The information in this trip details document has been compiled with care and is provided in good faith. However it is subject to change, and does not form part of the contract between the client and the operator. The itinerary featured is correct at time of printing. It may differ slightly to the one in the brochure. Occasionally our itineraries change as we make improvements that stem from past travellers, comments and our own research. Is there a travel disclaimer for my itinerary I should review before booking this trip?

While it is our intention to adhere to the route described below, there is a certain amount of flexibility built into the itinerary and on occasion it may be necessary, or desirable to make alterations. The itinerary is brief, as we never know exactly where our journey will take us. Due to our style of travel and the regions we visit, travel can be unpredictable. The Trip Details document is a general guide to the tour and region and any mention of specific destinations or wildlife is by no means a guarantee that they will be visited or encountered. Aboard expedition trips visits to research stations depend on final permission.

Additionally, any travel times listed are approximations only and subject to vary due to local circumstances.

What important notes should I be aware of before the trip?

ARRIVAL DAY
Please note that this tour begins at 7am on day 1. We recommend booking pre-tour accommodation in Marrakech in order to ensure timely arrival to the welcome briefing and the day's activities, if not otherwise completing another G Adventures tour that finishes on the same day.

WEATHER
Please note that the climate in Morocco can be both very hot during the day, and cold at night. Please bring appropriate clothing for the months in which you are travelling and check temperatures before you leave.

RAMADAN
According to the lunar cycle, Ramadan will fall between Mar 11th - Apr 8th 2024, and Mar 1st - Mar 29th 2025. Please note that Ramadan is a month of fasting observed by Muslims throughout the world, during which time the followers of Islam should not eat or drink between sunrise and sunset. There may be some limitations to services and disruptions to schedules during Ramadan, but generally our tours still operate effectively during this period and food is available to non-Muslims throughout the day. It is very important to display increased cultural sensitivity during Ramadan. Please wear loose fitting clothes, that cover knees and shoulders, and try to avoid eating, drinking or smoking in public out of respect for those who can't at that time.

AID AL-ADHA
During your visit to this country, we would like to inform you about an important celebration called Aid Al-Adha. This holiday may impact your travel experience, as most shops and restaurants are closed during the celebration. Some of the historical places we visit might also be closed during this time. There will be a shorter number of staff at the hotels and less crowded streets on the day of the celebration. Aid Al-Adha will fall between Jun. 16th-17th 2024, and Jun. 6th-7th 2025.

What is the role of the group leader during this trip?

This G Adventures group trip is accompanied by one of our group leaders, otherwise known as a Chief Experience Officer (CEO). As the group coordinator and manager, the aim of the CEO is to take the hassle out of your travels and to help you have the best trip possible. You can expect them to have a broad general knowledge of Morocco, including historical, cultural, religious and social aspects. They will also offer suggestions for things to do and to see, recommend great local eating venues and introduce you to our local friends.

We also use certified local city guides where we think more specific knowledge will add to the enjoyment of the places we are visiting - we think it's the best of both worlds.

What is the maximum and typical number of participants on this tour?

Max 14, Avg 4.

What meals are included in this trip?

2 breakfasts, 1 lunch, 2 dinners

What are the meals like on this trip?

Generally meals are not included in the trip price when there is a choice of eating options, to give you the maximum flexibility in deciding where, what and with whom to eat. It also gives you more budgeting flexibility, though generally food is cheap. Our groups tend to eat together to enable you to taste a larger variety of dishes and enjoy each other's company. There is no obligation to do this though. Your CEO will be able to suggest favourite restaurants during your trip. The above information applies to G Adventures group trips. For Independent trips please check the itinerary for details of meals included. For all trips please refer to the meals included and budget information for included meals and meal budgets.

What are the modes of transportation on my trip?

Private vehicle, walking.

Is there an extra cost for travelling solo?

We believe solo travellers should not have to pay more to travel so our group trips are designed for shared accommodation and do not involve a single supplement. Single travellers joining group trips are paired in twin or multi-share accommodation with someone of the same sex for the duration of the trip. Some of our Independent trips are designed differently and solo travellers on these itineraries must pay the single trip price.

Where will we stay during the trip?

Traditional Riad (House with Courtyard) (2 nts).

If I choose to purchase My Own Room, are there any exceptions during the trip?

Please note that if you have booked the "My Own Room" option for this tour, you will receive your own single room for all night stops

What should I expect from the accommodations on this trip?

On this trip you can expect to stay in local hotels or pensions (with the exception of the start and finish hotels, which are often larger city hotels), which will vary a bit in facilities: some may not have elevators, air-conditioning or English-speaking staff, but most importantly all are locally-run, with some traditional character, and in excellent central locations to give you maximum time for exploring the sights.

Please note that Morocco is a developing country and as such the infrastructure is not as reliable as you would expect at home. Expect quirky plumbing and the odd cold shower!

Please be advised that some of the accommodation for this tour will have shared bathroom facilities. Where we use multi-share accommodations, rooming requests of any kind cannot be taken. For private accommodation please see tours in our Classic Travel Style.

What is the joining hotel?

For details of your joining hotel please refer to your tour voucher, G Account, the G Adventures App or contact your travel agent.

What should I do if I can’t find my airport transfer or experience arrival issues?

We don't expect any problems, and nor should you, but if for any reason you are unable to commence your trip as scheduled, please refer to the emergency contact details provided in this dossier and contact us as soon as possible. If you have a pre-booked transfer, and you have not made contact with our representative within 30 minutes of clearing customs and immigration, we recommend that you make your own way to the Starting Point hotel, following the Joining Instructions. Please apply to your travel agent on your return for a refund of the transfer cost if this occurs.

Who do I contact for arrival issues or in the event of an emergency?

Should you need to contact us during a situation of dire need, it is best to first call either the G Adventures Local Representative (if one is listed below) or our G Adventures Local Office. If for any reason you do not receive an immediate answer, please leave a detailed message and contact information, so they may return your call and assist you as soon as possible.

AIRPORT TRANSFER

If you have purchased an arrival through G Adventures or if an arrival transfer is included in the cost of your tour, please note that:

What should I consider when planning my personal expenses and discretionary spending for this itinerary?

Every traveller is different and therefore spending money requirements will vary. Some travellers may drink more than others while other travellers like to purchase more souvenirs than most. Please consider your own spending habits when it comes to allowing for drinks, shopping and tipping. Please also remember the following specific recommendations when planning your trip.

What should I know about currency, credit cards, and exchanging money while on this tour?

The local currency in Morocco is the Moroccan Dirham (MAD).

ATMs are very common in Morocco with Cirrus and Plus system cards are the most widely accepted debit cards. .While ATMs are commonly available, there are no guarantees that your credit or debit cards will actually work - it is important you check with your bank before departure and advisable to travel with more than one type of card.

Visa cards are the most widely accepted credit cards, but are generally only useful for larger/expensive purchases. You should be aware when purchasing products or services on a credit card, that a fee usually applies.

The foreign currency most commonly accepted in Morocco is the Euro. You will be able to exchange Euros, as well as GBP and USD at money exchange offices in major cities.

Do not rely on credit or debit cards as your only source of money. A combination of cash (Euro/GBP or USD) and cards is best.

As currency exchange rates can fluctuate often we ask that you refer to the following website for daily exchange rates: www.xe.com

What emergency funds do I need access to on this trip?

Please also make sure you have access to at least an additional USD $200 (or equivalent) as an 'emergency' fund, to be used when circumstances outside our control (ex. a natural disaster) require a change to our planned route. This is a rare occurrence!

What are the tipping guidelines for this trip?

Morocco has a strong tipping culture - it is customary and even expected to tip small service providers such as restaurant and bar waiters, hotel staff, reception, cleaning personnel, bell boys, taxis and van drivers. Tips are regarded as an essential means of supplementing income for those working in the tourism industry.

Even though this might not be customary to you, nor such common practice in your home country, it is generally expected and of great significance to the people who will be assisting you during your travels.

Depending on your preference and/or that of the group, you may choose to tip individually, organize the tipping with your travelling companions, or, your CEO will offer to collect the tip money at the beginning of your tour and tip as a group with your participation as the tour progresses. A recommendation for tipping small service providers is about $3 USD per day, depending on the quality of the service (this does not include your G Adventures CEO).

Feel free to ask your CEO for the breakdown/distribution of the tips. Note that if you have been very disappointed by a particular service, please inform your CEO right away, and the tip will be adjusted accordingly.

Also, at the end of your trip if you felt your G Adventures CEO did an outstanding job, tipping is also expected and appreciated. The precise amount is entirely a personal preference, however $35-40 USD per person per week can be used as a general guideline.

What activities are optional on this trip?

Marrakech

- Marrakech Hammam Visit
  (500MAD per person)

Are there any health considerations I should know before travelling?

Please note inoculations may be required for the country visited. It is your responsibility to consult with your travel doctor for up to date medical travel information well before departure.

There are no specific health requirements for this trip. However, you should consult your doctor for up-to-date medical travel information before departure. We recommend that you carry a First Aid kit, hand sanitizers / antibacterial wipes as well as any personal medical requirements . Please be aware that we are in remote areas and away from medical facilities for some time during this trip, and for legal reasons our leaders are prohibited from administering any type of drug including headache tablets, antibiotics, etc.

When selecting your trip please carefully read the G Adventures brochure and itinerary and assess your ability to cope with our style of travel. Please contact us at travel@gadventures.com should you require any clarification on what is involved on your itinerary. G Adventures reserves the right to exclude any traveller from all or part of a trip without refund if in the reasonable opinion of our CEO they are unable to complete the itinerary without undue risk to themselves and/ or the rest of the group.

What general safety tips and free-time guidelines should I follow?

Many national governments provide a regularly updated advice service on safety issues involved with international travel. We recommend that you check your government's advice for their latest travel information before departure. We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewelery at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes, which is the most secure way of storing your valuables. A lock is recommended for securing your luggage. When travelling on a group trip, please note that your group leader has the authority to amend or cancel any part of the trip itinerary if it deemed necessary, due to safety concerns. Your Chief Experience Officer (CEO) will accompany you on all included activities. During your trip you will have some free time to pursue your own interests, relax and take it easy and explore at your leisure. While your CEO will assist you with options available in a given location, please note that any optional activities you undertake are not part of your itinerary, and we offer no representations about the safety of the activity or the standard of the operators running them. Please use your own good judgement when selecting an activity in your free time. Although the cities visited on tour are generally safe during the day, there can be risks to wandering throughout any major city at night. It is our recommendation to stay in small groups and to take taxis to and from restaurants, or during night time excursions.

Water based activities have an element of danger and excitement built into them. We recommend only participating in water based activities when accompanied by a guide(s). We make every reasonable effort to ensure the fun and adventurous element of any water based activities (in countries with varying degrees of operating standards), have a balanced approach to safety. It is our policy not to allow our CEOs to make arrangements on your behalf for water based activities that are not accompanied by guide(s).

Swimming, including snorkeling, is always at your own risk. Read more about travel safety for ways to further enhance your personal safety while traveling.

What are the mandatory group rules regarding laws and behaviour?

Illegal drugs will not be tolerated on any trips. Possessing or using drugs not only contravenes the laws of the land but also puts the rest of the group at risk. Smoking marijuana and opium is a part of local culture in some parts of the world but is not acceptable for our travellers. Our philosophy of travel is one of respect towards everyone we encounter and in particular the local people who make the world the special place it is. The exploitation of people in the sex trade is completely contrary to this philosophy. Our CEOs have the right to expel any member of the group if drugs are found in their possession or if they utilize the services of paid sex workers, in any capacity.

What are the mandatory travel insurance requirements for this trip?

Travel insurance is compulsory in order to participate on any of our trips. When travelling on a group trip, you will not be permitted to join the group until evidence of travel insurance has been sighted by your leader, who will take note of your insurance details. When selecting a travel insurance policy we require that at a minimum you are covered for medical expenses including emergency evacuation and repatriation. A minimum coverage of USD200,000 is required. We strongly recommend that the policy also covers personal liability, cancellation, curtailment and loss of luggage and personal effects. Some tours include adventure activities that require extra coverage (e.g. crampon use); please review your itinerary and make sure that you are covered for all included activities. If you have credit card insurance we require proof of purchase of the trip (a receipt of credit card statement) with a credit card in your name. Contact your bank for details of their participating insurer, the level of coverage and emergency contact telephone number.

While visiting mosques and other religious monuments you should dress modestly, cover your shoulders and you shouldn't wear short shorts or skirts.
