Itinerary

Day 1 Bangkok

Today is arrival day so there are no activities planned. You are free to relax, explore the city & adjust to the frantic pace and humid heat of Bangkok.

Please arrive at our start point hotel before 6pm for an important group meeting where you will meet your Chief Experience Officer (CEO) and the other group members. Please look for a sign on the hotel's notice board for the time and location of your group meeting.

At this meeting your CEO will ask to sight your travel insurance.

After your meeting, you may choose to head out for an optional dinner to further get to know your CEO and fellow group members.

We spend this evening in Bangkok. Our hotel is located in China Town, next to the central train station and MRT (Subway), and is only a short USD2 taxi ride from Khao San road and the central shopping area of Siam Square, MBK, Siam Paragon, etc. All rooms are double or twin share with air conditioning and en suite bathroom. The hotel has a small pool and wifi is available at extra cost.

Day 2 Bangkok (B)

Enjoy a one-hour long tail boat tour of Bangkok's famous klongs, or canals. Our boat trip finishes at the Royal Temple of Wat Po. Our included guide will introduce you to Thai Buddhist culture and show you the famous reclining Buddha. When your guided tour ends there will still be time for some afternoon shopping, a visit to Grand Palace or a stroll through the backpacker area. We will meet back at the hotel within easy walking distance to the train station where we board our overnight train to Chiang Mai.

Tonight's accommodation is an overnight sleeper train. Beds are dormitory style, with bunks on two layers along the side of the train carriage. There are curtains along each bunk for privacy. Your luggage will be accessible during the journey. The train has air-conditioning and clean bedding is provided for each bunk. There are both western style and asian style toilets at the end of each carriage. Food and drinks are served on the train but you can always bring your own food from the shops and restaurants in the train station.

Please note: Due to disruptions of Thai trains in the north during the monsoon season, trips through mid-October may be upgraded to a flight and extra hotel night in Bangkok.

Approx travel time:

Bangkok to Chiang Mai by sleeper train: 12-13 hours.

Day 3 Chiang Mai

We arrive in the early morning and have free time to explore Chiang Mai. To fill your free time you can choose from a large range of optional activities or stroll the city independently.

Surrounded by rolling hills, Chiang Mai is the cultural center of Thailand. Enclosed by a moat and crumbling walls, the old city features great cafes, shops and over 300 temples. Many visitors come here to attend cooking courses, massage classes or yoga lessons. It is also a mecca of handicraft production, with a long history of silverwork, woodcarving, pottery-making and weaving.

Late afternoon we set off in private transport to visit the temple complex, Doi Suthep. Here we can delve deeper into Thai Buddhist culture and we may be fortunate enough to witness the chanting of the monks.

Our hotel is located within walking distance to Chiang Mai Night Bazaar and other city destinations. All rooms are double or twin share with air conditioning and en suite bathroom. Free wifi is available.

Approx travel time:

Chiang Mai to Doi Suthep temple: 45 mins each way.

Day 4-6 Hilltribe Trek (3B,2L,3D)

From Chiang Mai, we start a 3-day/3-night hilltribe trek where we visit various hilltribe minority groups, each with their own language, clothing and religion. Enroute we stop for a local market tour for last minute supplies and your CEO will explain fruits and quirky market food.

Over the 3 days we will get the chance to ride an elephant (approx 45mins) and test our rafting skills while bamboo rafting*. We walk approximately 4-5 hours each day along sloping hills and valleys. We leave our big packs in storage and take an overnight bag. Each person is required to be able to carry their own pack as our porters will be carrying food and water supplies. Accommodation is group share, where you will be sleeping on the floor of the village huts. Toilet and washing facilities are very basic in most of the villages so be prepared to rough it for a few days. During the trek simple food is provided for breakfast, lunch and dinner. It can be cold during the evenings (especially from December to February) so make sure you have some warm clothes with you. It is possible to rent trekking gear in Chiang Mai before the trek in case you have forgotten to pack something vital.

Please note that trekking times are highly dependent on each group's level of fitness. The path that we follow may be changed to suit the group's fitness level or the weather during rainy season.

*During the rainy season we may not be able to Bamboo raft because of high and dangerous water levels.

Day 7-8 Chiang Mai/Overnight Train (2B)

We return to Chiang Mai on Day 7 with free time for further exploration of the second largest city in Thailand. Take the afternoon to have a traditional Thai massage at the women's prison rehabilitation centre, or even venture out on a trip to the countryside for excursions riding elephants or cruising down a stream on a bamboo raft. The fun does not end when the sun goes down, as the night bazaar opens. The bazaar is a series of covered markets, shops and stalls that offer the best selection of handicrafts in Thailand.

Accommodation on the night of Day 8 is an overnight sleeper train. Beds are dormitory style, with bunks on two layers along the side of the train carriage. There are curtains along each bunk for privacy. Your luggage will be accessible during the journey. The train has air-conditioning and clean bedding is provided for each bunk. There are both western style and asian style toilets at the end of each carriage. Food and drinks are served on the train but you can always bring your own food from the shops and restaurants in the train station.

Note: Due to disruptions of Thai trains in the north during the monsoon season, trips through mid-October may be upgraded to a flight and extra hotel night in Chiang Mai.

Approx travel time:

Overnight train from Chiang Mai to Ayutthaya: 10 hours.

Day 9 Ayutthaya

Ayutthaya served as Thailand's capital from the 14th to 18th centuries, when it ranked as one of the most magnificent cities in the world. Late in the 17th century its population reached one million, and foreign visitors wrote awestruck accounts of its size and splendour. Located 86km north of Bangkok, the ruins of this World Heritage Site include various pagodas and Buddha images.

We arrive into this spectacular town early in the morning and transfer to our hotel by local songthaew. Once we have checked in, had some breakfast and cleaned up we will visit the Historical Park and look at the wonders of this ancient capital city.

Our accommodation this evening is double / twin share with air conditioning and an en suite bathroom. This hotel has free wifi available. The hotel is very centrally located within an easy distance of the Historical Site.

Day 10-11 Kanchanaburi (2B,1D)

Traveling by local bus to Kanchanaburi, the evening of day 10 sees us staying on basic raft accommodation. The rooms are quite small and contain a double mattress in each room. Groups of over 8 people will be divided onto 2 raft houses.

On day 11 we visit Erawan National Park. The park contains the waterfalls of the same name (seven tiers of blue clear water with little fish that nibble at your feet), is well worth a visit. You can see Erawan, the 3 headed elephant that carries the Hindu God Indra, when you reach level seven (use your imagination!).

Situated alongside the River Kwai Yai amongst limestone hills, Kanchanaburi (golden city) is most famous (or infamous) for the death railway that was constructed during WWII using prisoners of war and Asian labor. The bridge on the River Kwai, the war cemetery, Thai Burma war museum all make up the major attractions of this town. Many veterans and descendants of the POW's return here to honor those that died during the construction of the railroad. Around 100,000 Asian laborers and 16,000 POW's died during its construction with the track only running for about 20 months.

Kanchanaburi province itself is the third largest province in Thailand and possesses some of the best preserved natural sites in Thailand – partly due to the fact that it is still sparsely populated.

Our hotel on day 11 is located on the banks of the River Kwai. Our rooms here are all double / twin share with air conditioning and an en suite bathroom. The hotel also has a swimming pool to help unwind after a long days sightseeing.

Approx travel time:

Local bus from Ayutthaya to Kanchanaburi: 3 hours.

Bus to Erawan National Park: 1.5 hours.

Day 12 Bangkok (B)

We have free time this morning until we take private mini-van for our journey back to Bangkok arriving with time to catch up on last minute shopping. The tour ends upon arrival and your Chief Experience Officer (CEO) will help you arrange any transport or transfers that you need. Please do not organise any onward travel for earlier than 3pm.

We look forward to receiving your evaluation regarding this tour itinerary and your CEO's performance. We value your input into what we could improve to make this trip even better and of course love hearing about what we are already doing well! You will be sent a post tour email on your return with details on how to go in line and fill in this simple form. Thank you so much in advance.

Itinerary Disclaimer

While it is our intention to adhere to the route described below, there is a certain amount of flexibility built into the itinerary and on occasion it may be necessary, or desirable to make alterations. The itinerary is brief, as we never know exactly where our journey will take us. Due to our style of travel and the regions we visit, travel can be unpredictable. The Trip Details document is a general guide to the tour and region and any mention of specific destinations or wildlife is by no means a guarantee that they will be visited or encountered. Aboard expedition trips visits to research stations depend on final permission.

Additionally, any travel times listed are approximations only and subject to vary due to local circumstances.

Important Notes

1. Please note that this tour combines with other G Adventures tours. As such, the staff and some travel companions on your tour may have previously been traveling together with G Adventures, prior to Day 1 of your tour. Likewise, some staff and travel companions may be continuing together on another G Adventures tour, after your trip concludes.

Please be aware that this itinerary is a brand new trip for us in 2012.

While we have thoroughly planned and researched this new itinerary on the ground, the nature of travel is that even the best laid plans can sometimes come across the unexpected! If you like being a trail blazer and are not afraid for a small hiccup or two along the trail, this trip is exactly right for you. If any of the above concerns you, we suggest you wait a year until we have this trip running to our normal perfection.

Group Leader Description

All G Adventures group trips are accompanied by one of our Chief Experience Officers (CEO). The aim of the CEO is to take the hassle out of your travels and to help you have the best trip possible. They will provide information on the places you are traveling through, offer suggestions for things to do and see, recommend great local eating venues and introduce you to our local friends. While not being guides in the traditional sense you can expect them to have a broad general knowledge of the countries visited on the trip, including historical, cultural, religious and social aspects. We also use local guides where we think more specific knowledge will add to the enjoyment of the places we are visiting- we think it's the best of both worlds.

Meals

Eating is a big part of traveling. Traveling with G Adventures you experience the vast array of wonderful food that is available out in the world. It also gives you more budgeting flexibility, though generally food is cheap. Our groups tend to eat together to enable you to taste a larger variety of dishes and enjoy each others company. There is no obligation to do this though. Your CEO will be able to suggest favorite restaurants during your trip. Included breakfasts will usually be Asian style consisting of noodles or rice soup or bread and eggs. Vegetarians will be able to find a range of different foods, although in some areas the choice maybe limited. Solo Travellers

We believe single travellers should not have to pay more to travel so our group trips are designed for shared accommodation and do not involve a single supplement. Single travellers joining group trips are paired in twin or multi-share accommodation with someone of the same sex for the duration of the trip. Some of our Independent trips are designed differently and single travellers on these itineraries must pay the single trip price.

Joining Instructions

When arriving at Suvarnabhumi Airport (pronounced 'su wan na poom') in Bangkok proceed to the Arrivals Hall where you can change money into Thai Baht. (You may be approached by nicely dressed, official looking touts offering an expensive limousine service to your hotel; ignore these offers.)

You have three transport options; public bus, the Airport Train & MRT or public taxi. All transportation is located on the 'ground' floor.

Public Bus

The Airport Bus operates 4 bus routes to downtown for a cost of 150 Baht for the entire route. Bus AE2 goes to Banglamphu and Bus AE4 goes to Hua Lamphong train station. Our hotels are located in both the Bang Lamphu and Hua Lamphong areas.

Taxi

The airport is located 30km's away from downtown Bangkok. Approach the taxi counters, advise them where you are going and they will write this information down for you along with the taxis registration details. Taxis should always use the meter and you are required to pay a 50 Baht airport surcharge on top of the metered fee plus any tollway fees (approx 70 Baht depending on the route taken). Total journey will cost between 350 THB – 500 THB, depending on traffic and toll fees. The expressway is substantially faster, so tell the taxi driver to use the expressway, you can say either ""kuen ton-way"" (from 'tollway') or ""kuen taang duan"" in Thai (but most understand Tollway/express way in English).

Airport Train

If you are staying at the Bangkok Centre Hotel you can take the Airport Train. Board the express airport train at a cost of 150 THB to the City Air Terminal; Makkasan. Here you will need to disembark and change to the MRT (subway) Blue line, boarding at

Phetchaburi Station. From Pethaburi Station travel to the last stop, Hua Lamphong, and follow the signs at the exit for the Bangkok Centre Hotel.

Arrival Transfers

If you have paid for an arrival transfer when you booked your trip then please proceed to the Airport Information Counter near entrance 3 and look for the driver who should be holding a G Adventures sign.

What to Take

What you need to bring depends on the trip you have chosen and the countries or regions you are planning to visit. We suggest that you pack as lightly as possible as you are expected to carry your own luggage. As a rule we try not to have to walk more than 15-20 minutes with your bags which is why we recommend keeping the weight of your bags between 10-15kg/22-30lb. Suitcases are not recommended for G Adventures trips! Most travelers carry a backpack or rolling bag of small to medium size (no XXL ones please!) as they need to fit under the beds when traveling on sleeper trains. You will also need a day pack/bag to carry water, cameras and other electronics like ipods and mobile phones. If your trip involves overnights in home-stays, villages or camping then you usually have the opportunity to rent sleeping bags if need be instead of bringing them with you.

Note that your passport must be valid for at least six months from your time of entry: Thailand: Australian, British, Canadian, American, Belgian, Swedish, German, Dutch and Danish passport holders do not require a visa for a stay of 30 days or less. *Please note that certain nationalities (including: Bhutan, China, Cyprus, Czech, Estonia, Hungary, India, Kazakhstan, Latvia, Lithuania, Maldives, Oman, Poland, Russia, Saudi Arabia, Slovakia, Slovenia, Taiwan and Ukraine) may not be able to obtain visa at a land border.

Spending Money

Every traveller is different and therefore spending money requirements will vary. Some travellers may drink more than others while other travellers like to purchase more souvenirs than most. Please consider your own spending habits when it comes to allowing for drinks, shopping and tipping. Please also remember the following specific recommendations when planning your trip.

Money Exchange

During this tour the local currency you will use is the Thai Baht. As currency exchange rates in South East Asia do fluctuate, we ask that you refer to the following website for the most up to date daily exchange rates: www.xe.com for each of the above mentioned currencies. The best way to carry your money is in debit cards, withdrawing cash in local currencies from ATM machines. ATMs are found throughout South East Asia and will generally accept cards on the Visa and Mastercard networks. It is a great idea to travel with both a Visa and Mastercard if at all possible in case of loss or problems with one card, you will have a back up. Please note, your bank will charge a fee for overseas withdrawals. USD Cash is recommended for times when ATMs are not accessible. You should bring some cash with you for emergency situations (please refer to our trip dossier) but carrying only cash is a high safety risk. ATM card/s and some cash is the ideal mix. Travellers cheques can be tricky, timely and expensive to exchange. While we do not recommend that you bring them as your primary source of funds, it is great to have one or two cheques in case of emergency. Thomas Cook or American Express travellers' cheques in US currency are the easiest to exchange. Cash advances can also be made with some banks but are time consuming and tend to have high fees attached. Credit cards can be used at some upmarket restaurants, and at some larger stores if shopping for big items. If you are bringing US Dollars, please make sure that the notes are new and in good condition. Notes older than 2003, or with any tears or blemishes may not be accepted. Be fussy with your bank when buying cash!

Emergency Fund

Please also make sure you have access to at least an additional USD \$250 (or equivalent) as an 'emergency' fund, to be used when circumstances outside our control (ex. a natural disaster) require a change to our planned route. This is a rare occurrence!

Departure Tax

Departure Tax is included in all International and Domestic tickets in China, Thailand and Vietnam.

Tipping

It is customary in Asia to tip service providers such as waiters, at approximately 10%, depending on the service. Tipping is expected - though not compulsory - and shows an expression of satisfaction with the people who have assisted you on your tour. Although it may not be customary to you, it is of considerable significance to the people who will take care of you during your travels. There are several times during the trip where there is opportunity to tip the local guides or drivers we use. You may do this individually, or your CEO will offer to collect the money and tip as a group. Recommendations for tipping drivers and local guides would range from \$1.5-\$3.5 USD per person per day depending on the quality and length of the service; ask your CEO for specific recommendations based on the circumstances and culture. Also at the end of each trip if you felt your G Adventures CEO did an outstanding job, tipping is appreciated. The amount is entirely a personal preference, however as a guideline \$20-25 USD per person, per week can be used.

Optional Activities

Optional Activities: USD150 for optional activities not included in the trip.

Grand palace (Bangkok) - USD11

Jim Thompson's House (Bangkok) - USD3.5

Health

You should consult your doctor for up-to-date medical travel information well before departure. We recommend that you carry a First Aid kit and hand sanitizers / antibacterial wipes as well as any personal medical requirements. Please be aware that sometimes we are in remote areas and away from medical facilities, and for legal reasons our CEO's are prohibited from administering any type of drug including headache tablets, antibiotics, etc. In Asia pharmacies tend to stock the same western drugs as you get at home but they are usually produced locally so please bring the full drug name with you when trying to purchase a prescription drug. When selecting your trip please carefully read the brochure and itinerary and assess your ability to cope with our style of travel. Please refer to the Physical and Culture Shock ratings for trip specific information. G Adventures reserves the right to exclude any traveller from all or part of a trip without refund if in the reasonable opinion of our CEO they are unable to complete the itinerary without undue risk to themselves and/or the rest of the group.

Safety and Security

Many national governments provide a regularly updated advice service on safety issues involved with international travel. We recommend that you check your government's advice for their latest travel information before departure. We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewellery at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes, which is the most secure way of storing your valuables. A lock is recommended for securing your luggage. When travelling on a group trip, please note that your CEO has the authority to amend or cancel any part of the trip itinerary if it is deemed necessary due to safety concerns. Your CEO will accompany you on all included activities. During your trip you will have some free time to pursue your own interests, relax and take it easy or explore at your leisure. While your CEO will assist you with options available in a given location please note that any optional activities you undertake are not part of your itinerary, and we offer no representations about the safety of the activity or the standard of the operators running them. Please use your own good judgment when selecting an activity in your free time. Although the cities visited on tour are generally safe during the day, there can be risks to wandering throughout any major city at night. It is our recommendation to stay in small groups and to take taxis to and from restaurants, or during night time excursions.

Protests and Demonstrations- Protests and demonstrations, even those that are well intended, have the potential to turn violent with no warning. Counter protests can also turn violent. Action by security forces to disperse demonstrators and protesters may occur at any time. If you are in an area where demonstrators or protesters are gathering, avoid the temptation of staying for a good photo opportunity and leave the area immediately.

Water based activities have an element of danger and excitement built into them. We recommend only participating in water based activities when accompanied by a guide(s). We make every reasonable effort to ensure the fun and adventurous element of any water based activities (in countries with varying degrees of operating standards) have a balanced approach to safety. It is our policy not to allow our CEOs to make arrangements on your behalf for water based activities that are not accompanied by guide(s).

Swimming, including snorkeling, is always at your own risk.

We take all prudent measures in relation to your safety. For ways to further enhance your personal safety while traveling, please visit:

www.gadventures.com/travel-resources/safety/

Medical Form

Our small group adventures bring together people of all ages. It is very important you are aware that, as a minimum, an average level of fitness and mobility' is required to undertake our easiest programs. Travellers must be able to walk without the aid of another person, climb 3-4 flights of stairs, step on and off small boats, and carry their own luggage at a minimum. Travellers with a pre-existing medical condition are required to complete a short medical questionnaire, which must be signed by their physician. This

is to ensure that travellers have the necessary fitness and mobility to comfortably complete their chosen trip. While our CEOs work hard to ensure that all our travellers are catered for equally, it is not their responsibility to help individuals who cannot complete the day's activities unaided. Please refer to the physical ratings in this Trip Details document for more information. Please note that all passengers traveling to Antarctica are required to fill out this questionnaire.

The medical questionnaire can be found online at:

- www.gadventures.com/medical-form.

A Couple of Rules

Illegal drugs will not be tolerated on any trips. Possessing or using drugs not only contravenes the laws of the land but also puts the rest of the group at risk. Smoking marijuana and opium is a part of local culture in some parts of the world but is not acceptable for our travellers. Our philosophy of travel is one of respect towards everyone we encounter, and in particular the local people who make the world the special place it is. The exploitation of prostitutes is completely contrary to this philosophy. Our CEOs have the right to expel any member of the group if drugs are found in their possession or if they use prostitutes.

A Word of Warning

Please do not buy gems in Bangkok unless you know what you are doing. Even if genuine you should not expect to be able to sell them at home. If you fall victim to a gem scam, we are unable to assist you.

Travel Insurance

Travel Insurance: Travel insurance is compulsory in order to participate on any of our trips. When travelling on a group trip, you will not be permitted to join the group until evidence of travel insurance has been sighted by your CEO, who will take note of your insurance details. When selecting a travel insurance policy please bear in mind that all clients must have medical coverage and that we require a minimum coverage of USD 200,000 for repatriation and emergency rescue. We strongly recommend that the policy also covers personal liability, cancellation, curtailment and loss of luggage and personal effects. If you have credit card insurance we require proof of purchase of the trip (a receipt of credit card statement) with a credit card in your name. Contact your bank for details of their participating insurer, the level of coverage and emergency contact telephone number.

Planeterra-The G Adventures Foundation

Through our commitment to responsible tourism we have developed the Planeterra Foundation, a non-profit organization dedicated to making a positive difference in the lives of people and communities around the world through support of international charities, local organizations and community projects in the places that we visit on our tours. G Adventures matches all individual donations and pays all administration costs, which means that 100% of each donation is doubled and goes directly to support our projects. For more information about Planeterra and the projects we support, or to make a donation, please visit www.planeterra.org

Planeterra Dollar-A-Day Program

Our Dollar-A-Day Program provides travellers with the opportunity to help us give back to the people and places visited on our tours by donating one dollar per day for the duration of their tour. 100% of these proceeds will go directly to support our Planeterra projects.

To participate in this program please indicate at the time of booking that you would like to participate in G Adventures' Dollar-A-Day program, either by clicking the check box online, or by advising your G Adventures specialist or travel agent. (Note: Donation will be charged in the currency of your booking)

Local Dress

In Asia the dress standard is more conservative than it is back home. When packing try to pick loose, lightweight, long clothing that will keep you cool in the usually hot and humid climate of Asian summers. In predominately Buddhist, Hindu and Muslim countries we ask that you dress respectfully and avoid very short shorts/skirts and singlets/tanktops when visiting temples or mosques or other holy sites. In Pakistan we recommend a head scarf for women while walking around.
