Itinerary

Day 1 Ibiza Town

Transfer to Sant Josep and to your home for the week, a private restored villa in a quiet setting just outside town with all the amenities of home and then some! Pool, outside dining and common area, terrace, gardens and indoor gathering areas as well as a fully equipped kitchen are all included on this large property.

Day 2 Sant Josep (1D)

Start your day off right with an included starter kit of breakfast essentials and local delicacies then explore the island and your new surroundings. Enjoy an outdoor barbecue dinner with local friends tonight.

Day 3-7 Sant Josep

Do as much or as little as you want while you're here; we know it is hard to get away from this beautiful property! Ibiza is small enough to explore in its entirety, from beaches with many water sport options to walking paths to the old historic part of Ibiza Town, complete with a castle. Opt to shop at one of the hippie markets or take a day trip to Formentera Island, famous for its picture-perfect beaches. Get out and experience the nightlife this island is famous for or lounge on one of its many beaches.

Here's a sample day-by-day itinerary while you're here:

Day 1—arrive and get settled into your beautiful home for the week.

Day 2—get to know the island, grab some necessities for the kitchen from the nearby store. Hit the beach for a bit, then head back for an outdoor barbecue at the house.

Day 3—choose one of Ibiza's great hiking trails and set off for the day. (The approx. 6 hour walk between Cala de Bou and the beaches of Comte meanders along the coastline, passing through several villages along the way.) Tonight might be a good night to check out one of Ibiza's famous clubs!

Day 4—beach hopping with a picnic lunch, enjoy sunset drinks on the beach, then either dinner out or back at the house.

Day 5—continue the exploration of the island and hit up the Es Cana Wednesday Hippie Market and check out Ibiza Town as well.

Day 6—take a ferry over to idyllic Formentera Island, home to white sandy beaches and turquoise waters. Lounge on the beach or

rent a bicycle to explore the cycle paths. After dinner back on Ibiza, enjoy a night out dancing... every night in Ibiza is busy!

Day 7—spend the day lounging poolside or on the Balinese bed on the terrace. Pamper yourself with a massage, then enjoy a final evening together with the group.

Day 8—time to pack your bags and head home... aren't you more relaxed just reading about all of this?

Day 8 Sant Josep

Depart at any time.

What's Included

Starter kit of breakfast essentials and local delicacies

Highlights

Sharing a rental property with optional day trips and activities, lounging on postcard-worthy beaches, wandering the historic streets of old Ibiza Town, finding hidden coves around the island, dancing to the beats of world-famous DJs, relaxing at your very own luxury villa.

Itinerary Disclaimer

While it is our intention to adhere to the route described below, there is a certain amount of flexibility built into the itinerary and on occasion it may be necessary, or desirable to make alterations. The itinerary is brief, as we never know exactly where our journey will take us. Due to our style of travel and the regions we visit, travel can be unpredictable. The Trip Details document is a general guide to the tour and region and any mention of specific destinations or wildlife is by no means a guarantee that they will be visited or encountered.

Additionally, any travel times listed are approximations only and subject to vary due to local circumstances.

Group Leader Description

This G Adventures group trip is accompanied by one of our CEOs (Chief Experience Officer). The aim of the CEO is to take the hassle out of your travels and to help you have the best trip possible. They will provide information on the places you are travelling through, offer suggestions for things to do and see, recommend great local eating venues and introduce you to our local friends. While not being guides in the traditional sense you can expect them to have a broad general knowledge of the countries visited on the trip, including historical, cultural, religious and social aspects.

Group Size Notes

Max 10, avg 8.

Meals Included

1 dinner.

Meals

Eating is a big part of traveling. Travelling with G Adventures you experience the vast array of wonderful food that is available out in the world. On this trip, you have an included breakfast starter kit and a local dinner for a chance to try the region's specialties. Other meals are not included in the trip price to offer a variety of eating options to give you the maximum flexibility in deciding where, what and with whom to eat. Our groups tend to eat together to enable you to taste a larger variety of dishes and enjoy each other's company. There is no obligation to do this though. Your CEO will be able to suggest favourite restaurants during your trip. Please refer to the meals included and budget information for included meals and meal budgets.

Meal Budget

Allow EUR320-400 for meals not included.

Transport

Private vehicle, walking.

About our Transportation

The home you will be staying in is very central and while most shops and restaurants are within walking distance, we suggest getting to know the local means of transportation. There is a public bus stop 200m from the property that goes to either Ibiza Town or San Antonio, where you can find connecting buses to most of the main destinations on the island. Your CEO can assist you in organizing any type of transportation you might wish to try while exploring Ibiza.

Solo Travellers

We believe solo travellers should not have to pay more to travel so our group trips are designed for shared accommodation and do not involve a single supplement. Single travellers joining group trips are paired in twin or multi-share accommodation with someone of the same sex for the duration of the trip. Some of our Independent trips are designed differently and solo travellers on these itineraries must pay the single trip price.

Accommodation

Private fully equipped luxury villa (7 nts).

My Own Room

A limited number of rooms are available under the My Own Room option on this trip, please inquire at the time of booking.

About Accommodation

Your home for the week is a private restored villa in a quiet setting just outside town with all the amenities of home and then some! Pool, outside dining and common area, terrace, gardens and indoor gathering areas as well as a fully equipped kitchen are all included on this large property.

Visas

Contact your local embassy or consulate for the most up-to-date visa requirements, or see your travel agent. It is your responsibility to have the correct travel documentation. While we provide the following information in good faith, it is vital that you check yourself and understand that you are fully responsible for your own visa requirements.

All visitors to the EU (European Union) and EEC (European Economic Community) countries require a valid passport (with a minimum 6 months validity). USA, Canada, Australia and New Zealand passport holders do not need a visa to visit the Schengen area (see below), however they may not stay longer than three months in any 6-month period.

For other nationalities, travelling in Europe has been simplified with the introduction of the Schengen visa. As a visitor to the Schengen area (Austria, Germany, Netherlands, Belgium, Greece, Norway, Denmark, Iceland, Portugal, Finland, Italy, Spain, France, Luxembourg, Sweden, Czech Republic, Hungary, Estonia, Latvia, Lithuania, Malta, Poland, Slovakia, Slovenia and Switzerland) you will enjoy the many advantages of this unified visa system. Generally speaking with a Schengen visa, you may enter one Schengen country and travel freely throughout the Schengen region during the validity of your visa. There are limited border controls at Schengen borders, if any at all.

Please note that the UK and Ireland are NOT part of the Schengen agreement.

A Schengen visa is applied for at the Embassy or Consulate of the Schengen country in which you will be spending the most nights on your trip to the Schengen space. If you are only visiting one country on your trip then you apply for your visa at the Consulate of this Schengen country.

Spending Money

Every traveller is different and therefore spending money requirements will vary. Some travellers may drink more than others while other travellers like to purchase more souvenirs than most. Please consider your own spending habits when it comes to allowing for drinks, shopping and tipping. Please also remember the following specific recommendations when planning your trip.

Money Exchange

Spain is part of the Eurozone and their currency is the Euro.

Credit cards and debit cards are very useful for cash advances but you must remember to bring your PIN number (be aware that many ATM machines only accept 4-digit PINs). Both Cirrus and Plus system cards are the most widely accepted debit cards. Visa cards are the most widely accepted credit cards. While ATMs are commonly available, there are no guarantees that your credit or debit cards will actually work in Spain - Check with your bank. You should be aware when purchasing products or services on a credit card, that a fee usually applies.

Do not rely on credit or debit cards as your only source of money. A combination of Euros and cards is best.

Always take more rather than less, as you don't want to spoil the trip by constantly feeling short of funds.

As currency exchange rates can fluctuate often we ask that you refer to the following website for daily exchange rates: www.xe.com

Emergency Fund

Please also make sure you have access to at least an additional USD \$200 (or equivalent) as an 'emergency' fund, to be used when circumstances outside our control (ex. a natural disaster) require a change to our planned route. This is a rare occurrence!

Departure Tax

Usually included in international air ticket, please check with your airline before flying.

Tipping

It is customary in Europe to leave a small tip for service providers, such as waiters, if you are pleased with the service (€1-2). Tipping is an expected - though not compulsory - component of your tour program and an expression of satisfaction with the persons who have assisted you on your tour. Although it may not be customary to you, it is of considerable significance to the people who will take care of you during your travels. There are several times during the trip where there is opportunity to tip the local guides. You may do this individually, or your CEO will offer to collect the money and tip as a group. Recommendations for tipping local guides would range from €3-5 per day depending on the quality and length of the service; ask your CEO for specific recommendations based on the circumstances and culture. Also at the end of each trip if you felt your G Adventures CEO or skipper did an outstanding job, tipping is appreciated. The amount is entirely a personal preference, however as a guideline €20-25 per person, per week can be used.

Optional Activities

The following optional activities are available in and around the area you will be staying in. This is new product and we are in the process of getting accurate prices. We encourage you to check the trip details again before you travel for the most up-to-date activities and pricing.

Taxis around the island: €20-30/trip

Hiking: Free (but may require taxi to/from start/finish points)

Visit Cova de Can Marçà (largest cave on the island)

Day trip to Formentera Island

Parasailing

Entry fees to clubs €20-100, depending on the day of the week

Health

Please note inoculations may be required for the country visited. It is your responsibility to consult with your travel doctor for up to date medical travel information well before departure.

You should consult your doctor for up-to-date medical travel information well before departure. We recommend that you carry a First Aid kit and hand sanitizers / antibacterial wipes as well as any personal medical requirements. Please be aware that quite often we are in remote areas and away from medical facilities, and for legal reasons our leaders are prohibited from administering any type of drug including headache tablets, antibiotics, etc. When selecting your trip please carefully read the brochure and itinerary and assess your ability to cope with our style of travel. Please refer to the Physical and Culture Shock ratings for trip specific information. G Adventures reserves the right to exclude any traveller from all or part of a trip without refund if in the reasonable opinion of our CEO they are unable to complete the itinerary without undue risk to themselves and/or the rest of the group.

Safety and Security

Many national governments provide a regularly updated advice service on safety issues involved with international travel. We recommend that you check your government's advice for their latest travel information before departure. We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewellery at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes, which is the most secure way of storing your valuables. A lock is recommended for securing your luggage. When travelling on a group trip, please note that your group leader has the authority to amend or cancel any part of the trip itinerary if it deemed necessary, due to safety concerns. Your Chief Experience Officer (CEO) will accompany you on all included activities. During your trip you will have some free time to pursue your own interests, relax and take it easy and explore at your leisure. While your CEO will assist you with options available in a given location, please note that any optional activities you undertake are not part of your itinerary, and we offer no representations about the safety of the activity or the standard of the operators running them. Please use your own good judgement when selecting an activity in your free time. Although the cities visited on tour are generally safe during the day, there can be risks to wandering throughout any major city at night. It is our recommendation to stay in small groups and to take taxis to and from restaurants, or during night time excursions.

Water based activities have an element of danger and excitement built into them. We recommend only participating in water based activities when accompanied by a guide(s). We make every reasonable effort to ensure the fun and adventurous element of any water based activities (in countries with varying degrees of operating standards), have a balanced approach to safety. It is our policy not to allow our CEOs to make arrangements on your behalf for water based activities that are not accompanied by guide(s).

Swimming, including snorkeling, is always at your own risk. [Read more about travel safety](#) for ways to further enhance your personal safety while traveling.

Trip Specific Safety

Like anywhere in the world, major cities have areas safer than others, use common sense, be aware of your surroundings and mind your personal belongings

Medical Form

Our small group adventures bring together people of all ages. It is very important you are aware that, as a minimum, an average level of fitness and mobility' is required to undertake our easiest programs. Travellers must be able to walk without the aid of another person, climb 3-4 flights of stairs, step on and off small boats, and carry their own luggage at a minimum. Travellers with a pre-existing medical condition are required to complete a short medical questionnaire, which must be signed by their physician. This

is to ensure that travellers have the necessary fitness and mobility to comfortably complete their chosen trip. While our CEOs work hard to ensure that all our travellers are catered for equally, it is not their responsibility to help individuals who cannot complete the day's activities unaided. Please refer to the physical ratings in this Trip Details document for more information.

The medical questionnaire can be found online at:

- www.gadventures.com/medical-form.

A Couple of Rules

Illegal drugs will not be tolerated on any trips. Possessing or using drugs not only contravenes the laws of the land but also puts the rest of the group at risk. Smoking marijuana and opium is a part of local culture in some parts of the world but is not acceptable for our travellers. Our philosophy of travel is one of respect towards everyone we encounter, and in particular the local people who make the world the special place it is. The exploitation of prostitutes is completely contrary to this philosophy. Our group leader has the right to expel any member of the group if drugs are found in their possession or if they use prostitutes.

Travel Insurance

Travel insurance is compulsory in order to participate on any of our trips. When travelling on a group trip, you will not be permitted to join the group until evidence of travel insurance has been sighted by your leader, who will take note of your insurance details. When selecting a travel insurance policy we require that at a minimum you are covered for medical expenses including emergency evacuation and repatriation. A minimum coverage of USD200,000 is required. G Adventures can provide you with the appropriate coverage. We strongly recommend that the policy also covers personal liability, cancellation, curtailment and loss of luggage and personal effects. If you have credit card insurance we require proof of purchase of the trip (a receipt of credit card statement) with a credit card in your name. Contact your bank for details of their participating insurer, the level of coverage and emergency contact telephone number.

Planeterra-The G Adventures Foundation

Planeterra is G Adventures' non-profit foundation created to make a positive difference in the communities where G Adventures takes travellers. Planeterra supports sustainable social and environmental solutions in destinations travellers love to visit.

As travellers, it's natural to want to give back to the places we've come to love. But to truly impact poverty, we work to build self-sufficiency, not dependency.

Planeterra partners with grassroots organizations with firsthand knowledge of local culture and true community needs. This ensures that solutions come from the people we support. Then G Adventures brings travellers to visit, fuelling sustainable local income in these communities. This model is helping many rural and marginalized communities on their way to self-sufficiency because they are harnessing the power of the tourism industry as a force for good. G Adventures matches all individual donations and pays all administration costs, which means that 100% of each donation is doubled and goes directly to support our projects. For more information about Planeterra and the projects we support, or to make a donation, please visit planeterra.org.

MAKE EVERY DAY COUNT

Fifty percent of our planet lives on less than \$2/day. For the price of a coffee, you can make every day of your trip count by giving back to the communities you visit through Planeterra.

To participate in this program please indicate at the time of booking that you would like to participate in G Adventures' Dollar-A-Day program, either by clicking the check box online, or by advising your G Adventures specialist or travel agent. (Note: Donation will be charged in the currency of your booking).

Feedback

After your travels, we want to hear from you! Your feedback information is so important to us that we'll give you 5% off the price of your next G Adventures trip if your feedback is completed on-line within 30 days of finishing your trip. Your tour evaluation will be e-mailed to you 24 hours after the conclusion of your trip.
