Due to restrictions in China after the pandemic, the maximum daily capacity in the Forbidden City has been reduced from 80,000 to 30,000. This significant decrease in daily tickets has had a great impact on availability for both individuals and group tours to secure tickets, especially during the summer season. Our local team works very hard to secure tickets for each group. However, on the off chance we are unable to secure tickets to the Forbidden City, we will visit the Summer Palace and the Temple of Heaven, places of similar architecture and importance.

Aboard expedition trips visits to research stations depend on final permission.

As we use (sometimes crowded) local transport please note backpacks are much more suitable than suitcases for this style of trip. Train travel means that bags have to be stowed either overhead or under beds, so travelling as light as possible is recommended.

4. As of June 28, 2025, Chinese Aviation Authorities have tightened safety rule following several onboard fire incidents linked to uncertified power bank portable chargers. Passengers will no longer be allowed to bring power banks that lack the official China Compulsory Certification (CCC) mark. Any portable chargers without the CCC mark will be confiscated on domestic flights within China.

What is the group leader like?

All G Adventures group trips are accompanied by one of our Chief Experience Officers (CEO). The aim of the CEO is to take the hassle out of your travels and to help you have the best trip possible. They will provide information on the places you are travelling through, offer suggestions for things to do and see, recommend great local eating venues and introduce you to our local friends. While not being guides in the traditional sense you can expect them to have a broad general knowledge of the countries visited on the trip, including historical, cultural, religious and social aspects. We also use local guides where we think more specific knowledge will add to the enjoyment of the places we are visiting- we think it's the best of both worlds.

How large will the group be?

Max 16, avg 14

What meals are included in this trip?

2 breakfasts, 3 lunches, 4 dinners

What are the modes of transportation on my trip?

Train, private vehicle, walking, plane, cyclo.

Is there an extra cost for travelling solo?

We believe solo travellers should not have to pay more to travel so our group trips are designed for shared accommodation and do not involve a single supplement. Single travellers joining group trips are paired in twin or multi-share accommodation with someone of the same sex for the duration of the trip. Some of our Independent trips are designed differently and solo travellers on these itineraries must pay the single trip price.

Where will we stay during the trip?

Hotel (18nts)

Do any exceptions apply to Rooming or “My Own Room” on my tour?

Night 3 (overnight train)

What are the joining instructions?

For details of your joining hotel please refer to your tour voucher, G Account, the G Adventures App or contact your travel agent.

If you would like to book an airport Arrival transfer for your tour, please contact our Sales Team or your Travel Agent in advance of travel.

If you have paid in advance for an arrival transfer, a G Adventures representative will be at the airport to meet you. If for any reason you are not met at the airport, please call our local support line. If you are unable to make contact for whatever reason, please make your way to the joining point hotel via taxi.

If you have not pre-booked an arrival transfer with G Adventures, you can take the subway or the Airport Express Train.

Please note that day 1 is an arrival day and no activities have been planned on this day.

Upon arrival to your Joining Hotel (note that check-in time will be in the afternoon), look for a note or bulletin board in the reception with a note from your CEO. This note will give the details of your Welcome Meeting on day 1 (usually between 5pm and 7pm), where you will get a chance to meet your CEO and other travellers, as well as learn more about how the tour will run. If you don't see a note, please ask reception for details!

If you are arriving later and will miss the Welcome Meeting, your CEO will leave a note at reception for you with any information you may need, and with morning instructions for the next day.

Who should I contact in case of an emergency?

Should you need to contact us during a situation of dire need, it is best to first call either the G Adventures Local Representative (if one is listed below) or our G Adventures Local Office. If for any reason you do not receive an immediate answer, please leave a detailed message and contact information, so they may return your call and assist you as soon as possible.

It is your own responsibility to have the correct travel documentation. Visa requirements for your trip will vary depending on where you are from and where you are going. We keep the following information up to date as far as possible, but rules do change and sometimes without warning. While we provide the following information in good faith, it is vital that you check the information yourself and understand that you are fully responsible for your own visa requirements.

Visa information specific to your destination and nationality can be found in our Important Pre-Departure Information page [here](#)

Please note that visas are the responsibility of the individual traveller. The visa requirements for your trip vary depending on where you are from and where you are going. We keep the following information up to date as much as possible, but rules do change. It is important that you check for yourself with the embassy of each country. Your travel agent can assist. Please, keep in mind that all countries require passports valid for at least 6 months from the moment of departure from the country.

CHINA:

If you require a visa to enter China, you may also need an official Letter Of Invitation (LOI) before you can apply for your Chinese visa. If you require a Letter of Invitation (LOI) to apply for a Chinese visa, please fill out & submit the following request [form](#)

You can obtain the LOI through our visa support agent in China. The visa support link you need to complete will be sent to you or your travel agent by email when you confirm your booking. You must read the instructions carefully and fill out all the details.

Please ensure that you list the same details as appear on your LOI when filling out your Chinese Visa Application form.

HOW TO FILL IN CHINA LOI FORM ONLINE:

As Chinese visas are dated specifically for entry and exit, please ensure you enter the correct dates as per your flights entering and exiting China. Please remember to put exactly the same dates when you fill out the application at the Chinese embassy. You will need to provide additional documentation to the consulate (i.e. flights tickets, hotel reservations) if these dates fall outside the duration of the tour.

Please do not submit the below application until 3 months prior to your entry into China. The details will be forwarded to our local agent in China and your Letter of Invitation (LOI) will be issued within 10 business days of receipt.

Letter of Invitations (LOI) will be issued as a matter of priority based on the number of days from departure.

Once you have received your LOI you can apply for your visa by going to the nearest Chinese embassy. Please, remember that it is your responsibility to check whether passport details, name spelling and dates on the LOI are correct.

You must print out the full set of application forms including the 'Confirmation of Online Visa application' and 'Visa Application Form of the People's Republic of China'. All pages of each form must be printed out. The signature and date on the Confirmation Page and the 8th page of Visa Application Form of the People's Republic of China must be handwritten by the applicant themselves. Visa applicants under the age of 18 must be signed by their guardian while also adding a handwritten signature in the 'For person filling in the application on the applicant's behalf'.

IMPORTANT: if you require a visa for China and plan to travel within 3 months of your entry into China, we strongly recommend that you avoid travel outside of your home country during the period between your visa application up until the time your visa is approved. In many cases, travellers who apply for a visa to China while in another country outside of their home country, will be denied their visa.

Travellers must have at least two blank passport pages available for each country they will visit on your tour. These are required for entry & exit stamps.

What should I know about currency, credit cards, and exchanging money while on this tour?

As currency exchange rates in Asia fluctuate often we ask that you refer to the following website for daily exchange rates: www.xe.com.

As of April 2024 the exchange rate for China was 1 USD = 7.25 CNY (Chinese Yuan).

Although the most common payment methods in China are apps such as WeChat Pay and Alipay, we strongly recommend carrying some cash as a backup, since credit cards or mobile apps may not always work. We also suggest setting up either WeChat Pay or Alipay on your device before arriving in China. We strongly suggest setting up either Wechat or Alipay on your device prior to coming to China. This will require you link a credit or debit card to these apps and also set up a data roaming package to use in China so that you can make payments locally. Please check the terms and conditions carefully when you set up account and payment. Credit cards may work with big vendors in first tier cities like Beijing, Shanghai or Hong Kong but it's not guaranteed and less likely to work in other cities or towns and small vendors.

What do I need to know to about safety and security on my trip?

Many national governments provide a regularly updated advice service on safety issues involved with international travel. We recommend that you check your government's advice for their latest travel information before departure. We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewellery at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes, which is the most secure way of storing your valuables. A lock is recommended for securing your luggage. When travelling on a group trip, please note that your group leader has the authority to amend or cancel any part of the trip itinerary if it deemed necessary, due to safety concerns. Your Chief Experience Officer (CEO) will accompany you on all included activities. During your trip you will have some free time to pursue your own interests, relax and take it easy and explore at your leisure. While your CEO will assist you with options available in a given location, please note that any optional activities you undertake are not part of your itinerary, and we offer no representations about the safety of the activity or the standard of the operators running them. Please use your own good judgement when selecting an activity in your free time. Although the cities visited on tour are generally safe during the day, there can be risks to wandering throughout any major city at night. It is our recommendation to stay in small groups and to take taxis to and from restaurants, or during night time excursions.

Water based activities have an element of danger and excitement built into them. We recommend only participating in water based activities when accompanied by a guide(s). We make every reasonable effort to ensure the fun and adventurous element of any water based activities (in countries with varying degrees of operating standards), have a balanced approach to safety. It is our policy not to allow our CEOs to make arrangements on your behalf for water based activities that are not accompanied by guide(s).

Swimming, including snorkeling, is always at your own risk. [Read more about travel safety](#) for ways to further enhance your personal safety while traveling.

Is travel insurance required for my trip?

Travel insurance is compulsory in order to participate on any of our trips. When travelling on a group trip, you will not be permitted to join the group until evidence of travel insurance has been sighted by your leader, who will take note of your insurance details. When selecting a travel insurance policy we require that at a minimum you are covered for medical expenses including emergency evacuation and repatriation. A minimum coverage of USD200,000 is required. We strongly recommend that the policy also covers personal liability, cancellation, curtailment and loss of luggage and personal effects. Some tours include adventure activities that require extra coverage (e.g. crampon use); please review your itinerary and make sure that you are covered for all included activities. If you have credit card insurance we require proof of purchase of the trip (a receipt of credit card statement) with a credit card in your name. Contact your bank for details of their participating insurer, the level of coverage and emergency contact telephone number.
