Itinerary

Day 1 Venice

Arrive Venice any time. As your fellow travellers are arriving throughout the day, there are no planned activities, so check-in to the hotel (check-in time is approx 3pm) and enjoy the city. In the evening meet your fellow group members at 6pm to go over the details of your trip. Check the notice boards or ask at reception for the exact location of this group meeting. After the meeting, you can head out for a meal at a local restaurant with the group (optional). Please make every effort to arrive on time for this important group meeting. If you are delayed please telephone or send a message to the contact numbers in your trip notes. Your Tour Leader will leave you a message at the front desk.

Days 2-4 Venice Carnival (3B,1D)

Set out with your CEO on an orientation walk of Venice to appreciate the unique nature of this city on water. You will see plenty of people in Carnevale costume around and we will have the chance to participate in some of the street events which accompany Carnevale (for instance, stalls with local food and wine produce, cooking demonstrations, Carnival games). We will also visit St Mark's Basilica.

On Day 3 we take a day trip by vaporetto to the islands. There is Murano, famous for its unrivalled glass-blowing skills; Burano, the archetypal sleepy fishing village with its startlingly bright painted houses; and Torcello, home to the ancient Basilica with remarkable Byzantine mosaics.

Day 4 is our final day in Venice and we make the most of the opportunity to join in the Carnival spirit by mingling with the crowds and soaking up the atmosphere. Don't forget your camera, Carnival is a photographer's dream!

We will finish off this final day with a Venetian feast to end our short but sweet Carnevale experience in style.

Day 5 Venice (1B)

Itinerary Disclaimer

While it is our intention to adhere to the route described below, there is a certain amount of flexibility built into the itinerary and on occasion it may be necessary, or desirable to make alterations. The itinerary is brief, as we never know exactly where our journey will take us. Due to our style of travel and the regions we visit, travel can be unpredictable. The Trip Details document is a general guide to the tour and region and any mention of specific destinations or wildlife is by no means a guarantee that they will be visited or encountered.

Additionally, any travel times listed are approximations only and subject to vary due to local circumstances.

Group Leader Description

This G Adventures group trip is accompanied by one of our group leaders. The aim of the group leader is to take the hassle out of your travels and to help you have the best trip possible. They will provide information on the places you are travelling through, offer suggestions for things to do and see, recommend great local eating venues and introduce you to our local friends. While not being guides in the traditional sense you can expect them to have a broad general knowledge of the countries visited on the trip, including historical, cultural, religious and social aspects.

Group Size Notes

Max 15, Avg 10

Meals Included

4 breakfasts, 1 dinner

Meals

Eating is a big part of traveling. Travelling with G Adventures you experience the vast array of wonderful food that is available out in the world. Generally meals are not included in the trip price when there is a choice of eating options, to give you the maximum flexibility in deciding where, what and with whom to eat. It also gives you more budgeting flexibility, though generally food is cheap. Our groups tend to eat together to enable you to taste a larger variety of dishes and enjoy each other's company. There is no obligation to do this though. Your CEO will be able to suggest favourite restaurants during your trip. The above information applies to G Adventures group trips. For Independent trips please check the itinerary for details of meals included. For all trips please refer to the meals included and budget information for included meals and meal budgets.

Meal Budget

Allow EUR150-200 for meals not included

Transport

Vaporetto (public water bus), walking

Local Flights

If required all local flights are included in the cost of your tours unless otherwise noted. It is important that we have your passport information at the time of booking in order to process these tickets. Internal flight tickets are issued locally and will be given to you prior to the flight departure.

Solo Travellers

We believe single travellers should not have to pay more to travel so our group trips are designed for shared accommodation and do not involve a single supplement. Single travellers joining group trips are paired in twin or multi-share accommodation with someone of the same sex for the duration of the trip. Some of our Independent trips are designed differently and single travellers on these itineraries must pay the single trip price.

Accommodation

Hotel (4 nts)

My Own Room

Not available on this trip.

About Accommodation

It is important to note that accommodation in Europe tend to be quite different to other areas of the world you may have travelled in. Buildings and rooms are generally old and may not have been renovated or maintained to the highest standard. Downtown hotels in Europe were not build to be hotels but rich owners houses, which have been changed into hotels. Therefore unusual room sizes are common as large rooms have been partitioned in the past, resulting in rather "thin" walls.

Staff can occasionally demonstrate less than perfect customer service. As accommodation is in short supply, especially during the summer months, hotels can charge a premium and there is sometimes little motivation to improve facilities.

You can expect to find clean, safe, simple accommodation in convenient locations.

Joining Hotel

Hotel Agli Artisti
Calle Priuli Cavalletti, 99/b
30121 Venice, Italy
Tel. + 39 041 716 270

Joining Instructions

There is a regular bus service from Venice (Marco Polo) Airport to the Piazzale Roma bus station (approx. 30mins). From here, you can walk (10-15mins) to the joining hotel. If you arrive overland by train, the hotel is 5 minutes' walk from the train station.

From Piazzale Roma (bus station): Cross the Grand Canal by means of the new Ponte de la Costituzione (locally knowm as the "Quarto Ponte") and walk straight ahead, passing the train station on your left. The Calle Priuli Cavalletti is a narrow typical Venetian alley on your left, after the train station, and more or less opposite the large white marble bridge.

From Santa Lucia train station: exit the station, descend the steps, and turn left. Then after two minutes' walking turn left again, opposite the large white marble bridge, into Calle Priuli Cavalletti.

The hotel is just along this lane on the right.

Please note that Day 1 is an arrival day and no activities have been planned, so you may arrive at any time. Similarly the last day is a departure day in which no activities are planned. Your CEO will contact you at the hotel on Day 1 and make sure you are settled comfortably. If you arrive late, s/he will leave you a message detailing what time and where you should meet the next morning. Your CEO will organize a short meeting soon after arrival, at which point you will meet other tour participants, carry out all pre-trip admin requirements, turn in your Local Payment and receive information about general and specific aspects of the trip. Please check the noticeboards in the hotel or ask at reception for the time and location of this important meeting.

Arrival Complications

We don't expect any problems, and nor should you, but if for any reason you are unable to commence your trip as scheduled, as soon as possible please contact your starting point hotel, requesting that you speak to or leave a message for your CEO. If you are unable to get in touch with your leader, please refer to our emergency contact details.

What to Take

You will be on the move a lot, so our advice is to pack as lightly as possible. We highly recommend using a backpack or light sports bag, whichever you find easiest to carry, plus a small daypack. Please bear in mind that Venice is built on 117 small islands so there are a lot of bridges and hence a lot of steps to get up and down!

Laundry

Laundry facilities are available in Venice but opening times are erratic - it's best if possible not to rely on laundry facilities on this trip

Visas

Contact your local embassy or consulate for the most up-to-date visa requirements, or see your travel agent. It is your responsibility to have the correct travel documentation. While we provide the following information in good faith, it is vital that you check yourself and

understand that you are fully responsible for your own visa requirements.

All visitors to the EU (European Union) and EEC (European Economic Community) countries require a valid passport (with a minimum 6 months validity). USA, Canada, Australia and New Zealand passport holders do not need a visa to visit the Schengen area (see below), however they may not stay longer than three months in any 6-month period.

For other nationalities, travelling in Europe has been simplified with the introduction of the Schengen visa. As a visitor to the Schengen area (Austria, Germany, Netherlands, Belgium, Greece, Norway, Denmark, Iceland, Portugal, Finland, Italy, Spain, France, Luxembourg, Sweden, Czech Republic, Hungary, Estonia, Latvia, Lithuania, Malta, Poland, Slovakia, Slovenia and Switzerland) you will enjoy the many advantages of this unified visa system. Generally speaking with a Schengen visa, you may enter one Schengen country and travel freely throughout the Schengen region during the validity of your visa. There are limited border controls at Schengen borders, if any at all.

Please note that the UK and Ireland are NOT part of the Schengen agreement.

A Schengen visa is applied for at the Embassy or Consulate of the Schengen country in which you will be spending the most nights on your trip to the Schengen space. If you are only visiting one country on your trip then you apply for your visa at the Consulate of this Schengen country.

Spending Money

Every traveller is different and therefore spending money requirements will vary. Some travellers may drink more than others while other travellers like to purchase more souvenirs than most. Please consider your own spending habits when it comes to allowing for drinks, shopping and tipping. Please also remember the following specific recommendations when planning your trip.

Money Exchange

Italy is in the Eurozone and the unit of the currency is the Euro.

Credit cards and debit cards are very useful for cash advances but you must remember to bring your PIN number (be aware that many ATM machines only accept 4-digit PINs). Both Cirrus and Plus system cards are the most widely accepted debit cards. Visa cards are the most widely accepted credit cards. While ATMs are commonly available, there are no guarantees that your credit or debit cards will actually work in Greece - Check with your bank. You should be aware when purchasing products or services on a credit card, that a fee usually applies.

Do not rely on credit or debit cards as your only source of money. A combination of Euros, traveller's cheques and cards is best. Avoid relying on traveller's cheques alone as these are less and less readily cashed as clients use them very little.

Always take more rather than less, as you don't want to spoil the trip by constantly feeling short of funds.

As currency exchange rates can fluctuate often we ask that you refer to the following website for daily exchange rates: www.xe.com

Emergency Fund

Please also make sure you have access to at least an additional USD \$200 (or equivalent) as an 'emergency' fund, to be used when circumstances outside our control (ex. a natural disaster) require a change to our planned route. This is a rare occurrence!

Tipping

It is customary in Europe to leave a small tip for service providers, such as waiters, if you are pleased with the service (€1-2). Tipping is an expected - though not compulsory - component of your tour program and an expression of satisfaction with the persons who have assisted you on your tour. Although it may not be customary to you, it is of considerable significance to the people who will take care of you during your travels. There are several times during the trip where there is opportunity to tip the local guides. You may do this individually, or your CEO will offer to collect the money and tip as a group. Recommendations for tipping local guides would range from €3-5 per day depending on the quality and length of the service; ask your CEO for specific recommendations based on the circumstances and culture. Also at the end of each trip if you felt your G Adventures CEO or skipper did an outstanding job, tipping is appreciated. The amount is entirely a personal preference, however as a guideline €20-25 per person, per week can be used.

Optional Activities

Your local guide or CEO will recommend different optional activities, feel free to ask him/her for more information.

Health

Please note inoculations may be required for the country visited. It is your responsibility to consult with your travel doctor for up to date medical travel information well before departure.

You should consult your doctor for up-to-date medical travel information well before departure. We recommend that you carry a First Aid kit and hand sanitizers / antibacterial wipes as well as any personal medical requirements. Please be aware that quite often we are in remote areas and away from medical facilities, and for legal reasons our leaders are prohibited from administering any type of drug including headache tablets, antibiotics, etc. When selecting your trip please carefully read the brochure and itinerary and assess your ability to cope with our style of travel. Please refer to the Physical and Culture Shock ratings in this dossier for trip specific information. For travellers over 70 years a completed Medical Form is required. G Adventures reserves the right to exclude any traveller from all or part of a trip without refund if in the reasonable opinion of our CEO they are unable to complete the itinerary without undue risk to themselves and/or the rest of the group.

Safety and Security

Many national governments provide a regularly updated advice service on safety issues involved with international travel. We recommend that you check your government's advice for their latest travel information before departure. We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewellery at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes, which is the most secure way of storing your valuables. A lock is recommended for securing your luggage. When travelling on a group trip, please note that your CEO has the authority to amend or cancel any part of the trip itinerary if it is deemed necessary due to safety concerns. Your CEO will accompany you on all included activities. During your trip you will have some free time to pursue your own interests, relax and take it easy or explore at your leisure. While your CEO will assist you with options available in a given location please note that any optional activities you undertake are not part of your itinerary, and we offer no representations about the safety of the activity or the standard of the operators running them. Please use your own good judgment when selecting an activity in your free time. Although the cities visited on tour are generally safe during the day, there can be risks to wandering throughout any major city at night. It is our recommendation to stay in small groups and to take taxis to and from restaurants, or during night time excursions.

Protests and Demonstrations- Protests and demonstrations, even those that are well intended, have the potential to turn violent with no warning. Counter protests can also turn violent. Action by security forces to disperse demonstrators and protesters may occur at any time. If you are in an area where demonstrators or protesters are gathering, avoid the temptation of staying for a good photo opportunity and leave the area immediately.

Water based activities have an element of danger and excitement built into them. We recommend only participating in water based activities when accompanied by a guide(s). We make every reasonable effort to ensure the fun and adventurous element of any water based activities (in countries with varying degrees of operating standards) have a balanced approach to safety. It is our policy not to allow our CEOs to make arrangements on your behalf for water based activities that are not accompanied by guide(s).

Swimming, including snorkeling, is always at your own risk.

We take all prudent measures in relation to your safety. For ways to further enhance your personal safety while traveling, please visit:

Medical Form

Our small group adventures bring together people of all ages. It is very important you are aware that, as a minimum, an average level of fitness and mobility' is required to undertake our easiest programs. Travellers must be able to walk without the aid of another person, climb 3-4 flights of stairs, step on and off small boats, and carry their own luggage at a minimum. Travellers with a pre-existing medical condition are required to complete a short medical questionnaire, which must be signed by their physician. This is to ensure that travellers have the necessary fitness and mobility to comfortably complete their chosen trip. While our CEOs work hard to ensure that all our travellers are catered for equally, it is not their responsibility to help individuals who cannot complete the day's activities unaided. Please refer to the physical ratings in this Trip Details document for more information.

The medical questionnaire can be found online at:

www.gadventures.com/medical-form.

A Couple of Rules

Illegal drugs will not be tolerated on any trips. Possessing or using drugs not only contravenes the laws of the land but also puts the rest of the group at risk. Smoking marijuana and opium is a part of local culture in some parts of the world but is not acceptable for our travellers. Our philosophy of travel is one of respect towards everyone we encounter, and in particular the local people who make the world the special place it is. The exploitation of prostitutes is completely contrary to this philosophy. Our CEOs have the right to expel any member of the group if drugs are found in their possession or if they use prostitutes.

Travel Insurance

Travel Insurance: Travel insurance is compulsory in order to participate on any of our trips. When travelling on a group trip, you will not be permitted to join the group until evidence of travel insurance has been sighted by your CEO, who will take note of your insurance details. When selecting a travel insurance policy please bear in mind that all clients must have medical coverage and that we require a minimum coverage of USD 200,000 for repatriation and emergency rescue. We strongly recommend that the policy also covers personal liability, cancellation, curtailment and loss of luggage and personal effects. If you have credit card insurance we require proof of purchase of the trip (a receipt of credit card statement) with a credit card in your name. Contact your bank for details of their participating insurer, the level of coverage and emergency contact telephone number.
