Is there a disclaimer I should read before booking this trip?

The information in this trip details document has been compiled with care and is provided in good faith. However it is subject to change, and does not form part of the contract between the client and the operator. The itinerary featured is correct at time of printing. It may differ slightly to the one in the brochure. Occasionally our itineraries change as we make improvements that stem from past travellers, comments and our own research. Sometimes it can be a small change like adding an extra meal along the itinerary. Sometimes the change may result in us altering the tour for the coming year. If you have booked from the previous brochure you may find there have been some changes to the itinerary.

VERY IMPORTANT: Please ensure that you view a final copy of your Trip Details a couple of days prior to travel, in case there have been changes that affect your plans.

Is there an itinerary Disclaimer?

While it is our intention to adhere to the route described below, there is a certain amount of flexibility built into the itinerary and on occasion it may be necessary, or desirable to make alterations. The itinerary is brief, as we never know exactly where our journey will take us. Due to our style of travel and the regions we visit, travel can be unpredictable. The Trip Details document is a general guide to the tour and region and any mention of specific destinations or wildlife is by no means a guarantee that they will be visited or encountered. Aboard expedition trips visits to research stations depend on final permission.

Additionally, any travel times listed are approximations only and subject to vary due to local circumstances.

What important notes should I be aware of before the trip?

Please note that some trips could be a combination of multiple G Adventure tours. You should expect some group members to join or leave the tour between tour segments.

How large will the group be?

Max 16, avg 12

What meals are included in this trip?

11 breakfasts, 4 lunches, 2 dinners

What are the meals like on this trip?

Eating is a large part of traveling. Travelling with G Adventures you experience the vast array of wonderful food that is available out in the world. Generally meals are not included in the trip price when there is a choice of eating options, to give you the maximum flexibility in deciding where, what and with whom to eat. It also gives you more budgeting flexibility, though generally food is cheap. Our groups tend to eat together to enable you to taste a larger variety of dishes and enjoy each other's company. There is no obligation to do this though. Your CEO will be able to suggest favourite restaurants during your trip. For all trips please refer to the meals included and budget information for included meals and meal budgets.

What are the modes of transportation on my trip?

Local bus, private vehicle, plane.

Are local flights included in the cost of the trip?

All local flights are included in the cost of your tour unless otherwise noted. It is important that we have your passport information at the time of booking in order to process these tickets. Internal flight tickets are issued locally and will be given to you prior to the flight departure.

Is there an extra cost for travelling solo?

We believe solo travellers should not have to pay more to travel so our group trips are designed for shared accommodation and do not involve a single supplement. Single travellers joining group trips are paired in twin or multi-share accommodation with someone of the same sex for the duration of the trip. Some of our Independent trips are designed differently and solo travellers on these itineraries must pay the single trip price.

Where will we stay during the trip?

Hotels (11 nts), simple village cabañas/homestay (2 nts, multi-share).

What is the joining hotel?

For details of your joining hotel please refer to your tour voucher, G Account, the G Adventures App or contact your travel agent.

What are the joining instructions?

Please note that Day 1 is an arrival day and no activities have been planned for that day other than your welcome meeting in the evening, so you can arrive at any time. Similarly the last day is a departure day during which no activities have been planned.

A G Adventures Representative will organize a short meeting soon after arrival, during which you will meet other tour participants and receive information about general and specific aspects of the trip. A welcome note will be left for you in the hotel so you have all the necessary information regarding the meeting time. If you arrive late, s/he will leave you a message detailing what time and where you should meet the next morning.

The best way to get to the hotel from the airport is by taxi - this should cost approximately 6-10 USD and is a 20-25 minute ride.

What happens if I experience problems when arriving?

We don't expect any problems, and nor should you, but if for any reason you are unable to commence your trip as scheduled, please refer to the emergency contact details provided in this dossier and contact us as soon as possible. If you have a pre-booked transfer, and you have not made contact with our representative within 30 minutes of clearing customs and immigration, we recommend that you make your own way to the Starting Point hotel, following the Joining Instructions. Please apply to your travel agent on your return for a refund of the transfer cost if this occurs.

Who should I contact in case of an emergency?

Should you need to contact us during a situation of dire need, it is best to first call either the G Adventures Representative (if one is listed below) or our G Adventures Local Office. If for any reason you do not receive an immediate answer, please leave a detailed message and contact information, so they may return your call and assist you as soon as possible.

What should I take on my trip?

Remember that although near the Equator, the higher altitude on some parts of the trip make for cool evenings and you will need a warm sweater or pullover. It's best to layer clothes rather than bring a heavy parka so that you can take layers off. This is especially true on the Inca Trail, at which time warmer clothing is essential.

We recommend using a backpack for your convenience, or a medium-sized suitcase if you prefer. A daypack is also essential for carrying everyday items. Space is limited on transportation, so there is a limit of one main piece of luggage per person. You will be responsible for carrying your own luggage.

What the visas and entry requirements for my trip?

All countries require a valid passport (with a minimum 6 months validity). Contact your local embassy or consulate for the most up-to-date visa requirements, or see your travel agent. It is your own responsibility to have the correct travel documentation. Visa requirements for your trip will vary depending on where you are from and where you are going. We keep the following information up to date as far as possible, but rules do change and sometimes without warning. While we provide the following information in good faith, it is vital that you check the information yourself and understand that you are fully responsible for your own visa requirements.

Visa information specific to your destination and nationality can be found in our Important Pre-Departure Information page [here](#)

How much spending money do I need for my trip?

Every traveller is different and therefore spending money requirements will vary. Some travellers may drink more than others while other travellers like to purchase more souvenirs than most. Please consider your own spending habits when it comes to allowing for drinks, shopping and tipping. Please also remember the following specific recommendations when planning your trip.

How much emergency money should I bring on this trip?

Please also make sure you have access to at least an additional USD \$200 (or equivalent) as an 'emergency' fund, to be used when circumstances outside our control (ex. a natural disaster) require a change to our planned route. This is a rare occurrence!

Should I be tipping on my trip?

It is customary in Latin America to tip service providers such as waiters, at approximately 10%, depending on the service. Tipping is an expected - though not compulsory - component of your tour program and an expression of satisfaction with the persons who have assisted you on your tour. Although it may not be customary to you, it is of considerable significance to the people who will take care of you during your travels. There are several times during the trip where there is opportunity to tip the local guides or drivers we use. Recommendations for tipping drivers and local guides would range from \$5-10 USD per day depending on the quality and length of the service; ask your CEO for specific recommendations based on the circumstances and culture.

What do I need to know to about safety and security on my trip?

Many national governments provide a regularly updated advice service on safety issues involved with international travel. We recommend that you check your government's advice for their latest travel information before departure. We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewellery at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes, which is the most secure way of storing your valuables. A lock is recommended for securing your luggage. When travelling on a group trip, please note that your group leader has the authority to amend or cancel any part of the trip itinerary if it deemed necessary, due to safety concerns. Your Chief Experience Officer (CEO) will accompany you on all included activities. During your trip you will have some free time to pursue your own interests, relax and take it easy and explore at your leisure. While your CEO will assist you with options available in a given location, please note that any optional activities you undertake are not part of your itinerary, and we offer no representations about the safety of the activity or the standard of the operators running them. Please use your own good judgement when selecting an activity in your free time. Although the cities visited on tour are generally safe during the day, there can be risks to wandering throughout any major city at night. It is our recommendation to stay in small groups and to take taxis to and from restaurants, or during night time excursions.

Water based activities have an element of danger and excitement built into them. We recommend only participating in water based activities when accompanied by a guide(s). We make every reasonable effort to ensure the fun and adventurous element of any water based activities (in countries with varying degrees of operating standards), have a balanced approach to safety. It is our policy not to allow our CEOs to make arrangements on your behalf for water based activities that are not accompanied by guide(s).

Swimming, including snorkeling, is always at your own risk. [Read more about travel safety](#) for ways to further enhance your personal safety while traveling.

What rules should I know before joining this trip?

Illegal drugs will not be tolerated on any trips. Possessing or using drugs not only contravenes the laws of the land but also puts the rest of the group at risk. Smoking marijuana and opium is a part of local culture in some parts of the world but is not acceptable for our travellers. Our philosophy of travel is one of respect towards everyone we encounter and in particular the local people who make the world the special place it is. The exploitation of people in the sex trade is completely contrary to this philosophy. Our CEOs have the right to expel any member of the group if drugs are found in their possession or if they utilize the services of paid sex workers, in any capacity.

Is travel insurance required for my trip?

Travel insurance is compulsory in order to participate on any of our trips. When travelling on a group trip, you will not be permitted to join the group until evidence of travel insurance has been sighted by your leader, who will take note of your insurance details. When selecting a travel insurance policy we require that at a minimum you are covered for medical expenses including emergency evacuation and repatriation. A minimum coverage of USD200,000 is required. We strongly recommend that the policy also covers personal liability, cancellation, curtailment and loss of luggage and personal effects. Some tours include adventure activities that require extra coverage (e.g. crampon use); please review your itinerary and make sure that you are covered for all included activities. If you have credit card insurance we require proof of purchase of the trip (a receipt of credit card statement) with a credit card in your name. Contact your bank for details of their participating insurer, the level of coverage and emergency contact telephone number.
