Later, head out on the town with your CEO and new mates to find some eats and to try some jugo de caña (sugar cane juice) and copos (shaved ice) from the street vendors if they are out.

Your opportunity to meet your CEO and fellow travellers, and learn more about your tour. Opt to join the group for a local meal afterwards. Don't forget to see the notice in the lobby (or ask reception) for the official time and place to meet up with the group.

Check a hidden gem off those travel lists today as the group heads for Poza Los Coyotes. This lesser known spot in Costa Rica allows for living out those jungle fantasies while you swim and explore the trails around the incredibly turquoise waters of the area's natural pools. Choose to go all in during your time there and rent an inflatable tube to float through the caves and in the natural pools. Or take a short stroll to see a waterfall and canyon. Next, continue down the Nicoya Peninsula to the laid-back beach town of Nosara to settle into the hostel. Take the rest of the afternoon to explore or get your beach on if you're feeling it. Is it beer o'clock yet?

Cañas Dulces

Poza Los Coyotes is a firm favorite with the locals, but it has only been open to the public since 2020. During the group's visit here you can swim and explore the trails in the area. The uniquely colored water comes from the Rincón de la Vieja and when the weather permits it turns a mesmerizing turquoise color. The dazzlingly blue shade comes from the water's high mineral content. There are options to rent inflatable tubes and float down through the caves and natural pools, the perfect way to relax and enjoy this unique, hidden gem just 20 minutes from Liberia.

We only have one thing actually planned today but it's a good one. Hop in the van for a visit to one of the most picturesque beaches in all of Costa Rica; Playa Guiones. Think of this beach as the love child between a three-mile stretch of flat sand and incredible surf waves. You'll miss out on the big crowds some of the other beaches are known for in the area, and be able to both surf and swim in the warm waters. This is the kind of beach where you can goof around on a boogie board and also read a book, the vibes fit all your needs. Envision our day trip here as a secret paradise no one knew they needed. Afterwards, enjoy the rest of the day back in Nosara hanging out at the hostel with friends and a cold beverage, or watching the sunset with your toes in the sand.

Playa Guiones Visit

Nosara

Spend part of today exploring one of the most picturesque beaches in all of Costa Rica. Idyllic white sands stretching for three miles and some of the best waves a surfer will see along this stretch of coastline. Activities available are surfing, bike riding during low-tide, and swimming. It's the perfect place to stretch out on a towel, read a book, play some frisbee, and relax in the warm sun.

Optional Activities - Day 3

Surfing at Playa Guiones

Nosara

Catch a wave during our trip to Playa Guiones. This beach near Nosara is home to some of the best waves along this stretch of coastline. From boogie boarding to surfing there's an opportunity for everyone to experience the epic waves.

Swimming at Playa Guiones

Nosara

Hop in the warm waters of Playa Guiones and swim for as long as you like. The waves break farther away from shore so you will be able to enjoy relatively calm waters as you float around and enjoy the views of surfers catching some action.

Ok ok, we know the beaches in Nosara are great, but today we will leave the sand behind and head north along the coast to Guaitil, a small village famous for their Chorotega style pottery products. It will be like learning a new hobby that also gives you a deep appreciation for family traditions and creating something beautiful using the natural environment. What's not to love about that? Learn what's up from the owner of a small shop, and see how the pottery is made. Choose to grab some lunch and walk through the showrooms to see some of the finished products before we carry on to our hostel in Tamarindo for more beach vibes and great nightlife.

Is there a disclaimer I should read before booking this trip?

The information in this trip details document has been compiled with care and is provided in good faith. However it is subject to change, and does not form part of the contract between the client and the operator. The itinerary featured is correct at time of printing. It may differ slightly to the one in the brochure. Occasionally our itineraries change as we make improvements that stem from past travellers, comments and our own research. Sometimes it can be a small change like adding an extra meal along the itinerary. Sometimes the change may result in us altering the tour for the coming year. Ultimately, our goal is to provide you with the most rewarding experience. Please note that our brochure is usually released in November each year. If you have booked from the previous brochure you may find there have been some changes to the itinerary.

VERY IMPORTANT: Please ensure that you print a final copy of your Trip Details to review a couple of days prior to travel, in case there have been changes that affect your plans.

Is there a travel disclaimer for my itinerary I should review before booking this trip?

While it is our intention to adhere to the route described below, there is a certain amount of flexibility built into the itinerary and on occasion it may be necessary, or desirable to make alterations. The itinerary is brief, as we never know exactly where our journey will take us. Due to our style of travel and the regions we visit, travel can be unpredictable. The Trip Details document is a general guide to the tour and region and any mention of specific destinations or wildlife is by no means a guarantee that they will be visited or encountered. Aboard expedition trips visits to research stations depend on final permission.

Additionally, any travel times listed are approximations only and subject to vary due to local circumstances.

What important notes should I be aware of before the trip?

COMBO TRIP

Please note that this tour combines with other G Adventures tours. As such, the staff and some travel companions on your tour may have previously been traveling together with G Adventures, prior to Day 1 of your tour. Likewise, some staff and travel companions may be continuing together on another G Adventures tour, after your trip concludes.

What is the role of the group leader during this trip?

All G Adventures group trips are accompanied by one of our group leaders, a G Adventures representative, or an expedition team. The aim of the group leader is to take the hassle out of your travels and to help you have the best trip possible. They will provide information on the places you are travelling through, offer suggestions for things to do and see, recommend great local eating venues and introduce you to our local friends. While not being guides in the traditional sense you can expect them to have a broad general knowledge of the countries visited on the trip, including historical, cultural, religious and social aspects. We also use local guides where we think more specific knowledge will add to the enjoyment of the places we are visiting- we think it's the best of both worlds.

How large will the group be?

Max 24, avg 16

What meals are included in this trip?

5 breakfasts

What are the meals like on this trip?

Eating is a big part of traveling. Travelling with G Adventures you experience the vast array of wonderful food that is available out in the world. Generally meals are not included in the trip price when there is a choice of eating options, to give you the maximum flexibility in deciding where, what and with whom to eat. It also gives you more budgeting flexibility, though generally food is cheap. Our groups tend to eat together to enable you to taste a larger variety of dishes and enjoy each other's company. There is no obligation to do this though. Your CEO will be able to suggest favourite restaurants during your trip. The above information applies to G Adventures group trips. Please refer to the meals included and budget information for included meals and meal budgets.

What are the modes of transportation on my trip?

Private vehicle throughout.

Is there an extra cost for travelling solo?

We believe single travellers should not have to pay more to travel so our group trips are designed for shared accommodation and do not involve a single supplement. Single travellers joining group trips are paired in twin or multi-share accommodation with someone of the same sex for the duration of the trip. Some of our Independent trips are designed differently and single travellers on these itineraries must pay the single trip price.

Where will we stay during the trip?

Hostels (4 nts), Hotel (1 nt)

What kind of accommodation can I expect on this trip?

Accommodation will be primarily in multi-share hostels (typically 6-8 people per room), with a choice of mixed gender and female-only dorms as well as available upgrades to twin-share rooms (same gender).

Some rooming exceptions may apply due to the unique nature of the itineraries and of the hostels themselves, which have been specifically chosen to give local flavour to your trip. Please see the full itinerary description and the Rooming Exception section below for any specific exceptions to the rooming that may apply to this tour.

What are the joining instructions?

For details of your joining hotel please refer to your tour voucher, G Account, the G Adventures App or contact your travel agent.

It is highly recommended to take a flight that arrives at Liberia (LIR) Airport instead of SJO Airport. Once you arrive at Daniel Oduber Quirós International Airport (LIR Airport) you will need to take a taxi to get to the hotel, which is around 15 minutes drive.

Please note that day 1 is an arrival day and no activities have been planned on this day.

Upon arrival to your Joining Hotel (note that check-in time will be in the afternoon), look for a note or bulletin board in the reception with a note from your CEO. This note will give the details of your Welcome Meeting on day 1 (usually between 5pm and 7pm), where you will get a chance to meet your CEO and other travellers, as well as learn more about how the tour will run. If you don't see a note, please ask reception for details!

If you are arriving later and will miss the Welcome Meeting, your CEO will leave a note at reception for you with any information you may need, and with morning instructions for the next day.

What happens if I experience problems when arriving?

We don't expect any problems, and nor should you, but if for any reason you are unable to commence your trip as scheduled, please refer to the emergency contact details provided in this dossier and contact us as soon as possible. If you have a pre-booked transfer, and you have not made contact with our representative within 30 minutes of clearing customs and immigration, we recommend that you make your own way to the Starting Point hotel, following the Joining Instructions. Please apply to your travel agent on your return for a refund of the transfer cost if this occurs.

Who should I contact in case of an emergency?

Should you need to contact us during a situation of dire need, it is best to first call either the G Adventures Local Operator (if one is listed below) or our G Adventures Local Office. If for any reason you do not receive an immediate answer, please leave a detailed message and contact information, so they may return your call and assist you as soon as possible.

AIRPORT TRANSFER

If you have purchased an arrival through G Adventures or if an arrival transfer is included in the cost of your tour, please note that:

Your arrival transfer has been arranged based on flight information provided to us. If you are advised of a flight schedule change or flight cancellation within 48 hours of your scheduled arrival time, please call the emergency contact number to advise of your new arrival flight information. If you do not, we will not be able to rearrange your arrival transfer and you will need to make your own way to the starting hotel at your own expense. If your arrival transfer does not arrive within 30 minutes after you have exited the arrivals area please take a taxi to your start point hotel.

What are the visas and entry requirements for my trip?

All countries require a valid passport (with a minimum 6 months validity). Contact your local embassy or consulate for the most up-to-date visa requirements, or see your travel agent. It is your own responsibility to have the correct travel documentation. Visa requirements for your trip will vary depending on where you are from and where you are going. We keep the following information up to date as far as possible, but rules do change and sometimes without warning. While we provide the following information in good faith, it is vital that you check the information yourself and understand that you are fully responsible for your own visa requirements.

Visa information specific to your destination and nationality can be found in our Important Pre-Departure Information page [here](#)

What should I consider when planning my personal expenses and discretionary spending for this itinerary?

Every traveller is different and therefore spending money requirements will vary. Some travellers may drink more than others while other travellers like to purchase more souvenirs than most. Please consider your own spending habits when it comes to allowing for drinks, shopping and tipping. Please also remember the following specific recommendations when planning your trip.

What should I know about currency, credit cards, and exchanging money while on this tour?

Credit cards and debit cards are very useful for cash advances. Visa cards are the most widely accepted cards. While ATMs are widely available, there are no guarantees that your credit or debit cards will actually work in Latin America. Check with your bank. You should be aware that to purchase products or services on a credit card a fee of 5%-10% usually applies. Do not rely on credit or debit cards as your only source of money. A combination of US dollars cash and cards as backup is best. Always take more rather than less, as you don't want to spoil the trip by constantly feeling short of funds.

CURRENCY EXCHANGE TIP: Please be advised that slightly torn notes, notes that have been heavily marked or are faded may be difficult to exchange. It is best to bring notes in fairly good condition, in denominations lower than 100USD (or equivalent).

As currency exchange rates can fluctuate often we ask that you refer to the following website for daily exchange rates: www.xe.com

How much emergency money should I bring on this trip?

Please also make sure you have access to at least an additional USD \$200 (or equivalent) as an 'emergency' fund, to be used when circumstances outside our control (ex. a natural disaster) require a change to our planned route. This is a rare occurrence!

Do I need to pay a departure tax?

Costa Rica airport exit tax: \$29USD

Should I be tipping on my trip?

It is customary in Latin America to tip service providers such as waiters, at approximately 10%, depending on the service. Tipping is an expected - though not compulsory - component of your tour program and an expression of satisfaction with the persons who have assisted you on your tour. Although it may not be customary to you, it is of considerable significance to the people who will take care of you during your travels. There are several times during the trip where there is opportunity to tip the local guides or drivers we use. Recommendations for tipping drivers and local guides would range from \$5-10 USD per day depending on the quality and length of the service; ask your CEO for specific recommendations based on the circumstances and culture.

Tipping of your G Adventures Chief Experience Officer is very much appreciated. The amount is entirely a personal preference; however as a guideline \$5- 7 USD per person, per day is our recommendation in the region. However, if you felt your CEO did an especially outstanding job, any additional amount will always be welcome.

What activities are optional on this trip?

Nosara

- Surfing at Playa Guiones
- Swimming at Playa Guiones

Are there any health considerations I should know before travelling?

Please note inoculations may be required for the country visited. It is your responsibility to consult with your travel doctor for up to date medical travel information well before departure.

You should consult your doctor for up-to-date medical travel information well before departure. We recommend that you carry a First Aid kit and hand sanitizers / antibacterial wipes as well as any personal medical requirements. Please be aware that quite often we are in remote areas and away from medical facilities, and for legal reasons our leaders are prohibited from administering any type of drug including headache tablets, antibiotics, etc. When selecting your trip please carefully read the brochure and itinerary and assess your ability to cope with our style of travel. Please refer to the Physical rating for trip specific information. G Adventures reserves the right to exclude any traveller from all or part of a trip without refund if in the reasonable opinion of our CEO they are unable to complete the itinerary without undue risk to themselves and/or the rest of the group.

What do I need to know to about safety and security on my trip?

Many national governments provide a regularly updated advice service on safety issues involved with international travel. We recommend that you check your government's advice for their latest travel information before departure.

Petty theft, bag snatching and muggings have been on the rise in San Jose. Though not common, there are certain precautions you should take when visiting the city. Although the cities visited on our tours are generally safe during the day, there can be risks to wandering throughout any major city at night. It is our recommendation to stay in small groups and to take taxis to and from restaurants, or during night time excursions, as they are the safest and easiest way to avoid any issues one might encounter on the streets after dark. In addition, always leave your passport (It's better to carry a photocopy of it instead), credit cards and money that you won't be using in the hotel. Many of the hotels we use have safety deposit boxes in the room, or a general one at reception, this is always the safest method of storing your valuables. We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Remember that like in any other city, you should never leave your bags unattended, nor flaunt jewellery, cameras etc

. A lock is recommended for securing your luggage. When travelling on a group trip, please note that your CEO has the authority to amend or cancel any part of the trip itinerary if it is deemed necessary due to safety concerns.

Your CEO will accompany you on all included activities. During your trip you will have some free time to pursue your own interests, relax and take it easy or explore at your leisure. While your CEO will assist you with options available in a given location please note that any optional activities you undertake are not part of your itinerary, and we offer no representations about the safety of the activity or the standard of the operators running them. Please use your own good judgment when selecting an activity in your free time. Stick to the main streets only during the day, and after sundown, please take a taxi. Taxis can be organized from reception of your hotel. Also, take the address of the hotel with you.

Protests and Demonstrations- Protests and demonstrations, even those that are well intended, have the potential to turn violent with no warning. Counter protests can also turn violent. Action by security forces to disperse demonstrators and protesters may occur at any time. If you are in an area where demonstrators or protesters are gathering, avoid the temptation of staying for a good photo opportunity and leave the area immediately.

Water based activities have an element of danger and excitement built into them. We recommend only participating in water based activities when accompanied by a guide(s). We make every reasonable effort to ensure the fun and adventurous element of any water based activities (in countries with varying degrees of operating standards) have a balanced approach to safety. It is our policy not to allow our CEOs to make arrangements on your behalf for water based activities that are not accompanied by guide(s).

Swimming, including snorkeling, is always at your own risk.

We take all prudent measures in relation to your safety. For ways to further enhance your personal safety while traveling, please visit:

www.gadventures.com/travel-resources/safety/

What rules should I know before joining this trip?

Illegal drugs will not be tolerated on any trips. Possessing or using drugs not only contravenes the laws of the land but also puts the rest of the group at risk. Smoking marijuana and opium is a part of local culture in some parts of the world but is not acceptable for our travellers. Our philosophy of travel is one of respect towards everyone we encounter, and in particular the local people who make the world the special place it is. The exploitation of prostitutes is completely contrary to this philosophy. Our CEOs have the right to expel any member of the group if drugs are found in their possession or if they use prostitutes.

Is travel insurance required for my trip?

Travel insurance is compulsory in order to participate on any of our trips. When travelling on a group trip, you will not be permitted to join the group until evidence of travel insurance has been sighted by your leader, who will take note of your insurance details. When selecting a travel insurance policy we require that at a minimum you are covered for medical expenses including emergency evacuation and repatriation. A minimum coverage of USD200,000 is required. We strongly recommend that the policy also covers personal liability, cancellation, curtailment and loss of luggage and personal effects. Some tours include adventure activities that require extra coverage (e.g. crampon use); please review your itinerary and make sure that you are covered for all included activities. If you have credit card insurance we require proof of purchase of the trip (a receipt of credit card statement) with a credit card in your name. Contact your bank for details of their participating insurer, the level of coverage and emergency contact telephone number.

Itinerary Disclaimer

While it is our intention to adhere to the route described below, there is a certain amount of flexibility built into the itinerary and on occasion it may be necessary, or desirable to make alterations. The itinerary is brief, as we never know exactly where our journey will take us. Due to our style of travel and the regions we visit, travel can be unpredictable. The Trip Details document is a general guide to the tour and region and any mention of specific destinations or wildlife is by no means a guarantee that they will be visited or encountered. Aboard expedition trips visits to research stations depend on final permission.

Additionally, any travel times listed are approximations only and subject to vary due to local circumstances.
