Itinerary

Day 1 Lima

Arrive Lima at any time. There are no planned activities so check into our hotel and enjoy the city. Your Chief Experience Officer (CEO) will hold a general briefing in the evening, normally between 7pm and 8pm (a note will be posted in the arrival hotel with details).

Please note that hot water shortages and power outages can be fairly common in Peru (even in upgraded hotels and private homes). We appreciate your patience and understanding that these occurrences are outside of our control.

Peru is frequently referred to as the 'Land of the Incas'. It is true that the Incas formed the greatest empire on the continent and left mysterious cities such as Machu Picchu. However, it is important to remember that the Incas were the only the last in a long series of Peruvian civilizations spanning several thousand years and the ruins of many of these earlier civilizations can also be visited. Peru is made up of three main geographical areas: the Andes, the Amazon and the desert coastal area. In this trip we concentrate on the Andes region of south-central Peru and the ancient Inca capital of Cusco.

Known as the City of Kings, Peru's capital city Lima was founded by Francisco Pizarro on the Day of the Three Kings (Epiphany) in 1535. The Plaza de Armas is the heart of old Lima, and it is here you find the Cathedral, Government Palace and Archbishop's Palace. The Cathedral dates back to the 1700s and houses the remains of the conquistador Pizarro. To get a feel for colonial Lima, take a cab to the Plaza de Armas and watch the changing of the Palace Guard in the afternoon. Walk the streets surrounding the Jirón de la Unión for great examples of Spanish-colonial architecture and to get a taste for life in a large South American city. An optional city tour visits many of the city's highlights.

There are many fine museums in and around the city, including the Museo Rafael Larco Herrera, which houses an equally impressive collection of pottery, mummies and textiles from the Paracas and Nazca cultures. The more affluent districts of Miraflores, Barranco and San Isidro, which are on the coast, offer good nightlife and cafés all within walking distance. Limeños (Lima's

residents) are friendly, and the city is filled with excellent restaurants; seafood lovers in particular should be sure to try a ceviche, for which Lima is well known.

Day 2-3 Huaraz

Travel north by bus and inland up to the stunning mountain peaks and scenery of the Cordillera Blanca to the alpine city of Huaraz. With many peaks over 6000m this is one of the highest areas within the Andes mountain range. Huaraz is a small town that has, for years, served as the base for many avid hikers and climbers. Trekking in this area is said by many to offer little chance of seeing many other foreigners and Huaraz is widely considered a dream setting for the outdoorsy type.

Day 3 is a free day to acclimatize to the altitude as well as ample opportunity for optional activities like horseback riding or biking in the mountains. Relax in the evening at one of the quaint cafes and soak in the natural scenery.

Day 4 Chiquián

Transfer by private vehicle to the small Andean village of Chiquián to prepare for the trek ahead.

Day 5-11 Trekking the Huayhuash Circuit (7B,8L,8D)

Spend 7 days of trekking with an expert mountain guide along the challenging and spectacular Huayhuash Circuit. The days are spent in remote, high-altitude wilderness, surrounded by alpine scenery including snow-capped peaks, immense glaciers, emerald glacial lagoons and mountain vegetation. Nights are spent camping under the stars. Several very high altitude passes are traversed, challenging the best of hikers ready to push themselves for the ultimate reward of unmatched and remote mountain scenery unlike anywhere else on earth.

Considered as one of the premier treks on the globe, the Huayhuash Circuit is the natural setting made famous after the book and movie "Touching the Void," which is the true story of hikers on the circuit. Day-by-day details of the trek are as follows:

Day 5 - Trek from Chiquián following a narrow dirt road to Pocpa. Take a steep ascent up to the pass and ridge high above (4574 metres) before traversing along the Valley of Pacllon, reaching Lake Jahuacocha, situated below Mt. Yerupaja where we set up camp.

Day 6 - Trek to Rondoy Pass and camp below the Qaqanampunta Pass (4100 metres).

Day 7 - Cuartelwain / Mitucocha / Trapecio Pass (5000 metres) - trekking to Camp Cuyoc at 4600 metres. Total trekking time is approximately 6 hours.

Day 8 - Laguna Mitucocha / Carhuac Pass (4650 metres) and Laguna Carhuacocha. Total trekking time is approximately 5 hours.

Day 9 - Trek to the Siula Pass (4800 metres) and beyond to our campsite near Huayhuash (4400 metres). Total trekking time is approximately 7 hours.

Day 10 - Trek to Trapecio Pass (5000 metres) and camp at Cuyoc (4600 metres). Total trekking time is approximately 6 hours.

Day 11 - Trek downhill from Cuyoc to Guanacpatay (3800 metres). Total trekking time is approximately 6 hours.

Day 12 Cajatambo / Lima (B)

After breakfast, descend to the town of Cajatambo, where we will be picked up and transferred by private vehicle back to Lima for the night and for some well-deserved rest and a hot shower.

Day 13 Lima

Depart at any time.

What's Included

8-day trek along the Huayhuash Circuit with an expert mountain guide.

Highlights

Taking in the glacial alpine scenery along the Huayhuash Circuit, challenging yourself conquering the high-altitude mountain passes, sleeping in tents under the stars in the remote wilderness.

Itinerary Disclaimer

While it is our intention to adhere to the route described below, there is a certain amount of flexibility built into the itinerary and on occasion it may be necessary, or desirable to make alterations. The itinerary is brief, as we never know exactly where our journey will take us. Due to our style of travel and the regions we visit, travel can be unpredictable. The Trip Details document is a general guide to the tour and region and any mention of specific destinations or wildlife is by no means a guarantee that they will be visited or encountered. Aboard expedition trips visits to research stations depend on final permission.

Additionally, any travel times listed are approximations only and subject to vary due to local circumstances.

Group Leader Description

All G Adventures group trips are accompanied by one of our group leaders, a G Adventures representative, or an expedition team. The aim of the group leader is to take the hassle out of your travels and to help you have the best trip possible. They will provide information on the places you are travelling through, offer suggestions for things to do and see, recommend great local eating venues and introduce you to our local friends. While not being guides in the traditional sense you can expect them to have a broad general knowledge of the countries visited on the trip, including historical, cultural, religious and social aspects. We also use local guides where we think more specific knowledge will add to the enjoyment of the places we are visiting- we think it's the best of both worlds.

Group Size Notes

Max 16, Avg 8

Meals Included

7 Breakfasts, 7 Lunches, 7 Dinners.

Meals

Eating is a big part of traveling. Travelling with G Adventures you experience the vast array of wonderful food that is available out in the world. Generally meals are not included in the trip price when there is a choice of eating options, to give you the maximum flexibility in deciding where, what and with whom to eat. It also gives you more budgeting flexibility, though generally food is cheap. Our groups tend to eat together to enable you to taste a larger variety of dishes and enjoy each other's company. There is no obligation to do this though. Your CEO will be able to suggest favourite restaurants during your trip. For all trips please refer to the meals included and budget information for included meals and meal budgets.

Meal Budget

Allow USD130-175 for meals not included.

Transport

Public bus, van, hiking.

Solo Travellers

We believe single travellers should not have to pay more to travel so our group trips are designed for shared accommodation and do not involve a single supplement. Single travellers joining group trips are paired in twin or multi-share accommodation with someone of the same sex for the duration of the trip. Some of our Independent trips are designed differently and single travellers on these itineraries must pay the single trip price.

Accommodation

Hotels (5 nts), camping (7 nts).

My Own Room Exceptions

Nights 4-11: Huayhuash trek.

Joining Instructions

Jorge Chavez International Airport in Callao Lima, is approximately a 45-minute drive from the Miraflores district, where our joining hotel is located. The easiest way to get there is via taxi. Immediately after the customs and immigration area, as you head to the exits, you will find an official taxi stand. You can pay for the car at set (approximately \$27 USD) rates and won't need to worry about sorting out a ride outside the airport facilities, where the situation tends to get more chaotic, with many drivers vying for few clients. There are exchange facilities in the Arrivals area open 24 hours.

If you are arriving from abroad and have paid in advance for an arrival transfer, someone will be at the airport to meet you. Upon leaving the baggage claim area you will see a large open area with sign boards all around. Look for a G Adventures sign board with your name. As there are many people and signs in this area it may be difficult for you to spot the sign immediately. Please take your time in doing so and if at that stage you do not see a G Adventures sign board with your name go to the customer service area to wait. In the event that your driver does not arrive within 20 minutes please ask the information desk to arrange an official taxi for you which should cost approximately \$27 USD and this money will be reimbursed by your CEO or G Adventures representative.

FINDING YOUR TRANSFER - As you walk out of the airport there will be many drivers holding signs with agency or passenger names as well as taxi drivers asking you if you require their services. These are NOT our drivers and you should not accept their services. Please wait for our designated transfer person with a G Adventures sign board.

Arrival Complications

We don't expect any problems, and nor should you, but if for any reason you are unable to commence your trip as scheduled, as soon as possible please contact your starting point hotel, requesting that you speak to or leave a message for your CEO (if you are not on a group tour please refer to the emergency contact details provided in this dossier). If you are unable to get in touch with your leader, please refer to our emergency contact details. If you have pre-booked an airport transfer and have not made contact with our

representative within 30 minutes of clearing customs and immigration, we recommend that you make your own way to the Starting Point hotel, following the Joining Instructions. Please apply to your travel agent on your return for a refund of the transfer cost if this occurs.

Emergency Contact

Should you need to contact us during a situation of dire need, it is best to first call either the G Adventures Local Representative (if one is listed below) or our G Adventures Local Office. If for any reason you do not receive an immediate answer, please leave a detailed message and contact information, so they may return your call and assist you as soon as possible.

AIRPORT TRANSFER

If you have purchased an arrival through G Adventures or if an arrival transfer is included in the cost of your tour, please note that:

Your arrival transfer has been arranged based on flight information provided to us. If you are advised of a flight schedule change within 48 hours of your scheduled arrival time, we will do our best to rearrange your arrival transfer however we cannot guarantee this. If your arrival transfer does not arrive within 30 minutes after you have exited the arrivals area please take a taxi to your start point hotel.

Visas

All countries require a valid passport (with a minimum 6 months validity). Contact your local embassy, or consulate for the most up-to-date visa requirements, or see your travel agent. **IT'S YOUR RESPONSIBILITY TO HAVE THE CORRECT TRAVEL DOCUMENTATION.**

Spending Money

Every traveller is different and therefore spending money requirements will vary. Some travellers may drink more than others while other travellers like to purchase more souvenirs than most. Please consider your own spending habits when it comes to allowing for drinks, shopping and tipping. Please also remember the following specific recommendations when planning your trip.

Money Exchange

The currency in Peru is the Nuevo Sol (PEN).

Credit cards and debit cards are very useful for cash advances. Visa cards are the most widely accepted cards. While ATMs are widely available, there are no guarantees that your credit or debit cards will actually work in Latin America. Check with your bank.

You should be aware that to purchase products or services on a credit card a fee of 5%-10% usually applies.

Do not rely on credit or debit cards as your only source of money, a combination of US dollar cash and cards is best. Always take more rather than less, as you don't want to spoil the trip by constantly feeling short of funds.

We do not recommend bringing travellers cheques as they are very difficult to change in country.

CURRENCY EXCHANGE TIP: Please be advised that slightly torn notes, notes that have been heavily marked or are faded may be difficult to exchange. It is best to bring notes in fairly good condition, in denominations lower than 100USD (or equivalent).

As currency exchange rates can fluctuate often we ask that you refer to the following website for daily exchange rates: www.xe.com

Emergency Fund

Please also make sure you have access to at least an additional USD \$200 (or equivalent) as an 'emergency' fund, to be used when circumstances outside our control (ex. a natural disaster) require a change to our planned route. This is a rare occurrence!

Tipping

It is customary in Latin America to tip service providers such as waiters, at approximately 10%, depending on the service. Tipping is an expected - though not compulsory - component of your tour program and an expression of satisfaction with the persons who have assisted you on your tour. Although it may not be customary to you, it is of considerable significance to the people who will take care of you during your travels. There are several times during the trip where there is opportunity to tip the local guides or drivers we use. Recommendations for tipping drivers and local guides would range from \$5-10 USD per day depending on the quality and length of the service; ask your CEO for specific recommendations based on the circumstances and culture.

Also at the end of each trip if you felt your G Adventures Chief Experience Officer (CEO) did an outstanding job, tipping is appreciated. The amount is entirely a personal preference, however as a guideline \$20-25 USD per person, per week can be used.

Health

Please note inoculations may be required for the country visited. It is your responsibility to consult with your travel doctor for up to date medical travel information well before departure.

You should consult your doctor for up-to-date medical travel information well before departure. We recommend that you carry a First Aid kit and hand sanitizers / antibacterial wipes as well as any personal medical requirements. Please be aware that quite often we are in remote areas and away from medical facilities, and for legal reasons our leaders are prohibited from administering any type of drug including headache tablets, antibiotics, etc. When selecting your trip please carefully read the brochure and itinerary and assess your ability to cope with our style of travel. Please refer to the Physical and Culture Shock ratings for trip specific information. G Adventures reserves the right to exclude any traveller from all or part of a trip without refund if in the reasonable opinion of our CEO

they are unable to complete the itinerary without undue risk to themselves and/or the rest of the group.

Please note your Adventure travels to high altitude. This is medically defined as anything over 8,000 feet (2,440 meters). Most people can travel to 8,000 feet with minimal effects. However, everyone reacts to altitude differently and altitude sickness can on set with some people irrespective of fitness and age. For details on how to best prepare and what to do in the unlikely event you are effected on your Adventure, please consult your physician.

Safety and Security

Many national governments provide a regularly updated advice service on safety issues involved with international travel. We recommend that you check your government's advice for their latest travel information before departure. We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewellery at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes, which is the most secure way of storing your valuables. A lock is recommended for securing your luggage. When travelling on a group trip, please note that your CEO has the authority to amend or cancel any part of the trip itinerary if it is deemed necessary due to safety concerns. Your CEO will accompany you on all included activities. During your trip you will have some free time to pursue your own interests, relax and take it easy or explore at your leisure. While your CEO will assist you with options available in a given location please note that any optional activities you undertake are not part of your itinerary, and we offer no representations about the safety of the activity or the standard of the operators running them. Please use your own good judgment when selecting an activity in your free time. Although the cities visited on tour are generally safe during the day, there can be risks to wandering throughout any major city at night. It is our recommendation to stay in small groups and to take taxis to and from restaurants, or during night time excursions.

Protests and Demonstrations- Protests and demonstrations, even those that are well intended, have the potential to turn violent with no warning. Counter protests can also turn violent. Action by security forces to disperse demonstrators and protesters may occur at any time. If you are in an area where demonstrators or protesters are gathering, avoid the temptation of staying for a good photo opportunity and leave the area immediately.

Water based activities have an element of danger and excitement built into them. We recommend only participating in water based activities when accompanied by a guide(s). We make every reasonable effort to ensure the fun and adventurous element of any water based activities (in countries with varying degrees of operating standards) have a balanced approach to safety. It is our policy not to allow our CEOs to make arrangements on your behalf for water based activities that are not accompanied by guide(s).

Swimming, including snorkeling, is always at your own risk.

We take all prudent measures in relation to your safety. For ways to further enhance your personal safety while traveling, please visit:

www.gadventures.com/travel-resources/safety/

Medical Form

Our small group adventures bring together people of all ages. It is very important you are aware that, as a minimum, an average level of fitness and mobility' is required to undertake our easiest programs. Travellers must be able to walk without the aid of another person, climb 3-4 flights of stairs, step on and off small boats, and carry their own luggage at a minimum. Travellers with a pre-existing medical condition are required to complete a short medical questionnaire, which must be signed by their physician. This is to ensure that travellers have the necessary fitness and mobility to comfortably complete their chosen trip. While our CEOs work hard to ensure that all our travellers are catered for equally, it is not their responsibility to help individuals who cannot complete the day's activities unaided. Please refer to the physical ratings in this Trip Details document for more information.

Please note that all passengers traveling to Antarctica are required to fill out this questionnaire.

The medical questionnaire can be found online at:

www.gadventures.com/medical-form.

A Couple of Rules

Illegal drugs will not be tolerated on any trips. Possessing or using drugs not only contravenes the laws of the land but also puts the rest of the group at risk. Smoking marijuana and opium is a part of local culture in some parts of the world but is not acceptable for our travellers. Our philosophy of travel is one of respect towards everyone we encounter, and in particular the local people who make the

world the special place it is. The exploitation of prostitutes is completely contrary to this philosophy. Our CEOs have the right to expel any member of the group if drugs are found in their possession or if they use prostitutes.

Travel Insurance

Travel Insurance: Travel insurance is compulsory in order to participate on any of our trips. When travelling on a group trip, you will not be permitted to join the group until evidence of travel insurance has been sighted by your CEO, who will take note of your insurance details. When selecting a travel insurance policy please bear in mind that all clients must have medical coverage and that we require a minimum coverage of USD 200,000 for repatriation and emergency rescue. We strongly recommend that the policy also covers personal liability, cancellation, curtailment and loss of luggage and personal effects. If you have credit card insurance we require proof of purchase of the trip (a receipt of credit card statement) with a credit card in your name. Contact your bank for details of their participating insurer, the level of coverage and emergency contact telephone number.
