Itinerary

Itinerary Notes

Luggage size restriction –
Effective from May 2020
onwards

All G Adventures tours in Japan use the world-famous Shinkansen bullet trains, which have a restriction on maximum luggage size. Your luggage must be less than 160cm in total. This is roughly the size that most airline companies consider as "carry-on baggage" and allow in overhead storage compartments.

We strongly recommend bringing a day pack or backpack to use during the day, in addition to your carry-on sized luggage. Please see "What to take" under Tour details for more information.

NOTE: Accommodations vary per departure and are subject to change until tour start date; they are not final and should be used as examples only. Travellers may login to the G Adventures App to view accommodations specific to their departure.

Day 1

Tokyo

Welcome to Japan's neon metropolis that's always on the move. Arrive to your starting hotel around 4:00 pm. There are no plans until the evening welcome meeting at 6:00 pm, so spend some time exploring. Then, after the meeting head out for a night of fun, drinks, and dancing for your first night out. Pick the best looking spot and cheers to new adventures and friends!

We highly recommend booking pre-accommodation to fully experience all that is Tokyo. There are no activities planned today until your evening welcome meeting. Please ensure you arrive on time for the welcome meeting and bring your passport so your CEO can collect the required information for your train tickets. Refer to your voucher for the most up to date welcome meeting time.

Is there a travel disclaimer for my itinerary I should review before booking this trip?

While it is our intention to adhere to the route described below, there is a certain amount of flexibility built into the itinerary and on occasion it may be necessary, or desirable to make alterations. The itinerary is brief, as we never know exactly where our journey will take us. Due to our style of travel and the regions we visit, travel can be unpredictable. The Trip Details document is a general guide to the tour and region and any mention of specific destinations or wildlife is by no means a guarantee that they will be visited or encountered. Aboard expedition trips visits to research stations depend on final permission.

Additionally, any travel times listed are approximations only and subject to vary due to local circumstances.

What important notes should I be aware of before the trip?

1. Combo Trip

Please note that this tour combines with other G Adventures tours. As such, the staff and some travel companions on your tour may have previously been traveling together with G Adventures, prior to Day 1 of your tour. Likewise, some staff and travel companions may be continuing together on another G Adventures tour, after your trip concludes.

2. Rail Pass

This tour doesn't include a Japan rail pass. You may notice members of your group booked on a longer combo tour will have a valid rail pass for a portion of your time together and that it grants them unlimited access to some forms of transport. If you're interested in exploring more of Japan with G Adventures, be sure to check out our 'Epic Japan' tour!

3. Multi-share Accommodation

18-to-Thirtysomethings accommodation in Japan is multi-share. For more information, see About Accommodation.

4. Tattoos

Tattoos are not common or widely accepted in Japan. There is no cause for concern, but do your best to cover your tattoos when possible and note that you may not be permitted to enter public spas or onsens (hot springs).

What is the group leader like?

All G Adventures group trips are accompanied by one of our Chief Experience Officers (CEO). The aim of the CEO is to take the hassle out of your travels and to help you have the best trip possible. They will provide information on the places you are travelling through, offer suggestions for things to do and see, recommend great local eating venues and introduce you to our local friends. While not being guides in the traditional sense you can expect them to have a broad general knowledge of the countries visited on the trip, including historical, cultural, religious and social aspects. We also use local guides where we think more specific knowledge will add to the enjoyment of the places we are visiting - we think it's the best of both worlds.

How large will the group be?

Max 16, avg 14.

What meals are included in this trip?

No meals included

What are the modes of transportation on my trip?

Local train, bullet train, bus, walking.

What transportation will we take on this trip?

Japan's reliable public transportation is the best option for both the environment and for experiencing Japan like a local! We will ride several forms of transportation throughout the country, from Shinkansen bullet trains, to subways, local trains, and buses. Note that often times we will have to carry our luggage from one mode of transport to another, so please consider this whilst packing.

Is there an extra cost for travelling solo?

We believe solo travellers should not have to pay more to travel so our group trips are designed for shared accommodation and do not involve a single supplement. Single travellers joining group trips are paired in twin or multi-share accommodation with someone of the same sex for the duration of the trip. Some of our Independent trips are designed differently and solo travellers on these itineraries must pay the single trip price.

Where will we stay during the trip?

Hostels (4 nts, multi-share & shared facilities), traditional inn (1 nt, multi share room and shared facilities).

What kind of accommodation can I expect on this trip?

Japan is one of the most populous countries in the world and space is at a premium. Therefore, hotel and hostel rooms are small. Additionally, some Japanese hotels do not have designating non-smoking rooms. Therefore, we ask hotels to deodorize rooms before check-in.

Accommodation will be varied throughout your adventure. Some nights on this tour will be multi-share. This may involve 4-6 group members sharing a room. The majority of accommodation will have shared bathroom facilities.

Where we use multi-share hostels, rooming requests of any kind cannot be taken. For private accommodation please see our Japan tours in our Classic Travel Style.

What are the joining instructions?

For details of your joining hotel please refer to your tour voucher, G Account, the G Adventures App or contact your travel agent.

If you would like to book an airport Arrival shuttle for your tour, please contact our Sales Team or your Travel Agent in advance of travel.

If you have paid in advance for an arrival shuttle, our driver will be waiting for you with a sign with the transfer company name "GREEN TOMATO" on it outside of the luggage hall. If for any reason you are not met at the airport, please call the Emergency Phone number: +81 90 1223 2336 or +81 80 6779 1851

Please note that day 1 is an arrival day and no activities have been planned on this day.

Upon arrival to your Joining Hotel (note that check-in time will be in the afternoon), look for a note or bulletin board in the reception with a note from your CEO. This note will give the details of your Welcome Meeting on day 1 (usually between 5pm and 7pm), where you will get a chance to meet your CEO and other travellers, as well as learn more about how the tour will run. If you don't see a note, please ask reception for details!

If you are arriving later and will miss the Welcome Meeting, your CEO will leave a note at reception for you with any information you may need, and with morning instructions for the next day.

What happens if I experience problems when arriving?

We don't expect any problems, and nor should you, but if for any reason you are unable to commence your trip as scheduled, please refer to the emergency contact details provided in this dossier and contact us as soon as possible. If you have a pre-booked transfer, and you have not made contact with our representative within 30 minutes of clearing customs and immigration, we recommend that you make your own way to the Starting Point hotel, following the Joining Instructions. Please apply to your travel agent on your return for a refund of the transfer cost if this occurs.

Who should I contact in case of an emergency?

Should you need to contact us during a situation of dire need, it is best to first call either the G Adventures Local Representative (if one is listed below) or our G Adventures Local Office. If for any reason you do not receive an immediate answer, please leave a detailed message and contact information, so they may return your call and assist you as soon as possible.

AIRPORT TRANSFER

If you have purchased an arrival through G Adventures or if an arrival transfer is included in the cost of your tour, please note that:

Are there any additional packing suggestions I should consider?

It's essential to pack as lightly as possible for rail travel in Japan. All G Adventures tours use the world-famous Shinkansen bullet trains, which have a restriction on maximum luggage size.

Any luggage brought on board must be less than 160cm in total (calculated as the sum of the height + width + depth of your luggage). This is roughly the size that most airline companies consider as "carry-on baggage" and allow in overhead storage compartments. We strongly recommend bringing a day pack or backpack to use during the day (for daily essentials like water, cameras, passport, etc.).

Please note that travellers who bring luggage that exceeds this restriction will be directly penalized by the Central Japan Railway Company. Any luggage between 160–250cm will require a fee of 1,000 JPY per luggage, for each leg of your train journey, and is strictly subject to availability. Any luggage over 251cm in total is prohibited on the Shinkansen trains.

If you absolutely must bring more than what fits into a single carry-on bag plus day pack, you may bring a second carry-on bag which also must be less than 160cm in total. Please note, however, that as with all G Adventures tours, you must be able to carry your luggage unassisted.

You will also be walking with your luggage in busy public train stations to catch connecting trains, so it is highly recommended that you travel light, have easy to handle luggage, and are capable of walking up and down the stairs with your luggage without any assistance. A large bag will be an inconvenience to you and slow you down!

We recommend keeping the weight of your bags between 10-15kg (22-30 lbs). Large suitcases are not recommended for G Adventures trips. We suggest travellers bring a rucksack or rolling bag of small to medium size. You will also need a day-pack to carry daily essentials like water, cameras, passport, etc.

Luggage Transfer - Japan's "takuhaibin" service is a convenient and reliable way to transfer luggage from one location to another throughout the country. Pick-up/drop-off/delivery dates and times can be easily scheduled (usually overnight) and costs are moderate. Service can be arranged at most hotels and airports. Using takuhaibin to send your luggage between hotels, or from hotel to airport, is a great way to travel light and avoid hauling large bags on crowded trains or up and down stairs - just be sure to pack an overnight bag with everything you'll need until you're reunited with your luggage the following day.

When can I do my laundry on this trip?

Laundry facilities are offered by some of our hotels but this is very expensive. Your leader can show you self service coin laundries in larger cities. There will be times when you may want to or have to do your own laundry so we suggest you bring non-polluting/biodegradable soap.

What are the visas and entry requirements for my trip?

All countries require a valid passport (with a minimum 6 months validity). Contact your local embassy or consulate for the most up-to-date visa requirements, or see your travel agent. It is your own responsibility to have the correct travel documentation. Visa requirements for your trip will vary depending on where you are from and where you are going. We keep the following information up to date as far as possible, but rules do change and sometimes without warning. While we provide the following information in good faith, it is vital that you check the information yourself and understand that you are fully responsible for your own visa requirements.

Visa information specific to your destination and nationality can be found in our Important Pre-Departure Information page [here](#)

What should I consider when planning my personal expenses and discretionary spending for this itinerary?

Every traveller is different and therefore spending money requirements will vary. Some travellers may drink more than others while other travellers like to purchase more souvenirs than most. Please consider your own spending habits when it comes to allowing for drinks, shopping and tipping. Please also remember the following specific recommendations when planning your trip.

What should I know about currency, credit cards, and exchanging money while on this tour?

As currency exchange rates in Asia fluctuate often we ask that you refer to the following website for daily exchange rates: www.xe.com.

Every Post Office and 7-11 Convenience store has an ATM machine that accepts Visa, Mastercard and Debit Cards. At times, Maestro/Master Card/Cirrus have been problematic at these machines, so please bring a back-up card.

Credit Cards should not be relied upon for purchases as they are not widely accepted, except in some restaurants and department stores. Money can be exchanged at Post Offices and some banks and hotels in major cities, however it can be a slow process.

How much emergency money should I bring on this trip?

Please also make sure you have access to at least an additional USD \$200 (or equivalent) as an 'emergency' fund, to be used when circumstances outside our control (ex. a natural disaster) require a change to our planned route. This is a rare occurrence!

Should I be tipping on my trip?

Tipping for service is not practiced in Japan. Leaving money at restaurants, in taxis etc will simply cause confusion.

Tipping within the travel industry is standard to recognize the guide for a great experience. Our CEOs work hard to make your trip special. If you're happy with their service, a tip of \$5-\$7 per day is a great way to say thanks, though the final amount is completely up to you.

Are there any health considerations I should know before travelling?

Please note inoculations may be required for the country visited. It is your responsibility to consult with your travel doctor for up-to-date medical travel information well before departure.

We recommend that you carry a First Aid kit, hand sanitizer/antibacterial wipes, and a full supply of any personal medications. Always carry your prescription medication in original packaging with your doctor's prescription and ensure your medication is legal in Japan. In Asia, you will not find the same drugs as you get at home. Please be aware that sometimes we are in remote areas and away from medical facilities. Also note that for legal reasons our CEOs (tour leaders) are prohibited from administering any type of drug including headache tablets, antibiotics, etc. When selecting your tour, carefully read the itinerary and note the physical demand rating and assess your ability to cope with the demands of the tour and travel style.

G Adventures reserves the right to exclude any traveller from all or part of a tour without refund if, in the reasonable opinion of the CEO, they are unable to complete the itinerary without undue risk to themselves and/or the rest of the group.

What do I need to know to about safety and security on my trip?

Many national governments provide a regularly updated advice service on safety issues involved with international travel. We recommend that you check your government's advice for their latest travel information before departure. We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewellery at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes, which is the most secure way of storing your valuables. A lock is recommended for securing your luggage. When travelling on a group trip, please note that your group leader has the authority to amend or cancel any part of the trip itinerary if it deemed necessary, due to safety concerns. Your Chief Experience Officer (CEO) will accompany you on all included activities. During your trip you will have some free time to pursue your own interests, relax and take it easy and explore at your leisure. While your CEO will assist you with options available in a given location, please note that any optional activities you undertake are not part of your itinerary, and we offer no representations about the safety of the activity or the standard of the operators running them. Please use your own good judgement when selecting an activity in your free time. Although the cities visited on tour are generally safe during the day, there can be risks to wandering throughout any major city at night. It is our recommendation to stay in small groups and to take taxis to and from restaurants, or during night time excursions.

Water based activities have an element of danger and excitement built into them. We recommend only participating in water based activities when accompanied by a guide(s). We make every reasonable effort to ensure the fun and adventurous element of any water based activities (in countries with varying degrees of operating standards), have a balanced approach to safety. It is our policy not to allow our CEOs to make arrangements on your behalf for water based activities that are not accompanied by guide(s).

Swimming, including snorkeling, is always at your own risk. [Read more about travel safety](#) for ways to further enhance your personal safety while traveling.

What rules should I know before joining this trip?

Illegal drugs will not be tolerated on any trips. Possessing or using drugs not only contravenes the laws of the land but also puts the rest of the group at risk. Smoking marijuana and opium is a part of local culture in some parts of the world but is not acceptable for our travellers. Our philosophy of travel is one of respect towards everyone we encounter and in particular the local people who make the world the special place it is. The exploitation of people in the sex trade is completely contrary to this philosophy. Our CEOs have the right to expel any member of the group if drugs are found in their possession or if they utilize the services of paid sex workers, in any capacity.

Is travel insurance required for my trip?

Travel insurance is compulsory in order to participate on any of our trips. When travelling on a group trip, you will not be permitted to join the group until evidence of travel insurance has been sighted by your leader, who will take note of your insurance details. When selecting a travel insurance policy we require that at a minimum you are covered for medical expenses including emergency evacuation and repatriation. A minimum coverage of USD200,000 is required. We strongly recommend that the policy also covers personal liability, cancellation, curtailment and loss of luggage and personal effects. Some tours include adventure activities that require extra coverage (e.g. crampon use); please review your itinerary and make sure that you are covered for all included activities. If you have credit card insurance we require proof of purchase of the trip (a receipt of credit card statement) with a credit card in your name. Contact your bank for details of their participating insurer, the level of coverage and emergency contact telephone number.
