Is there a disclaimer I should read before booking this trip?

The information in this trip details document has been compiled with care and is provided in good faith. However it is subject to change, and does not form part of the contract between the client and the operator. The itinerary featured is correct at time of printing. It may differ slightly to the one in the brochure. Occasionally our itineraries change as we make improvements that stem from past travellers, comments and our own research. Sometimes it can be a small change like adding an extra meal along the itinerary. Sometimes the change may result in us altering the tour for the coming year. Ultimately, our goal is to provide you with the most rewarding experience. Please note that our brochure is usually released in November each year. If you have booked from the previous brochure you may find there have been some changes to the itinerary.

VERY IMPORTANT: Please ensure that you view a final copy of your Trip Details a couple of days prior to travel, in case there have been changes that affect your plans.

Is there a travel disclaimer for my itinerary I should review before booking this trip?

While it is our intention to adhere to the route described below, there is a certain amount of flexibility built into the itinerary and on occasion it may be necessary, or desirable to make alterations. The itinerary is brief, as we never know exactly where our journey will take us. Due to our style of travel and the regions we visit, travel can be unpredictable. The Trip Details document is a general guide to the tour and region and any mention of specific destinations or wildlife is by no means a guarantee that they will be visited or encountered. Aboard expedition trips visits to research stations depend on final permission.

Additionally, any travel times listed are approximations only and subject to vary due to local circumstances.

What important notes should I be aware of before the trip?

1. ACCOMMODATION NOTE:

Please be aware that properties we stay in with only two stories may not have elevators installed and climbing the stairs with your luggage will be necessary.

2. OPTIONAL ACTIVITIES NOTE:

During high season in Europe (May-October) we highly recommend booking reservations for any popular optional activities/museum tickets etc. in advance to avoid encountering sold-out activities on the ground while on tour.

What is the group leader like?

This G Adventures group trip is accompanied by one of our Chief Experience Officers (CEOs). The aim of the CEO is to take the hassle out of your travels and to help you have the best trip possible. They will provide information on the places you are travelling through, offer suggestions for things to do and see, recommend great local eating venues and introduce you to our local friends. While not being guides in the traditional sense you can expect them to have a broad general knowledge of the countries visited on the trip, including historical, cultural, religious and social aspects. We also use local guides where we think more specific knowledge will add to the enjoyment of the places we are visiting - we think it's the best of both worlds.

How large will the group be?

Max 16, avg 12.

What meals are included in this trip?

12 breakfasts, 1 lunch, 3 dinners

What are the meals like on this trip?

Eating is a big part of traveling. G Adventures understands the importance of breakfast to start your day, we strive to include a basic breakfast wherever possible. A typical breakfast may include toast, coffee and tea, however this may vary depending on the city. Should breakfast not be included, your CEO can suggest some local options.

Travelling with G Adventures you experience the vast array of wonderful food that is available out in the world. Generally meals are not included in the trip price when there is a choice of eating options, to give you the maximum flexibility in deciding where, what and with whom to eat. It also gives you more budgeting flexibility, though generally food is cheap. Our groups tend to eat together to enable you to taste a larger variety of dishes and enjoy each other's company. There is no obligation to do this though. Your CEO will be able to suggest favourite restaurants during your trip.

For all trips please refer to the meals included and budget information for included meals and meal budgets.

What are the modes of transportation on my trip?

Ferry, public bus, walking, bike, private vehicle.

Are local flights included in the cost of the trip?

All local flights are included in the cost of your tour unless otherwise noted. It is important that we have your passport information at the time of booking in order to process these tickets. Internal flight tickets are issued locally and will be given to you prior to the flight departure.

Is there an extra cost for travelling solo?

We believe single travellers should not have to pay more to travel so our group trips are designed for shared accommodation and do not involve a single supplement. Single travellers joining group trips are paired in twin or multi-share accommodation with someone of the same sex for the duration of the trip. Some of our Independent trips are designed differently and single travellers on these itineraries must pay the single trip price.

Where will we stay during the trip?

Hotels (9 nts), farm stay (3 nts).

Will I get my own room?

Please note that if you have booked the "My Own Room" option for this tour, you will receive your own single room for all night stops.

Please be aware that single room accommodations in European hotels are often smaller, and may not be to the same service level as double-occupancy rooms.

What kind of accommodation can I expect on this trip?

On this trip you can expect to stay in small family-run hotels or pensions (with the exception of the start and finish hotels, which are often larger city hotels), which will vary a little in standard and facilities: some may not have elevators, air-conditioning or English-speaking staff, but most importantly all are locally-run, with some traditional character, and in excellent central locations to give you maximum time for exploring the sights. You can expect to find clean, safe, simple accommodation in convenient locations.

Note that most accommodation in Europe does not have air conditioning units in rooms. Air conditioning is not routinely installed in European homes and workplaces. However, nearly all hotels will provide a standing or desk fan for your room on hot nights. If you do not already have one in your room, please ask your CEO to organize one for you with reception.

What are the joining instructions?

For details of your joining hotel please refer to your tour voucher, G Account, the G Adventures App or contact your travel agent.

From Vilnius airport (VNO), you can reach the city centre in a few ways. Bus 88 will take you to the city centre and Old Town area, while busses 1 and 2 will take you to the main central station, which is only a 10-minute walk away from the Old Town. Alternatively, you can catch a train from the airport to Vilnius' central station.

Please note that day 1 is an arrival day and no activities have been planned on this day.

Upon arrival to your Joining Hotel (note that check-in time will be in the afternoon), look for a note or bulletin board in the reception with a note from your CEO. This note will give the details of your Welcome Meeting on day 1 (usually between 5pm and 7pm), where you will get a chance to meet your CEO and other travellers, as well as learn more about how the tour will run. If you don't see a note, please ask reception for details!

If you are arriving later and will miss the Welcome Meeting, your CEO will leave a note at reception for you with any information you may need, and with morning instructions for the next day.

What happens if I experience problems when arriving?

We don't expect any problems, and nor should you, but if for any reason you are unable to commence your trip as scheduled, as soon as possible please contact your starting point hotel, requesting that you speak to or leave a message for your CEO (if you are not on a group tour please refer to the emergency contact details provided in this dossier). If you are unable to get in touch with your leader, please refer to our emergency contact details.

Who should I contact in case of an emergency?

Should you need to contact us during a situation of dire need, it is best to first call our G Adventures Local Office. If for any reason you do not receive an immediate answer, please leave a detailed message and contact information, so they may return your call and assist you as soon as possible.

Visa information specific to your destination and nationality can be found in our Important Pre-Departure Information page [here](#)

For other nationalities, travelling in Europe has been simplified with the introduction of the Schengen visa. As a visitor to the Schengen area (Austria, Germany, Netherlands, Belgium, Greece, Norway, Denmark, Iceland, Portugal, Finland, Italy, Spain, France, Luxembourg, Sweden, Czech Republic, Hungary, Estonia, Latvia, Lithuania, Malta, Poland, Slovakia, Slovenia and Switzerland) you will enjoy the many advantages of this unified visa system. Generally speaking with a Schengen visa, you may enter one Schengen country and travel freely throughout the Schengen region during the validity of your visa. There are limited border controls at Schengen borders, if any at all.

Please note that the UK and Ireland are NOT part of the Schengen agreement.

A Schengen visa is applied for at the Embassy or Consulate of the Schengen country in which you will be spending the most nights on your trip to the Schengen space. If you are only visiting one country on your trip then you apply for your visa at the Consulate of this Schengen country.

As of 2025, various European countries are introducing ETIAS travel authorisation as an entry requirement for visa-exempt nationals.

We highly recommend you checking in advance how your nationality and country/s you are visiting may be affected. Further details can be found [here](#)

What should I consider when planning my personal expenses and discretionary spending for this itinerary?

Every traveller is different and therefore spending money requirements will vary. Some travellers may drink more than others while other travellers like to purchase more souvenirs than most. Please consider your own spending habits when it comes to allowing for drinks, shopping and tipping. Please also remember the following specific recommendations when planning your trip.

What should I know about currency, credit cards, and exchanging money while on this tour?

Credit cards and debit cards are very useful - remember to bring your PIN number (be aware that many ATM machines only accept 4-digit PINs). Both Cirrus and Plus system cards are the most widely accepted debit cards. Visa cards are the most widely accepted credit cards. While ATMs are commonly available, there are no guarantees that your credit or debit cards will actually work. You should be aware when purchasing products or services on a credit card, that a fee usually applies.

Do not rely on credit or debit cards as your only source of money. A combination of Euros and one or two cards is best. Avoid relying on traveller's cheques as these are less and less readily cashed as clients use them very little, though bring one or two may be worthwhile in case of emergencies. If you bring USD or EUR, please ensure they are new bills, with no rips or tears. Money exchanges are very particular about which bills they will accept, so when purchasing USD or EUR before your trip, please specify you need new, crisp bills.

Always take more rather than less, as you don't want to spoil the trip by constantly feeling short of funds.

Please note that in all countries visited, you will need local currency.

As currency exchange rates can fluctuate often we ask that you refer to the following website for daily exchange rates:
www.xe.com

How much emergency money should I bring on this trip?

Please also make sure you have access to at least an additional USD \$200 (or equivalent) as an 'emergency' fund, to be used when circumstances outside our control (ex. a natural disaster) require a change to our planned route. This is a rare occurrence!

Do I need to pay a departure tax?

All departure taxes should be included in your international flight ticket.

Should I be tipping on my trip?

While conventions can vary from country to country, tipping is customary in Europe. A general rule is 10% of the bill for wait staff, and a smaller amount (€1 or €2) for other service providers.

Tipping is an expected - though not compulsory - component of your tour program, and an expression of satisfaction with the persons who have assisted you on your tour. Although it may not be customary to you, it is of considerable significance to the people who will take care of you during your travels. There are several times during the trip where there is opportunity to tip the local guides. You may do this individually, or your CEO will offer to collect the money and tip as a group. Recommendations for tipping local guides would range from €3-5 per day, depending on the quality and length of the service; ask your CEO for specific recommendations based on the circumstances and culture.

At the end of each trip, if you felt your G Adventures CEO did an outstanding job, tipping is expected and appreciated. The precise amount is a personal preference, however €6-8 per person, per day can be used as a guideline.

Are there any health considerations I should know before travelling?

Please note inoculations may be required for the country visited. It is your responsibility to consult with your travel doctor for up to date medical travel information well before departure.

There are no specific health requirements for this trip. However, you should consult your doctor for up-to-date medical travel information about before departure. We recommend that you carry a First Aid kit and hand sanitizers / antibacterial wipes as well as any personal medical requirements. Please be aware that we are in remote areas and away from medical facilities for some time during this trip, and for legal reasons our leaders are prohibited from administering any type of drug including headache tablets, antibiotics, etc.

What do I need to know to about safety and security on my trip?

Many national governments provide a regularly updated advice service on safety issues involved with international travel. We recommend that you check your government's advice for their latest travel information before departure. We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewellery at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes, which is the most secure way of storing your valuables. A lock is recommended for securing your luggage. When travelling on a group trip, please note that your CEO has the authority to amend or cancel any part of the trip itinerary if it is deemed necessary due to safety concerns. Your leader will accompany you on all included activities. During your trip you will have some free time to pursue your own interests, relax and take it easy or explore at your leisure. While your CEO will assist you with options available in a given location please note that any optional activities you undertake are not part of your itinerary, and we offer no representations about the safety of the activity or the standard of the operators running them. Please use your own good judgement when selecting an activity in your free time. Although the cities visited on tour are generally safe during the day, there can be risks to wandering throughout any major city at night. It is our recommendation to stay in small groups and to take taxis to and from restaurants, or during night time excursions.

Protests and Demonstrations- Protests and demonstrations, even those that are well intended, have the potential to turn violent with no warning. Counter protests can also turn violent. Action by security forces to disperse demonstrators and protesters may occur at any time. If you are in an area where demonstrators or protesters are gathering, avoid the temptation of staying for a good photo opportunity and leave the area immediately.

Water based activities have an element of danger and excitement built into them. We recommend only participating in water based activities when accompanied by a guide(s). We make every reasonable effort to ensure the fun and adventurous element of any water based activities (in countries with varying degrees of operating standards) have a balanced approach to safety. It is our policy not to allow our CEOs to make arrangements on your behalf for water based activities that are not accompanied by guide(s).

Swimming, including snorkeling, is always at your own risk.

We take all prudent measures in relation to your safety. For ways to further enhance your personal safety while traveling, please click [here](#).

What are the trip specific safety considerations?

We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewellery at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes which is the most secure way of storing your valuables. What rules should I know before joining this trip?

Illegal drugs will not be tolerated on any trips. Possessing or using drugs not only contravenes the laws of the land but also puts the rest of the group at risk. Smoking marijuana and opium is a part of local culture in some parts of the world but is not acceptable for our travellers. Our philosophy of travel is one of respect towards everyone we encounter and in particular the local people who make the world the special place it is. The exploitation of people in the sex trade is completely contrary to this philosophy. Our CEOs have the right to expel any member of the group if drugs are found in their possession or if they utilize the services of paid sex workers, in any capacity.

Is travel insurance required for my trip?

Travel insurance is compulsory in order to participate on any of our trips. When travelling on a group trip, you will not be permitted to join the group until evidence of travel insurance has been sighted by your leader, who will take note of your insurance details. When selecting a travel insurance policy we require that at a minimum you are covered for medical expenses including emergency repatriation. We strongly recommend that the policy also covers personal liability, cancellation, curtailment and loss of luggage and personal effects. If you have credit card insurance we require proof of purchase of the trip (a receipt of credit card statement) with a credit card in your name. Contact your bank for details of their participating insurer, the level of coverage and emergency contact telephone number.
