Day 1

Cairo/Alexandria

In the morning, travel from Cairo to Alexandria. Visit the Roman theatre of Kom el Dikka, as well as the Montazah Summer Palace. In the evening, opt to head to one of the city's seafood restaurants.

Explore Alexandria with an expert CEO. Its vast history, unique Mediterranean location and distinctly European feel set it apart from other Egyptian cities.

Visit the sights of Kom el Dikka, the only Roman theatre of its kind in Egypt, and the Montzah Summer Palace, known for its peaceful gardens.

Opt to wander the seaside corniche or stop to enjoy a coffee at one of the many European style cafés.

In the evening, opt to head to the bar at the famous Cecil Hotel for a sunset drink.

If you are arriving by flight on Day 1 of the tour, your flight needs to arrive no later than 7am. If you cannot arrive on Day 1 before 7am, we recommend booking pre-night accommodation in Cairo.

Roman Theatre Visit

Alexandria

1h

Visit the Roman theatre at Kom El Dikka, which is thought to have been a place more for public meetings than for performances. The theatre was discovered in 1967 when work was underway to construct a modern building on its site. It is the only Roman theatre in Egypt.

Montazah Summer Palace Visit

Alexandria

2h

Visit the Montazah Summer Palace and its tranquil gardens near the Mediterranean Sea. Khedive Abbas Hilmy (1892-1914) built Montazah as his summer palace, to escape the Cairo heat. Located on a rocky bluff overlooking the sea, it's designed in a mix of Moorish and Florentine style. Now used by Egypt's president and off limits to the public, the surrounding gardens are a great place to wander. By the sea, there is an unusual Victorian-style bridge running out to a small island.

Free Time

Alexandria

Explore this vibrant seaside town.

Meet and Greet Hotel Welcome Meeting

On Day 1 of the tour, a G Adventures representative will meet you at the hotel to go over the details of the tour, providing a schedule, documentation/vouchers, and pick-up times for all included activities. The representative can also answer any questions about the tour or the general area.

Enjoy a full-day of sightseeing, exploring this beautiful city. Wander the fort and citadel of Qaitbay, learn the history behind Pompey's Pillar and who is buried in the underground catacombs. Travel back to Cairo in the late afternoon where the tour ends on arrival.

Set out with your CEO to visit the fort and citadel of Qaitbay. The citadel was built on the spot of the Lighthouse of Alexandria.

Visit Pompey's Pillar and the catacombs of Kom El Shoqafa, built for a single wealthy family. Finally, visit the new Alexandria Library.

In the late afternoon, travel back to Cairo where the tour ends on arrival. Opt to end at the airport for onward travel or at a hotel in the city (overnight not included).

Please ask at time of booking if you would like to organize post-tour accommodation in Cairo. The driver can drop you at the airport or at a hotel in the city. If departing from Cairo on this day, please book onward travel no earlier than 10pm.

Today's Activities

Fort Qaitbay Visit

Alexandria

Enjoy a visit to Fort Qaitbay, once considered one of the most important defensive strongholds along the Mediterranean Sea coast. It was an important part of the fortification system of Alexandria in the 15th century AD.

Located at the entrance of the eastern harbour on the eastern point of Pharos Island, it was erected on the exact site of the famous Lighthouse of Alexandria, one of the Seven Wonders of the Ancient World. In the 14th century there was a destructive earthquake and the whole building was completely destroyed; the fortification you see today was built in its place.

Pompey's Pillar Visit

Alexandria

The name "Pompey's Pillar" is actually a misnomer, as it has nothing to do with Pompey, having been erected in 293 for Emperor Diocletian, possibly in memory of the rebellion of Domitianus.

Catacombs of Kom El Shoqafa Visit

Alexandria

These tombs were tunneled into the bedrock in the age of the Antonine Emperors (2nd century AD) for a single wealthy family still practicing the ancient religion of Egypt. They represent the last existing major construction of the old Egyptian religion.

Alexandria Library Visit

Alexandria

1h

The Ancient Library of Alexandria was probably the largest and certainly the most famous of the libraries of the ancient world. It flourished during Greek rule and functioned as a major centre of scholarship, at least until the time of the Roman conquest of Egypt, and probably for many centuries thereafter. The old library was destroyed in a fire around the 1st century BC. The magnificent new library was opened in 2002 very close to the site of the ancient one.

Where can I read detailed notes about this trip?

REGIONAL INFORMATION

Local Currency: The official unit of currency in Egypt is the Egyptian pound (EGP).

Electricity: Egypt uses 220V, 50Hz and plugs are two-pronged rounded.

Language: Arabic (in Egyptian dialect) is the official language of Egypt.

Climate

The winter months are from October to March and are characterized by cold nights and pleasant days. Summer is from April to September and is characterized by an increasing dry heat and dust. It rains generally only in short bursts in the period from the beginning of November until March.

What should I consider when planning my personal expenses and discretionary spending for this itinerary?

Every traveller is different and therefore spending money requirements will vary. Some travellers may drink more than others while other travellers like to purchase more souvenirs than most. Please consider your own spending habits when it comes to allowing for drinks, shopping and tipping. Please also remember the following specific recommendations when planning your trip.

What should I know about currency, credit cards, and exchanging money while on this tour?

The currency used in Egypt is the Egyptian Pound (EGP).

ATMs are found within main cities in Egypt and will generally accept cards on the Visa and Mastercard networks. It is a great idea to travel with both a Visa and Mastercard if at all possible as while there is no hard and fast rule, some banks seem to only work with one brand of card. Please note, your bank will charge a fee for overseas withdrawals.

Cash is recommended for times when ATMs are not accessible. Euros, British Pounds and US Dollars are all easy to exchange to the Local currency. Please note that you should bring some cash with you for emergency situations but carrying only cash is a high safety risk. ATM card/s and some cash is the ideal mix.

If you are bringing US Dollars, please make sure that the notes are new and in good condition. Notes older than 1996, or with any tears or blemishes may not be accepted. Be fussy with your bank when buying cash!

As currency exchange rates can fluctuate often we ask that you refer to the following website for daily exchange rates:
www.xe.com

How much emergency money should I bring on this trip?

Please also make sure you have access to at least an additional USD \$200 (or equivalent) as an 'emergency' fund, to be used when circumstances outside our control (ex. a natural disaster) require a change to our planned route. This is a rare occurrence!

Do I need to pay a departure tax?

Departure tax is usually included in your air tickets. If you depart Egypt via Nuweiba Port, there is a departure tax of approximately 9 USD.

Should I be tipping on my trip?

Tipping (also widely referred to by its Arabic term as “baksheesh”) is a way of life in the Middle East. Locals themselves will usually tip anyone who provides them with services. In many cases, people depend on the tips they receive to supplement the low salary and wages of the Middle East region.

While on tour in the Middle East, it is customary and even expected to tip small service providers such as restaurant and bar waiters, hotel staff, reception, cleaning personnel, bell boys, taxis and van drivers. Tips are regarded as an essential means of supplementing income for those working in the tourism industry.

A guideline for tipping is about \$5-10 USD per day, depending on the quality of the service. You can pay in USD or the equivalent Egyptian pound (preferably Egyptian pounds).

What activities are optional on this trip?

- No optional activities

Are there any health considerations I should know before travelling?

DRINKING WATER: It is advisable to drink bottled water in Egypt.

Please note inoculations may be required for the country visited. It is your responsibility to consult with your travel doctor for up to date medical travel information well before departure.

There are no specific health requirements for this trip. However, we recommend protection against typhoid, tetanus, infectious hepatitis and polio. Though malaria does exist in Egypt, it is not normally found in the areas where we travel. You should consult your doctor for up-to-date medical travel information before departure. We recommend that you carry a First Aid kit and hand sanitizers / antibacterial wipes, as well as any personal medical requirements. Please be aware that we are in remote areas and away from medical facilities for some time during this trip, and for legal reasons our leaders are prohibited from administering any type of drug including headache tablets, antibiotics, etc.

What do I need to know to about safety and security on my trip?

Many national governments provide a regularly updated advice service on safety issues involved with international travel. We recommend that you check your government's advice for their latest travel information before departure. We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewellery at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes, which is the most secure way of storing your valuables. A lock is recommended for securing your luggage. During your trip you will have some free time to pursue your own interests, relax and take it easy or explore at your leisure. Please use your own good judgment when selecting an activity in your free time. Although the cities visited on tour are generally safe during the day, there can be risks to wandering throughout any major city at night.

Protests and Demonstrations- Protests and demonstrations, even those that are well intended, have the potential to turn violent with no warning. Counter protests can also turn violent. Action by security forces to disperse demonstrators and protesters may occur at any time. If you are in an area where demonstrators or protesters are gathering, avoid the temptation of staying for a good photo opportunity and leave the area immediately.

Water based activities have an element of danger and excitement built into them. We recommend only participating in water based activities when accompanied by a guide(s). We make every reasonable effort to ensure the fun and adventurous element of any water based activities (in countries with varying degrees of operating standards) have a balanced approach to safety. Swimming, including snorkeling, is always at your own risk.

We take all prudent measures in relation to your safety. For ways to further enhance your personal safety while traveling, please visit:

www.gadventures.com/travel-resources/safety/

What are the trip specific safety considerations?

Like anywhere in the world, major cities have areas safer than others, use common sense, be aware of your surroundings and mind your personal belongings.

What rules should I know before joining this trip?

Illegal drugs will not be tolerated on any trips. Possessing or using drugs not only contravenes the laws of the land but also puts the rest of the group at risk. Smoking marijuana and opium is a part of local culture in some parts of the world but is not acceptable for our travellers. Our philosophy of travel is one of respect towards everyone we encounter and in particular the local people who make the world the special place it is. The exploitation of people in the sex trade is completely contrary to this philosophy. Our CEOs have the right to expel any member of the group if drugs are found in their possession or if they utilize the services of paid sex workers, in any capacity.

Is travel insurance required for my trip?

Travel insurance is compulsory in order to participate on any of our trips. When travelling on a group trip, you will not be permitted to join the group until evidence of travel insurance has been sighted by your leader, who will take note of your insurance details. When selecting a travel insurance policy we require that at a minimum you are covered for medical expenses including emergency evacuation and repatriation. A minimum coverage of USD200,000 is required. We strongly recommend that the policy also covers personal liability, cancellation, curtailment and loss of luggage and personal effects. Some tours include adventure activities that require extra coverage (e.g. crampon use); please review your itinerary and make sure that you are covered for all included activities. If you have credit card insurance we require proof of purchase of the trip (a receipt of credit card statement) with a credit card in your name. Contact your bank for details of their participating insurer, the level of coverage and emergency contact telephone number.

How should I dress to respect local customs during the tour?

While visiting mosques and other religious monuments you should dress modestly, cover your shoulders and you shouldn't wear short shorts or skirts. Outside of capital cities and the more touristic centres, local dress is often more conservative and as a matter of respect we ask that both men and women are aware of this and recommend loose-fitting clothes with your shoulders covered. Ask your CEO for more specific advice.
