The information in this trip details document has been compiled with care and is provided in good faith. However it is subject to change, and does not form part of the contract between the client and the operator. The itinerary featured is correct at time of printing. It may differ slightly to the one in the brochure. Occasionally our itineraries change as we make improvements that stem from past travellers, comments and our own research. VERY IMPORTANT: Please ensure that you view a final copy of your Trip Details a couple of days prior to travel, in case there have been changes that affect your plans.

Is there a travel disclaimer for my itinerary I should review before booking this trip?

While it is our intention to adhere to the route described below, there is a certain amount of flexibility built into the itinerary and on occasion it may be necessary, or desirable to make alterations. The itinerary is brief, as we never know exactly where our journey will take us. Due to our style of travel and the regions we visit, travel can be unpredictable. The Trip Details document is a general guide to the tour and region and any mention of specific destinations or wildlife is by no means a guarantee that they will be visited or encountered. Aboard expedition trips visits to research stations depend on final permission.

Additionally, any travel times listed are approximations only and subject to vary due to local circumstances.

What important notes should I be aware of before the trip?

RAMADAN

According to the lunar cycle, Ramadan will fall between Feb 17th - Mar 19th 2026. Please note that Ramadan is a month of fasting observed by Muslims throughout the world, during which time the followers of Islam should not eat or drink between sunrise and sunset. There may be some limitations to services and disruptions to schedules during Ramadan, but generally our tours still operate effectively during this period and food is available to non-Muslims throughout the day. It is very important to display increased cultural sensitivity during Ramadan. Please wear loose fitting clothes, that cover knees and shoulders, and try to avoid eating, drinking or smoking in public out of respect for those who can't at that time.

TIPPING NOTE:

Tipping is a way of life in the Middle East. Locals themselves will usually tip anyone who provides them with services. Due to this expectation, your CEO will collect a Tipping Kitty at the start of the tour. For more details see the Tipping section below.

What is the group leader like?

All G Adventures group trips are accompanied by one of our Chief Experience Officers (CEO). The aim of the CEO is to take the hassle out of your travels and to help you have the best trip possible. They will provide information on the places you are travelling through, offer suggestions for things to do and see, recommend great local eating venues and introduce you to our local friends. While not being guides in the traditional sense you can expect them to have a broad general knowledge of the countries visited on the trip, including historical, cultural, religious and social aspects.

We also use local guides where we think more specific knowledge will add to the enjoyment of the places we are visiting - we think it's the best of both worlds.

How large will the group be?

Max 16, Avg. 12.

What meals are included in this trip?

7 breakfasts, 4 lunches, 1 dinner

What are the meals like on this trip?

Eating is a big part of traveling. Travelling with G Adventures you experience the vast array of wonderful food that is available out in the world. Generally meals are not included in the trip price when there is a choice of eating options, to give you the maximum flexibility in deciding where, what and with whom to eat. It also gives you more budgeting flexibility, though generally food is cheap. Our groups tend to eat together to enable you to taste a larger variety of dishes and enjoy each other's company. There is no obligation to do this though. Your CEO will be able to suggest favourite restaurants during your trip. The above information applies to G Adventures group trips. For Independent trips please check the itinerary for details of meals included. For all trips please refer to the meals included and budget information for included meals and meal budgets.

What are the modes of transportation on my trip?

Private van/bus, 4x4, bike, hike.

What transportation will we take on this trip?

When not cycling on this trip we will travel by air-conditioned private buses for most of the journeys. En route to Wadi Rum and our desert camp we will travel in 4x4 vehicles.

Is there an extra cost for travelling solo?

We believe solo travellers should not have to pay more to travel so our group trips are designed for shared accommodation and do not involve a single supplement. Single travellers joining group trips are paired in twin or multi-share accommodation with someone of the same sex for the duration of the trip. Some of our Independent trips are designed differently and solo travellers on these itineraries must pay the single trip price.

Where will we stay during the trip?

Hotels (6 nts), Desert Camp (1 nt).

Will I get my own room?

Please note that if you have booked the "My Own Room" option for this tour, you will receive your own single room for all night stops

What kind of accommodation can I expect on this trip?

On this trip you can expect to stay in small local hotels or pensions (with the exception of the start and finish hotels, which are often larger city hotels), which will vary a little in standard and facilities: some may not have elevators, air-conditioning or English-speaking staff, but most importantly all are locally-run and in excellent central locations to give you maximum time for exploring the sights.

What are the joining instructions?

For details of your joining hotel please refer to your tour voucher, G Account, the G Adventures App or contact your travel agent.

If you would like to book an airport Arrival transfer for your tour, please contact our Sales Team or your Travel Agent in advance of travel.

If you have paid in advance for an arrival transfer, a G Adventures representative will be at the airport, outside the arrival hall, to meet you. If for any reason you are not met at the airport, please call our local support line. If you are unable to make contact for whatever reason, please make your way to the joining point hotel via taxi.

Please note that day 1 is an arrival day and no activities have been planned on this day.

Upon arrival to your Joining Hotel (note that check-in time will be in the afternoon), look for a note or bulletin board in the reception with a note from your CEO. This note will give the details of your Welcome Meeting on day 1 (usually between 5pm and 7pm), where you will get a chance to meet your CEO and other travellers, as well as learn more about how the tour will run. If you don't see a note, please ask reception for details!

If you are arriving later and will miss the Welcome Meeting, your CEO will leave a note at reception for you with any information you may need, and with morning instructions for the next day.

What happens if I experience problems when arriving?

We don't expect any problems, and nor should you, but if for any reason you are unable to commence your trip as scheduled, please refer to the emergency contact details provided in this dossier and contact us as soon as possible. If you have a pre-booked transfer, and you have not made contact with our representative within 30 minutes of clearing customs and immigration, we recommend that you make your own way to the Starting Point hotel, following the Joining Instructions. Please apply to your travel agent on your return for a refund of the transfer cost if this occurs.

Who should I contact in case of an emergency?

Should you need to contact us during a situation of dire need, it is best to first call either the G Adventures Local Operator (if one is listed below) or our G Adventures Local Office. If for any reason you do not receive an immediate answer, please leave a detailed message and contact information, so they may return your call and assist you as soon as possible.

AIRPORT TRANSFER

If you have purchased an arrival through G Adventures or if an arrival transfer is included in the cost of your tour, please note that:

Your arrival transfer has been arranged based on flight information provided to us. If you are advised of a flight schedule change or flight cancellation within 48 hours of your scheduled arrival time, please call the emergency contact number to advise of your new arrival flight information. If you do not, we will not be able to rearrange your arrival transfer and you will need to make your own way to the starting hotel at your own expense. What should I consider when planning my personal expenses and discretionary spending for this itinerary?

Every traveller is different and therefore spending money requirements will vary. Some travellers may drink more than others while other travellers like to purchase more souvenirs than most. Please consider your own spending habits when it comes to allowing for drinks, shopping and tipping. Please also remember the following specific recommendations when planning your trip.

What should I know about currency, credit cards, and exchanging money while on this tour?

The currency in Jordan is the Jordanian Dinar (JOD).

ATMs are found within main cities in Jordan and will generally accept cards on the Visa and Mastercard networks. It is a great idea to travel with both a Visa and Mastercard if at all possible as while there is no hard and fast rule, some banks seem to only work with one brand of card. Please note, your bank will charge a fee for overseas withdrawals.

Cash is recommended for times when ATMs are not accessible. Euros, British Pounds and US Dollars are all easy to exchange to the Local currency. Please note that you should bring some cash with you for emergency situations but carrying only cash is a high safety risk. ATM card/s and some cash is the ideal mix.

If you are bringing US Dollars, please make sure that the notes are new and in good condition. Notes older than 1996, or with any tears or blemishes may not be accepted. Be fussy with your bank when buying cash!

As currency exchange rates can fluctuate often we ask that you refer to the following website for daily exchange rates:
www.xe.com

How much emergency money should I bring on this trip?

Please also make sure you have access to at least an additional USD \$200 (or equivalent) as an 'emergency' fund, to be used when circumstances outside our control (ex. a natural disaster) require a change to our planned route. This is a rare occurrence!

Should I be tipping on my trip?

Tipping is a way of life in the Middle East. Locals themselves will usually tip anyone who provides them with services. In many cases, people depend on the tips they receive to supplement the low salary and wages of the Middle East region.

While on tour in the Middle East, it is customary and even expected to tip small service providers such as restaurant and bar waiters, hotel staff, reception, cleaning personnel, bell boys, taxis and van drivers. Tips are regarded as an essential means of supplementing income for those working in the tourism industry.

To make things as easy as possible and avoid embarrassing situations, G Adventures has developed a tipping kitty system where your CEO will collect a contribution from everybody at the start of your tour and use this kitty to tip anybody who has provided services to the group as a whole. On Day 1 of your tour, your CEO will be able to advise on the amount required from everybody to form the tipping kitty for your trip. Please plan approximately \$52 USD per person for the entirety of the tour (this does not include your G Adventures CEO). You can pay in USD or the equivalent local currency (preferably USD). The CEO will be able to advise you on the exchange rate and the total required in either currency.

If at any time you feel that any service provider failed in maintaining or delivering good service, please bring it immediately to the attention of your CEO so a deduction of tips can take place.

At the end of your trip if you felt that your G Adventures CEO did an outstanding job, tipping is also expected and appreciated. The precise amount is entirely a personal preference, however \$11-13 USD per person per day can be used as a general guideline.

Are there any health considerations I should know before travelling?

DRINKING WATER: It is advisable to drink bottled water in Jordan.

Please note inoculations may be required for the country visited. It is your responsibility to consult with your travel doctor for up to date medical travel information well before departure.

There are no specific health requirements for this trip. However, we recommend protection against typhoid, tetanus, infectious hepatitis and polio. You should consult your doctor for up-to-date medical travel information before departure. We recommend that you carry a First Aid kit, hand sanitizers / antibacterial wipes as well as any personal medical requirements. Please be aware that we are in remote areas and away from medical facilities for some time during this trip, and for legal reasons our leaders are prohibited from administering any type of drug including headache tablets, antibiotics, etc.

What do I need to know to about safety and security on my trip?

Many national governments provide a regularly updated advice service on safety issues involved with international travel. We recommend that you check your government's advice for their latest travel information before departure. We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewellery at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes, which is the most secure way of storing your valuables. A lock is recommended for securing your luggage. When travelling on a group trip, please note that your group leader has the authority to amend or cancel any part of the trip itinerary if it deemed necessary, due to safety concerns. Your Chief Experience Officer (CEO) will accompany you on all included activities. During your trip you will have some free time to pursue your own interests, relax and take it easy and explore at your leisure. While your CEO will assist you with options available in a given location, please note that any optional activities you undertake are not part of your itinerary, and we offer no representations about the safety of the activity or the standard of the operators running them. Please use your own good judgement when selecting an activity in your free time. Although the cities visited on tour are generally safe during the day, there can be risks to wandering throughout any major city at night. It is our recommendation to stay in small groups and to take taxis to and from restaurants, or during night time excursions.

Water based activities have an element of danger and excitement built into them. We recommend only participating in water based activities when accompanied by a guide(s). We make every reasonable effort to ensure the fun and adventurous element of any water based activities (in countries with varying degrees of operating standards), have a balanced approach to safety. It is our policy not to allow our CEOs to make arrangements on your behalf for water based activities that are not accompanied by guide(s).

Swimming, including snorkeling, is always at your own risk. [Read more about travel safety](#) for ways to further enhance your personal safety while traveling.

What are the trip specific safety considerations?

What rules should I know before joining this trip?

Illegal drugs will not be tolerated on any trips. Possessing or using drugs not only contravenes the laws of the land but also puts the rest of the group at risk. Smoking marijuana and opium is a part of local culture in some parts of the world but is not acceptable for our travellers. Our philosophy of travel is one of respect towards everyone we encounter and in particular the local people who make the world the special place it is. The exploitation of people in the sex trade is completely contrary to this philosophy. Our CEOs have the right to expel any member of the group if drugs are found in their possession or if they utilize the services of paid sex workers, in any capacity.

Is travel insurance required for my trip?

Travel insurance is compulsory in order to participate on any of our trips. When travelling on a group trip, you will not be permitted to join the group until evidence of travel insurance has been sighted by your leader, who will take note of your insurance details. When selecting a travel insurance policy we require that at a minimum you are covered for medical expenses including emergency evacuation and repatriation. A minimum coverage of USD200,000 is required. We strongly recommend that the policy also covers personal liability, cancellation, curtailment and loss of luggage and personal effects. Some tours include adventure activities that require extra coverage (e.g. crampon use); please review your itinerary and make sure that you are covered for all included activities. If you have credit card insurance we require proof of purchase of the trip (a receipt of credit card statement) with a credit card in your name. Contact your bank for details of their participating insurer, the level of coverage and emergency contact telephone number.

How should I dress to respect local customs during the tour?

While visiting mosques and other religious monuments you should dress modestly, cover your shoulders and you shouldn't wear short shorts or skirts. Outside of capital cities and the more touristic centres, local dress is often more conservative and as a matter of respect we ask that both men and women are aware of this and recommend loose-fitting clothes with your shoulders covered. Ask your CEO for more specific advice.
