Day 1

SAN JOSÉ

Welcome to San José—your arrival transfer to the hotel is included. Check in and get excited to meet your fellow travelers during a welcome meeting this evening where all families can bond before the Journey ahead.

Costa Rica has one of the most diverse ecosystems in the world and is a top destination for nature lovers. As such, there is a lot of rain, regardless of the season, allowing for its lush green rain forests and cloud forest, in which flora and fauna thrive. Please come prepared for the possibility of wet weather and variations in temperature.

TODAY'S ACTIVITIES

Arrival Transfer

Juan Santamaría International Airport – San José

You will be met at the airport and transferred to the hotel to start your adventure.

Arrival Day and Welcome Meeting

1h

The adventure begins tonight. Feel free to explore before your welcome meeting, but make sure you're back in time to meet the group. Check for the meeting time on the welcome note at the hotel. After introductions, your CEO will review the details of your tour. Please note that normal check-in times apply at our start hotels, but you can usually store your luggage for the day if you arrive early.

Day 2

SAN JOSÉ/MONTEVERDE

This morning, travel into the misty cloud forests of Monteverde to visit a rural community for a farm-to-table lunch. Your hosts share the local ingredients behind the meal: rice, beans, vegetables, and homemade tortillas, all fresh and locally sourced. After lunch, head to the farm, where children can try hands-on agricultural activities: sampling tropical crops like coffee and fruit, watching sustainable farming in action, and learning to make sugar cane juice using a traditional "Trapiche" mill. Later, settle into your hotel with some free time. In the evening, follow a naturalist into the forest to seek out nocturnal creatures like red-eyed tree frogs and spiny porcupines.

The town of Monteverde is fairly small with shopping and some great restaurants, but most of the upgraded accommodations in this area are located outside of the main town centre - to take better advantage of the natural beauty and stunning landscapes of the area. Taxis are readily available to take you into town and back and can cost approx. \$10USD each way.

Accommodations tend to be a bit more simple here, with fewer amenities. Its important to remember that the cloud forest sits at a higher elevation and offers a cooler but humid climate - which is why hotels in this area do not have A/C. It can also feel damp in rooms which is unavoidable in such a climate.

We do our best to pick comfortable accommodations, but in popular locations options can be limited and we sometimes use various different hotel depending on seasonality. It also is important to remember that hot water shortages and power outages can be fairly common, even in upgraded hotels. We appreciate your patience and understanding that these occurrences are outside of our control.

Please also note that Monteverde is a fairly small centre with shopping and some great restaurants, but most of the upgraded accommodations are located outside of the main town/city centre - to take better advantage of the natural beauty of these area. Taxis are readily available.

What are the visas and entry requirements for my trip?

All countries require a valid passport (with a minimum 6 months validity). Contact your local embassy or consulate for the most up-to-date visa requirements, or see your travel agent. It is your own responsibility to have the correct travel documentation. Visa requirements for your trip will vary depending on where you are from and where you are going. We keep the following information up to date as far as possible, but rules do change and sometimes without warning. While we provide the following information in good faith, it is vital that you check the information yourself and understand that you are fully responsible for your own visa requirements.

Visa information specific to your destination and nationality can be found in our Important Pre-Departure Information page [here](#)

What should I consider when planning my personal expenses and discretionary spending for this itinerary?

Every traveller is different and therefore spending money requirements will vary. Some travellers may drink more than others while other travellers like to purchase more souvenirs than most. Please consider your own spending habits when it comes to allowing for drinks, shopping and tipping. Please also remember the following specific recommendations when planning your trip.

What should I know about currency, credit cards, and exchanging money while on this tour?

The currency in Costa Rica is the Colon (CRC).

Credit cards and debit cards are very useful for cash advances. Visa cards are the most widely accepted cards. While ATMs are widely available, there are no guarantees that your credit or debit cards will actually work in Latin America. Check with your bank.

You should be aware that to purchase products or services on a credit card a fee of 5%-10% usually applies. Do not rely on credit or debit cards as your only source of money. A combination of US dollars cash and cards is best. Always take more rather than less, as you don't want to spoil the trip by constantly feeling short of funds.

CURRENCY EXCHANGE TIP: Please be advised that slightly torn notes, notes that have been heavily marked or are faded may be difficult to exchange. It is best to bring notes in fairly good condition, in denominations lower than 100USD (or equivalent).

As currency exchange rates can fluctuate often we ask that you refer to the following website for daily exchange rates: www.xe.com

What emergency funds do I need access to on this trip?

Please also make sure you have access to at least an additional USD \$200 (or equivalent) as an 'emergency' fund, to be used when circumstances outside our control (ex. a natural disaster) require a change to our planned route. This is a rare occurrence!

Do I need to pay a departure tax?

Costa Rica airport exit tax: \$29USD

What are the tipping guidelines for this trip?

Local tipping is included on this Family trip which covers local guides, drivers and gratuity for included meals. At the end of your trip if you felt your National Geographic Expedition Leaders did an outstanding job, tipping is appreciated. The amount is entirely a personal preference, however as a guideline; per Expedition Leader \$8-10 USD per person, per day can be used.

For non-included meals in restaurant, a guideline is 10-15% of cost of bill.

What activities are optional on this trip?

Monteverde

- Santa Elena Cloud Forest Visit (35-50USD per person)
- Ziplining
- Hanging Bridges Monteverde (56-60USD per person)

Rincón de la Vieja Volcano National Park

- Rio Negro Tubing Adventure (60USD per person)

Are there any health considerations I should know before travelling?

Please note inoculations may be required for the country visited. It is your responsibility to consult with your travel doctor for up to date medical travel information well before departure.

You should consult your doctor for up-to-date medical travel information well before departure. We recommend that you carry a First Aid kit and hand sanitizers / antibacterial wipes as well as any personal medical requirements. Please be aware that quite often we are in remote areas and away from medical facilities, and for legal reasons our leaders are prohibited from administering any type of drug including headache tablets, antibiotics, etc. When selecting your trip please carefully read the brochure and itinerary and assess your ability to cope with our style of travel. Please refer to the Physical and Culture Shock ratings for trip specific information.

Are there any specific safety considerations for this itinerary?

Like any city where tourism is on the increase, crime also tends to increase and while San José is not a noticeably dangerous city, there are certain precautions you should take. Make sure that you are aware of your things at all times and don't go out carrying expensive gear or jewellery.

What are the mandatory group rules regarding laws and behaviour?

Illegal drugs will not be tolerated on any trips. Possessing or using drugs not only contravenes the laws of the land but also puts the rest of the group at risk. Smoking marijuana and opium is a part of local culture in some parts of the world but is not acceptable for our travellers. Our philosophy of travel is one of respect towards everyone we encounter and in particular the local people who make the world the special place it is. The exploitation of people in the sex trade is completely contrary to this philosophy. Our Expedition Leaders have the right to expel any member of the group if drugs are found in their possession or if they utilize the services of paid sex workers, in any capacity.

What are the mandatory travel insurance requirements for this trip?

Travel insurance is compulsory in order to participate on any of our trips. When travelling on a group trip, you will not be permitted to join the group until evidence of travel insurance has been sighted by your leader, who will take note of your insurance details. When selecting a travel insurance policy we require that at a minimum you are covered for medical expenses including emergency evacuation and repatriation. A minimum coverage of USD200,000 is required. We strongly recommend that the policy also covers personal liability, cancellation, curtailment and loss of luggage and personal effects. Some tours include adventure activities that require extra coverage (e.g. crampon use); please review your itinerary and make sure that you are covered for all included activities. If you have credit card insurance we require proof of purchase of the trip (a receipt of credit card statement) with a credit card in your name. Contact your bank for details of their participating insurer, the level of coverage and emergency contact telephone number.

What is Planeterra?

Planeterra International Foundation is a non-profit organization committed to turning travel into impact by helping local communities earn an income from tourism. Planeterra connects underserved local communities to the benefits of tourism by developing and supporting small community-owned businesses. These businesses support Indigenous people, empower women, grant youth access to employment opportunities, and protect the environment. Planeterra also works to ensure these businesses have a thriving customer base by integrating their projects into G Adventures' itineraries globally.

G Adventures is Planeterra's largest corporate donor, covering all operating costs, so 100% of your donation will bring opportunity to people in need.
