Enjoy scenic views as the wall winds along mountain ridges, and take brag-worthy photos of the wall from any of the 22 towers. The Great wall is an incredible piece of engineering stretching 6000 km west from the mountain ridges north of Beijing. It was originally constructed to protect Chinese empires from nomadic northern tribes, and even though it failed in this purpose, it's still one of the country's most remarkable achievements and an iconic destination. The Mutianyu section of the Great Wall is located about 80km away from the Beijing City Center. The walk is approximately 5 kilometres and will take 2 to 3 hours depending on your level of fitness.

Take the Beijing metro to visit the Forbidden City. Later, board a fast train to Xi'an.

Due to restrictions in China after the pandemic, the maximum daily capacity in the Forbidden City has been reduced from 80,000 to 30,000. This significant decrease in daily tickets has had a great impact on availability for both individuals and group tours to secure tickets, especially during the summer season. Our local team works very hard to secure tickets for each group. However, on the off chance we are unable to secure tickets to the Forbidden City, we will visit the Summer Palace and the Temple of Heaven, places of similar architecture and importance.

Eating is a big part of traveling. Travelling with G Adventures you experience the vast array of wonderful food that is available out in the world. Generally meals are not included in the trip price when there is a choice of eating options, to give you the maximum flexibility in deciding where, what and with whom to eat. It also gives you more budgeting flexibility, though generally food is cheap. Our groups tend to eat together to enable you to taste a larger variety of dishes and enjoy each other's company. There is no obligation to do this though. Your CEO will be able to suggest favourite restaurants during your trip. While trekking in remote regions, food is included, plentiful and made of fresh local ingredients. For all trips, please refer to the meals included and budget information.

What are the modes of transportation on my trip?

Bullet Train, Local Train, Metro, Private Vehicle.

What transportation will we take on this trip?

Prohibited items on China's trains and metro:

1. Any knives or scissors
2. Items or food that have an unpleasant odour (ex. Durian)
3. Open liquor bottles (new bottles with the seal intact are okay)
4. Pressurized/flammable containers over 120ml in size (ex. sunscreen spray, mosquito repellent spray, hairspray, etc.)

2. Self-heating food items (self-heating hot pot, rice, etc.)
3. As well as everything on the previous list above

Are local flights included in the cost of the trip?

All local flights are included in the cost of your tour unless otherwise noted. It is important that we have your passport information at the time of booking in order to process these tickets. Internal flight tickets are issued locally and will be given to you prior to the flight departure.

Is there an extra cost for travelling solo?

We believe solo travellers should not have to pay more to travel so our group trips are designed for shared accommodation and do not involve a single supplement. Single travellers joining group trips are paired in twin or multi-share accommodation with someone of the same sex for the duration of the trip. Some of our Independent trips are designed differently and solo travellers on these itineraries must pay the single trip price.

Where will we stay during the trip?

Hotels (12 nts), temple (1 nt).

Do any exceptions apply to Rooming or “My Own Room” on my tour?

Night 10

What kind of accommodation can I expect on this trip?

ACCOMMODATION NOTE:

Please be aware that properties we stay in with only two stories may not have elevators installed and climbing the stairs with your luggage will be necessary.

What are the joining instructions?

For details of your joining hotel please refer to your tour voucher, G Account, the G Adventures App or contact your travel agent.

If you would like to book an airport Arrival transfer for your tour, please contact our Sales Team or your Travel Agent in advance of travel.

If you have paid in advance for an arrival transfer, a G Adventures representative will be at the airport to meet you. If for any reason you are not met at the airport, please call our local support line. If you are unable to make contact for whatever reason, please make your way to the joining point hotel via taxi.

Please note that day 1 is an arrival day and no activities have been planned on this day.

Upon arrival to your Joining Hotel (note that check-in time will be in the afternoon), look for a note or bulletin board in the reception with a note from your CEO. This note will give the details of your Welcome Meeting on day 1 (usually between 5pm and 7pm), where you will get a chance to meet your CEO and other travellers, as well as learn more about how the tour will run. If you don't see a note, please ask reception for details!

If you are arriving later and will miss the Welcome Meeting, your CEO will leave a note at reception for you with any information you may need, and with morning instructions for the next day.

What happens if I experience problems when arriving?

We don't expect any problems, and nor should you, but if for any reason you are unable to commence your trip as scheduled, please refer to the emergency contact details provided in this dossier and contact us as soon as possible. If you have a pre-booked transfer, and you have not made contact with our representative within 30 minutes of clearing customs and immigration, we recommend that you make your own way to the Starting Point hotel, following the Joining Instructions. Please apply to your travel agent on your return for a refund of the transfer cost if this occurs.

Who should I contact in case of an emergency?

Should you need to contact us during a situation of dire need, it is best to first call either the G Adventures Local Representative (if one is listed below) or our G Adventures Local Office. If for any reason you do not receive an immediate answer, please leave a detailed message and contact information, so they may return your call and assist you as soon as possible.

Are there any additional packing suggestions I should consider?

We suggest that you pack as lightly as possible as you are expected to carry your own luggage. Our trips in South Korea use some public transport and most will have limited luggage storage space.

You will also be walking with your luggage in busy public train stations to catch connecting trains, so it is highly recommended that you travel light and have easy to handle luggage and capable of walking up and down the stairs with your luggage without any assistance. A large bag will be an inconvenience to you and will slow you down.

We recommend keeping the weight of your bags between 10-15kg/22-30lb. Suitcases are not recommended for G Adventures trips. Most travellers carry a backpack or rolling bag of small to medium size. You will also need a day-pack/rucksack to carry daily essentials like water, cameras, passport, i-pods etc.

Do not bring any knives or swords into China (gifts or otherwise). If they do make it into the country, they will not be permitted on trains. If you purchase a knife or sword while travelling elsewhere before arriving in China your best option is to post/mail it home before entering the country as no post/mail companies in China will accept it as a parcel.

What are the visas and entry requirements for my trip?

All countries require a valid passport (with a minimum 6 months validity). Contact your local embassy or consulate for the most up-to-date visa requirements, or see your travel agent. It is your own responsibility to have the correct travel documentation. Visa requirements for your trip will vary depending on where you are from and where you are going. We keep the following information up to date as far as possible, but rules do change and sometimes without warning. While we provide the following information in good faith, it is vital that you check the information yourself and understand that you are fully responsible for your own visa requirements.

Visa information specific to your destination and nationality can be found in our Important Pre-Departure Information page [here](#)

Please note that visas are the responsibility of the individual traveller. The visa requirements for your trip vary depending on where you are from and where you are going. We keep the following information up to date as much as possible, but rules do change. It is important that you check for yourself with the embassy of each country. Your travel agent can assist. Please, keep in mind that all countries require passports valid for at least 6 months from the moment of departure from the country.

CHINA:

If you require a visa to enter China, you may also need an official Letter Of Invitation (LOI) before you can apply for your Chinese visa. If you require a Letter of Invitation (LOI) to apply for a Chinese visa, please fill out & submit the following request [form](#)

You can obtain the LOI through our visa support agent in China. The visa support link you need to complete will be sent to you or your travel agent by email when you confirm your booking. You must read the instructions carefully and fill out all the details.

Please ensure that you list the same details as appear on your LOI when filling out your Chinese Visa Application form.

HOW TO FILL IN CHINA LOI FORM ONLINE:

As Chinese visas are dated specifically for entry and exit, please ensure you enter the correct dates as per your flights entering and exiting China. Please remember to put exactly the same dates when you fill out the application at the Chinese embassy. You will need to provide additional documentation to the consulate (i.e. flights tickets, hotel reservations) if these dates fall outside the duration of the tour.

Please do not submit the below application until 3 months prior to your entry into China. The details will be forwarded to our local agent in China and your Letter of Invitation (LOI) will be issued within 10 business days of receipt.

Letter of Invitations (LOI) will be issued as a matter of priority based on the number of days from departure.

Once you have received your LOI you can apply for your visa by going to the nearest Chinese embassy. Please, remember that it is your responsibility to check whether passport details, name spelling and dates on the LOI are correct.

You must print out the full set of application forms including the 'Confirmation of Online Visa application' and 'Visa Application Form of the People's Republic of China'. All pages of each form must be printed out. The signature and date on the Confirmation Page and the 8th page of Visa Application Form of the People's Republic of China must be handwritten by the applicant themselves. Visa applicants under the age of 18 must be signed by their guardian while also adding a handwritten signature in the 'For person filling in the application on the applicant's behalf'.

IMPORTANT: if you require a visa for China and plan to travel within 3 months of your entry into China, we strongly recommend that you avoid travel outside of your home country during the period between your visa application up until the time your visa is approved. In many cases, travellers who apply for a visa to China while in another country outside of their home country, will be denied their visa.

Travellers must have at least two blank passport pages available for each country they will visit on your tour. These are required for entry & exit stamps.

Where can I read detailed notes about this trip?

China has emerged as a great tourist destination in the last ten years and is an intriguing and rewarding destination to visit. Developing at a fast rate, travel is becoming easier for foreigners but please be aware that English is still not widely spoken outside the large cities and that accommodation, toilet facilities and some transportation is not yet at the same level as you would expect in developed countries. If you are able to bring with you a lot of patience, a great sense of humour and a willingness to try and interact with the local people, your travel experience will be greatly enhanced.

Due to Internet restrictions, some popular websites and applications – including social media sites like Facebook and email services like Gmail – may not work in China. If you think these restrictions may affect you, we suggest you do research before your departure in order to be prepared. Bear in mind the availability of websites and apps can change without notice at any time.

What should I consider when planning my personal expenses and discretionary spending for this itinerary?

Every traveller is different and therefore spending money requirements will vary. Some travellers may drink more than others while other travellers like to purchase more souvenirs than most. Please consider your own spending habits when it comes to allowing for drinks, shopping and tipping. Please also remember the following specific recommendations when planning your trip.

What should I know about currency, credit cards, and exchanging money while on this tour?

As currency exchange rates in Asia fluctuate often we ask that you refer to the following website for daily exchange rates: www.xe.com.

ATMs are available in most places and typically accept Visa, Mastercard and Debit Card. However, it's likely that not all machines will be available or will work with your card. It's best to come with USD cash as well to be able to exchange money when necessary. A variety of payment options is recommended.

In South Korea, Credit Cards should not be relied upon for purchases as they are not widely accepted, except in some restaurants and department stores.

As of April 2024 the exchange rate for China was 1 USD = 7.25 CNY (Chinese Yuan).

Although the most common payment methods in China are apps such as WeChat Pay and Alipay, we strongly recommend carrying some cash as a backup, since credit cards or mobile apps may not always work. We also suggest setting up either WeChat Pay or Alipay on your device before arriving in China. We strongly suggest setting up either Wechat or Alipay on your device prior to coming to China. This will require you link a credit or debit card to these apps and also set up a data roaming package to use in China so that you can make payments locally. Please check the terms and conditions carefully when you set up account and payment. Credit cards may work with big vendors in first tier cities like Beijing, Shanghai or Hong Kong but it's not guaranteed and less likely to work in other cities or towns and small vendors.

How much emergency money should I bring on this trip?

Please also make sure you have access to at least an additional USD \$200 (or equivalent) as an 'emergency' fund, to be used when circumstances outside our control (ex. a natural disaster) require a change to our planned route. This is a rare occurrence!

Should I be tipping on my trip?

Traditionally in China tipping is not expected and thus there is no need to tip in restaurants and your general interaction with locals; however, tipping is customary - though not compulsory - in the tourism industry and not only shows an expression of satisfaction it may also be of considerable significance to the people who will take care of you during your travels. There are times during the trip where there is opportunity to tip the local guides or drivers we use. You may do this individually, or your CEO may offer to collect the money and tip as a group.

Recommendations for tipping drivers and local guides would range from 1 to 3 USD per person per day depending on the quality and length of the service; ask your CEO for specific recommendations based on the circumstances and culture. A suggestion would be for each group member to contribute anonymously by putting their tip into an envelope. This often works the best and the group as a whole should gather to present the gift to the recipient(s), offering their thanks and showing their appreciation. This method brings the action out into the open, allowing for a friendly and appreciative interaction between the group and the recipient(s).

Also at the end of each trip if you felt your G Adventures CEO did an outstanding job tipping is appreciated. The amount is entirely a personal preference, however as a guideline \$5 USD per person per day can be used.

What do I need to know to about safety and security on my trip?

Many national governments provide a regularly updated advice service on safety issues involved with international travel. We recommend that you check your government's advice for their latest travel information before departure. We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewellery at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes, which is the most secure way of storing your valuables. A lock is recommended for securing your luggage. When travelling on a group trip, please note that your group leader has the authority to amend or cancel any part of the trip itinerary if it deemed necessary, due to safety concerns. Your Chief Experience Officer (CEO) will accompany you on all included activities. During your trip you will have some free time to pursue your own interests, relax and take it easy and explore at your leisure. While your CEO will assist you with options available in a given location, please note that any optional activities you undertake are not part of your itinerary, and we offer no representations about the safety of the activity or the standard of the operators running them. Please use your own good judgement when selecting an activity in your free time. Although the cities visited on tour are generally safe during the day, there can be risks to wandering throughout any major city at night. It is our recommendation to stay in small groups and to take taxis to and from restaurants, or during night time excursions.

Water based activities have an element of danger and excitement built into them. We recommend only participating in water based activities when accompanied by a guide(s). We make every reasonable effort to ensure the fun and adventurous element of any water based activities (in countries with varying degrees of operating standards), have a balanced approach to safety. It is our policy not to allow our CEOs to make arrangements on your behalf for water based activities that are not accompanied by guide(s).

Swimming, including snorkeling, is always at your own risk. [Read more about travel safety](#) for ways to further enhance your personal safety while traveling.

What rules should I know before joining this trip?

Illegal drugs will not be tolerated on any trips. Possessing or using drugs not only contravenes the laws of the land but also puts the rest of the group at risk. Smoking marijuana and opium is a part of local culture in some parts of the world but is not acceptable for our travellers. Our philosophy of travel is one of respect towards everyone we encounter and in particular the local people who make the world the special place it is. The exploitation of people in the sex trade is completely contrary to this philosophy. Our CEOs have the right to expel any member of the group if drugs are found in their possession or if they utilize the services of paid sex workers, in any capacity.

Is travel insurance required for my trip?

Travel Insurance: Travel insurance is compulsory in order to participate on any of our trips. When travelling on a group trip, you will not be permitted to join the group until evidence of travel insurance has been sighted by your CEO, who will take note of your insurance details. When selecting a travel insurance policy please bear in mind that all clients must have medical coverage and that we require a minimum coverage of USD 200,000 for repatriation and emergency rescue. We strongly recommend that the policy also covers personal liability, cancellation, curtailment and loss of luggage and personal effects. If you have credit card insurance we require proof of purchase of the trip (a receipt of credit card statement) with a credit card in your name. Contact your bank for details of their participating insurer, the level of coverage and emergency contact telephone number.

Make every day count by donating \$1/day for the length of your trip, and join us in empowering the communities you will visit when you travel. 100% of your donation goes directly to Planeterra projects.

How should I dress to respect local customs during the tour?

In Asia the dress standard is more conservative than it is back home. When packing try to pick loose, lightweight, long clothing that will keep you cool in the usually hot and humid climate of Asian summers. In predominately Buddhist countries we ask that you dress respectfully and avoid very short shorts/skirts and singlets/tanktops when visiting temples or other holy sites.

What should LGBTQ+ travellers know about safety and travel considerations on this trip?

The safety and well-being of all of our travelers is a priority at G Adventures and that includes our travelers who identify as part of the LGBTQ+ community. We recognize that there are specific concerns and questions you may have about your adventure in terms of safety and security.
