VERY IMPORTANT: Please ensure that you print a final copy of your Trip Details to review a couple of days prior to travel, in case there have been changes that affect your plans.

Is there a travel disclaimer for my itinerary I should review before booking this trip?

While it is our intention to adhere to the route described below, there is a certain amount of flexibility built into the itinerary and on occasion it may be necessary, or desirable to make alterations. The itinerary is brief, as we never know exactly where our journey will take us. Due to our style of travel and the regions we visit, travel can be unpredictable. The Trip Details document is a general guide to the tour and region and any mention of specific destinations or wildlife is by no means a guarantee that they will be visited or encountered. Aboard expedition trips visits to research stations depend on final permission.

Additionally, any travel times listed are approximations only and subject to vary due to local circumstances.

What important notes should I be aware of before the trip?

1. MACHU PICCHU CIRCUITS

Machu Picchu regulations require all visitors to follow a pre-determined circuit within the site as a way to prevent overcrowding. The circuit-specific entrance tickets are available on a first come, first served basis. At the time of booking, you may select your preferred circuit, subject to availability. If no selection is made, we will book a circuit based on availability at the time of booking. 2. INCA TRAIL REGULATIONS

The rules and regulations controlling the Inca Trail and Machu Picchu are continually changing. Before embarking on your adventure to Peru it is very important that you familiarize yourself with the Inca Trail booking policies and guidelines as described in a document available on our website, at the following URL [address](#).

3. MACHU PICCHU REGULATIONS

Current and correct passport details are required at time of confirmation. For more details please see the following [page](#). Please note that regulations have been implemented for all visitors to Machu Picchu which require that different circuits be followed within the site as a way to relieve crowding. The new circuit-based entrance tickets are available on a first come first serve basis. We will do all that is possible to get everyone traveling in a group on the same route, but be aware that it is possible that members of the same group might be visiting Machu Picchu on a different circuit and not be together during this visit. Rest assured that regardless of the circuit you will enjoy the beauty and grandeur of the site. Travellers completing the 4 day, 3 night Inca Trail will be on Circuit 5 upon reaching the site of Machu Picchu.

4. MACHU PICCHU BY TRAIN - OPTIONAL

Please advise at time of booking if you do not wish to hike the Inca Trail. Instead, you will have 2 nights in Cusco, travel by train for a night in Aguas Calientes, and join the hikers for the tour of Machu Picchu.

5. INCA TRAIL MAINTENANCE

Portions of the Inca Trail will be closed for general maintenance during the month of February each year. Also, closures may occur at various times throughout the year due to inclement weather or other conditions beyond our control. During these periods, any tour affected will hike the Lares Trek.

6. COMBO TRIP

Please note that this tour combines with other G Adventures tours. As such, the staff and some travel companions on your tour may have previously been traveling together with G Adventures, prior to Day 1 of your tour. Likewise, some staff and travel companions may be continuing together on another G Adventures tour, after your trip concludes.

7. PORTERS

In our continued effort to support the rights of the porters on the Inca Trail, we would like ensure that they never exceed the weight limit for their packs as set out by the Peruvian authorities. Porters are allowed to carry no more than 6kg of personal belongings per hiker (for all other Peru treks the limit is 7kg). That means that including your sleeping bag, toiletries, clothing, etc, you are allowed a total weight of 6kg for the hike which will be carried in a duffle bag provided by our local office. Any additional weight must then be carried by you in your day pack. To help achieve this goal we recommend that you carry travel sized toiletries, that you bring sport sandals that can be worn with socks (which are lighter than running/walking shoes) and that you limit electronics to those that you are willing to carry. Any additional baggage can be left in Cusco, but is advised that you bring anything of value (eg. money, passport, credit cards, camera, etc) with you on the trek.

If at the end of your trek you felt your trekking guide and support team did an outstanding job, tipping is appreciated. The amount is entirely a personal preference, please see the Tipping section for guidelines.

8. YELLOW FEVER

It may be required to show a Yellow Fever certificate upon entering the country visited. Please check in with your local health expert for advice on Yellow Fever and other inoculations required for this area.

9. WET SEASON

Please be advised during the wet season (Jan - April) if there are periods of severe rain some of the campsites on the Inca Trail may become unusable. In the interest of your safety, there may be changes made locally to the trekking itinerary if the conditions of the campsites are assessed to be unsafe.

10. GROUP DYNAMICS

Please note, in most cases, the entire group will not be hiking the Inca Trail together. Members of the group may choose to hike the Lares Trek or spend additional time in Cusco and the Sacred Valley instead of hiking. If you have chosen the Lares Trek or Cusco Stay you may be paired with members of other G Adventures groups for the trek, transportation, and activities included.

11. ACCOMMODATION NOTE:

Please be aware that properties we stay in with only two stories may not have elevators installed and climbing the stairs with your luggage will be necessary.

12. Wifi

Please note that there will be no wifi and limited cellular service available for much of the trek.

What is the role of the group leader during this trip?

All G Adventures group trips are accompanied by one of our group leaders, a G Adventures representative, or an expedition team. The aim of the group leader is to take the hassle out of your travels and to help you have the best trip possible. They will provide information on the places you are travelling through, offer suggestions for things to do and see, recommend great local eating venues and introduce you to our local friends. While not being guides in the traditional sense you can expect them to have a broad general knowledge of the countries visited on the trip, including historical, cultural, religious and social aspects. We also use local guides where we think more specific knowledge will add to the enjoyment of the places we are visiting- we think it's the best of both worlds.

How large will the group be?

Max 18, avg 14.

What meals are included in this trip?

15 breakfasts, 5 lunches, 4 dinners

What are the meals like on this trip?

Eating is a big part of traveling. Travelling with G Adventures you experience the vast array of wonderful food that is available out in the world. Generally meals are not included in the trip price when there is a choice of eating options, to give you the maximum flexibility in deciding where, what and with whom to eat. It also gives you more budgeting flexibility, though generally food is cheap. Our groups tend to eat together to enable you to taste a larger variety of dishes and enjoy each other's company. There is no obligation to do this though. Your CEO will be able to suggest favourite restaurants during your trip. On truck trips in Africa, aboard the expedition ship Explorer or our Galapagos yachts, while trekking in remote regions etc. food is included, plentiful and made of fresh local ingredients. The above information applies to G Adventures group trips. For Independent trips please check the itinerary for details of meals included. For all trips please refer to the meals included and budget information for included meals and meal budgets.

What are the modes of transportation on my trip?

Local bus, train, hiking.

Is there an extra cost for travelling solo?

We believe single travellers should not have to pay more to travel so our group trips are designed for shared accommodation and do not involve a single supplement. Single travellers joining group trips are paired in twin or multi-share accommodation with someone of the same sex for the duration of the trip. Some of our Independent trips are designed differently and single travellers on these itineraries must pay the single trip price.

Where will we stay during the trip?

Simple hotels (10 nts), hostel (4 nts, multi-share), overnight buses (2 nts), camping (3 nts), homestay (1 nt).

Do any exceptions apply to Rooming or “My Own Room” on my tour?

Night 2: Huacachina, Night 4: overnight bus, Night 8: overnight bus, Nights 9-10 and 15-16: Cusco, Nights 12-14: Inca Trail, Night 18: Lake Titicaca homestay.

What kind of accommodation can I expect on this trip?

Some nights of accommodation on this tour will be multi-share. This may involve 4-6 group members of the same sex sharing a room. The majority of accommodation will have shared bathroom facilities.

Where we use multi-share accommodation, rooming requests of any kind cannot be taken. For private accommodation please see tours in our Classic Travel Style.

Please note that hot water shortages and power outages can be fairly common in Latin America (even in upgraded hotels and private homes). We appreciate your patience and understanding that these occurrences are outside of our control.

What are the joining instructions?

For details of your joining hotel please refer to your tour voucher, G Account, the G Adventures App or contact your travel agent.

If you would like to book an airport Arrival transfer for your tour, please contact our Sales Team or your Travel Agent in advance of travel.

If you have paid in advance for an arrival transfer, a G Adventures representative will be at the airport to meet you. If for any reason you are not met at the airport, please call our local support line. If you are unable to make contact for whatever reason, please make your way to the joining point hotel via taxi.

Please note that day 1 is an arrival day and no activities have been planned on this day.

Upon arrival to your Joining Hotel (note that check-in time will be in the afternoon), look for a note or bulletin board in the reception with a note from your CEO. This note will give the details of your Welcome Meeting on day 1 (usually between 5pm and 7pm), where you will get a chance to meet your CEO and other travellers, as well as learn more about how the tour will run. If you don't see a note, please ask reception for details!

If you are arriving later and will miss the Welcome Meeting, your CEO will leave a note at reception for you with any information you may need, and with morning instructions for the next day.

What happens if I experience problems when arriving?

We don't expect any problems, and nor should you, but if for any reason you are unable to commence your trip as scheduled, as soon as possible please contact your starting point hotel, requesting that you speak to or leave a message for your CEO (if you are not on a group tour please refer to the emergency contact details provided in this dossier). If you are unable to get in touch with your leader, please refer to our emergency contact details. If you have pre-booked an airport transfer and have not made contact with our representative within 30 minutes of clearing customs and immigration, we recommend that you make your own way to the Starting Point hotel, following the Joining Instructions. Please apply to your travel agent on your return for a refund of the transfer cost if this occurs.

Who should I contact in case of an emergency?

Should you need to contact us during a situation of dire need, it is best to first call either the G Adventures Local Representative (if one is listed below) or our G Adventures Local Office. If for any reason you do not receive an immediate answer, please leave a detailed message and contact information, so they may return your call and assist you as soon as possible.

AIRPORT TRANSFER

If you have purchased an arrival through G Adventures or if an arrival transfer is included in the cost of your tour, please note that:

Your arrival transfer has been arranged based on flight information provided to us. If you are advised of a flight schedule change or flight cancellation within 48 hours of your scheduled arrival time, please call the emergency contact number to advise of your new arrival flight information. If you do not, we will not be able to rearrange your arrival transfer and you will need to make your own way to the starting hotel at your own expense. If your arrival transfer does not arrive within 30 minutes after you have exited the arrivals area please take a taxi to your start point hotel.

Are there any additional packing suggestions I should consider?

Most people automatically assume that the weather is hot in South America, but because of the higher altitude in the Andes, the temperature can feel quite cold, especially at night. We recommend using a backpack for your convenience, or a medium-sized suitcase if you prefer. A daypack is also essential for carrying everyday items. Space is limited on transportation, so there is a limit of one main piece of luggage per person. You will be responsible for carrying your own luggage.

When can I do my laundry on this trip?

Laundry facilities are offered by some of our hotels for a charge. There will be times when you may want to or have to do your own laundry so we suggest you bring non-polluting/biodegradable soap.

What are the visas and entry requirements for my trip?

All countries require a valid passport (with a minimum 6 months validity). Contact your local embassy or consulate for the most up-to-date visa requirements, or see your travel agent. It is your own responsibility to have the correct travel documentation. Visa requirements for your trip will vary depending on where you are from and where you are going. We keep the following information up to date as far as possible, but rules do change and sometimes without warning. While we provide the following information in good faith, it is vital that you check the information yourself and understand that you are fully responsible for your own visa requirements.

Visa information specific to your destination and nationality can be found in our Important Pre-Departure Information page [here](#)

Please note when applying for your Bolivian e-visa, you must choose "CEBAF" as your entry point.

What should I consider when planning my personal expenses and discretionary spending for this itinerary?

Every traveller is different and therefore spending money requirements will vary. Some travellers may drink more than others while other travellers like to purchase more souvenirs than most. Please consider your own spending habits when it comes to allowing for drinks, shopping and tipping. Please also remember the following specific recommendations when planning your trip.

What should I know about currency, credit cards, and exchanging money while on this tour?

The currency in Peru is the Nuevo Sol (PEN), and in Bolivia, the Boliviano (BOB).

Credit cards and debit cards are very useful for cash advances. Visa cards are the most widely accepted cards. While ATMs are widely available, there are no guarantees that your credit or debit cards will actually work in Latin America. Check with your bank.

You should be aware that to purchase products or services on a credit card a fee of 5%-10% usually applies.

Do not rely on credit or debit cards as your only source of money, a combination of US dollar cash and cards is best. Always take more rather than less, as you don't want to spoil the trip by constantly feeling short of funds.

We do not recommend bringing travellers cheques as they are very difficult to change in country.

CURRENCY EXCHANGE TIP: Please be advised that slightly torn notes, notes that have been heavily marked or are faded may be difficult to exchange. It is best to bring notes in fairly good condition, in denominations lower than 100USD (or equivalent).

As currency exchange rates can fluctuate often we ask that you refer to the following website for daily exchange rates:
www.xe.com

How much emergency money should I bring on this trip?

Please also make sure you have access to at least an additional USD \$200 (or equivalent) as an 'emergency' fund, to be used when circumstances outside our control (ex. a natural disaster) require a change to our planned route. This is a rare occurrence!

Do I need to pay a departure tax?

USD \$28

Should I be tipping on my trip?

It is customary in Latin America to tip service providers such as waiters, at approximately 10%, depending on the service. Tipping is an expected - though not compulsory - component of your tour program and an expression of satisfaction with the persons who have assisted you on your tour. Although it may not be customary to you, it is of considerable significance to the people who will take care of you during your travels. There are several times during the trip where there is opportunity to tip the local guides or drivers we use. Recommendations for tipping drivers and local guides would range from \$5-10 USD per day depending on the quality and length of the service; ask your CEO for specific recommendations based on the circumstances and culture.

If at the end of your trek you felt your trekking guide and support team did an outstanding job, tipping is appreciated. The amount is entirely a personal preference, however as a guideline, we suggest each hiker contributes the following to a collective pool.

Inca Trail:

Head guide: 15-30 USD

Assistant guide: 10-20 USD

Your trekking crew: 40 USD

Lares Trek:

Head guide: 15-30 USD

Assistant guide: 5-15 USD

Your trekking crew: 35 USD

Also at the end of each trip if you felt your G Adventures CEO did an outstanding job, tipping is appreciated. The amount is entirely a personal preference, however as a guideline \$20-25 USD per person, per week can be used.

Are there any health considerations I should know before travelling?

Please note inoculations may be required for the country visited. It is your responsibility to consult with your travel doctor for up to date medical travel information well before departure.

You should consult your doctor for up-to-date medical travel information well before departure. We recommend that you carry a First Aid kit and hand sanitizers / antibacterial wipes as well as any personal medical requirements. Please be aware that quite often we are in remote areas and away from medical facilities, and for legal reasons our leaders are prohibited from administering any type of drug including headache tablets, antibiotics, etc. When selecting your trip please carefully read the brochure and itinerary and assess your ability to cope with our style of travel. Please refer to the Physical and Culture Shock ratings for trip specific information. G Adventures reserves the right to exclude any traveller from all or part of a trip without refund if in the reasonable opinion of our CEO they are unable to complete the itinerary without undue risk to themselves and/or the rest of the group.

Please note your Adventure travels to high altitude. This is medically defined as anything over 8,000 feet (2,440 meters). Most people can travel to 8,000 feet with minimal effects. However, everyone reacts to altitude differently and altitude sickness can on set with some people irrespective of fitness and age. For details on how to best prepare and what to do in the unlikely event you are effected on your Adventure, please consult your physician.

What do I need to know to about safety and security on my trip?

Many national governments provide a regularly updated advice service on safety issues involved with international travel. We recommend that you check your government's advice for their latest travel information before departure. We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewellery at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes, which is the most secure way of storing your valuables. A lock is recommended for securing your luggage. When travelling on a group trip, please note that your CEO has the authority to amend or cancel any part of the trip itinerary if it is deemed necessary due to safety concerns. Your CEO will accompany you on all included activities. During your trip you will have some free time to pursue your own interests, relax and take it easy or explore at your leisure. While your CEO will assist you with options available in a given location please note that any optional activities you undertake are not part of your itinerary, and we offer no representations about the safety of the activity or the standard of the operators running them. Please use your own good judgment when selecting an activity in your free time. Although the cities visited on tour are generally safe during the day, there can be risks to wandering throughout any major city at night. It is our recommendation to stay in small groups and to take taxis to and from restaurants, or during night time excursions.

Protests and Demonstrations- Protests and demonstrations, even those that are well intended, have the potential to turn violent with no warning. Counter protests can also turn violent. Action by security forces to disperse demonstrators and protesters may occur at any time. If you are in an area where demonstrators or protesters are gathering, avoid the temptation of staying for a good photo opportunity and leave the area immediately.

Water based activities have an element of danger and excitement built into them. We recommend only participating in water based activities when accompanied by a guide(s). We make every reasonable effort to ensure the fun and adventurous element of any water based activities (in countries with varying degrees of operating standards) have a balanced approach to safety. It is our policy not to allow our CEOs to make arrangements on your behalf for water based activities that are not accompanied by guide(s).

Swimming, including snorkeling, is always at your own risk.

We take all prudent measures in relation to your safety. For ways to further enhance your personal safety while traveling, please visit:

www.gadventures.com/travel-resources/safety/

What are the trip specific safety considerations?

Care should be taken when wandering around on your own in central Lima as, some areas can be dangerous and pickpockets are daring.

What rules should I know before joining this trip?

Illegal drugs will not be tolerated on any trips. Possessing or using drugs not only contravenes the laws of the land but also puts the rest of the group at risk. Smoking marijuana and opium is a part of local culture in some parts of the world but is not acceptable for our travellers. Our philosophy of travel is one of respect towards everyone we encounter, and in particular the local people who make the world the special place it is. The exploitation of prostitutes is completely contrary to this philosophy. Our CEOs have the right to expel any member of the group if drugs are found in their possession or if they use prostitutes.

Is travel insurance required for my trip?

Travel Insurance: Travel insurance is compulsory in order to participate on any of our trips. When travelling on a group trip, you will not be permitted to join the group until evidence of travel insurance has been sighted by your CEO, who will take note of your insurance details. When selecting a travel insurance policy please bear in mind that all clients must have medical coverage and that we require a minimum coverage of USD 200,000 for repatriation and emergency rescue. We strongly recommend that the policy also covers personal liability, cancellation, curtailment and loss of luggage and personal effects. If you have credit card insurance we require proof of purchase of the trip (a receipt of credit card statement) with a credit card in your name. Contact your bank for details of their participating insurer, the level of coverage and emergency contact telephone number.
