Is there a travel disclaimer for my itinerary I should review before booking this trip?

While it is our intention to adhere to the route described below, there is a certain amount of flexibility built into the itinerary and on occasion it may be necessary, or desirable to make alterations. The itinerary is brief, as we never know exactly where our journey will take us. Due to our style of travel and the regions we visit, travel can be unpredictable. The Trip Details document is a general guide to the tour and region and any mention of specific destinations or wildlife is by no means a guarantee that they will be visited or encountered. Aboard expedition trips visits to research stations depend on final permission.

Additionally, any travel times listed are approximations only and subject to vary due to local circumstances.

What important notes should I be aware of before the trip?

1. CAMERAS

Please note there may be times during your visit to Bhutan when the use of video and/or still cameras may be inappropriate. The prime requirement for clothes you bring on Bhutan trip is that they are comfortable and appropriate to the weather conditions that you are likely to meet. For protection against cold, particularly at night, a number of relatively thin layers is better than a few thick ones. Thermal underclothes, being small and light, can be very useful. Bhutan is very conservative and you should dress accordingly. As a general guideline, shoulders and knees should be covered at all times. The wearing of shorts is not allowed as it will restrict your entry into buildings of a religious nature and family homes. A water and windproof jacket, a hat and sunscreen are essential.

What should I do if I can't find my airport transfer or experience arrival issues?

We don't expect any problems, and nor should you, but if for any reason you are unable to commence your trip as scheduled, please refer to the emergency contact details provided in this dossier and contact us as soon as possible. If you have a pre-booked transfer, and you have not made contact with our representative within 30 minutes of clearing customs and immigration, we recommend that you make your own way to the Starting Point hotel, following the Joining Instructions. Please apply to your travel agent on your return for a refund of the transfer cost if this occurs.

Who do I contact for arrival issues or in the event of an emergency?

Should you need to contact us during a situation of dire need, it is best to first call either the G Adventures Local Representative (if one is listed below) or our G Adventures Local Office. If for any reason you do not receive an immediate answer, please leave a detailed message and contact information, so they may return your call and assist you as soon as possible.

What are the visas and entry requirements for my trip?

All countries require a valid passport (with a minimum 6 months validity). Contact your local embassy or consulate for the most up-to-date visa requirements, or see your travel agent. It is your own responsibility to have the correct travel documentation. Visa requirements for your trip will vary depending on where you are from and where you are going. We keep the following information up to date as far as possible, but rules do change and sometimes without warning. While we provide the following information in good faith, it is vital that you check the information yourself and understand that you are fully responsible for your own visa requirements.

Visa information specific to your destination and nationality can be found in our Important Pre-Departure Information page [here](#)

For Bhutan, G Adventures will arrange the visa for you. The cost of the visa is included in the tour price. The Bhutanese visa is issued to your passport on arrival. No passport photos are currently required for this, but it's always good to travel with a couple current photos.

In order to arrange the Bhutan visa, please click on the following link for information and application [form](#)

These details need to be submitted to us 35-60 days before your entry into Bhutan.

We will then arrange the Bhutanese visa for you. You will receive the visa letter while on your tour, 2 - 5 business days before entry into Bhutan. We cannot get the visa letter issued any sooner, as it is issued by the Bhutanese government.

Important: If you are planning to extend your stay in Bhutan, pre- and post-tour accommodation MUST be booked through G Adventures in order for us to issue a valid visa for the duration of your stay.

If arriving and departing Paro from India, please note that the Indian government has recently made some changes to visa regulation due to misuse of the Tourist visa. We encourage all passengers to contact the Indian consulate or embassy in their home country to get up to date information on entry requirements. This is especially important for those planning on entering India multiple times in a two month period.

Foreigners holding an Indian Tourist visa, who after initial entry into India plan to visit neighbouring Nepal, Bhutan or Sri Lanka and then re-enter into India within 2 months need to get special authorization.

You must have at least two blank passport pages available for each country you will visit on your tour. These are required for entry & exit stamps.

INDIA:

All travellers must have a valid Indian visa prior to the start of their tour. Please note that visas for India are the responsibility of the individual traveller.

To obtain a visa for India, you may either apply for an e-Visa using the link below, or alternately visit the Indian embassy or consulate nearest you to apply for a physical visa on your passport.

India is now offering e-Visas for some nationalities. Please visit this link for further information, and to check if your nationality is eligible for an e-Visa: <https://indianvisaonline.gov.in/visa/tvoa.html>

As there are many fake websites, please only use the link above to apply for your e-Visa and for any additional information.

VISA INFORMATION:

Please use the start hotel of your tour as a reference for your visa application. Contact us or your travel agent if you need further information.

For visa purposes, your Emergency Local Contact details are below:

For more information and to complete the e-Arrival Card, we kindly request the you visit the [Indian Immigration](#) page.

What should I consider when planning my personal expenses and discretionary spending for this itinerary?

Every traveller is different and therefore spending money requirements will vary. Some travellers may drink more than others while other travellers like to purchase more souvenirs than most. Please consider your own spending habits when it comes to allowing for drinks, shopping and tipping. Please also remember the following specific recommendations when planning your trip.

What should I know about currency, credit cards, and exchanging money while on this tour?

As currency exchange rates in Asia fluctuate often we ask that you refer to the following website for daily exchange rates: www.xe.com

As of May 2023 the exchange rate for INDIA was 1 USD = 81.76 INR (Indian Rupees). There are many ATM machines that accept both Visa and Mastercard but these are limited to major cities. We also recommend the use of cash in USD currency. Major credit cards are accepted in most shops but they may charge a 2-4% transaction fee.

What emergency funds do I need access to on this trip?

Please also make sure you have access to at least an additional USD \$200 (or equivalent) as an 'emergency' fund, to be used when circumstances outside our control (ex. a natural disaster) require a change to our planned route. This is a rare occurrence!

What are the tipping guidelines for this trip?

It is customary in India and Bhutan to tip service providers such as waiters, at approximately 10%, depending on the service. Tipping is expected - though not compulsory - and shows an expression of satisfaction with the people who have assisted you on your tour. Although it may not be customary to you, it is of considerable significance to the people who will take care of you during your travels. There are several times during the trip where there is opportunity to tip the local guides or drivers we use. You may do this individually, or your CEO will offer to collect the money and tip as a group. Recommendations for tipping drivers and local guides would range from \$4-5 USD per person per day depending on the quality and length of the service; ask your CEO for specific recommendations based on the circumstances and culture.

Also at the end of each trip if you felt your G Adventures CEO did an outstanding job, tipping is appreciated. The amount is entirely a personal preference; however as a guideline \$8-19 USD per person, per day can be used.

What activities are optional on this trip?

Delhi

- Half Day Culinary Tour of Delhi

Jaipur

- Hawa Mahal (Palace of the Winds) (202INR per person)
- Movie at Raj Mandir (200-400INR per person)
- Jantar Mantar Visit (202INR per person)
- Jaipur Cooking Class with A Local Family
- Jaipur Cycle Tour (35 per person)
- Jaipur Balloon Ride

Paro

- Ta Dzong National Museum
- Kyichu Lhakhang Temple Visit

What general safety tips and free-time guidelines should I follow?

Many national governments provide a regularly updated advice service on safety issues involved with international travel. We recommend that you check your government's advice for their latest travel information before departure. We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewellery at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes, which is the most secure way of storing your valuables. A lock is recommended for securing your luggage. When travelling on a group trip, please note that your group leader has the authority to amend or cancel any part of the trip itinerary if it deemed necessary, due to safety concerns. Your Chief Experience Officer (CEO) will accompany you on all included activities. During your trip you will have some free time to pursue your own interests, relax and take it easy and explore at your leisure. While your CEO will assist you with options available in a given location, please note that any optional activities you undertake are not part of your itinerary, and we offer no representations about the safety of the activity or the standard of the operators running them. Please use your own good judgement when selecting an activity in your free time. Although the cities visited on tour are generally safe during the day, there can be risks to wandering throughout any major city at night. It is our recommendation to stay in small groups and to take taxis to and from restaurants, or during night time excursions.

Water based activities have an element of danger and excitement built into them. We recommend only participating in water based activities when accompanied by a guide(s). We make every reasonable effort to ensure the fun and adventurous element of any water based activities (in countries with varying degrees of operating standards), have a balanced approach to safety. It is our policy not to allow our CEOs to make arrangements on your behalf for water based activities that are not accompanied by guide(s).

Swimming, including snorkeling, is always at your own risk. [Read more about travel safety](#) for ways to further enhance your personal safety while traveling.

What are the mandatory group rules regarding laws and behaviour?

Illegal drugs will not be tolerated on any trips. Possessing or using drugs not only contravenes the laws of the land but also puts the rest of the group at risk. Smoking marijuana and opium is a part of local culture in some parts of the world but is not acceptable for our travellers. Our philosophy of travel is one of respect towards everyone we encounter and in particular the local people who make the world the special place it is. The exploitation of people in the sex trade is completely contrary to this philosophy. Our CEOs have the right to expel any member of the group if drugs are found in their possession or if they utilize the services of paid sex workers, in any capacity.
