All G Adventures tours in Japan use the world-famous Shinkansen bullet trains, which have a restriction on maximum luggage size. Your luggage must be less than 160cm in total. This is roughly the size that most airline companies consider as "carry-on baggage" and allow in overhead storage compartments.

We strongly recommend bringing a day pack or backpack to use during the day, in addition to your carry-on sized luggage. Please see "What to take" under Tour details for more information.

Climb the rolling hills of Huairou County at Mutianyu, one of the best-preserved sections of the Great Wall. Enjoy scenic views as the wall winds along mountain ridges, and take brag-worthy photos of the wall from any of the 22 towers. The Great wall is an incredible piece of engineering stretching 6000 km west from the mountain ridges north of Beijing. It was originally constructed to protect Chinese empires from nomadic northern tribes, and even though it failed in this purpose, it's still one of the country's most remarkable achievements and an iconic destination. The Mutianyu section of the Great Wall is located about 80km away from the Beijing City Center. The walk is approximately 5 kilometres and will take 2 to 3 hours depending on your level of fitness.

Day 3

Beijing/Xi'an

Take the Beijing metro to visit the Forbidden City. Later, board a fast train to Xi'an.

Due to restrictions in China after the pandemic, the maximum daily capacity in the Forbidden City has been reduced from 80,000 to 30,000. This significant decrease in daily tickets has had a great impact on availability for both individuals and group tours to secure tickets, especially during the summer season. Our local team works very hard to secure tickets for each group. However, on the off chance we are unable to secure tickets to the Forbidden City, we will visit the Summer Palace and the Temple of Heaven, places of similar architecture and importance.

Are local flights included in the cost of the trip?

Please be advised that any flights noted on the G Adventures Itinerary for this tour are included in the tour services provided. Flight tickets are provided by G Adventures during the tour. The date for this service will match the day of the itinerary, for which Day 1 is equal to the start date noted on the Invoice under Land Services: Tour. If flight information is required in advance for visa purposes, please contact G Adventures.

Is there an extra cost for travelling solo?

We believe single travellers should not have to pay more to travel so our group trips are designed for shared accommodation and do not involve a single supplement. Single travellers joining group trips are paired in twin or multi-share accommodation with someone of the same sex for the duration of the trip. Some of our Independent trips are designed differently and single travellers on these itineraries must pay the single trip price.

Where will we stay during the trip?

Hotels (12 nts), mountain monastery (1 nt, shared facilities), traditional inn (1 nt, shared facilities), overnight train (1nt)

Do any exceptions apply to Rooming or “My Own Room” on my tour?

Night 4 (overnight train)

What should I expect from the accommodations on this trip?

JAPAN:

Ryokan are traditional inns found across Japan. Featuring tatami floors (soft mats of woven straw), futon beds, Japanese-style baths, cotton kimono (casual robe worn to lounge around or to head to the bath), and elaborate meals (often served in the comfort of your own room), a ryokan is the perfect place to experience traditional customs and hospitality. As ryokan are usually top tier accommodations, most guests stay only one night, often to celebrate a special occasion or holiday. Don't be intimidated by the formalities inherent to a stay at a ryokan, your hosts will welcome you the same way they do all their guests. Have fun and enjoy this relaxing opportunity to learn more about Japan's unique customs.

Minshuku are Japan's answer to the Western bed and breakfast. Similar to ryokan, they have traditional features like tatami floors, futon beds, and Japanese-style baths. Minshuku are often family-run, and as such they offer a great opportunity to interact with local people and learn more about the nation's customs. More affordable and simpler than ryokan, minshuku tend to have smaller guestrooms, shared bathroom facilities, and any included meals (traditional, local, and delicious) are served in a communal dining room.

Please note that some of the traditional Japanese inns used on this tour only offer shared bathing facilities. This means that individual shower stalls will not be available, instead several shower stations are available in an open, same-sex bathing area. Shared bathhouses and onsen (hot springs) are an essential part of Japan's culture, traditionally serving as a place for men or women to gather, relax, and discuss the day's happenings.

What are the packing guidelines and luggage restrictions?

It's essential to pack as lightly as possible for rail travel in Japan. All G Adventures tours use the world-famous Shinkansen bullet trains, which have a restriction on maximum luggage size.

Any luggage brought on board must be less than 160cm in total (calculated as the sum of the height + width + depth of your luggage). This is roughly the size that most airline companies consider as "carry-on baggage" and allow in overhead storage compartments. We strongly recommend bringing a day pack or backpack to use during the day (for daily essentials like water, cameras, passport, etc.).

Please note that travellers who bring luggage that exceeds this restriction will be directly penalized by the Central Japan Railway Company. Any luggage between 160–250cm will require a fee of 1,000 JPY per luggage, for each leg of your train journey, and is strictly subject to availability. Any luggage over 251cm in total is prohibited on the Shinkansen trains.

If you absolutely must bring more than what fits into a single carry-on bag plus day pack, you may bring a second carry-on bag which also must be less than 160cm in total. Please note, however, that as with all G Adventures tours, you must be able to carry your luggage unassisted.

As a rule we try not to have to walk more than 15-20 minutes with your bags which is why we recommend keeping the weight of your bags between 10-15kg/22-30lb. Suitcases are not recommended for G Adventures trips! Most travellers carry a backpack or rolling bag of small to medium size (no XXL ones please!) as they need to fit under the beds when travelling on sleeper trains. You will also need a day pack/bag to carry water, cameras and other electronics like ipods and mobile phones.

Do not bring any knives or swords into China (gifts or otherwise). If they do make it into the country, they will not be permitted on trains. If you purchase a knife or sword while travelling elsewhere before arriving in China your best option is to post/mail it home before entering the country as no post/mail companies in China will accept it as a parcel.

Takuhaibin - Japan's takuhaibin service is a convenient and reliable way to transfer luggage from one location to another throughout the country. Pick-up/drop-off/delivery dates and times can be easily scheduled (usually overnight) and costs are moderate. Service can be arranged at most hotels and airports. Using Takuhaibin to send your luggage between hotels, or from hotel to airport, is a great way to travel light and avoid hauling large bags on crowded trains or up and down stairs – just be sure to pack an overnight bag with everything you'll need until you're reunited with your luggage the following day.

Where can I do my laundry on this trip?

Laundry facilities are offered by some of our hotels for a charge. There will be times when you may want to or have to do your own laundry so we suggest you bring non-polluting/biodegradable soap.

What are the visas and entry requirements for my trip?

All countries require a valid passport (with a minimum 6 months validity). Contact your local embassy or consulate for the most up-to-date visa requirements, or see your travel agent. It is your own responsibility to have the correct travel documentation. Visa requirements for your trip will vary depending on where you are from and where you are going. We keep the following information up to date as far as possible, but rules do change and sometimes without warning. While we provide the following information in good faith, it is vital that you check the information yourself and understand that you are fully responsible for your own visa requirements.

Visa information specific to your destination and nationality can be found in our Important Pre-Departure Information page [here](#)

Please note that visas are the responsibility of the individual traveller. The visa requirements for your trip vary depending on where you are from and where you are going. We keep the following information up to date as much as possible, but rules do change. It is important that you check for yourself with the embassy of each country. Your travel agent can assist. Please, keep in mind that all countries require passports valid for at least 6 months from the moment of departure from the country.

CHINA:

If you require a visa to enter China, you may also need an official Letter Of Invitation (LOI) before you can apply for your Chinese visa. If you require a Letter of Invitation (LOI) to apply for a Chinese visa, please fill out & submit the following request [form](#)

You can obtain the LOI through our visa support agent in China. The visa support link you need to complete will be sent to you or your travel agent by email when you confirm your booking. You must read the instructions carefully and fill out all the details.

Please ensure that you list the same details as appear on your LOI when filling out your Chinese Visa Application form.

HOW TO FILL IN CHINA LOI FORM ONLINE:

As Chinese visas are dated specifically for entry and exit, please ensure you enter the correct dates as per your flights entering and exiting China. Please remember to put exactly the same dates when you fill out the application at the Chinese embassy. You will need to provide additional documentation to the consulate (i.e. flights tickets, hotel reservations) if these dates fall outside the duration of the tour.

Please do not submit the below application until 3 months prior to your entry into China. The details will be forwarded to our local agent in China and your Letter of Invitation (LOI) will be issued within 10 business days of receipt.

Letter of Invitations (LOI) will be issued as a matter of priority based on the number of days from departure.

Once you have received your LOI you can apply for your visa by going to the nearest Chinese embassy. Please, remember that it is your responsibility to check whether passport details, name spelling and dates on the LOI are correct.

You must print out the full set of application forms including the 'Confirmation of Online Visa application' and 'Visa Application Form of the People's Republic of China'. All pages of each form must be printed out. The signature and date on the Confirmation Page and the 8th page of Visa Application Form of the People's Republic of China must be handwritten by the applicant themselves. Visa applicants under the age of 18 must be signed by their guardian while also adding a handwritten signature in the 'For person filling in the application on the applicant's behalf'.

IMPORTANT: if you require a visa for China and plan to travel within 3 months of your entry into China, we strongly recommend that you avoid travel outside of your home country during the period between your visa application up until the time your visa is approved. In many cases, travellers who apply for a visa to China while in another country outside of their home country, will be denied their visa.

Travellers must have at least two blank passport pages available for each country they will visit on your tour. These are required for entry & exit stamps.

Where can I read detailed notes about this trip?

China has emerged as a great tourist destination in the last ten years and is an intriguing and rewarding destination to visit. Developing at a fast rate, travel is becoming easier for foreigners but please be aware that English is still not widely spoken outside the large cities and that accommodation, toilet facilities and some transportation is not yet at the same level as you would expect in developed countries. If you are able to bring with you a lot of patience, a great sense of humour and a willingness to try and interact with the local people, your travel experience will be greatly enhanced.

Due to Internet restrictions, some popular websites and applications – including social media sites like Facebook and email services like Gmail – may not work in China. If you think these restrictions may affect you, we suggest you do research before your departure in order to be prepared. Bear in mind the availability of websites and apps can change without notice at any time.

What should I consider when planning my personal expenses and discretionary spending for this itinerary?

Every traveller is different and therefore spending money requirements will vary. Some travellers may drink more than others while other travellers like to purchase more souvenirs than most. Please consider your own spending habits when it comes to allowing for drinks, shopping and tipping. Please also remember the following specific recommendations when planning your trip.

What should I know about currency, credit cards, and exchanging money while on this tour?

As currency exchange rates in Asia fluctuate often we ask that you refer to the following website for daily exchange rates: www.xe.com.

As of April 2024 the exchange rate for China was 1 USD = 7.25 CNY (Chinese Yuan).

Although the most common payment methods in China are apps such as WeChat Pay and Alipay, we strongly recommend carrying some cash as a backup, since credit cards or mobile apps may not always work. We also suggest setting up either WeChat Pay or Alipay on your device before arriving in China. We strongly suggest setting up either Wechat or Alipay on your device prior to coming to China. This will require you link a credit or debit card to these apps and also set up a data roaming package to use in China so that you can make payments locally. Please check the terms and conditions carefully when you set up account and payment. Credit cards may work with big vendors in first tier cities like Beijing, Shanghai or Hong Kong but it's not guaranteed and less likely to work in other cities or towns and small vendors.

Credit Cards are widely accepted throughout Japan, but some places still only accept cash. Money can be exchanged at Post Offices and some banks and hotels in major cities, however it can be a very slow process. Every Post Office and Convenience store has an ATM machine that accepts Visa, Mastercard and Debit Cards. At times, Maestro/Master Card/Cirrus have been problematic at these machines, so please bring a back-up card.

What emergency funds do I need access to on this trip?

Please also make sure you have access to at least an additional USD \$200 (or equivalent) as an 'emergency' fund, to be used when circumstances outside our control (ex. a natural disaster) require a change to our planned route. This is a rare occurrence!

Do I need to pay a departure tax?

Departure Tax is included in all International and Domestic tickets in China, Thailand & Vietnam.

What are the tipping guidelines for this trip?

Traditionally in China tipping is not expected and thus there is no need to tip in restaurants and your general interaction with locals; however, tipping is customary - though not compulsory - in the tourism industry and not only shows an expression of satisfaction it may also be of considerable significance to the people who will take care of you during your travels.

Tipping for service is not practiced in Japan. Leaving money at restaurants, in taxis etc will simply cause confusion.

Tipping within the travel industry is standard to recognize the guide for a great experience. Our CEOs work hard to make your trip special. If you're happy with their service, a tip of \$5-\$7 per day is a great way to say thanks, though the final amount is completely up to you.

There are times during the trip where there is opportunity to tip the local guides or drivers we use. You may do this individually, or your CEO may offer to collect the money and tip as a group.

Recommendations for tipping drivers and local guides would range from 1 to 3 USD per person per day depending on the quality and length of the service; ask your CEO for specific recommendations based on the circumstances and culture. A suggestion would be for each group member to contribute anonymously by putting their tip into an envelope. This often works the best and the group as a whole should gather to present the gift to the recipient(s), offering their thanks and showing their appreciation. This method brings the action out into the open, allowing for a friendly and appreciative interaction between the group and the recipient(s).

What activities are optional on this trip?

Are there any health considerations I should know before travelling?

Please note inoculations may be required for the country visited. It is your responsibility to consult with your travel doctor for up-to-date medical travel information well before departure.

We recommend that you carry a First Aid kit, hand sanitizer/antibacterial wipes, and a full supply of any personal medications. Always carry your prescription medication in original packaging with your doctor's prescription and ensure your medication is legal in Japan. In Asia, you will not find the same drugs as you get at home. Please be aware that sometimes we are in remote areas and away from medical facilities. Also note that for legal reasons our CEOs (tour leaders) are prohibited from administering any type of drug including headache tablets, antibiotics, etc. When selecting your tour, carefully read the itinerary and note the physical demand rating and assess your ability to cope with the demands of the tour and travel style.

G Adventures reserves the right to exclude any traveller from all or part of a tour without refund if, in the reasonable opinion of the CEO, they are unable to complete the itinerary without undue risk to themselves and/or the rest of the group.

What general safety tips and free-time guidelines should I follow?

Many national governments provide a regularly updated advice service on safety issues involved with international travel. We recommend that you check your government's advice for their latest travel information before departure. We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewellery at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes, which is the most secure way of storing your valuables. A lock is recommended for securing your luggage. When travelling on a group trip, please note that your CEO has the authority to amend or cancel any part of the trip itinerary if it is deemed necessary due to safety concerns. Your CEO will accompany you on all included activities. During your trip you will have some free time to pursue your own interests, relax and take it easy or explore at your leisure. While your CEO will assist you with options available in a given location please note that any optional activities you undertake are not part of your itinerary, and we offer no representations about the safety of the activity or the standard of the operators running them. Please use your own good judgment when selecting an activity in your free time. Although the cities visited on tour are generally safe during the day, there can be risks to wandering throughout any major city at night. It is our recommendation to stay in small groups and to take taxis to and from restaurants, or during night time excursions.

Protests and Demonstrations- Protests and demonstrations, even those that are well intended, have the potential to turn violent with no warning. Counter protests can also turn violent. Action by security forces to disperse demonstrators and protesters may occur at any time. If you are in an area where demonstrators or protesters are gathering, avoid the temptation of staying for a good photo opportunity and leave the area immediately.

Water based activities have an element of danger and excitement built into them. We recommend only participating in water based activities when accompanied by a guide(s). We make every reasonable effort to ensure the fun and adventurous element of any water based activities (in countries with varying degrees of operating standards) have a balanced approach to safety. It is our policy not to allow our CEOs to make arrangements on your behalf for water based activities that are not accompanied by guide(s).

Swimming, including snorkeling, is always at your own risk.

We take all prudent measures in relation to your safety. For ways to further enhance your personal safety while traveling, please visit:

www.gadventures.com/travel-resources/safety/

Are there any specific safety considerations for this itinerary?

We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewellery at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes which is the most secure way of storing your valuables. A lock is recommended for securing your luggage.

What are the mandatory group rules regarding laws and behaviour?

Illegal drugs will not be tolerated on any trips. Possessing or using drugs not only contravenes the laws of the land but also puts the rest of the group at risk. Smoking marijuana and opium is a part of local culture in some parts of the world but is not acceptable for our travellers. Our philosophy of travel is one of respect towards everyone we encounter, and in particular the local people who make the world the special place it is. The exploitation of prostitutes is completely contrary to this philosophy. Our CEOs have the right to expel any member of the group if drugs are found in their possession or if they use prostitutes.

What are the mandatory travel insurance requirements for this trip?

Travel Insurance: Travel insurance is compulsory in order to participate on any of our trips. When travelling on a group trip, you will not be permitted to join the group until evidence of travel insurance has been sighted by your CEO, who will take note of your insurance details. When selecting a travel insurance policy please bear in mind that all clients must have medical coverage and that we require a minimum coverage of USD 200,000 for repatriation and emergency rescue. We strongly recommend that the policy also covers personal liability, cancellation, curtailment and loss of luggage and personal effects. If you have credit card insurance we require proof of purchase of the trip (a receipt of credit card statement) with a credit card in your name. Contact your bank for details of their participating insurer, the level of coverage and emergency contact telephone number.

Make every day count by donating \$1/day for the length of your trip, and join us in empowering the communities you will visit when you travel. 100% of your donation goes directly to Planeterra projects.

How should I dress to respect local customs during the tour?

In Asia the dress standard is more conservative than it is back home. When packing try to pick loose, lightweight, long clothing that will keep you cool in the usually hot and humid climate of Asian summers. In predominately Buddhist countries we ask that you dress respectfully and avoid very short shorts/skirts and singlets/tanktops when visiting temples or mosques or other holy sites.
