Itinerary

Day 1 Malé (1L,1D)

Arrive in Malé international airport. You will be met by airport representatives who will transfer you directly to the waterfront to meet our Boat captain and crew. Once settled into our cabins, we will depart. We will cruise south for 2 to 3 hours through the Vaadhoo Canal to a nearby island in South Malé Atoll; probably Guraidhoo, a small inhabited island where we plan to moor in (or just outside) the small harbour for our first night on board.

****Please arrive by 10:30AM at the latest on day 1****

Day 2 Ambaraa (1B,1L,1D)

After a relaxed start this morning, we continue to the southernmost point of South Male Atoll before crossing the channel to Felidhoo Atoll. Whilst South Male Atoll is within the 'tourist zone'. The main industry is fishing and there is a good chance that we will see traditional boat-building on at least one of the islands.

Our total travelling time will be about 3 to 4 hours, depending on how many times we stop off en route. We should reach the idyllic uninhabited island of Ambaraa by early afternoon, with the remainder of the day free to enjoy the beach and snorkel in the crystal clear waters around the island

Day 3 Fenboia Finolhu and Meemu Atoll (1B,1L,1D)

Today we cruise south for a further 2-3 hours, crossing to Meemu Atoll. As with the rest of the journey, we are hardly ever out of sight of land (weather permitting) and we actually cruise very close to many of the islands.

Meemu Atoll has 34 islands of which 25 are uninhabited. Some of the uninhabited ones grow yams, and all of them are almost totally dependent on fishing. Here more than anywhere, we are likely to experience the true Maldivian way of life. Shortly after entering the atoll we arrive at Fenboia Finolhu, another beautiful uninhabited island where we aim to base ourselves for the night– again with plenty of time to enjoy the beach and to snorkel amongst the reefs.

Day 4 Dhlggaru (1B,1L,1D)

After a relaxed start we head east to the inhabited island of Dhiggaru. Here we drop anchor outside the reef, a great area for snorkelling. Late afternoon is a good time to visit this lively village, which often has large dhonis under construction and very few tourist groups visiting it. We enjoy the laid back pace and traditional way of life of its people. We hope to be invited in the evening to a performance of Bodu Beru (Big Drum), the traditional folk music of the country.

Day 5 Felidhoo (1B,1L,1D)

Today we head back to Felidhoo Atoll and its administrative centre Felidhoo. This is the least populated of the administrative centres with a population of about 400 people. Again, we take time to wander through the village; every visit ashore shows us something new and different about the lives of the islanders. Again, this is a great place to enjoy a Bodu Beru performance.

Day 6 Emboodhoo Finolhu (1B,1L,1D)

Our journey today is the longest of the trip and takes us right back through the islands of Felidhoo and South Male Atolls. There are plenty of opportunities to stop and swim and snorkel or to explore the islands en route.

Our destination tonight is Emboodhu Finolhu, one of the northernmost islands of South Male Atoll.

Day 7 Male (1B)

This morning we make the short crossing to Male. Your trip ends as we disembark the boat at approximately 9am. Your guide will help assist in any onward transport that you may require.

What's Included

7 days aboard a traditional dhoni boat. Arrival transfer on Day 1.

Highlights

Cruise through some of the world's most beautiful islands, uncover isolated beaches, explore small fishing villages, swim and snorkel the vibrant coral reefs of the Indian Ocean, savour local cuisine

Itinerary Disclaimer

While it is our intention to adhere to the route described below, there is a certain amount of flexibility built into the itinerary and on occasion it may be necessary, or desirable to make alterations. The itinerary is brief, as we never know exactly where our journey will take us. Due to our style of travel and the regions we visit, travel can be unpredictable. The Trip Details document is a general guide to the tour and region and any mention of specific destinations or wildlife is by no means a guarantee that they will be visited or encountered. Aboard expedition trips visits to research stations depend on final permission.

Additionally, any travel times listed are approximations only and subject to vary due to local circumstances.

Important Notes

1. GEAR SIZE - CONFIRM AT BOOKING

Snorkelling gear is provided on the boat, Please let us know your shoe/fin size at time of booking so that we can ensure we have proper sized gear onboard for you.

2. MONEY

USD, EUR, GBP and AUD are all accepted as payment for your beverage bill at the end of the tour. Maldivian Rufiyaa are not accepted.

3. RAMADAN

Depending on the lunar cycle, Ramadan will fall between June 18th and July 17th, 2015. Please note that Ramadan is a month of fasting observed by Muslims throughout the world, during which time the followers of Islam should not eat or drink between sunrise and sunset. There may be some limitations to services and disruptions to schedules during Ramadan in Muslim areas, but generally our tours still operate effectively during this period and food is available to non-muslims throughout the day. It is very important to display increased cultural sensitivity during Ramadan. Please wear loose fitting clothes, that cover knees and shoulders, and try to avoid eating, drinking or smoking in public out of respect for those who can't at that time.

Group Leader Description

All G Adventures group trips are accompanied by one of our Chief Experience Officers (CEO). The aim of the CEO is to take the hassle out of your travels and to help you have the best trip possible. They will provide information on the places you are travelling through, offer suggestions for things to do and see, recommend great local eating venues and introduce you to our local friends. While not being guides in the traditional sense you can expect them to have a broad general knowledge of the countries visited on the trip, including historical, cultural, religious and social aspects. We also use local guides where we think more specific knowledge will add to the enjoyment of the places we are visiting- we think it's the best of both worlds.

Group Size Notes

Max 8, avg 6.

Meals Included

6 breakfasts, 6 lunches, 6 dinners.

Meals

Eating is a big part of traveling. Travelling with G Adventures you experience the vast array of wonderful food that is available out in the world. Generally meals are not included in the trip price when there is a choice of eating options, to give you the maximum flexibility in deciding where, what and with whom to eat. It also gives you more budgeting flexibility, though generally food is cheap. Our groups tend to eat together to enable you to taste a larger variety of dishes and enjoy each other's company. There is no obligation to do this though. Your CEO will be able to suggest favourite restaurants during your trip. Included breakfasts will usually be asian style consisting of noodles or congee (rice porridge) or bread and eggs. Vegetarians will be able to find a range of different foods, although in some areas the choice maybe limited. While trekking in remote regions food is included, plentiful and made of fresh local ingredients. For all trips please refer to the meals included and budget information for included meals and meal budgets.

Meal Budget

Allow USD55-75 for meals not included.

Transport

Traditional dhoni boat.

Local Flights

All local flights are included in the cost of your tour unless otherwise noted. It is important that we have your passport information at the time of booking in order to process these tickets. Internal flight tickets are issued locally and will be given to you prior to the flight departure.

Solo Travellers

We believe single travellers should not have to pay more to travel so our group trips are designed for shared accommodation and do not involve a single supplement. Single travellers joining group trips are paired in twin or multi-share accommodation with someone of the same sex for the duration of the trip. Some of our Independent trips are designed differently and single travellers on these itineraries must pay the single trip price.

Accommodation

Traditional dhoni boat (6 nts).

About Accommodation

A NOTE REGARDING SMALL SPACES ON SAILBOATS: Please note that the rooming for these boats is done on a first-come, first-serve basis and no particular cabins nor berths can be guaranteed. Our skippers will pair up travel partners or if you are travelling single with someone of the same sex. Please be aware that as this is a real sailboat and not a cruise vessel that the space on board is tight. You will be sharing a small room with one of your fellow passengers or travel partner and sharing all the facilities onboard. The sleeping quarters on sailboats are generally kept to a minimum size in order to maximize public space and performance. Some people are not comfortable with the type of close quarter arrangements typically found on sailboats, however if a real sailing experience on a real sailboat is what you are after, then this experience should more than make up for cramped quarters. Please note that the skipper will also be sharing the ship's quarters and amenities with you.

Visas

All countries require a valid passport (with a minimum 6 months validity). Contact your local embassy, or consulate for the most up-to-date visa requirements, or see your travel agent. IT'S YOUR RESPONSIBILITY TO HAVE THE CORRECT TRAVEL DOCUMENTATION.

Spending Money

Every traveller is different and therefore spending money requirements will vary. Some travellers may drink more than others while other travellers like to purchase more souvenirs than most. Please consider your own spending habits when it comes to allowing for drinks, shopping and tipping. Please also remember the following specific recommendations when planning your trip.

Money Exchange

There are no ATMs and travellers cheques are rarely used, travellers should ensure they bring sufficient funds. US dollars are the best foreign currency and can be exchanged at resorts and banks.

CURRENCY EXCHANGE TIP: Please be advised that slightly torn notes, notes that have been heavily marked or are faded may be difficult to exchange. It is best to bring notes in fairly good condition, in denominations lower than 100USD (or equivalent).

As currency exchange rates can fluctuate often we ask that you refer to the following website for daily exchange rates: www.xe.com

Emergency Fund

Please also make sure you have access to at least an additional USD \$200 (or equivalent) as an 'emergency' fund, to be used when circumstances outside our control (ex. a natural disaster) require a change to our planned route. This is a rare occurrence!

Departure Tax

All departure taxes should be included in your international flight ticket.

Tipping

It is customary in Asia to tip service providers such as waiters, at approximately 10%, depending on the service. Tipping is expected - though not compulsory - and shows an expression of satisfaction with the people who have assisted you on your tour. Although it may not be customary to you, it is of considerable significance to the people who will take care of you during your travels. There are several times during the trip where there is opportunity to tip the local guides or drivers we use. You may do this individually, or your CEO will offer to collect the money and tip as a group. Recommendations for tipping drivers and local guides would range from USD1-2 per person per day depending on the quality and length of the service; ask your CEO for specific recommendations based on the circumstances and culture. Also at the end of each trip if you felt your G Adventures CEO did an outstanding job, tipping is appreciated. The amount is entirely a personal preference; however as a guideline USD20 per person, per week can be used.

Optional Activities

We suggest you bring along USD50 for additional sightseeing.

Health

Please note inoculations may be required for the country visited. It is your responsibility to consult with your travel doctor for up to date medical travel information well before departure.

You should consult your doctor for up-to-date medical travel information well before departure. We recommend that you carry a First Aid kit and hand sanitizers / antibacterial wipes as well as any personal medical requirements. Please be aware that quite often we are in remote areas and away from medical facilities, and for legal reasons our leaders are prohibited from administering any type of drug including headache tablets, antibiotics, etc. When selecting your trip please carefully read the brochure and itinerary and assess your ability to cope with our style of travel. Please refer to the Physical and Culture Shock ratings for trip specific information. G Adventures reserves the right to exclude any traveller from all or part of a trip without refund if in the reasonable opinion of our CEO they are unable to complete the itinerary without undue risk to themselves and/or the rest of the group.

Safety and Security

Many national governments provide a regularly updated advice service on safety issues involved with international travel. We recommend that you check your government's advice for their latest travel information before departure. We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewellery at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes, which is the most secure way of storing your valuables. A lock is recommended for securing your luggage. When travelling on a group trip, please note that your CEO has the authority to amend or cancel any part of the trip itinerary if it is deemed necessary due to safety concerns. Your CEO will accompany you on all included activities. During your trip you will have some free time to pursue your own interests, relax and take it easy or explore at your leisure. While your CEO will assist you with options available in a given location please note that any optional activities you undertake are not part of your itinerary, and we offer no representations about the safety of the activity or the standard of the operators running them. Please use your own good judgment when selecting an activity in your free time. Although the cities visited on tour are generally safe during the day, there can be risks to wandering throughout any major city at night. It is our recommendation to stay in small groups and to take taxis to and from restaurants, or during night time excursions.

Protests and Demonstrations- Protests and demonstrations, even those that are well intended, have the potential to turn violent with no warning. Counter protests can also turn violent. Action by security forces to disperse demonstrators and protesters may occur at any time. If you are in an area where demonstrators or protesters are gathering, avoid the temptation of staying for a good photo

opportunity and leave the area immediately.

Water based activities have an element of danger and excitement built into them. We recommend only participating in water based activities when accompanied by a guide(s). We make every reasonable effort to ensure the fun and adventurous element of any water based activities (in countries with varying degrees of operating standards) have a balanced approach to safety. It is our policy not to allow our CEOs to make arrangements on your behalf for water based activities that are not accompanied by guide(s).

Swimming, including snorkeling, is always at your own risk.

We take all prudent measures in relation to your safety. For ways to further enhance your personal safety while traveling, please visit:

- www.gadventures.com/travel-resources/safety/

Trip Specific Safety

We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewellery at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes which is the most secure way of storing your valuables. A lock is recommended for securing your luggage.

Medical Form

Our small group adventures bring together people of all ages. It is very important you are aware that, as a minimum, an average level of fitness and mobility' is required to undertake our easiest programs. Travellers must be able to walk without the aid of another person, climb 3-4 flights of stairs, step on and off small boats, and carry their own luggage at a minimum. Travellers with a pre-existing medical condition are required to complete a short medical questionnaire, which must be signed by their physician. This is to ensure that travellers have the necessary fitness and mobility to comfortably complete their chosen trip. While our CEOs work hard to ensure that all our travellers are catered for equally, it is not their responsibility to help individuals who cannot complete the day's activities unaided. Please refer to the physical ratings in this Trip Details document for more information.

The medical questionnaire can be found online at:

www.gadventures.com/medical-form.

A Couple of Rules

Illegal drugs will not be tolerated on any trips. Possessing or using drugs not only contravenes the laws of the land but also puts the rest of the group at risk. Smoking marijuana and opium is a part of local culture in some parts of the world but is not acceptable for our travellers. Our philosophy of travel is one of respect towards everyone we encounter, and in particular the local people who make the world the special place it is. The exploitation of prostitutes is completely contrary to this philosophy. Our CEOs have the right to expel any member of the group if drugs are found in their possession or if they use prostitutes.

Travel Insurance

Travel Insurance: Travel insurance is compulsory in order to participate on any of our trips. When travelling on a group trip, you will not be permitted to join the group until evidence of travel insurance has been sighted by your CEO, who will take note of your insurance details. When selecting a travel insurance policy please bear in mind that all clients must have medical coverage and that we require a minimum coverage of USD 200,000 for repatriation and emergency rescue. We strongly recommend that the policy also covers personal liability, cancellation, curtailment and loss of luggage and personal effects. If you have credit card insurance we require proof of purchase of the trip (a receipt of credit card statement) with a credit card in your name. Contact your bank for details of their participating insurer, the level of coverage and emergency contact telephone number.

Planeterra-The G Adventures Foundation

Through our commitment to responsible tourism we have developed the Planeterra Foundation, a non-profit organization dedicated to making a positive difference in the lives of people and communities around the world through support of international charities, local organizations and community projects in the places that we visit on our tours. G Adventures matches all individual donations and pays all administration costs, which means that 100% of each donation is doubled and goes directly to support our projects. For more information about Planeterra and the projects we support, or to make a donation, please visit www.planeterra.org

Planeterra Dollar-A-Day Program

Our Dollar-A-Day Program provides travellers with the opportunity to help us give back to the people and places visited on our tours by donating one dollar per day for the duration of their tour. 100% of these proceeds will go directly to support our Planeterra projects.

To participate in this program please indicate at the time of booking that you would like to participate in G Adventures' Dollar-A-Day program, either by clicking the check box online, or by advising your G Adventures specialist or travel agent. (Note: Donation will be charged in the currency of your booking)

Local Dress

When packing be aware that dress standards are conservative throughout Asia. To respect this and for your own comfort, we strongly recommend modest clothing. This means covering shoulders and no short shorts. Loose, lightweight, long clothing is both respectful and cool in the predominantly hot Asian climate. Shorts should be knee-length. Singlets and tank tops are not acceptable. One piece bathing suits are recommended and topless sun bathing is unacceptable.
