Luxor

6h-7h

Rise early to cross the Nile to the west bank, passing through farmers fields on your way to the Valley of the Kings.

Descend the narrow, rock-hewn corridors and take in the magnificent decoration and designs of the tombs of the pharaohs. While the treasure has now all gone, the tombs contain the incredible paintings of the life of their incumbent and stories from the Book of the Dead.

Continue on to visit to the impressive Funerary Temple of Queen Hatshepsut, which seems to rise out of the surrounding limestone outcrops - a reminder of the power women held in the Ancient Kingdom. End the day with a stop at the two mammoth statues of Amenophis II at the Colossi of Memnon. Please note, there is an additional 300 EGP fee to take photos in the Valley Of Kings.

ACTIVITY

During your visit to the Valley of the Kings proceed to Hatshepsut temple and meet with an archaeologist who is a member of the excavation team doing research while working on the West Bank. Learn about some of their findings and get more acquainted with the work they're doing. Hatshepsut was the first woman to rule Egypt as king after her husband died and her stepson tried to eradicate all evidence of her rule after her death. According to an interesting article on National Geographic's website titled, "How did this female pharaoh survive being erased from history?" It's believed her likeness was chiseled away from monuments and her statues destroyed to secure the tradition of males serving as ultimate rulers. Celebrate her un-erasable legacy and memory on this visit to her temple.

Enjoy a fabulous community connection moment during a delicious home-cooked lunch hosted by a local family outside of the Valley of the Kings. In a village where most of the tourist buses speed by heading to the sites Egypt is known for, we will stop and visit a family's home and witness true hospitality from locals. Learn about the family who live here, hear about the importance of their garden, and about how they cook the food the group is about to eat. For 15 years this family has been hosting groups of G Adventures travellers and the support they have received has helped four generations (close to 50 people) thrive, as well as provided education opportunities for the family's children, nieces, and nephews. Sit down, smell the delicious flavours of the special dishes prepared, and relax in the home and hospitality of a truly local Egyptian family.

Is there a travel disclaimer for my itinerary I should review before booking this trip?

While it is our intention to adhere to the route described below, there is a certain amount of flexibility built into the itinerary and on occasion it may be necessary, or desirable to make alterations. The itinerary is brief, as we never know exactly where our journey will take us. Due to our style of travel and the regions we visit, travel can be unpredictable. The Trip Details document is a general guide to the tour and region and any mention of specific destinations or wildlife is by no means a guarantee that they will be visited or encountered. Aboard expedition trips visits to research stations depend on final permission.

Additionally, any travel times listed are approximations only and subject to vary due to local circumstances.

What important notes should I be aware of before the trip?

ACCOMMODATION NOTE:

Please be aware that properties we stay in with only two stories may not have elevators installed and climbing the stairs with your luggage will be necessary.

RAMADAN

According to the lunar cycle, Ramadan will fall between Feb 28th - Mar 29th 2025, and Feb 17th - Mar 19th 2026. Please note that Ramadan is a month of fasting observed by Muslims throughout the world, during which time the followers of Islam should not eat or drink between sunrise and sunset. There may be some limitations to services and disruptions to schedules during Ramadan, but generally our tours still operate effectively during this period and food is available to non-Muslims throughout the day. It is very important to display increased cultural sensitivity during Ramadan. Please wear loose fitting clothes, that cover knees and shoulders, and try to avoid eating, drinking or smoking in public out of respect for those who can't at that time.

COMBO TRIP

Please note that this trip is part of a combination of multiple tours. As such, the Expedition Leader, staff and/or particular vehicles operating your tour may change between tour segments. You may also expect some group members to join or leave the tour, between tour segments.

TIPPING NOTE:

Tipping is a way of life in the Middle East. Locals themselves will usually tip anyone who provides them with services. Due to this expectation, your Expedition Leader will collect a Tipping Kitty at the start of the tour. For more details see the Tipping section below.

AID AL-ADHA

During your visit to this country, we would like to inform you about an important celebration called Aid Al-Adha. This holiday may impact your travel experience, as most shops and restaurants are closed during the celebration. Some of the historical places we visit might also be closed during this time. There will be a shorter number of staff at the hotels and less crowded streets on the day of the celebration. Aid Al-Adha will fall between Jun. 16th-17th 2024, and Jun. 6th-7th 2025.

What is the role of the group leader during this trip?

This National Geographic group trip is accompanied by one of our group leaders, otherwise known as the National Geographic Expedition Leader. The aim of the group leader is to take the hassle out of your travels and to help you have the best trip possible. They will provide information on the places you are travelling through, offer suggestions for things to do and see, recommend great local eating venues and introduce you to our local friends. While not being guides in the traditional sense you can expect them to have a broad general knowledge of the countries visited on the trip, including historical, cultural, religious and social aspects.

We also use local guides where we think more specific knowledge will add to the enjoyment of the places we are visiting - we think it's the best of both worlds.

How large will the group be?

Max 16

What meals are included in this trip?

16 breakfasts, 8 lunches, 4 dinners

What are the meals like on this trip?

Eating is a big part of traveling. Travelling with G Adventures you experience the vast array of wonderful food that is available out in the world. Generally meals are not included in the trip price when there is a choice of eating options, to give you the maximum flexibility in deciding where, what and with whom to eat. It also gives you more budgeting flexibility, though generally food is cheap. Our groups tend to eat together to enable you to taste a larger variety of dishes and enjoy each other's company. There is no obligation to do this though. Your Expedition Leader will be able to suggest favourite restaurants during your trip. The above information applies to G Adventures group trips. For Independent trips please check the itinerary for details of meals included. For all trips please refer to the meals included and budget information for included meals and meal budgets.

What are the modes of transportation on my trip?

Private vehicle (van/bus), plane, bicycle, walking, felucca, motorboat, 4x4.

What transportation will we take on this trip?

In Jordan, we will travel by air-conditioned private minivan for most of the journeys. En route to Wadi Rum and our desert camp we will travel in 4x4 vehicles.

In Egypt, we will use a mixture of felucca, private van, motorized boat, and plane. For more information see the detailed itinerary.

Are local flights included in the cost of the trip?

All local flights are included in the cost of your tour unless otherwise noted. It is important that we have your passport information at the time of booking in order to process these tickets. Internal flight tickets are issued locally and will be given to you prior to the flight departure.

Domestic carriers for internal flights in Egypt will be Egypt Air or Nile Air. Flight information will not be available until a couple of days prior to the tour departure.

The domestic flight maximum weight allowance is 20 kg.

Is there an extra cost for travelling solo?

We believe solo travellers should not have to pay more to travel so our group trips are designed for shared accommodation and do not involve a single supplement. Single travellers joining group trips are paired in twin or multi-share accommodation with someone of the same sex for the duration of the trip. Some of our Independent trips are designed differently and solo travellers on these itineraries must pay the single trip price.

Where will we stay during the trip?

Hotels (15 nts), Desert camp (1 nt).

Will I get my own room?

Please note that if you have booked the "My Own Room" option for this tour, you will receive your own single room for all night stops

What kind of accommodation can I expect on this trip?

On this trip we will stay in comfortable local hotels. Rooms will be on a twin-share basis unless you have booked our My Own Room service. You can expect the rooms to have air-conditioning, private bathrooms and breakfast will be included daily. Some hotels may also have swimming pools and/or other recreational facilities.

What are the joining instructions?

For details of your joining hotel please refer to your tour voucher, G Account, the G Adventures App or contact your travel agent.

An arrival transfer is included when you arrive on Day 1, or if you arrive up to three days prior provided that you have booked your pre-accommodation through National Geographic Journeys in our joining hotel. Due to customer experience and quality considerations, all services related to the tour must be continuous.

Our driver will be waiting for you with a National Geographic Journeys sign, and they will be waiting for you outside the arrival hall.

If the National Geographic Journeys is not there at first, please wait up to 30 minutes, and then proceed to take a taxi, or call our local staff at +962 (6) 4642034 (office hours) or +962 79 5535879 (24 hours) who will assist you in getting to the start hotel.

Please note that day 1 is an arrival day and no activities have been planned on this day.

Upon arrival to your Joining Hotel (note that check-in time will be in the afternoon), look for a note or bulletin board in the reception with a note from your Expedition Leader. This note will give the details of your Welcome Meeting on day 1 (usually between 5pm and 7pm), where you will get a chance to meet your Expedition Leader and other travellers, as well as learn more about how the tour will run. If you don't see a note, please ask reception for details!

If you are arriving later and will miss the Welcome Meeting, your Expedition Leader will leave a note at reception for you with any information you may need, and with morning instructions for the next day.

What happens if I experience problems when arriving?

We don't expect any problems, and nor should you, but if for any reason you are unable to commence your trip as scheduled, please refer to the emergency contact details provided in this dossier and contact us as soon as possible. If you have a pre-booked transfer, and you have not made contact with our representative within 30 minutes of clearing customs and immigration, we recommend that you make your own way to the Starting Point hotel, following the Joining Instructions. Please apply to your travel agent on your return for a refund of the transfer cost if this occurs.

Who should I contact in case of an emergency?

Should you need to contact us during a situation of dire need, it is best to first call either the G Adventures Local Representative (if one is listed below) or our G Adventures Local Office. What are the visas and entry requirements for my trip?

All countries require a valid passport (with a minimum 6 months validity). Contact your local embassy or consulate for the most up-to-date visa requirements, or see your travel agent. It is your own responsibility to have the correct travel documentation. Visa requirements for your trip will vary depending on where you are from and where you are going. We keep the following information up to date as far as possible, but rules do change and sometimes without warning. While we provide the following information in good faith, it is vital that you check the information yourself and understand that you are fully responsible for your own visa requirements.

Visa information specific to your destination and nationality can be found in our Important Pre-Departure Information page [here](#)

JORDAN:

Jordan visa can be obtained on arrival at land and airport borders for most nationalities for a fee of 40 JOD. While most travellers are not required to obtain their visa in advance, there are exceptions and you must check the requirements of your particular passport. While we provide this information in good faith, your visa is your responsibility. If you are departing Jordan by Air, then no departure tax is required as it is already included on the air ticket. If you are departing Jordan by land then you will be required to pay an 10 JOD departure tax .

What should I consider when planning my personal expenses and discretionary spending for this itinerary?

Every traveller is different and therefore spending money requirements will vary. Some travellers may drink more than others while other travellers like to purchase more souvenirs than most. Please consider your own spending habits when it comes to allowing for drinks, shopping and tipping. Please also remember the following specific recommendations when planning your trip.

What should I know about currency, credit cards, and exchanging money while on this tour?

The currency in Jordan is the Jordanian Dinar (JOD). The currency used in Egypt is the Egyptian Pound (EGP).

ATMs are found within main cities in Egypt and Jordan, and will generally accept cards on the Visa and Mastercard networks. It is a great idea to travel with both a Visa and Mastercard if at all possible as while there is no hard and fast rule, some banks seem to only work with one brand of card. Please note, your bank will charge a fee for overseas withdrawals.

Cash is recommended for times when ATMs are not accessible. Euros, British Pounds and US Dollars are all easy to exchange to the Local currency. Please note that you should bring some cash with you for emergency situations but carrying only cash is a high safety risk. ATM card/s and some cash is the ideal mix.

If you are bringing US Dollars, please make sure that the notes are new and in good condition. Notes older than 1996, or with any tears or blemishes may not be accepted. Be fussy with your bank when buying cash!

As currency exchange rates can fluctuate often we ask that you refer to the following website for daily exchange rates: www.xe.com

How much emergency money should I bring on this trip?

Please also make sure you have access to at least an additional USD \$200 (or equivalent) as an 'emergency' fund, to be used when circumstances outside our control (ex. a natural disaster) require a change to our planned route. This is a rare occurrence!

Do I need to pay a departure tax?

In Jordan, 10 JOD departure tax for all nationalities to be paid in cash if departing overland.

In Egypt, departure tax is usually included in your air tickets. If you depart Egypt via Nuweiba Port, there is a departure tax of approximately 9 USD.

Should I be tipping on my trip?

Tipping is a way of life in the Middle East. Locals themselves will usually tip anyone who provides them with services. In many cases, people depend on the tips they receive to supplement the low salary and wages of the Middle East region.

While on tour in the Middle East, it is customary and even expected to tip small service providers such as restaurant and bar waiters, hotel staff, reception, cleaning personnel, bell boys, taxis and van drivers. Tips are regarded as an essential means of supplementing income for those working in the tourism industry.

To make things as easy as possible and avoid embarrassing situations, G Adventures has developed a tipping kitty system where your Expedition Leader will collect a contribution from everybody at the start of your tour and use this kitty to tip anybody who has provided services to the group as a whole. On Day 1 of your tour, your Expedition Leader will be able to advise on the amount required from everybody to form the tipping kitty for your trip. Please plan approximately \$128 USD per person for the entirety of the tour (this does not include your Expedition Leader). You can pay in USD or the equivalent local currency (preferably USD). The Expedition Leader will be able to advise you on the exchange rate and the total required in either currency.

If at any time you feel that any service provider failed in maintaining or delivering good service, please bring it immediately to the attention of your Expedition Leader so a deduction of tips can take place.

At the end of your trip if you felt that your Expedition Leader did an outstanding job, tipping is also expected and appreciated. The precise amount is entirely a personal preference, however \$11-13 USD per person, per day can be used as a general guideline.

What activities are optional on this trip?

Amman

- Dar ne'meh - Weibdeh Optional
Visit & Dinner

Petra

- Petra by Night (30JOD per person)
- Turkish Bath (45JOD per person)

Aswān

- Philae Temple Sound and Light Show (70USD per person)

Are there any health considerations I should know before travelling?

DRINKING WATER: It is advisable to drink bottled water in Jordan and Egypt.

Please note inoculations may be required for the country visited. It is your responsibility to consult with your travel doctor for up to date medical travel information well before departure.

There are no specific health requirements for this trip. However, we recommend protection against typhoid, tetanus, infectious hepatitis and polio. You should consult your doctor for up-to-date medical travel information before departure. We recommend that you carry a First Aid kit, hand sanitizers / antibacterial wipes as well as any personal medical requirements. Please be aware that we are in remote areas and away from medical facilities for some time during this trip, and for legal reasons our leaders are prohibited from administering any type of drug including headache tablets, antibiotics, etc.

What do I need to know to about safety and security on my trip?

Many national governments provide a regularly updated advice service on safety issues involved with international travel. We recommend that you check your government's advice for their latest travel information before departure. We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewellery at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes, which is the most secure way of storing your valuables. A lock is recommended for securing your luggage. When travelling on a group trip, please note that your group leader has the authority to amend or cancel any part of the trip itinerary if it deemed necessary, due to safety concerns. Your Expedition Leader will accompany you on all included activities. During your trip you will have some free time to pursue your own interests, relax and take it easy and explore at your leisure. While your Expedition Leader will assist you with options available in a given location, please note that any optional activities you undertake are not part of your itinerary, and we offer no representations about the safety of the activity or the standard of the operators running them. Please use your own good judgement when selecting an activity in your free time. Although the cities visited on tour are generally safe during the day, there can be risks to wandering throughout any major city at night. It is our recommendation to stay in small groups and to take taxis to and from restaurants, or during night time excursions. Water based activities have an element of danger and excitement built into them. We recommend only participating in water based activities when accompanied by a guide(s). We make every reasonable effort to ensure the fun and adventurous element of any water based activities (in countries with varying degrees of operating standards), have a balanced approach to safety. It is our policy not to allow our Expedition Leaders to make arrangements on your behalf for water based activities that are not accompanied by guide(s). Swimming, including snorkeling, is always at your own risk. [Read more about travel safety](#) for ways to further enhance your personal safety while traveling.

What are the trip specific safety considerations?

Like anywhere in the world, major cities have areas safer than others, use common sense, be aware of your surroundings and mind your personal belongings.

What rules should I know before joining this trip?

Illegal drugs will not be tolerated on any trips. Possessing or using drugs not only contravenes the laws of the land but also puts the rest of the group at risk. Smoking marijuana and opium is a part of local culture in some parts of the world but is not acceptable for our travellers. Our philosophy of travel is one of respect towards everyone we encounter and in particular the local people who make the world the special place it is. The exploitation of people in the sex trade is completely contrary to this philosophy. Our Expedition Leaders have the right to expel any member of the group if drugs are found in their possession or if they utilize the services of paid sex workers, in any capacity.

Is travel insurance required for my trip?

Travel insurance is compulsory in order to participate on any of our trips. When travelling on a group trip, you will not be permitted to join the group until evidence of travel insurance has been sighted by your leader, who will take note of your insurance details. When selecting a travel insurance policy we require that at a minimum you are covered for medical expenses including emergency evacuation and repatriation. A minimum coverage of USD200,000 is required. We strongly recommend that the policy also covers personal liability, cancellation, curtailment and loss of luggage and personal effects. Some tours include adventure activities that require extra coverage (e.g. crampon use); please review your itinerary and make sure that you are covered for all included activities. If you have credit card insurance we require proof of purchase of the trip (a receipt of credit card statement) with a credit card in your name. Contact your bank for details of their participating insurer, the level of coverage and emergency contact telephone number.

How should I dress to respect local customs during the tour?

While visiting mosques and other religious monuments you should dress modestly, cover your shoulders and you shouldn't wear short shorts or skirts. Outside of capital cities and the more touristic centres, local dress is often more conservative and as a matter of respect we ask that both men and women are aware of this and recommend loose-fitting clothes with your shoulders covered. Ask your Expedition Leader for more specific advice.
