### Itinerary

---

### **Day 1 Arrive in Quito**

You will be met at the Airport by your G Adventures Experience Officer and transferred to your centrally located hotel in Quito. The G Adventures Experience Officer will go over the details of your stay and arrange your choice of tours. Enjoy the rest of the day in Quito at leisure.

Located 2850m (9348 feet) above sea level, the Ecuadorian capital of Quito enjoys a wonderful spring like climate, despite its location only 22km (14 miles) south of the Equator. It is in a valley flanked by mountains, and on a clear day, several snow-capped volcanoes are visible from the capital. As well as being in a beautiful location, it is rich in history and much of the old colonial town is well preserved. In 1978 UNESCO declared Quito a world heritage site, and any new development in Quito's Old Town is now strictly controlled.

Life in Quito tends to be peaceful, though the drivers are fond of using their car horns. There are approximately 2,000,000 inhabitants in the metropolitan area, but the pace is relaxed and the residents hospitable. Quito is separated into two basic sections, the Old and the New Towns.

The Old City is full of interesting historical buildings, including many churches. Among the most interesting are the Catedral de Quito, which is located on the Plaza de la Independencia, was built between 1550 and 1562 and is one of the first neoclassical works in Quito, and La Compañía de Jesús Church, considered one of the most beautiful in the Americas. The decorations in the Compañía contain approximately one and a half tons of gold, and construction of the church took 170 years (1605-1775).

Quito has a large population of foreigners and is a popular destination for travellers, resulting in a varied and vibrant nightlife, where salsaotecas and other dance clubs abound. For a real Ecuadorian experience though, be sure and drop by a peña if you can. These are great places for meeting locals and dancing as well as enjoying local cooking.

The Trip Details document is a general guide to the tour and region and any mention of specific destinations or wildlife is by no means a guarantee that they will be visited or encountered. Aboard expedition trips visits to research stations depend on final permission.

It is important that we have your passport information at the time of booking in order to process these tickets. ## Solo Travellers

---

We believe single travellers should not have to pay more to travel so our group trips are designed for shared accommodation and do not involve a single supplement. Single travellers joining group trips are paired in twin or multi-share accommodation with someone of the same sex for the duration of the trip. Some of our Independent trips are designed differently and single travellers on these itineraries must pay the single trip price.

## Accommodation

---

Comfort Hotel (2 nts)

## About Accommodation

---

A variety of accommodation standards are available for Independent tours, see your dossier for the accommodation class specific to your tour. Please remember that hotel/lodge/resort standards can be different from what you are used to in your home country, which is part of the appeal of adventure travel . Portorage is not included, but can be arranged directly at most hotels.

## Joining Hotel

---

Please see your tour voucher for specific name and address of your joining hotel for day 1 of this tour.

## Joining Instructions

---

An arrival transfer is included for this tour.

\*\*Please note, the arrival transfer included occurs on Day 1 of the tour. If you plan to arrive prior to Day 1, you will be required to arrange pre-tour accommodation through G Adventures to be eligible for the transport from the airport. Due to customer experience and quality considerations, all services related to the tour must be continuous.

The Quito International Airport is approximately an hour outside of the city centre where your joining hotel is located. The easiest way to get there is via taxi (approximately \$30-40 USD). Immediately after the customs and immigration area, as you head to the exits, you will find a taxi stand. We strongly recommend you pay for the car at set rates from the taxi stand and therefore won't need to worry about sorting out a ride outside the airport facilities, where the situation tends to get more chaotic with many drivers vying for few clients. The taxis outside the airport area do not belong to the Taxi Airport Union and may charge higher fares.

## Arrival Complications

---

We don't expect any problems, and nor should you, but if for any reason you are unable to commence your trip as scheduled, as soon as possible please contact your starting point hotel, requesting that you speak to or leave a message for your CEO (if you are not on a group tour please refer to the emergency contact details provided in this dossier). If you are unable to get in touch with your leader, please refer to our emergency contact details. If you have pre-booked an airport transfer and have not made contact with our representative within 30 minutes of clearing customs and immigration, we recommend that you make your own way to the Starting Point hotel, following the Joining Instructions. Please apply to your travel agent on your return for a refund of the transfer cost if this occurs.

## Emergency Contact

---

Should you need to contact us during a situation of dire need, it is best to first call either the G Adventures Representative (if one is listed below) or our G Adventures Local Office. If for any reason you do not receive an immediate answer, please leave a detailed

message and contact information, so they may return your call and assist you as soon as possible.

## AIRPORT TRANSFER

If you have purchased an arrival through G Adventures or if an arrival transfer is included in the cost of your tour, please note that:

Your arrival transfer has been arranged based on flight information provided to us. If you are advised of a flight schedule change within 48 hours of your scheduled arrival time, we will do our best to rearrange your arrival transfer however we cannot guarantee this. If your arrival transfer does not arrive within 30 minutes after you have exited the arrivals area please take a taxi to your start point hotel.

---

Most people automatically assume that the weather is hot in South America, but because of the higher altitude in the Andes, the temperature can feel quite cold, especially at night. We recommend the use of a duffel bag or backpack (whatever you find easiest to carry) however suitcases are acceptable for this style of tour. A good size daypack is also essential.

---

## Visas

All countries require a valid passport (with a minimum 6 months validity). Contact your local embassy, or consulate for the most up-to-date visa requirements, or see your travel agent. IT'S YOUR RESPONSIBILITY TO HAVE THE CORRECT TRAVEL DOCUMENTATION

---

## Spending Money

Every traveller is different and therefore spending money requirements will vary. Some travellers may drink more than others while other travellers like to purchase more souvenirs than most. Please consider your own spending habits when it comes to allowing for drinks, shopping and tipping. Please also remember the following specific recommendations when planning your trip.

---

## Money Exchange

Credit cards and debit cards are very useful for cash advances. Visa cards are the most widely accepted cards. While ATMs are widely available some may not accept all international credit or debit cards. You may need to try at more than one machine if the first does not accept your card. You should also check with your bank before leaving to ensure that your card works internationally. You should be aware that to purchase products or services on a credit card a fee of 5%-10% usually applies. Do not rely on credit or debit cards as your only source of money. A combination of US dollar cash and cards is best. Always take more rather than less, as you don't want to spoil the trip by constantly feeling short of funds. Please bring USD banknotes in denominations smaller than 100, as they can be hard to exchange in Ecuador. 100 dollar bills of certain series (e.g. CB B2) can be especially hard to cash! CURRENCY EXCHANGE TIP: Please be advised that slightly torn notes, notes that have been heavily marked or are faded may be difficult to exchange. It is best to bring notes in fairly good condition, in denominations lower than 100USD (or equivalent). As currency exchange rates can fluctuate often we ask that you refer to the following website for daily exchange rates: [www.xe.com](http://www.xe.com)

---

## Emergency Fund

Please also make sure you have access to at least an additional USD \$200 (or equivalent) as an 'emergency' fund, to be used when circumstances outside our control (ex. a natural disaster) require a change to our planned route. This is a rare occurrence!

---

## Departure Tax

USD \$40.80

---

## Tipping

It is customary in Latin America to tip service providers such as waiters, and local guide(s) at approximately 10%, depending on the service. Tipping is an expected - though not compulsory - component of your tour program and an expression of satisfaction with the persons who have assisted you on your tour. Although it may not be customary to you, it is of considerable significance to the people who will take care of you during your travels.

---

## Health

Please note inoculations may be required for the country visited. It is your responsibility to consult with your travel doctor for up to date medical travel information well before departure.

You should consult your doctor for up-to-date medical travel information well before departure. We recommend that you carry a First

Aid kit and hand sanitizers / antibacterial wipes as well as any personal medical requirements. Please be aware that quite often we are in remote areas and away from medical facilities, and for legal reasons our leaders are prohibited from administering any type of drug including headache tablets, antibiotics, etc. When selecting your trip please carefully read the brochure and itinerary and assess your ability to cope with our style of travel. Please refer to the Physical and Culture Shock ratings for trip specific information. G Adventures reserves the right to exclude any traveler from all or part of a trip without refund if in the reasonable opinion of our CEO they are unable to complete the itinerary without undue risk to themselves and/or the rest of the group.

## Safety and Security

---

Many national governments provide a regularly updated advice service on safety issues involved with international travel. We recommend that you check your government's advice for their latest travel information before departure. We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewellery at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes, which is the most secure way of storing your valuables. A lock is recommended for securing your luggage. When travelling on a group trip, please note that your CEO has the authority to amend or cancel any part of the trip itinerary if it is deemed necessary due to safety concerns. Your CEO will accompany you on all included activities. During your trip you will have some free time to pursue your own interests, relax and take it easy or explore at your leisure. While your CEO will assist you with options available in a given location please note that any optional activities you undertake are not part of your itinerary, and we offer no representations about the safety of the activity or the standard of the operators running them. Please use your own good judgment when selecting an activity in your free time. Although the cities visited on tour are generally safe during the day, there can be risks to wandering throughout any major city at night. It is our recommendation to stay in small groups and to take taxis to and from restaurants, or during night time excursions.

Protests and Demonstrations- Protests and demonstrations, even those that are well intended, have the potential to turn violent with no warning. Counter protests can also turn violent. Action by security forces to disperse demonstrators and protesters may occur at any time. If you are in an area where demonstrators or protesters are gathering, avoid the temptation of staying for a good photo opportunity and leave the area immediately.

Water based activities have an element of danger and excitement built into them. We recommend only participating in water based activities when accompanied by a guide(s). We make every reasonable effort to ensure the fun and adventurous element of any water based activities (in countries with varying degrees of operating standards) have a balanced approach to safety. It is our policy not to allow our CEOs to make arrangements on your behalf for water based activities that are not accompanied by guide(s).

Swimming, including snorkeling, is always at your own risk.

We take all prudent measures in relation to your safety. For ways to further enhance your personal safety while traveling, please visit:

[www.gadventures.com/travel-resources/safety/](http://www.gadventures.com/travel-resources/safety/)

## Trip Specific Safety

---

Please take care when wandering about the city on your own, as pick pockets and purse-snatchers are common, particularly in the Old Town. Be safe and leave your passport, credit cards, traveller's cheques and cash you don't need in the hotel's safety deposit box. Most Quiteños are honest and genuinely helpful and friendly, but be safe and enjoy the city!

## Medical Form

---

Our small group adventures bring together people of all ages. It is very important you are aware that, as a minimum, an average level of fitness and mobility' is required to undertake our easiest programs. Travellers must be able to walk without the aid of another person, climb 3-4 flights of stairs, step on and off small boats, and carry their own luggage at a minimum. Travellers with a pre-existing medical condition are required to complete a short medical questionnaire, which must be signed by their physician. This is to ensure that travellers have the necessary fitness and mobility to comfortably complete their chosen trip. While our CEOs work hard to ensure that all our travellers are catered for equally, it is not their responsibility to help individuals who cannot complete the day's activities unaided. Please refer to the physical ratings in this Trip Details document for more information.

Please note that all passengers traveling to Antarctica are required to fill out this questionnaire.

The medical questionnaire can be found online at:

[www.gadventures.com/medical-form](http://www.gadventures.com/medical-form).

## A Couple of Rules

---

Illegal drugs will not be tolerated on any trips. Possessing or using drugs not only contravenes the laws of the land but also puts the rest of the group at risk. Smoking marijuana and opium is a part of local culture in some parts of the world but is not acceptable for our travellers. Our philosophy of travel is one of respect towards everyone we encounter, and in particular the local people who make the world the special place it is. The exploitation of prostitutes is completely contrary to this philosophy. Our CEOs have the right to expel any member of the group if drugs are found in their possession or if they use prostitutes.

## Travel Insurance

---

Travel Insurance: Travel insurance is compulsory in order to participate on any of our trips. When travelling on a group trip, you will not be permitted to join the group until evidence of travel insurance has been sighted by your CEO, who will take note of your insurance details. When selecting a travel insurance policy please bear in mind that all clients must have medical coverage and that we require a minimum coverage of USD 200,000 for repatriation and emergency rescue. We strongly recommend that the policy also covers personal liability, cancellation, curtailment and loss of luggage and personal effects. If you have credit card insurance we require proof of purchase of the trip (a receipt of credit card statement) with a credit card in your name. Contact your bank for details of their participating insurer, the level of coverage and emergency contact telephone number.

### Planeterra Dollar-A-Day Program
