground, or at times in another location, a drive away. Some of them have also shower fees (\$2-6/shower).

Joining Hotel

Ramada Inn Downtown
115 E 3rd Ave
Anchorage, AK 99501
+1 (907) 272-7561

Joining Instructions

Upon arrival on Ted Stevens Anchorage International Airport, which is located 6 miles (10km) from downtown Anchorage, you have a couple of options for transportation: public taxi and a complimentary shuttle service provided by your Joining Hotel in downtown Anchorage. Both are located right outside the main lobby or at the domestic terminal the taxi waiting area can be reached by the underground transportation or lobby or the sidewalk outside.

Taxi

The drive will take about 15-20 min depending on traffic and the fare to your hotel is approximately \$23 (excluding tip).

Complimentary shuttle service

No matter what time you arrive the shuttle is there for you 24 hours 7 days a week. Once you have your luggage proceed to the Ramada courtesy phone located in the baggage claim area. Call the hotel to arrange your pick up from the airport. Apart from tipping the driver at the end you don't have to pay a dime.

Please note that day 1 is an arrival day and no activities have been planned, though a brief departure meeting will be held in the hotel on the evening of day 1. When you arrive at our joining hotel you will find the time and place of the meeting on a welcome note hung in the hotel lobby. If you are unable to find the note, please just ask the front desk staff.

At the meeting you will meet other tour participants and receive information about general and specific aspects of the trip. If you arrive late and miss the meeting, your CEO will leave you a message detailing what time and where you should meet the next morning.

Emergency Contact

Should you need to contact us during a situation of dire need, it is best to first call the G Adventures Local Representative. If for any reason you do not receive an immediate answer, please leave a detailed message and contact information, so they may return your call and assist you as soon as possible.

AIRPORT TRANSFER

If you have purchased an arrival through G Adventures, please note that:

Your arrival transfer has been arranged based on flight information provided to us. If you are advised of a flight schedule change within 48 hours of your scheduled arrival time, we will do our best to rearrange your arrival transfer however we cannot guarantee this. If your arrival transfer does not arrive within 30 minutes after you have exited the arrivals area please take a taxi to your start point hotel

What to Take

You will be on the move a lot, so our advice is to pack as lightly as possible.

For days in the outdoors, we recommend the use of lightweight, breathable, moisture-wicking fabrics made of wool or synthetic fibers. Cotton is not recommended for days to spend hiking as it does not allow for heat or moisture to enter or escape, and it will not dry easily once wet.

We recommend the use of a well-labeled duffel bag, soft bag or backpack (whichever you find easiest to carry). Suitcases or heavy luggage are not recommended for the health of the CEO! A good size day-pack (20-35L) is also essential as you will have the chance to walk and hike in different national parks during these trips This daypack will be used to carry your personal gear for the day, lunch and water bottle.

It is important to pack clothes for warm days and cool evenings, as well as a light jacket. A set of smart casual clothes is also advisable.

NOTE: Mountains in Canadian Rockies and Alaska could have unpredictable weather with snow and heavy rain even in Summer

time. Spring time could be snowy (until end of June) and fall season could start as soon as mid-August. Make sure you have equipment and clothing for all conditions!

Laundry

Laundry can be done at least once a week while on tour. Some private campgrounds and most cities have laundromats where you can buy soap and wash your laundry in coin-operated machines. Your CEO will advise you along the trip where you will be able to do your laundry.

Visas

All countries require a valid passport (with a minimum 6 months validity). Contact your local embassy, or consulate for the most up-to-date visa requirements, or see your travel agent. It is your own responsibility to have the correct travel documentation. Visa requirements for your trip will vary depending on where you are from and where you are going. We keep the following information up to date as far as possible, but rules do change and sometimes without warning. While we provide the following information in good faith, it is vital that you check yourself and understand that you are fully responsible for your own visa requirements.

Spending Money

Every traveller is different and therefore spending money requirements will vary. Some travellers may drink more than others while other travellers like to purchase more souvenirs than most. Please consider your own spending habits when it comes to allowing for drinks, shopping and tipping. Please also remember the following specific recommendations when planning your trip.

Money Exchange

The United States currency is the US Dollar (USD).

Credit cards are accepted almost everywhere in the US and can be used to purchase small and large items. When purchasing products or services with a foreign credit card in the USA, you may be charged additional fees by your credit card company for foreign purchases.

Credit cards and debit cards are very useful for cash advances but you must remember to bring your PIN number (be aware that many ATM machines only accept 4-digit PINs). Both Cirrus and Plus system cards are the most widely accepted debit cards. Both Visa and Master Cards are the most widely accepted credit cards. While ATMs are commonly available, there are no guarantees that your credit or debit cards will actually work check with your bank before you travel. A visit to an ATM can be arranged on Day 1 and other days of the trip.

Do not rely on credit or debit cards as your only source of money. A combination of US Dollars as cash (preferably smaller bills, 5's, 10's and 20's), traveller's cheques and credit cards is best. Currency exchange is best obtained prior to travel or at the airport, currency exchange is very difficult to find in the USA and most banks do not accommodate.

Always take more rather than less, as you don't want to spoil the trip by constantly feeling short of funds.

As currency exchange rates can fluctuate often we ask that you refer to the following website for daily exchange rates: www.xe.com

Emergency Fund

Please also make sure you have access to at least an additional USD \$200 (or equivalent) as an 'emergency' fund, to be used when circumstances outside our control (ex. a natural disaster) require a change to our planned route. This is a rare occurrence!

Tipping

It is customary in North America to tip service providers such as waiters, bartenders and taxi drivers, at approximately 15-18%, depending on the service. Tipping is an expected - though not compulsory - component of your tour program and an expression of satisfaction with the persons who have assisted you on your tour. Although it may not be customary to you, it is of considerable significance to the people who will take care of you during your travels. There are times during the trip where there is opportunity to tip any local guides used. Recommendations for tipping local guides would range from \$2-8 USD per activity depending on the quality and length of the service; ask your CEO for specific recommendations based on the circumstances and culture.

Also at the end of each trip if you felt your G Adventures Chief Experience Officer did an outstanding job, tipping is appreciated. The amount is entirely a personal preference; however as a guideline \$5-10 USD per person, per day can be used as a guide. If your CEO exceeded your expectations, feel free to tip more.

Optional Activities

Optional activity prices are subject to change and can fluctuate in relation to the high/low season and the number of people on a specific excursion. Not all excursions listed here may be available, due to season or weather conditions. As generally not a lot of time

is spent in start/end cities, you may want to arrange to arrive early, or stay longer after the trip in order to allow sufficient time to participate in optional activities there. All prices are per person, are in US dollar amounts.

Homer

Horseback Riding (1/2 day) US\$90

Kachemak Glacier Flight (1 hr) US\$240 per person if 2 people, \$185 if 3 people.

Seward

Boat Cruise Kenaj Fjords US\$149 (6 hrs), \$169 (7.5 hrs)

Kayaking (3 hrs) US\$65

Denali

Rafting (2 hrs) US\$89

Safety and Security

Many national governments provide a regularly updated advice service on safety issues involved with international travel. We recommend that you check your government's advice for their latest travel information before departure. We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewellery at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes, which is the most secure way of storing your valuables. A lock is recommended for securing your luggage. When travelling on a group trip, please note that your CEO has the authority to amend or cancel any part of the trip itinerary if it is deemed necessary due to safety concerns. Your CEO will accompany you on all included activities. During your trip you will have some free time to pursue your own interests, relax and take it easy or explore at your leisure. While your CEO will assist you with options available in a given location please note that any optional activities you undertake are not part of your itinerary, and we offer no representations about the safety of the activity or the standard of the operators running them. Please use your own good judgment when selecting an activity in your free time. Although the cities visited on tour are generally safe during the day, there can be risks to wandering throughout any major city at night. It is our recommendation to stay in small groups and to take taxis to and from restaurants, or during night time excursions.

Protests and Demonstrations- Protests and demonstrations, even those that are well intended, have the potential to turn violent with no warning. Counter protests can also turn violent. Action by security forces to disperse demonstrators and protesters may occur at any time. If you are in an area where demonstrators or protesters are gathering, avoid the temptation of staying for a good photo opportunity and leave the area immediately.

Water based activities have an element of danger and excitement built into them. We recommend only participating in water based activities when accompanied by a guide(s). We make every reasonable effort to ensure the fun and adventurous element of any water based activities (in countries with varying degrees of operating standards) have a balanced approach to safety. It is our policy not to allow our CEOs to make arrangements on your behalf for water based activities that are not accompanied by guide(s).

Swimming, including snorkeling, is always at your own risk.

We take all prudent measures in relation to your safety. For ways to further enhance your personal safety while traveling, please visit:

Medical Form

Our small group adventures bring together people of all ages. It is very important you are aware that, as a minimum, an average level of fitness and mobility' is required to undertake our easiest programs. Travellers must be able to walk without the aid of another person, climb 3-4 flights of stairs, step on and off small boats, and carry their own luggage at a minimum. Travellers with a pre-existing medical condition are required to complete a short medical questionnaire, which must be signed by their physician. This is to ensure that travellers have the necessary fitness and mobility to comfortably complete their chosen trip. While our CEOs work hard to ensure that all our travellers are catered for equally, it is not their responsibility to help individuals who cannot complete the day's activities unaided. Please refer to the physical ratings in this Trip Details document for more information.

Please note that all passengers traveling to Antarctica are required to fill out this questionnaire.

The medical questionnaire can be found online at:

- www.gadventures.com/medical-form.

A Couple of Rules

Illegal drugs will not be tolerated on any trips. Possessing or using drugs not only contravenes the laws of the land but also puts the rest of the group at risk. Smoking marijuana and opium is a part of local culture in some parts of the world but is not acceptable for our travellers. Our philosophy of travel is one of respect towards everyone we encounter, and in particular the local people who make the world the special place it is. The exploitation of prostitutes is completely contrary to this philosophy. Our CEOs have the right to expel any member of the group if drugs are found in their possession or if they use prostitutes.

Travel Insurance

Travel Insurance: Travel insurance is compulsory in order to participate on any of our trips. When travelling on a group trip, you will not be permitted to join the group until evidence of travel insurance has been sighted by your CEO, who will take note of your insurance details. When selecting a travel insurance policy please bear in mind that all clients must have medical coverage and that we require a minimum coverage of USD 200,000 for repatriation and emergency rescue. We strongly recommend that the policy also covers personal liability, cancellation, curtailment and loss of luggage and personal effects. If you have credit card insurance we require proof of purchase of the trip (a receipt of credit card statement) with a credit card in your name. Contact your bank for details of their participating insurer, the level of coverage and emergency contact telephone number.

Planeterra-The G Adventures Foundation

Through our commitment to responsible tourism we have developed the Planeterra Foundation, a non-profit organization dedicated to making a positive difference in the lives of people and communities around the world through support of international charities, local organizations and community projects in the places that we visit on our tours. G Adventures matches all individual donations and pays all administration costs, which means that 100% of each donation is doubled and goes directly to support our projects. For more information about Planeterra and the projects we support, or to make a donation, please visit www.planeterra.org

Planeterra Dollar-A-Day Program

Our Dollar-A-Day Program provides travellers with the opportunity to help us give back to the people and places visited on our tours by donating one dollar per day for the duration of their tour. 100% of these proceeds will go directly to support our Planeterra projects.

To participate in this program please indicate at the time of booking that you would like to participate in G Adventures' Dollar-A-Day program, either by clicking the check box online, or by advising your G Adventures specialist or travel agent. (Note: Donation will be charged in the currency of your booking)

Feedback

After your travels, we want to hear from you! Your feedback information is so important to us that we'll give you 5% off the price of your next G Adventures trip if your feedback is completed on-line within 30 days of finishing your trip. Your tour evaluation will be e-mailed to you 24 hours after the conclusion of your trip. If you do not receive the tour evaluation link in the days after your tour has finished, please drop us a line at customerservice@gadventures.com and we will send it on to you.
