Due to restrictions in China after the pandemic, the maximum daily capacity in the Forbidden City has been reduced from 80,000 to 30,000. This significant decrease in daily tickets has had a great impact on availability for both individuals and group tours to secure tickets, especially during the summer season. Our local team works very hard to secure tickets for each group. However, on the off chance we are unable to secure tickets to the Forbidden City, we will visit the Summer Palace and the Temple of Heaven, places of similar architecture and importance.

What important notes should I be aware of before the trip?

1. Please note while traveling through mainland China you will not be able to access some popular internet websites. It's important to let your family and friends know that you might not be able to stay in touch over your usual methods, be it – social media or email. The Chinese Government restricts certain websites such as Google, Dropbox, Gmail, Facebook, Instagram, Twitter, WordPress, Whatsapp etc. It may be possible to still access some of these websites using a VPN. If you wish to stay in touch with your friends and family through the above blocked sites, we suggest you research installing a suitable VPN on your device prior to travel or turn on your data roaming if needed.

3. LUGGAGE

As we use (sometimes crowded) local transport please note backpacks are much more suitable than suitcases for this style of trip. Train travel means that bags have to be stowed either overhead or under beds, so travelling as light as possible is recommended.

4. As of June 28, 2025, Chinese Aviation Authorities have tightened safety rule following several onboard fire incidents linked to uncertified power bank portable chargers. Passengers will no longer be allowed to bring power banks that lack the official China Compulsory Certification (CCC) mark. What is the group leader like?

All G Adventures group trips are accompanied by one of our Chief Experience Officers (CEO). The aim of the CEO is to take the hassle out of your travels and to help you have the best trip possible. They will provide information on the places you are travelling through, offer suggestions for things to do and see, recommend great local eating venues and introduce you to our local friends. While not being guides in the traditional sense you can expect them to have a broad general knowledge of the countries visited on the trip, including historical, cultural, religious and social aspects. We also use local guides where we think more specific knowledge will add to the enjoyment of the places we are visiting- we think it's the best of both worlds.

What should I know about currency, credit cards, and exchanging money while on this tour?

As currency exchange rates in Asia fluctuate often we ask that you refer to the following website for daily exchange rates: www.xe.com.

As of April 2024 the exchange rate for China was 1 USD = 7.25 CNY (Chinese Yuan).
