Itinerary

Day 1 Lima

Arrive Lima at any time, and catch an included arrival transfer to the hotel. There are no planned activities so check into our hotel and enjoy the city. A G Adventures representative will hold a general briefing in the evening, normally between 7 pm and 8pm (a note will be posted in the arrival hotel with details).

Known as the City of Kings, Peru's capital city Lima was founded by Francisco Pizarro on the Day of the Three Kings (Epiphany) in 1535. The Plaza de Armas is the heart of old Lima, and it is here you find the Cathedral, Government Palace and Archbishop's Palace. The Cathedral dates back to the 1700s and houses the remains of the conquistador Pizarro. To get a feel for colonial Lima, take a cab to the Plaza de Armas and watch the changing of the Palace Guard in the afternoon. Walk the streets surrounding the Jirón de la Unión for great examples of Spanish-colonial architecture and to get a taste for life in a large South American city. An optional city tour visits many of the city's highlights.

There are many fine museums in and around the city, including the Museo Rafael Larco Herrera, which houses an equally impressive collection of pottery, mummies and textiles from the Paracas and Nazca cultures. The more affluent districts of Miraflores, Barranco and San Isidro, which are on the coast, offer good nightlife and cafés all within walking distance. Limeños (Lima's residents) are friendly, and the city is filled with excellent restaurants; seafood lovers in particular should be sure to try a ceviche, for which Lima is well known.

Day 2 Chiclayo / Sipán / Night bus

Fly north to the coastal city of Chiclayo and enjoy Included guided tour of the Lord of Sipán archaeological site and museum be

The tour visits the Bruning Museum in Lambayeque which contains relics and artifacts and houses Peru's most important archaeological discovery of the past fifty years - the Royal Tombs of Sipan Museum. Opened in 2003, this museum showcases the most important archaeological remains of the Mochica Culture, including the contents of the tomb of a Mochica leader, found in 1987.

Chiclayo acts as a central hub for commercial and tourist activities. Nicknamed "The City of Friendship", Chiclayo certainly lives up to the name as you will find the locals to be welcoming and friendly. Take time to enjoy what the city has to offer. Enjoy some free time to explore the city, making sure to visit Mercado Modelo's "witch doctor's market", with a large selection of herbs and tools used by shamans.

Travel by overnight bus to Chachapoyas.

Day 3-4 Chachapoyas Area

Chachapoyas is a quiet, friendly town nestled in a huge area of cloud forest between the Marañón and Huallaga Rivers. Check into the hotel and we have a briefing to prepare for the upcoming days of discovering the highlights of Peru's northern region.

From our base of Chachapoyas we will take day trips to the archaeological and historical attractions, to the Kuelap Fortres and ruins as well as to the Gocta Waterfall.

Gocta Waterfall is verified to be the third largest waterfall on the planet (measured to be a height of 771 metres). This waterfall, with 2 drops, has been known by locals for centuries and was only brought to the world's attention in 2002 following an expedition by explorers to the region.

An impressive place to visit in this region the ancient burial site of Karajia. We encounter 3 metre tall anthropomorphic wooden coffins located high under a cliff. Learn about the history of this region and the burial site, as well as the opportunity for taking photos.

No visit to this region is complete without a visit to the ruined fortress of Kuelap. Little is known about this pre-Incan site and the Chachapoyan people themselves (also known as the Cloud Forest people). Some have referred to it as the "Machu Picchu of the North" as it is a large, mysterious, and impressive site in remarkably good condition. Twice as old as the Inca constructions, Kuelap arguably bears as much archaeological significance as the country's number one tourist attraction, although in appearance the two sites are really quite different.

Kuelap is a massive fortress built on the top of a mountain. The site is surrounded by a 30m high wall and measures 584m by 100m in size. Construction of the site is estimated to have taken approximately 200 years to complete and taken millions of cubic feet of stone. Kuelap is comprised of three levels containing over 400 circular buildings. Who the Chachapoyan people could have been protecting themselves from remains a mystery. We have a few hours to explore the site and learn about the history from a local guide. Standing at the outer wall's edge of this site you can enjoy the incredible view of the valley below, spreading out approximately 1,200 metres below. Also impressive is the thin ribbon of road that hugs the near and far walls of the treed canyon. A short walk of about ten minutes will bring us to our waiting vehicle for the 3.5 hour return trip to Chachapoyas.

Itinerary Disclaimer

While it is our intention to adhere to the route described below, there is a certain amount of flexibility built into the itinerary and on occasion it may be necessary, or desirable to make alterations. The itinerary is brief, as we never know exactly where our journey will take us. Due to our style of travel and the regions we visit, travel can be unpredictable. The Trip Details document is a general guide to the tour and region and any mention of specific destinations or wildlife is by no means a guarantee that they will be visited or encountered. Aboard expedition trips visits to research stations depend on final permission.

Additionally, any travel times listed are approximations only and subject to vary due to local circumstances.

Important Notes

This tour ends at the Lima airport (return time will depend on flight schedules). We do suggest booking a post night in Lima, unless your departure flight is late in the evening.

Group Leader Description

The tour that you have selected is an independent tour. You will receive information about your tour upon arrival at the start point (Puerto Maldonado airport) and will have a local guide for all included activities while at the G Lodge Amazon.

Group Size Notes

No maximum.

Meals Included

No meals included.

Meals

Eating is a big part of traveling. Travelling with G Adventures you experience the vast array of wonderful food that is available out in the world. Generally meals are not included in the trip price when there is a choice of eating options, to give you the maximum flexibility in deciding where, what and with whom to eat. It also gives you more budgeting flexibility, though generally food is cheap. Our groups tend to eat together to enable you to taste a larger variety of dishes and enjoy each other's company. There is no obligation to do this though. Your CEO will be able to suggest favourite restaurants during your trip. On truck trips in Africa, aboard the expedition ship Explorer or our Galapagos yachts, while trekking in remote regions etc. food is included, plentiful and made of fresh local ingredients. The above information applies to G Adventures group trips. For Independent trips please check the itinerary for details of meals included. For all trips please refer to the meals included and budget information for included meals and meal budgets.

Meal Budget

Allow USD175-215 for meals not included.

Transport

Local flight, public bus, van.

Local Flights

Local flights may be included in the cost of your tour, please see the itinerary. If they are included or if you book any additional flights, it is important that we have your passport information at the time of booking in order to process these tickets. Internal flight tickets are issued locally and will be given to you prior to the flight departure.

Solo Travellers

We believe single travellers should not have to pay more to travel so our group trips are designed for shared accommodation and do not involve a single supplement. Single travellers joining group trips are paired in twin or multi-share accommodation with someone of the same sex for the duration of the trip. Some of our Independent trips are designed differently and single travellers on these itineraries must pay the single trip price.

Accommodation

Hotels (3 nts), night bus (2 nts).

About Accommodation

A variety of accommodation standards are available for Independent tours, see your dossier for the accommodation class specific to your tour. Please remember that hotel/lodge/resort standards can be different from what you are used to in your home country, which is part of the appeal of adventure travel. Porterage is not included, but can be arranged directly at most hotels.

Please note that hot water shortages and power outages can be fairly common in Peru (even in upgraded hotels and private homes). We appreciate your patience and understanding that these occurrences are outside of our control.

Joining Hotel

Please see your tour voucher for specific name and address of your joining hotel for day 1 of this tour.

Joining Instructions

Jorge Chavez International Airport in Callao Lima, is approximately a 45-minute drive from the Miraflores district, where our joining hotel is located. The easiest way to get there is via taxi. Immediately after the customs and immigration area, as you head to the exits, you will find an official taxi stand. You can pay for the car at set (approximately \$27 USD) rates and won't need to worry about sorting out a ride outside the airport facilities, where the situation tends to get more chaotic, with many drivers vying for few clients. There are exchange facilities in the Arrivals area open 24 hours.

If you are arriving from abroad and have paid in advance for an arrival transfer, someone will be at the airport to meet you. Upon leaving the baggage claim area you will see a large open area with sign boards all around. Look for a G Adventures sign board with your name. As there are many people and signs in this area it may be difficult for you to spot the sign immediately. Please take your time in doing so and if at that stage you do not see a G Adventures sign board with your name go to the customer service area to wait. In the event that your driver does not arrive within 20 minutes please ask the information desk to arrange an official taxi for you which should cost approximately \$27 USD and this money will be reimbursed by your CEO or G Adventures representative.

FINDING YOUR TRANSFER - As you walk out of the airport there will be many drivers holding signs with agency or passenger names as well as taxi drivers asking you if you require their services. These are NOT our drivers and you should not accept their services. Please wait for our designated transfer person with a G Adventures sign board.

Depending on your time of arrival, our meet and greet representative will either meet you at the airport or later at your hotel to go over the details of your tour, provide any additional documentation/e-tickets and answer questions about your tour. Check in time for most Hotels is after 3:00pm – should you arrive early, you can leave your baggage at the hotel and explore the city.

Arrival Complications

We don't expect any problems, and nor should you, but if for any reason you are unable to commence your trip as scheduled, as soon as possible please contact your starting point hotel, requesting that you speak to or leave a message for your CEO (if you are not on a group tour please refer to the emergency contact details provided in this dossier). If you are unable to get in touch with your leader, please refer to our emergency contact details. If you have pre-booked an airport transfer and have not made contact with our representative within 30 minutes of clearing customs and immigration, we recommend that you make your own way to the Starting Point hotel, following the Joining Instructions. Please apply to your travel agent on your return for a refund of the transfer cost if this occurs.

Emergency Contact

Should you need to contact us during a situation of dire need, it is best to first call either the G Adventures Local Representative (if one is listed below) or our G Adventures Local Office. If for any reason you do not receive an immediate answer, please leave a detailed message and contact information, so they may return your call and assist you as soon as possible.

AIRPORT TRANSFER

If you have purchased an arrival through G Adventures or if an arrival transfer is included in the cost of your tour, please note that:

Your arrival transfer has been arranged based on flight information provided to us. If you are advised of a flight schedule change within 48 hours of your scheduled arrival time, we will do our best to rearrange your arrival transfer however we cannot guarantee this. If your arrival transfer does not arrive within 30 minutes after you have exited the arrivals area please take a taxi to your start point hotel.

Visas

All countries require a valid passport (with a minimum 6 months validity). Contact your local embassy, or consulate for the most up-to-date visa requirements, or see your travel agent. IT'S YOUR RESPONSIBILITY TO HAVE THE CORRECT TRAVEL DOCUMENTATION

Spending Money

Every traveller is different and therefore spending money requirements will vary. Some travellers may drink more than others while other travellers like to purchase more souvenirs than most. Please consider your own spending habits when it comes to allowing for drinks, shopping and tipping. Please also remember the following specific recommendations when planning your trip.

Money Exchange

The currency in Peru is the Nuevo Sol (PEN).

Credit cards and debit cards are very useful for cash advances. Visa cards are the most widely accepted cards. While ATMs are widely available, there are no guarantees that your credit or debit cards will actually work in Latin America. Check with your bank.

You should be aware that to purchase products or services on a credit card a fee of 5%-10% usually applies.

Do not rely on credit or debit cards as your only source of money, a combination of US dollar cash and cards is best. Always take more rather than less, as you don't want to spoil the trip by constantly feeling short of funds.

We do not recommend bringing travellers cheques as they are very difficult to change in country.

CURRENCY EXCHANGE TIP: Please be advised that slightly torn notes, notes that have been heavily marked or are faded may be difficult to exchange. It is best to bring notes in fairly good condition, in denominations lower than 100USD (or equivalent).

As currency exchange rates can fluctuate often we ask that you refer to the following website for daily exchange rates: www.xe.com

Emergency Fund

Please also make sure you have access to at least an additional USD \$200 (or equivalent) as an 'emergency' fund, to be used when circumstances outside our control (ex. a natural disaster) require a change to our planned route. This is a rare occurrence!

Tipping

It is customary in Latin America to tip service providers such as waiters, and local guide(s) at approximately 10%, depending on the service. Tipping is an expected - though not compulsory - component of your tour program and an expression of satisfaction with the persons who have assisted you on your tour. Although it may not be customary to you, it is of considerable significance to the people who will take care of you during your travels.

Health

Please note inoculations may be required for the country visited. It is your responsibility to consult with your travel doctor for up to date medical travel information well before departure.

You should consult your doctor for up-to-date medical travel information well before departure. We recommend that you carry a First Aid kit and hand sanitizers / antibacterial wipes as well as any personal medical requirements. Please be aware that quite often we are in remote areas and away from medical facilities, and for legal reasons our leaders are prohibited from administering any type of drug including headache tablets, antibiotics, etc. When selecting your trip please carefully read the brochure and itinerary and assess your ability to cope with our style of travel. Please refer to the Physical ratings for trip specific information. G Adventures reserves the right to exclude any traveler from all or part of a trip without refund if in the reasonable opinion of our CEO they are unable to

complete the itinerary without undue risk to themselves and/or the rest of the group.

Safety and Security

Many national governments provide a regularly updated advice service on safety issues involved with international travel. We recommend that you check your government's advice for their latest travel information before departure. We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewellery at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes, which is the most secure way of storing your valuables. A lock is recommended for securing your luggage. When travelling on a group trip, please note that your CEO has the authority to amend or cancel any part of the trip itinerary if it is deemed necessary due to safety concerns. Your CEO will accompany you on all included activities. During your trip you will have some free time to pursue your own interests, relax and take it easy or explore at your leisure. While your CEO will assist you with options available in a given location please note that any optional activities you undertake are not part of your itinerary, and we offer no representations about the safety of the activity or the standard of the operators running them. Please use your own good judgment when selecting an activity in your free time. Although the cities visited on tour are generally safe during the day, there can be risks to wandering throughout any major city at night. It is our recommendation to stay in small groups and to take taxis to and from restaurants, or during night time excursions.

Protests and Demonstrations- Protests and demonstrations, even those that are well intended, have the potential to turn violent with no warning. Counter protests can also turn violent. Action by security forces to disperse demonstrators and protesters may occur at any time. If you are in an area where demonstrators or protesters are gathering, avoid the temptation of staying for a good photo opportunity and leave the area immediately.

Water based activities have an element of danger and excitement built into them. We recommend only participating in water based activities when accompanied by a guide(s). We make every reasonable effort to ensure the fun and adventurous element of any water based activities (in countries with varying degrees of operating standards) have a balanced approach to safety. It is our policy not to allow our CEOs to make arrangements on your behalf for water based activities that are not accompanied by guide(s).

Swimming, including snorkeling, is always at your own risk.

We take all prudent measures in relation to your safety. For ways to further enhance your personal safety while traveling, please visit:

www.gadventures.com/travel-resources/safety/

Trip Specific Safety

Care should be taken when wandering around on your own in central Lima, as some areas can be dangerous and pickpockets are daring. Make sure that you are aware of your things at all times and don't go out carrying expensive gear or jewelry.

Medical Form

Our small group adventures bring together people of all ages. It is very important you are aware that, as a minimum, an average level of fitness and mobility' is required to undertake our easiest programs. Travellers must be able to walk without the aid of another person, climb 3-4 flights of stairs, step on and off small boats, and carry their own luggage at a minimum. Travellers with a pre-existing medical condition are required to complete a short medical questionnaire, which must be signed by their physician. This is to ensure that travellers have the necessary fitness and mobility to comfortably complete their chosen trip. While our CEOs work hard to ensure that all our travellers are catered for equally, it is not their responsibility to help individuals who cannot complete the day's activities unaided. Please refer to the physical ratings in this Trip Details document for more information.

Please note that all passengers traveling to Antarctica are required to fill out this questionnaire.

The medical questionnaire can be found online at:

www.gadventures.com/medical-form.

A Couple of Rules

Illegal drugs will not be tolerated on any trips. Possessing or using drugs not only contravenes the laws of the land but also puts the rest of the group at risk. Smoking marijuana and opium is a part of local culture in some parts of the world but is not acceptable for our travellers. Our philosophy of travel is one of respect towards everyone we encounter, and in particular the local people who make the

world the special place it is. The exploitation of prostitutes is completely contrary to this philosophy. Our CEOs have the right to expel any member of the group if drugs are found in their possession or if they use prostitutes.

Travel Insurance

Travel Insurance: Travel insurance is compulsory in order to participate on any of our trips. When travelling on a group trip, you will not be permitted to join the group until evidence of travel insurance has been sighted by your CEO, who will take note of your insurance details. When selecting a travel insurance policy please bear in mind that all clients must have medical coverage and that we require a minimum coverage of USD 200,000 for repatriation and emergency rescue. We strongly recommend that the policy also covers personal liability, cancellation, curtailment and loss of luggage and personal effects. If you have credit card insurance we require proof of purchase of the trip (a receipt of credit card statement) with a credit card in your name. Contact your bank for details of their participating insurer, the level of coverage and emergency contact telephone number.
