Yalla! Set off for a visit to the Great Pyramids of Giza and the Sphinx. Prepare for excitement and awe as you first glimpse these marvels of the ancient world. As a qualified Egyptologist certified by the Ministry of Antiquities, your Expedition Leader will share their knowledge about these massive structures while you get the chance to wander around them. From here, travel to a nearby local farm supported by Naway, a community-led project which helps small-scale farming families generate new income streams in the tourism industry. Together as a family, you will learn how to prepare culturally important dishes that can be made back home, and experience firsthand the sustainable cultivation practices and traditional food-cultural preservation work being carried out on nearby farms. TODAY'S ACTIVITIES

Private Vehicle Cairo 1h45m 51km

Settle in and scan the scenery from the comfort of your private vehicle. Please note the drive time listed includes the entire day of travel around Cairo. There will be stops along the way to break up the journey and the longest stretch in the car will be 45 minutes.

Great Pyramid of Giza and Sphinx Tour Cairo

Enjoy a tour of the magnificent great pyramid of Giza and the Sphinx. No matter how many photos or documentaries you have seen, the first glimpse of these marvels of the ancient world will take your breath away. As a qualified Egyptologist, your Expedition Leader has all the facts about these massive structures.

ACTIVITY

Nawaya is a community project dedicated to empowering females and preserving the deep heritage of small-scale farming families across Egypt, while fostering sustainable development, cultivation, and cooking practices. The project works with women, providing a safe space to gain independence while working to sustain the community. The project also works closely with local farmers and village youths, teaching them how to encourage the exchange of knowledge between those who visit Cairo and those who have always called this place home. Upon arrival, meet with an environmentally responsible farmer who will take the group around his land while he teaches everyone about the various crops and animals his family cares for. The experience will end with an authentic community kitchen visit. Here, the group will meet with the local women who run and manage this integral part of the project, and enjoy a hands-on demonstration of how to prepare traditional Egyptian cuisine. After the prep work, the cooking part will take place outside. Afterwards, sit down for a true farm-to-table meal amid the friendly hospitality of these local women as you swap stories and share laughter together as one big blended family.

Free Time Cairo

Enjoy a free evening as a family in the historic city of Cairo.

Day 3

CAIRO/ASWĀN

Travel by plane this morning from Cairo to Aswan. Grab those archaeologist hats and begin your time here with a visit to High Dam, which has a significant role in controlling the Nile's annual floods, providing water for irrigation, and generating hydroelectric power. Then, continue onwards to visit Philae Temple, built as a dedication to the Goddess Isis with temple walls adorned with scenes from Egyptian mythology. Try your hand at spotting representations of dogs in the temple complex. According to an article by National Geographic, "Ancient Egyptians of all social statuses kept dogs as family pets. Whenever a dog died, the family would mummify their pet and bury it in family tombs, so they could meet again in the afterlife." These mighty canines held as much importance to families then as they do today in modern times. After, board the ship on the Nile for your 3-night cruise and have an included lunch. Following lunch, enjoy some free time at the pool with your family. This evening, embark on a sunset felucca ride on the Nile to a Nubian Village. Walk through the village, learning about local customs while listening to the Nubian People's own distinct language, which does not have an alphabet and was thus never written down. Enjoy tea and return to the ship for dinner together on board.

TODAY'S ACTIVITIES

Plane **Cairo - Aswān** 1h15m-1h30m 874km

Look! Up in the sky! It's a bird! It's a plane! It's... yup, it is a plane, actually.

Aswan High Dam Visit **Aswān**

Visit the High Dam of Aswan, built in the 1960s and considered an engineering miracle at the time. Learn about the history of the dam and its construction and enjoy views across Lake Nasser.

Philae Temple Visit **Aswān** 3h

Sail across the Nile to the beautiful island of Agilkia and explore the Greco Roman history of the Temple of Philae, built as a dedication to the Goddess Isis. This temple complex was moved from its

original location on the Island of Philae after the flooding of Lake Nasser, the word "philae" meaning "the end" in reference to this island's placement on what was once the southernmost border of Egypt.

ACTIVITY

Board a felucca and float along the magnificent Nile, with views of the Aga Khan Mausoleum and Kitchener Island. Stop on one of the inhabited Nile islands in this area, to tour a local Nubian village, where you will learn about Nubian people, their culture, and their own distinct language. A language that actually can not be learned as it does not have an alphabet. Visit a local family for mint tea and a chat about their lives and history.

Family Nile Cruise Experience **Aswān - Luxor**

Create unforgettable memories as a family during your Nile cruise experience over the next three nights. Sail along the magical Nile and witness life along the shore up close. From Aswan to Luxor, you'll see a lot of history and culture along the way.

Day 4

ASWĀN/EDFU

Choose between a free morning aboard the ship or opt to pre-book a visit to the two rock-cut temples of Abu Simbel. This optional excursion does include flights. After lunch, the whole group will sail to Kom Ombo, passing local villages and farmland to the top of the Temple. Built along the riverbank, the temple is dedicated to the crocodile god Sobek. Enjoy an immersive visit with your family and channel your inner archeologist while exploring this ancient place. Return to the ship and sail to Edfu where you will dock for the night. Kom Ombo Temple Visit **Kom Ombo** 1h-2h

Optional Activities - Day 4

Temple of Abu Simbel Visit With Flights **Aswān**

Part historic monument and part modern marvel, Abu Simbel is one of Egypt's grandest temples. Built during the rule of Ramses II between 1274-1244 BC, this structure was almost swallowed by the Nile, but now stands safe and sound thanks to some crafty archaeologists and UNESCO. Fly to Abu Simbel and travel through Egypt's rugged landscapes, where the towering figures of Ramses himself, Ra-Horakhty, Amun, and Ptah will all be waiting to welcome you. Please note, there is an additional 300 EGP fee to take photos in the temple.

Day 5

EDFU/LUXOR

Witness the excitement on your kids' faces as you enjoy a morning visit to Edfu Temple. It took nearly 200 years to build and was dedicated to the God of War and Sky, Horus. Only recently discovered, "it wore a shroud of sand that had accumulated for centuries". According to an in-depth article by National Geographic, the structure of Edfu was never intended for a tomb. Instead, the pyramid and its six counterparts are suspected to have been symbols of power held by royals. The king ruled from farther north and it was important then to show that Egypt was unified under one political state. Return to the ship and sail to Luxor where you will dock for the evening. Enjoy lunch and dinner onboard and perhaps take time to enjoy some fun family games as you pass by the scenery along the banks of the Nile.

Stop for tea in the village and learn more about the project and community through a group discussion. Then proceed to the temple of Hatshepsut, dedicated to the powerful queen that ruled for 21 years. She is one of only a few female pharaohs to rule in thousands of years of Egypt's ancient history and stands as a true hero for young travelers. See how her temple has been restored before visiting the Colossi of Memnon, which guarded the entrance to King Amenhotep III's massive temple on Luxor's West Bank. Enjoy a late lunch in the home of a local family that has been hosting G Adventures' travelers for 15 years. Experience delicious, traditional dishes, featuring homemade staples and authentic flavors of Egypt.

From here, travel to explore the famed Valley of the Kings—a UNESCO World Heritage Site and active archaeological site of over 63 tombs—many still in excavation. Descend inside a few tombs with the option to visit Tutankhamen's resting site.

Hatshepsut Temple and Colossi of Memnon Visits

Luxor

1h30m

Visit the impressive Funerary Temple of Queen Hatshepsut, which seems to rise out of the surrounding limestone outcrops - a reminder of the power women held in the Ancient Kingdom. Hatshepsut was the

powerful queen who ruled the kingdom of Egypt for 21 years, from 1479 to 1458 BC. Her temple is unique in style and was found in a bad condition but has now been restored. Then, enjoy a quick stop at the two mammoth statues of Amenophis II at the Colossi of Memnon. Which actually belong to king Amentotep III from the new kingdom. They once guarded the entrance to his massive temple on Luxor's West Bank.

ACTIVITY

Enjoy a fabulous community connection moment during a delicious home-cooked lunch hosted by a local family outside of the Valley of the Kings. In a village where most of the tourist buses speed by heading to the sites Egypt is known for, we will stop and visit a family's home and witness true hospitality from locals. Learn about the family who live here, hear about the importance of their garden, and about how they cook the food the group is about to eat. For 15 years this family has been hosting groups of G Adventures travellers and the support they have received has helped four generations (close to 50 people) thrive, as well as provided education opportunities for the family's children, nieces, and nephews. Sit down, smell the delicious flavours of the special dishes prepared, and relax in the home and hospitality of a truly local Egyptian family.

Valley of the Kings Visit Luxor 2h30m

Cross the Nile to the west bank, passing through farmers fields on your way to the Valley of the Kings.

Descend the narrow, rock-hewn corridors and take in the magnificent decoration and designs of the tombs of the pharaohs. While the treasure has now all gone, the tombs contain the incredible paintings of the life of their incumbent and stories from the Book of the Dead.

Free Time Luxor

Spend a free evening as a family in Luxor. Find a cozy spot to enjoy dinner together after an incredible day.

Day 7

LUXOR/CAIRO

Amon Ra is known as the King of the Gods and the kids will no doubt be enamoured with a visit this morning to Karnak Temple and its Great Hypostyle Hall which includes 134 massive columns and is still considered the largest religious room in the world. Lunch will be on your own back in Luxor before boarding the flight to Cairo. Get settled at the hotel here before joining the group and a local expert for an Egyptian foodie experience. Visit urban local food counters and small specialty restaurants while you learn about traditional dishes and their connection to Egyptian culture. Food, after all, is something that can connect families and cultures from around the world.

VERY IMPORTANT: Please ensure that you view a final copy of your Trip Details a couple of days prior to travel, in case there have been changes that affect your plans.

Is there a travel disclaimer for my itinerary I should review before booking this trip?

While it is our intention to adhere to the route described below, there is a certain amount of flexibility built into the itinerary and on occasion it may be necessary, or desirable to make alterations. The itinerary is brief, as we never know exactly where our journey will take us. Due to our style of travel and the regions we visit, travel can be unpredictable. The Trip Details document is a general guide to the tour and region and any mention of specific destinations or wildlife is by no means a guarantee that they will be visited or encountered. Aboard expedition trips visits to research stations depend on final permission.

Additionally, any travel times listed are approximations only and subject to vary due to local circumstances.

What important notes should I be aware of before the trip?

1. ACCOMMODATION NOTE:

Please be aware that properties we stay in with only two stories may not have elevators installed and climbing the stairs with your luggage will be necessary.

2. EXCURSION RECOMMENDATIONS

If you arrive a day or two early in Cairo and wish to do some excursions, we recommend that you wait until you get to the joining hotel and contact our local staff for more information on available tours and excursions. Tourists are frequently over-charged for excursions bought from vendors on the street or at the airport.

3. OPTIONAL ACTIVITIES

Please note all optional activities and entrance fees will need to be paid by card only as per a new change implemented by the ministry of tourism in Egypt.

4. RAMADAN

According to the lunar cycle, Ramadan will fall between Feb 17th - Mar 19th 2026 and Feb. 7th - Mar. 8th 2027. Please note that Ramadan is a month of fasting observed by Muslims throughout the world, during which time the followers of Islam should not eat or drink between sunrise and sunset. There may be some limitations to services and disruptions to schedules during Ramadan, but generally our tours still operate effectively during this period and food is available to non-Muslims throughout the day. It is very important to display increased cultural sensitivity during Ramadan. Please wear loose fitting clothes, that cover knees and shoulders, and try to avoid eating, drinking or smoking in public out of respect for those who can't at that time.

5. MONEY

US Dollars that are series 1996 or earlier are not accepted and very difficult to change in regions of East and Southern Africa, as there are a lot of forgeries in circulation.

Specially designed for travellers with unique interests, Extras are optional add-ons to your G adventures trip that make your adventure more you-centric. Extras must be booked prior to departure, please see details in our optional activities field and ask your sales GCO or travel agent about booking.

7. AID AL-ADHA

During your visit to this country, we would like to inform you about an important celebration called Aid Al-Adha. This holiday may impact your travel experience, as most shops and restaurants are closed during the celebration. Some of the historical places we visit might also be closed during this time. There will be a shorter number of staff at the hotels and less crowded streets on the day of the celebration. Aid Al-Adha will fall between May 27th-28th, 2026, and May 17th-18th, 2027.

What is the role of the group leader during this trip?

All National Geographic Family Journeys with G Adventures group trips are accompanied by two of our Expedition Leaders. The aim of the group leader is to take the hassle out of your travels and to help you have the best trip possible. They will provide information on the places you are travelling through, offer suggestions for things to do and see, recommend great local eating venues and introduce you to our local friends. While not being guides in the traditional sense; you can expect them to have a broad general knowledge of the countries visited on the trip, including historical, cultural, religious and social aspects. We also use local guides where we think more specific knowledge will add to the enjoyment of the places we are visiting- we think it's the best of both worlds.

How large will the group be?

Max 20.

8 breakfasts, 6 lunches, 5 dinners

What are the meals like on this trip?

What are the visas and entry requirements for my trip?

All countries require a valid passport (with a minimum 6 months validity). Contact your local embassy or consulate for the most up-to-date visa requirements, or see your travel agent. It is your own responsibility to have the correct travel documentation. Visa requirements for your trip will vary depending on where you are from and where you are going. We keep the following information up to date as far as possible, but rules do change and sometimes without warning. While we provide the following information in good faith, it is vital that you check the information yourself and understand that you are fully responsible for your own visa requirements.

Visa information specific to your destination and nationality can be found in our Important Pre-Departure Information page [here](#)

What should I consider when planning my personal expenses and discretionary spending for this itinerary?

Every traveller is different and therefore spending money requirements will vary. Some travellers may drink more than others while other travellers like to purchase more souvenirs than most. Please consider your own spending habits when it comes to allowing for drinks, shopping and tipping. Please also remember the following specific recommendations when planning your trip.

What should I know about currency, credit cards, and exchanging money while on this tour?

The currency used in Egypt is the Egyptian Pound (EGP).

ATMs are found within main cities in Egypt and will generally accept cards on the Visa and Mastercard networks. It is a great idea to travel with both a Visa and Mastercard if at all possible as while there is no hard and fast rule, some banks seem to only work with one brand of card. Please note, your bank will charge a fee for overseas withdrawals.

Cash is recommended for times when ATMs are not accessible. Euros, British Pounds and US Dollars are all easy to exchange to the Local currency. Please note that you should bring some cash with you for emergency situations but carrying only cash is a high safety risk. ATM card/s and some cash is the ideal mix.

If you are bringing US Dollars, please make sure that the notes are new and in good condition. Notes older than 1996, or with any tears or blemishes may not be accepted. Be fussy with your bank when buying cash!

As currency exchange rates can fluctuate often we ask that you refer to the following website for daily exchange rates:
www.xe.com

How much emergency money should I bring on this trip?

Please also make sure you have access to at least an additional USD \$200 (or equivalent) as an 'emergency' fund, to be used when circumstances outside our control (ex. a natural disaster) require a change to our planned route. This is a rare occurrence!

Do I need to pay a departure tax?

Departure tax is usually included in your air tickets. If you depart Egypt via Nuweiba Port, there is a departure tax of approximately 9 USD.

Should I be tipping on my trip?

Local tipping is included on this Family trip which covers local guides, drivers and gratuity for included meals. At the end of your trip if you felt your two Expedition Leaders did an outstanding job, tipping is appreciated. The amount is entirely a personal preference, however as a guideline; per Expedition Leader \$5-10 USD (per day) per person, can be used.

For non-included meals in restaurant, a guideline is 10-15% of cost of bill.

What activities are optional on this trip?

Aswān

- Temple of Abu Simbel Visit With Flights

Are there any health considerations I should know before travelling?

DRINKING WATER: It is advisable to drink bottled water in Egypt.

Please note inoculations may be required for the country visited. It is your responsibility to consult with your travel doctor for up to date medical travel information well before departure.

There are no specific health requirements for this trip. However, we recommend protection against typhoid, tetanus, infectious hepatitis and polio. Though malaria does exist in Egypt, it is not normally found in the areas where we travel. You should consult your doctor for up-to-date medical travel information before departure. We recommend that you carry a First Aid kit and hand sanitizers / antibacterial wipes, as well as any personal medical requirements. Please be aware that we are in remote areas and away from medical facilities for some time during this trip, and for legal reasons our leaders are prohibited from administering any type of drug including headache tablets, antibiotics, etc.

What do I need to know to about safety and security on my trip?

Many national governments provide a regularly updated advice service on safety issues involved with international travel. We recommend that you check your government's advice for their latest travel information before departure. We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewellery at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes, which is the most secure way of storing your valuables. A lock is recommended for securing your luggage. When travelling on a group trip, please note that your group leader has the authority to amend or cancel any part of the trip itinerary if it deemed necessary, due to safety concerns. Your Expedition Leader will accompany you on all included activities. During your trip you will have some free time to pursue your own interests, relax and take it easy and explore at your leisure. While your Expedition Leader will assist you with options available in a given location, please note that any optional activities you undertake are not part of your itinerary, and we offer no representations about the safety of the activity or the standard of the operators running them. Please use your own good judgement when selecting an activity in your free time. Although the cities visited on tour are generally safe during the day, there can be risks to wandering throughout any major city at night. It is our recommendation to stay in small groups and to take taxis to and from restaurants, or during night time excursions. Water based activities have an element of danger and excitement built into them. We recommend only participating in water based activities when accompanied by a guide(s). We make every reasonable effort to ensure the fun and adventurous element of any water based activities (in countries with varying degrees of operating standards), have a balanced approach to safety. It is our policy not to allow our Expedition Leaders to make arrangements on your behalf for water based activities that are not accompanied by guide(s). Swimming, including snorkeling, is always at your own risk. [Read more about travel safety](#) for ways to further enhance your personal safety while traveling.

What rules should I know before joining this trip?

Illegal drugs will not be tolerated on any trips. Possessing or using drugs not only contravenes the laws of the land but also puts the rest of the group at risk. Smoking marijuana and opium is a part of local culture in some parts of the world but is not acceptable for our travellers. Our philosophy of travel is one of respect towards everyone we encounter and in particular the local people who make the world the special place it is. The exploitation of people in the sex trade is completely contrary to this philosophy. Our Expedition Leaders have the right to expel any member of the group if drugs are found in their possession or if they utilize the services of paid sex workers, in any capacity.

Is travel insurance required for my trip?

Travel insurance is compulsory in order to participate on any of our trips. When travelling on a group trip, you will not be permitted to join the group until evidence of travel insurance has been sighted by your leader, who will take note of your insurance details. When selecting a travel insurance policy we require that at a minimum you are covered for medical expenses including emergency evacuation and repatriation. A minimum coverage of USD200,000 is required. We strongly recommend that the policy also covers personal liability, cancellation, curtailment and loss of luggage and personal effects. Some tours include adventure activities that require extra coverage (e.g. crampon use); please review your itinerary and make sure that you are covered for all included activities. If you have credit card insurance we require proof of purchase of the trip (a receipt of credit card statement) with a credit card in your name. Contact your bank for details of their participating insurer, the level of coverage and emergency contact telephone number.

How should I dress to respect local customs during the tour?

While visiting mosques and other religious monuments you should dress modestly, cover your shoulders and you shouldn't wear short shorts or skirts. Outside of capital cities and the more touristic centres, local dress is often more conservative and as a matter of respect we ask that both men and women are aware of this and recommend loose-fitting clothes with your shoulders covered. Ask your Expedition Leader for more specific advice.
