Flores: In search of the world's largest lizard

Imagine a lizard so big they call it a dragon. What sounds like a legend is actually real, endemic to Komodo National Park. The Komodo dragon is of course not an actual dragon, but as the biggest and heaviest lizard in the world, this great reptile has quite the global reputation. This large beast can only be found on five tiny islands in the center of the Indonesian Archipelago, with only about 3500 remaining in the wild. Over the next few days, take the unique opportunity to explore some of the tropical islands where these rare, endangered lizards live.

Leave the lakeside mountains of Munduk this morning and drive back to Denpasar Airport. A trip back toward the city is deserving of a stop in one of Bali's most famous temples, Taman Ayun. With dark pagodas that stand out against a bright green forest backdrop, this is the perfect stop off before arriving to the airport. An afternoon flight brings us to the island of Flores. We'll meet our private transfer at the airport and they'll bring us to our hotel for a restful evening before our Komodo adventure begins!

Sibetan Village: The Legacy of the Snake Fruit

When the active volcano Gunung Agung erupted in 1963, the farms and rice paddies of Sibetan Village were all but covered in ash and magma. Only one plant seemed to survive the tragedy, the Salak Palm and its sweet snake fruit. The villagers collected the Salak seeds and have since discovered 14 different species of snake fruit, 10 of which are considered extremely rare. On a bicycle tour through this village, have a chance to try the unique snake fruit and maybe even their snake fruit wine.

VERY IMPORTANT: Please ensure that you view a final copy of your Trip Details a couple of days prior to travel, in case there have been changes that affect your plans.

Is there a travel disclaimer for my itinerary I should review before booking this trip?

While it is our intention to adhere to the route described below, there is a certain amount of flexibility built into the itinerary and on occasion it may be necessary, or desirable to make alterations. The itinerary is brief, as we never know exactly where our journey will take us. Due to our style of travel and the regions we visit, travel can be unpredictable. The Trip Details document is a general guide to the tour and region and any mention of specific destinations or wildlife is by no means a guarantee that they will be visited or encountered. Aboard expedition trips visits to research stations depend on final permission.

Additionally, any travel times listed are approximations only and subject to vary due to local circumstances.

What important notes should I be aware of before the trip?

LUGGAGE

There may be a weight restriction on luggage for the internal flight on this tour. Each passenger is allowed to carry one checked bag with a maximum weight of 20kg (44lbs). Additional bags or excess weight charges may apply. These charges are the responsibility of the passengers.

What is the role of the group leader during this trip?

All G Adventures group trips are accompanied by one of our Chief Experience Officers (CEO). The aim of the CEO is to take the hassle out of your travels and to help you have the best trip possible. They will provide information on the places you are travelling through, offer suggestions for things to do and see, recommend great local eating venues and introduce you to our local friends. While not being guides in the traditional sense you can expect them to have a broad general knowledge of the countries visited on the trip, including historical, cultural, religious and social aspects. We also use local guides where we think more specific knowledge will add to the enjoyment of the places we are visiting- we think it's the best of both worlds.

How large will the group be?

Max 16, avg 14

What meals are included in this trip?

11 breakfasts, 5 lunches, 3 dinners

What are the modes of transportation on my trip?

Is there an extra cost for travelling solo?

We believe solo travellers should not have to pay more to travel so our group trips are designed for shared accommodation and do not involve a single supplement. Single travellers joining group trips are paired in twin or multi-share accommodation with someone of the same sex for the duration of the trip. Some of our Independent trips are designed differently and solo travellers on these itineraries must pay the single trip price.

Where will we stay during the trip?

Are there any additional packing suggestions I should consider?

What you need to bring depends on the trip you have chosen and the countries or regions you are planning to visit. We suggest that you pack as lightly as possible as you are expected to carry your own luggage. As a rule we try not to have to walk more than 15-20 minutes with your bags which is why we recommend keeping the weight of your bags between 10-15kg/22-30lb. Suitcases are not recommended for G Adventures trips! Most travellers carry a backpack or rolling bag of small to medium size (no XXL ones please!) as they need to fit with you in buses or on trains. You will also need a day pack/bag to carry water, cameras and other electronics like ipods and mobile phones. If your trip involves overnights in homestays, villages or camping then you usually have the opportunity to rent sleeping bags if need be instead of bringing them with you.

Bali:

Effective February 14, 2024, Bali will implement the “Bali Tourist Levy” for all foreign tourists traveling to the island. This fee is 150,000 IDR (or \$10 USD). Travellers can opt to pay this fee online or in person upon arrival to Bali. We strongly suggest every traveler pay before arrival to ease your entry and avoid queueing to pay upon arrival. The Balinese Government also highly recommends travellers to pay this fee before arrival to Bali.

Payments made before your arrival into Bali will take place through the “Love Bali System.” After successful payment, the system will provide you with a digital paid notification as proof. Make sure to hold on to that proof as it will be scanned by Bali Officials upon arrival to the island. Pay Tourist Levy [here](#)

If you do not pay the fee before arrival, a cashless payment must be made at your entry point. You will receive a printout proving your payment. This document must be kept safe as entry officials will scan the printout upon entering Bali.

Information is accurate as of April 1st, 2024.

What should I consider when planning my personal expenses and discretionary spending for this itinerary?

Every traveller is different and therefore spending money requirements will vary. Some travellers may drink more than others while other travellers like to purchase more souvenirs than most. Please consider your own spending habits when it comes to allowing for drinks, shopping and tipping. Please also remember the following specific recommendations when planning your trip.

What should I know about currency, credit cards, and exchanging money while on this tour?

During this tour the local currency you will use is the Indonesian Rupiah. As currency exchange rates in South East Asia do fluctuate, we ask that you refer to the following website for the most up to date daily exchange rates: www.xe.com for each of the above mentioned currencies. The best way to carry your money is in debit cards, withdrawing cash in local currencies from ATM machines. ATMs are found throughout South East Asia and will generally accept cards on the Visa and Mastercard networks. It is a great idea to travel with both a Visa and Mastercard if at all possible in case of loss or problems with one card, you will have a back up. Please note, your bank will charge a fee for overseas withdrawals.

How much emergency money should I bring on this trip?

Please also make sure you have access to at least an additional USD \$200 (or equivalent) as an 'emergency' fund, to be used when circumstances outside our control (ex. a natural disaster) require a change to our planned route. This is a rare occurrence!

Should I be tipping on my trip?

It is customary in Asia to tip service providers such as waiters, at approximately 10%, depending on the service. Tipping is expected - though not compulsory - and shows an expression of satisfaction with the people who have assisted you on your tour. Although it may not be customary to you, it is of considerable significance to the people who will take care of you during your travels. There are several times during the trip where there is opportunity to tip the local guides or drivers we use. You may do this individually, or your CEO will offer to collect the money and tip as a group.

Recommendations for tipping drivers and local guides would range from \$1.5-\$3.5 USD per person per day depending on the quality and length of the service; ask your CEO for specific recommendations based on the circumstances and culture. Also at the end of each trip if you felt your G Adventures CEO did an outstanding job, tipping is appreciated. The amount is entirely a personal preference, however as a guideline \$20-25 USD per person, per week can be used.

What activities are optional on this trip?

Ubud

- Monkey Forest Visit
(100000-120000IDR per person)
- Ubud Market
- Ubud Palace Visit

What do I need to know to about safety and security on my trip?

Many national governments provide a regularly updated advice service on safety issues involved with international travel. We recommend that you check your government's advice for their latest travel information before departure. We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewellery at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes, which is the most secure way of storing your valuables. A lock is recommended for securing your luggage. When travelling on a group trip, please note that your group leader has the authority to amend or cancel any part of the trip itinerary if it deemed necessary, due to safety concerns. Your Chief Experience Officer (CEO) will accompany you on all included activities. During your trip you will have some free time to pursue your own interests, relax and take it easy and explore at your leisure. While your CEO will assist you with options available in a given location, please note that any optional activities you undertake are not part of your itinerary, and we offer no representations about the safety of the activity or the standard of the operators running them. Please use your own good judgement when selecting an activity in your free time. Although the cities visited on tour are generally safe during the day, there can be risks to wandering throughout any major city at night. It is our recommendation to stay in small groups and to take taxis to and from restaurants, or during night time excursions.

Water based activities have an element of danger and excitement built into them. We recommend only participating in water based activities when accompanied by a guide(s). We make every reasonable effort to ensure the fun and adventurous element of any water based activities (in countries with varying degrees of operating standards), have a balanced approach to safety. It is our policy not to allow our CEOs to make arrangements on your behalf for water based activities that are not accompanied by guide(s).

Swimming, including snorkeling, is always at your own risk. [Read more about travel safety](#) for ways to further enhance your personal safety while traveling.

What rules should I know before joining this trip?

Illegal drugs will not be tolerated on any trips. Possessing or using drugs not only contravenes the laws of the land but also puts the rest of the group at risk. Smoking marijuana and opium is a part of local culture in some parts of the world but is not acceptable for our travellers. Our philosophy of travel is one of respect towards everyone we encounter and in particular the local people who make the world the special place it is. The exploitation of people in the sex trade is completely contrary to this philosophy. Our CEOs have the right to expel any member of the group if drugs are found in their possession or if they utilize the services of paid sex workers, in any capacity.

Is travel insurance required for my trip?

Travel insurance is compulsory in order to participate on any of our trips. When travelling on a group trip, you will not be permitted to join the group until evidence of travel insurance has been sighted by your leader, who will take note of your insurance details. When selecting a travel insurance policy we require that at a minimum you are covered for medical expenses including emergency evacuation and repatriation. A minimum coverage of USD200,000 is required. We strongly recommend that the policy also covers personal liability, cancellation, curtailment and loss of luggage and personal effects. Some tours include adventure activities that require extra coverage (e.g. crampon use); please review your itinerary and make sure that you are covered for all included activities. If you have credit card insurance we require proof of purchase of the trip (a receipt of credit card statement) with a credit card in your name. Contact your bank for details of their participating insurer, the level of coverage and emergency contact telephone number.

How should I dress to respect local customs during the tour?

In Asia the dress standard is more conservative than it is back home. When packing try to pick loose, lightweight, long clothing that will keep you cool in the usually hot and humid climate of Asian summers. In predominately Buddhist, Hindu and Muslim countries we ask that you dress respectfully and avoid very short shorts/skirts and singlets/tanktops when visiting temples or mosques or other holy sites. In Pakistan we recommend a head scarf for women while walking around.
