Please note that day 1 is an arrival day and no activities have been planned on this day. Upon arrival to the city on day 1 (or earlier if you have booked pre-accommodation with us), please make your way to the joining hotel (note that check-in time will be in the afternoon). Once you arrive at the hotel, look for a note or bulletin board in the reception with a note from your CEO. This note will give the details of your Welcome Meeting on day 1 (usually between 5pm and 7pm), where you will get a chance to meet your CEO and other travellers, as well as learn more about how the tour will run. If you don't see a note, please ask reception for details!

If you are arriving later and will miss the Welcome Meeting, your CEO will leave a note at reception for you with any information you may need, and with morning instructions for the next day.

To arrange an arrival or departure transfer, we recommend you book through our preferred transfer provider - [Welcome Pickups](#)

Choose from a range of transport options including both private and shared transfers at a discounted rate.

We advise that you book both your arrival and departure transfers in advance. Please make sure you have the following details before booking:

- Flight number
- Flight Arrival Time and Date
- Flight Departure Time and Date
- Passenger's Name
- Number of Passengers
- Email
- Valid Mobile Telephone Number

## What happens if I experience problems when arriving?

If you have a pre-booked transfer, and you have not made contact with our representative within 30 minutes of clearing customs and immigration, we recommend that you make your own way to the Starting Point hotel, following the Joining Instructions. Please apply to your travel agent on your return for a refund of the transfer cost if this occurs.

# What are the visas and entry requirements for my trip?

All countries require a valid passport (with a minimum 6 months validity). Contact your local embassy or consulate for the most up-to-date visa requirements, or see your travel agent. It is your own responsibility to have the correct travel documentation. Visa requirements for your trip will vary depending on where you are from and where you are going. We keep the following information up to date as far as possible, but rules do change and sometimes without warning. While we provide the following information in good faith, it is vital that you check the information yourself and understand that you are fully responsible for your own visa requirements.

Visa information specific to your destination and nationality can be found in our Important Pre-Departure Information page [here](#)

Iran:

\*\*\*PLEASE READ THE ENTIRETY OF THE TEXT BELOW AS THIS IS IMPORTANT INFORMATION FOR YOUR ENTRY INTO IRAN\*\*\*

Please note that visas are the responsibility of the individual traveller. The visa requirements for your trip vary depending on where you are from and where you are going. We keep the following information up to date as much as possible, but rules do change. It is important that you check for yourself with the Embassy of Iran. Please, keep in mind that all countries require passports valid for at least 6 months from the moment of departure from the country.

To apply for an Iran visa, all nationalities must present an official Iran Authorization Number/Visa Approval Number.

\*\*\*It is the responsibility of the traveller to check with their nearest Embassy and confirm the requirements for entry into Iran\*\*\*

IMPORTANT: Once your trip is confirmed, at 90 days prior to your entry into Iran, you must submit an application for your Authorization Number/Visa Approval Number. A link will be emailed to you in your confirmation email. The details will be forwarded to our local agent in Iran and you will be emailed your Authorization Number/Visa Approval Number approximately 45 days after you submit your application. As an Iran Authorization Number/Visa Approval Number is only valid for 30 days once it is issued, you must apply for your visa as soon as you receive this number. Iran LOI's cannot be rushed.

If you have booked the tour within 90 days of the start date, you must complete this Authorization Number/Visa Approval Number application at the time of booking. You will receive the Authorization Number/Visa Approval Number approximately 15 days before the start of your tour.

As Iran visas are dated specifically for entry and exit, please ensure you enter the correct dates. Americans, Canadians and British citizens must be accompanied by a guide at all times while in Iran, so these dates are important for obtaining your visa. Note that because a guide must be arranged, we can only provide an Authorization Number/Visa Approval Number for the length of the tour, plus any pre or post-night accommodation booked through G Adventures. We allow ONLY 2 pre-nights and 2 post-nights to be booked in Iran, and a complimentary guide will be provided in the cost of the hotel for these days. Any additional days must be requested (allowing 2-3 business days for a response), and will be subject to an additional charge for the guide.

Input your name the same way it is in your passport. The information on the application form must match your passport.

If you have an umlaut or other character not recognized in the English alphabet in your name (ie. ü), please enter it in the longer form (ie. ue).

For the following multi-country trips, the days spent in Iran are as follows:

EABR - Budapest to Tehran by Rail: Days 20-28

Please note: The Iran Government has implemented a new requirement for all American citizens asking passengers to provide a resume or CV in order to issue the LOI. Please make sure to attach this to your LOI application below as both are required to begin this process. This should be a copy of your resume or CV and should contain a cover letter detailing the place and date of your birth, as well as any education and employment you have had and any change in location (countries only). If you have married or had children, it should also detail the dates and locations of these events as well as full names. Finally, please conclude this letter by stating where you currently reside. If you are retired, please also include your date of retirement.

If your country has an official Iran Consulate/Embassy, you must choose this as your 'Visa pickup Embassy'. If you do not see a local Consulate/Embassy on this list, please locate your nearest neighbouring Embassy or Consulate. Please contact your Travel Agent or G Adventures for further assistance if needed. Most nationalities may be able to obtain a visa upon arrival at the Tehran Airport (Canadians, Americans and British citizens may NOT obtain their visa on arrival), but you must make sure to check with your Embassy if this applies for your nationality before choosing this option. A visa obtained on arrival is only valid for 15 days, so for stays of longer than 15 days you must apply for your visa in advance. A copy of your flight tickets is also required for this option.

At time of writing, the below documents will be needed to obtain your visa (however, we do advise you confirm this with your nearest Embassy):

1. A standard visa application form from the Embassy or Consulate where you will collect your visa
2. 2 colour, passport sized photos, taken within 14 days (most Iranian Embassies require female travellers to have their hair covered under a scarf in these photos)
3. Payment for the visa (this will be dependent on nationality and will sometimes need to be made at a local nearby bank - check with your Embassy to confirm details)
4. Passport with empty pages and at least 6 months validity
5. Iran Authorization Number/Visa Approval Number
6. Resume or CV (for Americans)
7. Trip vouchers as well as proof of onward travel (flight tickets entering and leaving the country)
8. No evidence of any Israeli stamps inside the passport is allowed (your visa WILL be refused if you have Israeli stamps)
9. We also recommend bringing a copy of the itinerary, printable from our website. While this may not be needed, we recommend having a copy on hand if needed.

\*\*\*Please carefully check all the information below prior to submitting\*\*\*

Once you have received your Authorization Number/Visa Approval Number you can apply for your visa by going to the Iran Embassy you listed in the online application. Processing times vary but generally are between 3 and 6 business days. However, it is best to check with the Embassy/Consulate for clarification on this. Please be aware that Iranian Embassies and Consulates observe many statutory holidays and are often closed, delaying processing time.

\*\*\*We advise all travellers to contact their nearest Embassy to find out the best way to apply for their visa. Depending on nationality and how close to the tour start date it is, there may be a need to visit the Embassy in person\*\*\*

When you are completing your visa application at the Embassy or Consulate, please make sure that you write the Authorization Number/Visa Approval Number directly onto the application. If there is no spot to do so, please write it clearly on the top of your application.

IMPORTANT NOTE: Because this is a time sensitive process, we highly recommend NOT using a visa service to get your Iran visa.

As the LOI is issued by the Iran Ministry of Foreign Affairs - unexpected delays can occur.

Information accurate as of December 9th, 2015

## **What should I consider when planning my personal expenses and discretionary spending for this itinerary?**

Every traveller is different and therefore spending money requirements will vary. Some travellers may drink more than others while other travellers like to purchase more souvenirs than most. Please consider your own spending habits when it comes to allowing for drinks, shopping and tipping. Please also remember the following specific recommendations when planning your trip.

## **How much emergency money should I bring on this trip?**

Please also make sure you have access to at least an additional USD \$200 (or equivalent) as an 'emergency' fund, to be used when circumstances outside our control (ex. a natural disaster) require a change to our planned route. This is a rare occurrence!

## What do I need to know to about safety and security on my trip?

Many national governments provide a regularly updated advice service on safety issues involved with international travel. We recommend that you check your government's advice for their latest travel information before departure. We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewellery at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes, which is the most secure way of storing your valuables. A lock is recommended for securing your luggage. When travelling on a group trip, please note that your group leader has the authority to amend or cancel any part of the trip itinerary if it deemed necessary, due to safety concerns. Your Chief Experience Officer (CEO) will accompany you on all included activities. During your trip you will have some free time to pursue your own interests, relax and take it easy and explore at your leisure. While your CEO will assist you with options available in a given location, please note that any optional activities you undertake are not part of your itinerary, and we offer no representations about the safety of the activity or the standard of the operators running them. Please use your own good judgement when selecting an activity in your free time. Although the cities visited on tour are generally safe during the day, there can be risks to wandering throughout any major city at night. It is our recommendation to stay in small groups and to take taxis to and from restaurants, or during night time excursions.

Water based activities have an element of danger and excitement built into them. We recommend only participating in water based activities when accompanied by a guide(s). We make every reasonable effort to ensure the fun and adventurous element of any water based activities (in countries with varying degrees of operating standards), have a balanced approach to safety. It is our policy not to allow our CEOs to make arrangements on your behalf for water based activities that are not accompanied by guide(s).

Swimming, including snorkeling, is always at your own risk. [Read more about travel safety](#) for ways to further enhance your personal safety while traveling.

## What rules should I know before joining this trip?

Illegal drugs will not be tolerated on any trips. Possessing or using drugs not only contravenes the laws of the land but also puts the rest of the group at risk. Smoking marijuana and opium is a part of local culture in some parts of the world but is not acceptable for our travellers. Our philosophy of travel is one of respect towards everyone we encounter and in particular the local people who make the world the special place it is. The exploitation of people in the sex trade is completely contrary to this philosophy. Our CEOs have the right to expel any member of the group if drugs are found in their possession or if they utilize the services of paid sex workers, in any capacity.

## Is travel insurance required for my trip?

Travel insurance is compulsory in order to participate on any of our trips. When travelling on a group trip, you will not be permitted to join the group until evidence of travel insurance has been sighted by your leader, who will take note of your insurance details. When selecting a travel insurance policy we require that at a minimum you are covered for medical expenses including emergency evacuation and repatriation. A minimum coverage of USD200,000 is required. We strongly recommend that the policy also covers personal liability, cancellation, curtailment and loss of luggage and personal effects. Some tours include adventure activities that require extra coverage (e.g. crampon use); please review your itinerary and make sure that you are covered for all included activities. If you have credit card insurance we require proof of purchase of the trip (a receipt of credit card statement) with a credit card in your name. Contact your bank for details of their participating insurer, the level of coverage and emergency contact telephone number.
