Meknès is one of the four Imperial cities and its name and fame are closely linked to that of the Moroccan Sultan Moulay Ismail.

VERY IMPORTANT: Please ensure that you view a final copy of your Trip Details a couple of days prior to travel, in case there have been changes that affect your plans.

Is there an itinerary Disclaimer?

While it is our intention to adhere to the route described below, there is a certain amount of flexibility built into the itinerary and on occasion it may be necessary, or desirable to make alterations. The itinerary is brief, as we never know exactly where our journey will take us. Due to our style of travel and the regions we visit, travel can be unpredictable. The Trip Details document is a general guide to the tour and region and any mention of specific destinations or wildlife is by no means a guarantee that they will be visited or encountered. Aboard expedition trips visits to research stations depend on final permission.

Additionally, any travel times listed are approximations only and subject to vary due to local circumstances.

Please note that if you are travelling to Morocco between November and February, your tour will have a level of flexibility based off of winter weather conditions on roads in the mountains. Heavy snow is not uncommon, so plan on packing warmer clothing to suit conditions.

What important notes should I be aware of before the trip?

ACCOMMODATION NOTE:

Please be aware that properties we stay in with only two stories may not have elevators installed and climbing the stairs with your luggage will be necessary.

ITINERARY PACE

This is a very fast paced itinerary which covers lots of ground. While this is great as it allows us to see a huge amount in the available time, it also means some early starts, some long drives in the mini van and less free time than many other G Adventures. We feel that if you enter this trip with this knowledge and expectation, you will appreciate even more the variety of locations we are able to include in this itinerary.

TRANSPORT

The legroom in the minivan is possibly smaller than you may be used to and taller passengers may find space a little cramped. It is important to be aware that as it is not a legal requirement in buses in Morocco, your vehicle may not be equipped with seat belts.

WEATHER

Please note that the climate in Morocco can be both very hot during the day in summer months (up to 50°C) and cold at night in the mountains in autumn, early spring and winter (down to -6°C). Summer months, from April to September are very hot throughout Morocco. Winter months November to March can be cool to cold, especially in the Atlas Mountains, with high probability of snowfall. Most Moroccan buildings are not equipped with heating, so without proper layers you will be cold at night. Please bring appropriate clothing for the months in which you are travelling and check temperatures before you leave. Bedding is provided in the desert camp and the gîte, but in winter months if you feel the cold you may wish to bring a sleeping bag too.

RAMADAN

According to the lunar cycle, Ramadan will fall between Feb 28th - Mar 29th 2025, and Feb 17th - Mar 19th 2026. Please note that Ramadan is a month of fasting observed by Muslims throughout the world, during which time the followers of Islam should not eat or drink between sunrise and sunset. There may be some limitations to services and disruptions to schedules during Ramadan, but generally our tours still operate effectively during this period and food is available to non-Muslims throughout the day. It is very important to display increased cultural sensitivity during Ramadan. Please wear loose fitting clothes, that cover knees and shoulders, and try to avoid eating, drinking or smoking in public out of respect for those who can't at that time.

AID AL-ADHA

During your visit to this country, we would like to inform you about an important celebration called Aid Al-Adha. This holiday may impact your travel experience, as most shops and restaurants are closed during the celebration. Some of the historical places we visit might also be closed during this time. There will be a shorter number of staff at the hotels and less crowded streets on the day of the celebration. Aid Al-Adha will fall between Jun. 16th-17th 2024, and Jun. 6th-7th 2025.

What is the group leader like?

This G Adventures group trip is accompanied by one of our group leaders, otherwise known as a Chief Experience Officer (CEO). As the group coordinator and manager, the aim of the CEO is to take the hassle out of your travels and to help you have the best trip possible. You can expect them to have a broad general knowledge of Morocco, including historical, cultural, religious and social aspects. They will also offer suggestions for things to do and to see, recommend great local eating venues and introduce you to our local friends.

We also use certified local city guides where we think more specific knowledge will add to the enjoyment of the places we are visiting - we think it's the best of both worlds.

How large will the group be?

Max 12, Avg 10.

What meals are included in this trip?

8 breakfasts, 2 lunches, 2 dinners

What are the meals like on this trip?

Generally, all meals are not included in the trip price when there is a choice of eating options, to give you the maximum flexibility in deciding where, what and with whom to eat. It also gives you more budgeting flexibility, though generally food is cheap. Our groups tend to eat together to enable you to taste a larger variety of dishes and enjoy each other's company. There is no obligation to do this though. Your CEO will be able to suggest favourite restaurants during your trip. The above information applies to G Adventures group trips. For Independent trips please check the itinerary for details of meals included. For all trips please refer to the meals included and budget information for included meals and meal budgets.

Breakfasts

Moroccan breakfasts tend to be different from your usual cereal and toast morning fare – most will be very simple - a croissant or sweet roll with jam and instant coffee and some hotels will have buffets where you will have more variety. While you are experiencing what a Moroccan family would eat, some travellers do find the provided breakfasts a bit “bread heavy” and enjoy buying fruit the day before to supplement their breakfast.

Lunches and dinners

Moroccan cuisine is world famous and your CEO will be taking the chance to show you the best of it. Staples include cous cous, a type of grain topped with stew, tagine which is actually the name of the pot this tasty dish is cooked in, and brochette, bbq skewers of meat. These meals will generally cost between 45- 70 MAD depending on the type of restaurant and which part of the country you are in. Other tastes not to be missed include pastilla, a sweet pasty with a savoury filling which is traditionally pigeon and harira, a delicious soup based on chick peas and filling enough when teamed with fresh bread to be a whole lunch. If you are heading to the coast the fresh seafood cooked at one of the local markets is a must eat!

Snacks

Morocco's fresh orange juice is highly recommended and you should not leave without trying a glass. The brave can try the tiny snails which are perhaps the local's favourite snack but you might prefer a cone of piping hot bite-size fried cake donuts.

What are the modes of transportation on my trip?

Private air-con minivan/coach, 4x4 vehicle, walking.

What transportation will we take on this trip?

Please note that there is a lot of fast paced travel on this itinerary which necessitates some long travel days in our mini van. We feel that if you enter this trip with this knowledge and expectation, you will appreciate even more the variety of locations we are able to include in this itinerary.

We use a 16-seater minivan and with a full group every seat will be used. The legroom in the minivan is possibly smaller than you may be used to and taller passengers may find space a little cramped. The minivans have air conditioning, however please note that summer temperatures in Morocco can easily reach 50 celsius. When the outside temperature is so hot, a minibus air conditioning system will not be able to cool the bus to the temperatures you are used to enjoying at home. Please bear in mind that travelling in Morocco in summer will inevitably involve very hot temperatures and some discomfort may be experienced when travelling.

Is there an extra cost for travelling solo?

We believe solo travellers should not have to pay more to travel so our group trips are designed for shared accommodation and do not involve a single supplement. Single travellers joining group trips are paired in twin or multi-share accommodation with someone of the same sex for the duration of the trip. Some of our Independent trips are designed differently and solo travellers on these itineraries must pay the single trip price.

Where will we stay during the trip?

Hotels (8 nts).

Will I get my own room?

Please note that if you have booked the "My Own Room" option for this tour, you will receive your own single room for all night stops

What kind of accommodation can I expect on this trip?

On this trip we will stay in comfortable local hotels. Rooms will be on a twin-share basis unless you have booked our My Own Room service. You can expect the rooms to have air-conditioning, private bathrooms and breakfast will be included daily. Some hotels may also have swimming pools and/or other recreational facilities. Where a town has both an ancient medina and a "ville nouvelle" we generally stay in the ville nouvelle, both because the standard of hotels is higher, and because travellers (especially women) often find the medinas at night a little confronting.

Please note that Morocco is a developing country and as such the infrastructure is not as reliable as you would expect at home. Expect quirky plumbing and the odd cold shower!

What is the joining hotel?

For details of your joining hotel please refer to your tour voucher, G Account, the G Adventures App or contact your travel agent.

What are the joining instructions?

An arrival transfer is included when you arrive on Day 1, or if you arrive up to three days prior provided that you have booked your pre-accommodation G Adventures in our joining hotel. Due to customer experience and quality considerations, all services related to the tour must be continuous. Arrival transfers will not be available to passengers who have booked pre-tour accommodations independently of G Adventures.

If you have pre-arranged an arrival transfer, please note that transfer representatives are no longer allowed to wait for passengers inside the airport. Please exit the airport, and look for the driver holding a G Adventures sign outside of Terminal 2.

Please approach them, and ask them who they are supposed to be picking up (do not tell them your name, they should have this information already). Once they give you the correct name, have your passport ready to show them and you will be on your way!

Please note that Day 1 is an arrival day and no activities have been planned, so you may arrive at any time. Similarly the last day is a departure day in which no activities are planned.

Your CEO will contact you at the hotel on Day 1 and make sure you are settled comfortably. If you arrive late, they will leave you a message detailing what time and where you should meet the next morning. Your CEO will organize a short meeting soon after arrival, during which you will meet other tour participants and receive information about general and specific aspects of the trip.

What happens if I experience problems when arriving?

We do not expect any complications and nor should you but the following information is supplied in case of extra ordinary circumstances.

What the visas and entry requirements for my trip?

All countries require a valid passport (with a minimum 6 months validity). Contact your local embassy or consulate for the most up-to-date visa requirements, or see your travel agent. It is your own responsibility to have the correct travel documentation. Visa requirements for your trip will vary depending on where you are from and where you are going. We keep the following information up to date as far as possible, but rules do change and sometimes without warning. While we provide the following information in good faith, it is vital that you check the information yourself and understand that you are fully responsible for your own visa requirements.

Please be aware that visa requirements vary by nationality; citizens of certain countries, such as South Africa, may be subject to additional documentation requests. Since these official requirements are determined on a case-by-case basis and can be unpredictable, we strongly recommend applying for your visa well in advance. Should the embassy or consulate request further supporting documents, please contact us immediately for assistance.

Visa information specific to your destination and nationality can be found in our Important Pre-Departure Information page [here](#)

How much spending money do I need for my trip?

Every traveller is different and therefore spending money requirements will vary. Some travellers may drink more than others while other travellers like to purchase more souvenirs than most. Please consider your own spending habits when it comes to allowing for drinks, shopping and tipping. Please also remember the following specific recommendations when planning your trip.

What should I know about currency, credit cards, and exchanging money while on this tour?

The local currency in Morocco is the Moroccan Dirham (MAD).

ATMs are very common in Morocco with Cirrus and Plus system cards are the most widely accepted debit cards. While ATMs are commonly available, there are no guarantees that your credit or debit cards will actually work - it is important you check with your bank before departure and advisable to travel with more than one type of card.

Visa cards are the most widely accepted credit cards, but are generally only useful for larger/expensive purchases. You should be aware when purchasing products or services on a credit card, that a fee usually applies.

The foreign currency most commonly accepted in Morocco is the Euro. You will be able to exchange Euros, as well as GBP and USD at money exchange offices in major cities.

Do not rely on credit or debit cards as your only source of money. A combination of cash (Euro/GBP or USD) and cards is best.

As currency exchange rates can fluctuate often we ask that you refer to the following website for daily exchange rates: www.xe.com

How much emergency money should I bring on this trip?

Please also make sure you have access to at least an additional USD \$200 (or equivalent) as an 'emergency' fund, to be used when circumstances outside our control (ex. a natural disaster) require a change to our planned route. This is a rare occurrence!

Do I need to pay a departure tax?

Usually included in your ticket, check with your air travel agent.

Should I be tipping on my trip?

Morocco has a strong tipping culture - it is customary and even expected to tip small service providers such as restaurant and bar waiters, hotel staff, reception, cleaning personnel, bell boys, taxis and van drivers. Tips are regarded as an essential means of supplementing income for those working in the tourism industry.

Even though this might not be customary to you, nor such common practice in your home country, it is generally expected and of great significance to the people who will be assisting you during your travels.

Depending on your preference and/or that of the group, you may choose to tip individually, organize the tipping with your travelling companions, or, your CEO will offer to collect the tip money at the beginning of your tour and tip as a group with your participation as the tour progresses. A recommendation for tipping small service providers is about \$3 USD per day, depending on the quality of the service (this does not include your G Adventures CEO).

Feel free to ask your CEO for the breakdown/distribution of the tips. Note that if you have been very disappointed by a particular service, please inform your CEO right away, and the tip will be adjusted accordingly.

Also, at the end of your trip if you felt your G Adventures CEO did an outstanding job, tipping is also expected and appreciated. The precise amount is entirely a personal preference, however \$35-40 USD per person per week can be used as a general guideline.

What activities are optional on this trip?

Fès

Are there any health considerations I should know before travelling?

DRINKING WATER It is advisable to drink bottled water in Morocco.

Please note inoculations may be required for the country visited. It is your responsibility to consult with your travel doctor for up to date medical travel information well before departure.

There are no specific health requirements for this trip. However, you should consult your doctor for up-to-date medical travel information before departure. We recommend that you carry a First Aid kit, hand sanitizers / antibacterial wipes as well as any personal medical requirements. Please be aware that we are in remote areas and away from medical facilities for some time during this trip, and for legal reasons our leaders are prohibited from administering any type of drug including headache tablets, antibiotics, etc.

When selecting your trip please carefully read the G Adventures brochure and itinerary and assess your ability to cope with our style of travel. Please contact us at travel@gadventures.com should you require any clarification on what is involved on your itinerary. G Adventures reserves the right to exclude any traveller from all or part of a trip without refund if in the reasonable opinion of our CEO they are unable to complete the itinerary without undue risk to themselves and/or the rest of the group.

What do I need to know to about safety and security on my trip?

Many national governments provide a regularly updated advice service on safety issues involved with international travel. We recommend that you check your government's advice for their latest travel information before departure. We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewellery at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes, which is the most secure way of storing your valuables. A lock is recommended for securing your luggage. When travelling on a group trip, please note that your CEO has the authority to amend or cancel any part of the trip itinerary if it is deemed necessary due to safety concerns. Your CEO will accompany you on all included activities. During your trip you will have some free time to pursue your own interests, relax and take it easy or explore at your leisure. While your CEO will assist you with options available in a given location please note that any optional activities you undertake are not part of your itinerary, and we offer no representations about the safety of the activity or the standard of the operators running them. Please use your own good judgment when selecting an activity in your free time. Although the cities visited on tour are generally safe during the day, there can be risks to wandering throughout any major city at night. It is our recommendation to stay in small groups and to take taxis to and from restaurants, or during night time excursions.

Protests and Demonstrations- Protests and demonstrations, even those that are well intended, have the potential to turn violent with no warning. Counter protests can also turn violent. Action by security forces to disperse demonstrators and protesters may occur at any time. If you are in an area where demonstrators or protesters are gathering, avoid the temptation of staying for a good photo opportunity and leave the area immediately.

Water based activities have an element of danger and excitement built into them. We recommend only participating in water based activities when accompanied by a guide(s). We make every reasonable effort to ensure the fun and adventurous element of any water based activities (in countries with varying degrees of operating standards) have a balanced approach to safety. It is our policy not to allow our CEOs to make arrangements on your behalf for water based activities that are not accompanied by guide(s). Swimming, including snorkelling, is always at your own risk.

We take all prudent measures in relation to your safety. For ways to further enhance your personal safety while traveling, please visit:

www.gadventures.com/travel-resources/safety/

What are the trip specific safety considerations?

Like anywhere in the world, major cities have areas safer than others, use common sense, be aware of your surroundings and mind your personal belongings.

What rules should I know before joining this trip?

Illegal drugs will not be tolerated on any trips. Possessing or using drugs not only contravenes the laws of the land but also puts the rest of the group at risk. Smoking marijuana and opium is a part of local culture in some parts of the world but is not acceptable for our travellers. Our philosophy of travel is one of respect towards everyone we encounter and in particular the local people who make the world the special place it is. The exploitation of people in the sex trade is completely contrary to this philosophy. Our CEOs have the right to expel any member of the group if drugs are found in their possession or if they utilize the services of paid sex workers, in any capacity.

Is travel insurance required for my trip?

Travel insurance is compulsory in order to participate on any of our trips. When travelling on a group trip, you will not be permitted to join the group until evidence of travel insurance has been sighted by your leader, who will take note of your insurance details. When selecting a travel insurance policy we require that at a minimum you are covered for medical expenses including emergency evacuation and repatriation. A minimum coverage of USD200,000 is required. We strongly recommend that the policy also covers personal liability, cancellation, curtailment and loss of luggage and personal effects. Some tours include adventure activities that require extra coverage (e.g. crampon use); please review your itinerary and make sure that you are covered for all included activities. If you have credit card insurance we require proof of purchase of the trip (a receipt of credit card statement) with a credit card in your name. Contact your bank for details of their participating insurer, the level of coverage and emergency contact telephone number.

How should I dress to respect local customs during the tour?

While visiting mosques and other religious monuments you should dress modestly, cover your shoulders and you shouldn't wear short shorts or skirts. Outside of capital cities and the more touristic centres, local dress is often more conservative and as a matter of respect we ask that both men and women are aware of this and recommend loose-fitting clothes with your shoulders covered. Ask your CEO for more specific advice.
