Itinerary Disclaimer

While it is our intention to adhere to the route described below, there is a certain amount of flexibility built into the itinerary and on occasion it may be necessary, or desirable to make alterations. The itinerary is brief, as we never know exactly where our journey will take us. Due to our style of travel and the regions we visit, travel can be unpredictable. The Trip Details document is a general guide to the tour and region and any mention of specific destinations or wildlife is by no means a guarantee that they will be visited or encountered. Aboard expedition trips visits to research stations depend on final permission.

Additionally, any travel times listed are approximations only and subject to vary due to local circumstances.

Important Notes

1. Discovery Adventures is operated in conjunction with G Adventures, the world leader in sustainable adventure travel. An award winning company with over 800 employees and 17 operational offices worldwide, G Adventures has 20 years experience in creating culturally interactive travel experiences. G Adventures advocates a triple bottom line business philosophy where equal attention is given to the environmental, social and economic impact of tourism to achieve long-term environmentally responsible growth whilst protecting destinations & cultural heritage for future generations.

2. Depending on the lunar cycle, Ramadan will fall between July 10 to August 10, 2013. Please note that Ramadan is a month of fasting observed by Muslims throughout the world, during which time the followers of Islam should not eat or drink between sunrise and sunset. There may be some limitations to services and disruptions to schedules during Ramadan, but generally our tours still operate effectively during this period and food is available to non-muslims throughout the day.

Group Leader Description

All Discovery Adventures group trips are accompanied by one of our expert group tour leaders. The aim of the group leader is to take the hassle out of your travels and to help you have the best trip possible. They will provide information on the places you are travelling through, offer suggestions for things to do and see, recommend great local eating venues and introduce you to our local friends. Group leaders are experts in their region with a broad, general knowledge of the countries visited on the trip, including historical, cultural, religious and social aspects. We also use local expert guides where we think more specific knowledge will add to the enjoyment of the places we are visiting- we think it's the best of both worlds. On this trip you will have the services of a professional Egyptologist for your visits to the pyramids - this may be your Tour Leader for the whole trip, or it may be a local guide for specific visits.

Detailed Trip Notes

REGIONAL INFORMATION

Official Languages: Arabic, English (secondary to Arabic)

Religions: Muslim 94%, Christian 5%

Time Zone: GMT +2 | US EST +7

Electricity: 220 Volts, 50 AC

Currency: Jordanian Dinar (JOD)

International Dialing Code: 00962

Climate: The climate depends on which part of the country you are in, as altitude ranges from 400m (1312ft) below average sea level at the Dead Sea, to 1850m above sea level at the Al-Shirah mountains. June to September are the hottest months of the year where temperature rises to about 32C (89.6F). The period between December and March is the coolest. Snowfall often occurs and temperatures stay around 15C (59F) during the day.

Ramadan 2012: Depending on the lunar cycles, around July 20th for a month. Please note that Ramadan is a month of fasting observed by Muslims throughout the world, during which time the followers of Islam should not eat or drink between sunrise and sunset. There may be some limitations to services and disruptions to schedules during Ramadan, but generally our tours still operate effectively during this period and food is available to non-muslims throughout the day.

Spending Money

Every traveller is different and therefore spending money requirements will vary. Some travellers may drink more than others while other travellers like to purchase more souvenirs than most. Please consider your own spending habits when it comes to allowing for drinks, shopping and tipping. Please also remember the following specific recommendations when planning your trip.

Money Exchange

ATMs are found widely in principal cities in Jordan and will generally accept cards on the Visa and Mastercard networks. A credit card is the safest way to carry money and most larger restaurants and stores accept them. While ATMs are widely available in major cities, there are no guarantees that your credit or debit cards will actually work in the Middle East. Check with your bank before travelling. You should be aware that to purchase products or services on a credit card a fee of 5%-10% usually applies. Do not rely on credit or debit cards as your only source of money. Cash advances can also be made with some banks. Cash is recommended for times when ATMs are not accessible, but carrying only cash is a high safety risk. A combination of cash and cards is best. Euros, British Pounds and US Dollars are all easy to exchange to local currency. Travellers cheques can be tricky to exchange and we do not recommend that you bring them as your primary source of funds, although in large cities you can exchange them in some 5-star hotels and banks but this takes time and incurs a fee. Thomas Cook or American Express travellers cheques in US currency are the easiest to exchange. Always take more rather than less, as you don't want to spoil the trip by constantly feeling short of funds.

The currency in Jordan is the Jordanian Dinar (JOD).

As currency exchange rates can fluctuate often we ask that you refer to the following website for daily exchange rates: www.xe.com

Note that almost all local purchases (meals, souvenirs, most optional activities, etc) will be paid for in local currencies.

Emergency Fund

Please also make sure you have access to at least an additional USD \$200 (or equivalent) as an 'emergency' fund, to be used when circumstances outside our control (ex. a natural disaster) require a change to our planned route. This is a rare occurrence!

Departure Tax

8 JOD departure tax for all nationalities upon to be paid in cash if departing overland.

Tipping

Tipping (Baksheesh)

Tipping (also widely referred to by its Arabic term as "baksheesh") is a way of life in the Middle East. Locals themselves will usually tip anyone who provides them with services. In many cases, people depend on the tips they receive to supplement the incredibly low salary and wages of the Middle East region.

While on tour in the Middle East, it is customary and even expected to tip small service providers such as restaurant and bar waiters, hotel staff, reception, cleaning personnel, bell boys, taxis and van drivers. Tips are regarded as an essential means of supplementing income for those working in the tourism industry.

In order to make things as easy as possible, and avoid embarrassing situations, G Adventures has developed a tipping Kitty system where your CEO will collect a contribution from everybody on tour and use this kitty to tip anybody who has provided services to the group as a whole. The CEO will keep an accurate account of what was spent and any money left over, will be handed back to the group.

If at any time, you felt that any service provider failed in maintaining or delivering good service, please bring it immediately to the attention of your CEO, so a deduction of tips can take place.

A guideline for tipping is about 3-5 USD per day, depending on the quality of the service (this does not include your G Adventures CEO).

On Day 1 of your tour, your CEO will be able to advise on the amount required from everybody to form the tipping kitty for your trip.

This should be paid to the CEO in day 1 of the tour. You can pay in USD or the equivalent Jordanian Dinar (preferably Jordanian Dinar). The CEO will be able to advise you on the exchange rate and the total required in either currency.

Also at the end of your trip if you felt that your G Adventures CEO did an outstanding job, tipping is also expected and appreciated. The precise amount is entirely a personal preference, however 20-25 USD per person per week can be used as a general guideline.

Health

Please note inoculations may be required for the country visited. It is your responsibility to consult with your travel doctor for up to date medical travel information well before departure.

DRINKING WATER: It is advisable to drink bottled water in Jordan.

There are no specific health requirements for this trip. However, we recommend protection against typhoid, tetanus, infectious hepatitis and polio. You should consult your doctor for up-to-date medical travel information before departure. We recommend that you carry a First Aid kit, hand sanitizers / antibacterial wipes as well as any personal medical requirements. Please be aware that we are in remote areas and away from medical facilities for some time during this trip, and for legal reasons our leaders are prohibited from administering any type of drug including headache tablets, antibiotics, etc.

Safety and Security

Many national governments provide a regularly updated advice service on safety issues involved with international travel. We recommend that you check your government's advice for their latest travel information before departure. We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewellery at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes, which is the most secure way of storing your valuables. A lock is recommended for securing your luggage. When travelling on a group trip, please note that your CEO has the authority to amend or cancel any part of the trip itinerary if it is deemed necessary due to safety concerns. Your CEO will accompany you on all included activities. During your trip you will have some free time to pursue your own interests, relax and take it easy or explore at your leisure. While your CEO will assist you with options available in a given location please note that any optional activities you undertake are not part of your itinerary, and we offer no representations about the safety of the activity or the standard of the operators running them. Please use your own good judgment when selecting an activity in your free time. Although the cities visited on tour are generally safe during the day, there can be risks to wandering throughout any major city at night. It is our recommendation to stay in small groups and to take taxis to and from restaurants, or during night time excursions.

Protests and Demonstrations- Protests and demonstrations, even those that are well intended, have the potential to turn violent with no warning. Counter protests can also turn violent. Action by security forces to disperse demonstrators and protesters may occur at any time. If you are in an area where demonstrators or protesters are gathering, avoid the temptation of staying for a good photo opportunity and leave the area immediately.

Water based activities have an element of danger and excitement built into them. We recommend only participating in water based activities when accompanied by a guide(s). We make every reasonable effort to ensure the fun and adventurous element of any water based activities (in countries with varying degrees of operating standards) have a balanced approach to safety. It is our policy not to allow our CEOs to make arrangements on your behalf for water based activities that are not accompanied by guide(s).

Swimming, including snorkeling, is always at your own risk.

We take all prudent measures in relation to your safety. For ways to further enhance your personal safety while traveling, please visit:

www.gadventures.com/travel-resources/safety/

Trip Specific Safety

Like anywhere in the world, major cities have areas safer than others, use common sense, be aware of your surroundings and mind your personal belongings.

Medical Form

Our small group adventures bring together people of all ages. It is very important you are aware that, as a minimum, an average level of fitness and mobility' is required to undertake our easiest programs. Travellers must be able to walk without the aid of another person, climb 3-4 flights of stairs, step on and off small boats, and carry their own luggage at a minimum. Travellers with a pre-existing medical condition are required to complete a short medical questionnaire, which must be signed by their physician. This is to ensure that travellers have the necessary fitness and mobility to comfortably complete their chosen trip. While our CEOs work hard to ensure that all our travellers are catered for equally, it is not their responsibility to help individuals who cannot complete the day's activities unaided. Please refer to the physical ratings in this Trip Details document for more information.

Please note that all passengers traveling to Antarctica are required to fill out this questionnaire.

The medical questionnaire can be found online at:

www.gadventures.com/medical-form.

A Couple of Rules

Illegal drugs will not be tolerated on any trips. Possessing or using drugs not only contravenes the laws of the land but also puts the rest of the group at risk. Smoking marijuana and opium is a part of local culture in some parts of the world but is not acceptable for our travellers. Our philosophy of travel is one of respect towards everyone we encounter, and in particular the local people who make the world the special place it is. The exploitation of prostitutes is completely contrary to this philosophy. Our CEOs have the right to expel any member of the group if drugs are found in their possession or if they use prostitutes.

Travel Insurance

Travel Insurance: Travel insurance is compulsory in order to participate on any of our trips. When travelling on a group trip, you will not be permitted to join the group until evidence of travel insurance has been sighted by your CEO, who will take note of your insurance details. When selecting a travel insurance policy please bear in mind that all clients must have medical coverage and that we require a minimum coverage of USD 200,000 for repatriation and emergency rescue. We strongly recommend that the policy also covers personal liability, cancellation, curtailment and loss of luggage and personal effects. If you have credit card insurance we require proof of purchase of the trip (a receipt of credit card statement) with a credit card in your name. Contact your bank for details of their participating insurer, the level of coverage and emergency contact telephone number.

Planeterra-The G Adventures Foundation

Through our commitment to responsible tourism we have developed the Planeterra Foundation, a non-profit organization dedicated to making a positive difference in the lives of people and communities around the world through support of international charities, local organizations and community projects in the places that we visit on our tours. G Adventures matches all individual donations and pays all administration costs, which means that 100% of each donation is doubled and goes directly to support our projects. For more information about Planeterra and the projects we support, or to make a donation, please visit www.planeterra.org

Planeterra Dollar-A-Day Program

Our Dollar-A-Day Program provides travellers with the opportunity to help us give back to the people and places visited on our tours by donating one dollar per day for the duration of their tour. 100% of these proceeds will go directly to support our Planeterra projects.

To participate in this program please indicate at the time of booking that you would like to participate in G Adventures' Dollar-A-Day program, either by clicking the check box online, or by advising your G Adventures specialist or travel agent. (Note: Donation will be charged in the currency of your booking)

Local Dress

While visiting mosques and other religious monuments you should dress modestly, cover your shoulders and you shouldn't wear short shorts or skirts. Outside of capital cities and the more touristic centres, local dress is often more conservative and as a matter of

respect we ask that both men and women are aware of this and recommend loose-fitting clothes with your shoulders covered. Ask your CEO for more specific advice.

After your travels, we want to hear from you!
