COMBO TRIP: Please note that this tour combines with other G Adventures tours. As such, the staff and some travel companions on your tour may have previously been traveling together, prior to Day 1 of your tour. Likewise, some staff and travellers may be continuing together on another G Adventures tour, after your trip concludes.

ACCOMMODATION: Please note most of our 18-to-Thirtysomethings accommodation in Europe is multi-share.

What important notes should I be aware of before the trip?

1. It is important to note that in Europe, all guiding is based around local guides all of whom are licensed to work only in a particular city. As such, our leaders are able to provide orientation walks which will show you the layout of each town and city as well as the location of local services such as post offices and laundromats, but are unable to legally share historical facts and figures in public places.

2. In Europe it is very rare to find elevators in train stations, hotels or other public places. We use public transport on this trip, which means you will need to carry your luggage from platform to platform, in and out of trains and buses etc. and also possibly up several flights of stairs. You will also need to be able to stow your luggage safely on trains and buses. It is therefore essential that you pack light and bring luggage which is compact and lightweight, and which you can easily transport. The carrying of your luggage remains your responsibility at all times.

3. Please note that this tour combines with other G Adventures tours. As such, the staff and some travel companions on your tour may have previously been traveling together with G Adventures, prior to Day 1 of your tour. Likewise, some staff and travel companions may be continuing together on another G Adventures tour, after your trip concludes.

4. This trip has a fast-paced itinerary with some long transport days - please check the itinerary carefully before deciding if this trip suits your needs.

5. Please note that if you wish to visit popular museums such as the Vatican Museums (Sistine Chapel) and Villa Borghese in Rome, and the Uffizi or Accademia Galleries in Florence, to avoid waiting in line for a long time (especially in high season May-September when it could be a question of hours!), it is advisable to reserve tickets in advance. Tickets can be reserved online at www.weekendafirenze.com or by phone (+39) 055 294883 from Monday to Friday 8.30am-6.30pm, Saturday 8.30am-12.30pm. If you are interested in purchasing tickets we recommend that you do so once your G Adventure trip is confirmed (up to 2 months before if possible), especially for the ever-popular Uffizi, and for any time after 11am on Day 10. For additional museum resources you might want to refer to this website, www.firenzemusei.it, for more information to plan your day in Florence.

What is the group leader like?

This G Adventures group trip is accompanied by one of our CEOs (Chief Experience Officer). The aim of the CEO is to take the hassle out of your travels and to help you have the best trip possible. They will provide information on the places you are travelling through, offer suggestions for things to do and see, recommend great local eating venues and introduce you to our local friends. While not being guides in the traditional sense you can expect them to have a broad general knowledge of the countries visited on the trip, including historical, cultural, religious and social aspects.

It is important to note that in Europe, all guiding is based around local guides all of whom are licensed to work only in a particular city. As such, our leaders are able to provide orientation walks which will show you the layout of each town and city as well as the location of local services such as post offices and laundromats, but are unable to legally share historical facts and figures in public places. If you wish to take a guided city tour in any location our CEO will do their best to help you arrange this and pay locally.

How large will the group be?

Max 16, avg 10.

What meals are included in this trip?

1 lunch

What are the modes of transportation on my trip?

Train, public bus, metro, ferry, walking.

What transportation will we take on this trip?

On this trip we will use local buses and trains for intercity transport and a mix of metro (subway), local bus, taxis and walking for transport between hotels and bus/train stations. Please be prepared to carry your own bags short distances (20-30 mins max) between hotels and transport, as well as to lift your bags on and off buses and trains. Please note that there is often limited luggage storage space on public transport.

Transport of 18-to-Thirtysomethings tours:

As we rely heavily on public transportation during this trip, we ask you to be flexible for possible changes in the modes of transport and schedules, which may necessitate small itinerary changes.

Please note that the accommodation on overnight buses and trains varies in Europe. Overnight buses typically have airline-style reclining seats. On some overnight trains, tickets are for airline-style seats whereas other overnight journeys are in multi-share sleeper compartments. Please see day-to-day itinerary for specific information about accommodation type for overnight journeys.

Where will we stay during the trip?

Hotels/hostels (19 nts, multi-share with 2-6 people), sleeper trains (1 nt).

What kind of accommodation can I expect on this trip?

The variety and local flavour of our accommodation is a favourite part of our European 18-to-Thirtysomethings trips. Although the properties we use are simply furnished and with few facilities, we base our choices on location, character and cleanliness. We will stay in a mixture of hostels, and private rooms in local households.

All accommodation on this tour is multi-share, on a single-sex basis. This may involve 4-6 group members sharing and even (on rare occasions) dormitory-style rooms for the whole group. The majority of accommodation will have shared bathroom facilities.

For passengers travelling as couples, please note that due to the types of accommodation used in Europe we are not able to take requests for double/full/queen size beds on this tour. Where we use multi-share hostels, couples will likely be split into separate rooms.

Note that most accommodation in Europe does not have air conditioning units in rooms. Air conditioning is not routinely installed in European homes and workplaces. However, nearly all hotels will provide a standing or desk fan for your room on hot nights. If you do not already have one in your room, please ask your CEO to organize one for you with reception.

What are the joining instructions?

This trip commences at 5:30pm at Generator Hostel London (37 Tavistock Pl, Saint Pancras, London WC1H 9SE). It's imperative to arrive at Generator Hostel on time. From the hostel, our group will go directly to the train station to board our train to Paris. Please note there is a short walk (approx. 12 minutes) from the hostel to the train station. When can I do my laundry on this trip?

Laundry facilities are offered by some of our hotels for a charge. There will be times when you may want to or have to do your own laundry so we suggest you bring non-polluting/biodegradable soap. Your CEO can also show you where the you can get your laundry done.

What are the visas and entry requirements for my trip?

All countries require a valid passport (with a minimum 6 months validity). Contact your local embassy or consulate for the most up-to-date visa requirements, or see your travel agent. It is your own responsibility to have the correct travel documentation. Visa requirements for your trip will vary depending on where you are from and where you are going. We keep the following information up to date as far as possible, but rules do change and sometimes without warning. While we provide the following information in good faith, it is vital that you check the information yourself and understand that you are fully responsible for your own visa requirements.

Visa information specific to your destination and nationality can be found in our Important Pre-Departure Information page [here](#)

For other nationalities, travelling in Europe has been simplified with the introduction of the Schengen visa. As a visitor to the Schengen area (Austria, Germany, Netherlands, Belgium, Greece, Norway, Denmark, Iceland, Portugal, Finland, Italy, Spain, France, Luxembourg, Sweden, Czech Republic, Hungary, Estonia, Latvia, Lithuania, Malta, Poland, Slovakia, Slovenia and Switzerland) you will enjoy the many advantages of this unified visa system. Generally speaking with a Schengen visa, you may enter one Schengen country and travel freely throughout the Schengen region during the validity of your visa. There are limited border controls at Schengen borders, if any at all.

Please note that the UK and Ireland are NOT part of the Schengen agreement.

A Schengen visa is applied for at the Embassy or Consulate of the Schengen country in which you will be spending the most nights on your trip to the Schengen space. If you are only visiting one country on your trip then you apply for your visa at the Consulate of this Schengen country.

What should I know about currency, credit cards, and exchanging money while on this tour?

Credit cards and debit cards are very useful for cash advances but you must remember to bring your PIN number (be aware that many ATM machines only accept 4-digit PINs). Both Cirrus and Plus system cards are the most widely accepted debit cards. Visa cards are the most widely accepted credit cards. While ATMs are commonly available, there are no guarantees that your credit or debit cards will actually work - Check with your bank. You should be aware when purchasing products or services on a credit card, that a fee usually applies.

Do not rely on credit or debit cards as your only source of money. A combination of Euros, traveller's cheques and cards is best. Avoid relying on traveller's cheques alone as these are less and less readily cashed as clients use them very little.

Always take more rather than less, as you don't want to spoil the trip by constantly feeling short of funds.

Should I be tipping on my trip?

While conventions can vary from country to country, tipping is customary in Europe. A general rule is 10% of the bill for wait staff, and a smaller amount (€1 or €2) for other service providers.

Tipping is an expected - though not compulsory - component of your tour program, and an expression of satisfaction with the persons who have assisted you on your tour. Although it may not be customary to you, it is of considerable significance to the people who will take care of you during your travels. There are several times during the trip where there is opportunity to tip the local guides. You may do this individually, or your CEO will offer to collect the money and tip as a group. Recommendations for tipping local guides would range from €6-8 per day, depending on the quality and length of the service; ask your CEO for specific recommendations based on the circumstances and culture.

At the end of each trip, if you felt your G Adventures CEO did an outstanding job, tipping is expected and appreciated. The precise amount is a personal preference, however €42-€56 per person, per week can be used as a guideline.

Please note inoculations may be required for the country visited. It is your responsibility to consult with your travel doctor for up to date medical travel information well before departure.

You should consult your doctor for up-to-date medical travel information well before departure. We recommend that you carry a First Aid kit and hand sanitizers / antibacterial wipes as well as any personal medical requirements. Please be aware that quite often we are in remote areas and away from medical facilities, and for legal reasons our leaders are prohibited from administering any type of drug including headache tablets, antibiotics, etc. When selecting your trip please carefully read the brochure and itinerary and assess your ability to cope with our style of travel. Please refer to the Physical and Culture Shock ratings in this dossier for trip specific information. For travellers over 70 years a completed Medical Form is required. G Adventures reserves the right to exclude any traveller from all or part of a trip without refund if in the reasonable opinion of our CEO they are unable to complete the itinerary without undue risk to themselves and/or the rest of the group.

What rules should I know before joining this trip?

Illegal drugs will not be tolerated on any trips. Possessing or using drugs not only contravenes the laws of the land but also puts the rest of the group at risk. Smoking marijuana and opium is a part of local culture in some parts of the world but is not acceptable for our travellers. Our philosophy of travel is one of respect towards everyone we encounter and in particular the local people who make the world the special place it is. The exploitation of people in the sex trade is completely contrary to this philosophy. Our CEOs have the right to expel any member of the group if drugs are found in their possession or if they utilize the services of paid sex workers, in any capacity.

How should I dress to respect local customs during the tour?

In Italy, shoulders should be covered while visiting churches and cathedrals. Ask your CEO for more specific advice.

How old must I be to join this trip?

Minimum age of 18 years for this trip.

Are international flights included in this trip?

No, international flights are generally not included in the price of your tour.

However, on some combo tours travelling between two different countries, international flights are included as part of the itinerary and price of the tour. Please speak to your GCO or booking agent for further details.

In addition, check-in times and baggage allowances/restrictions vary by airline and can change at any time. For the most up-to-date information for your flight, please contact your airline. We recommend checking in online in advance to avoid potential delays at the airport.

What should LGBTQ+ travellers know about safety and travel considerations on this trip?

The safety and well-being of all of our travelers is a priority at G Adventures and that includes our travelers who identify as part of the LGBTQ+ community. We recognize that there are specific concerns and questions you may have about your adventure in terms of safety and security. We encourage you to visit our [LGBTQ+ page](#) for useful resources to ensure you feel safe and comfortable throughout the duration of your trip. The Equaldex tool linked on this page can be of particular help when deciding where you may want to visit next.
