Day 1

GUATEMALA CITY/ANTIGUA GUATEMALA

Arrive at the Guatemala City airport and transfer to hotel in Antigua.

Arrive at the Guatemala City airport and transfer to your hotel in Antigua. There are no planned activities during the day, so check into the hotel and enjoy this charming city.

It is a short 45km (28 mi) from Guatemala City on a lovely winding road. The natural scenery is some of the most beautiful anywhere with high mountain peaks surrounding deep valleys, and nearly every inch of land covered with lush growth.

Antigua's nearest airport is Guatemala City, Guatemala. Don't get caught flying into the Caribbean island nation of Antigua; it's nowhere near the start of this tour!

TODAY'S ACTIVITIES

Private Vehicle

Guatemala City - Antigua Guatemala

1h

Settle in and scan the scenery from the convenience of a private vehicle.

ACTIVITY

Your opportunity to meet your CEO and fellow travellers, and learn more about your tour. Opt to join the group for a local meal afterwards. Don't forget to see the notice in the lobby (or ask reception) for the official time and place to meet up with the group.

Day 2

ANTIGUA GUATEMALA

Explore Antigua on a guided cultural walking tour with a historian, including City Hall, the convent, and the museums at Paseo de los Museos. Opt to take a volcano trek or excursion to a macadamia nut plantation or coffee farm.

Walk through quiet cobblestone streets, past restored Spanish colonial stucco homes with heavy, beautifully carved wooden entrances. Explore the museums and churches, then have an ice cream and people-watch in the central park.

Antigua offers three specialties that make shopping here very worthwhile. Textiles sold here and in the nearby towns are of the highest quality, beautifully designed and woven on foot looms or the traditional back strap loom. Jade, in carved statues and jewelry, is sold in several factories and shops in town and silver jewelry is also sold in the better shops and a nearby silver factory in San Felipe de Jesus. The city offers good buys in ceramics and antiques as well.

TODAY'S ACTIVITIES

ACTIVITY

Meet our historian guide at the fountain in the Central Plaza and take a leisurely walk along the cobblestone streets of this city, a UNESCO World Heritage site. Visit the City Hall Palace, Palace of the Captain's General, the cathedral, and Sor Juana de Maldonado's Convent/Museum, and then complete the tour at the best museum in town at Paseo de los Museos.

Walk through the plant nursery, explore the rows of coffee plants, pick a coffee "cherry" (each one has two beans inside), then discover the various stages that go into making the perfect cup of quality coffee. The farm also has a restaurant and zipline for those who opt to fly above the canopy to spot the very best beans.

Day 3

ANTIGUA GUATEMALA/JAIBALITO

Travel today by van and boat to the village of Jaibalito on Lake Atitlán. Visit the communities on the lake by boat, including San Juan la Laguna, a G Adventures-supported village. Take an orientation walk, visit various co-ops, enjoy a local Mayan lunch and a Mayan tree-planting ceremony.

Our home at the lake will be in the tranquil town of Jaibalito. This tiny village sits on the north shores of breathtaking Lake Atitlán, surrounded by volcanoes. There are no paved roads leading into Jaibalito, but the paths weaving across the slopes offer rewarding views of the lake.

TODAY'S ACTIVITIES

Private Vehicle

Burrell Boom - San Ignacio

3h-4h

Settle in and scan the scenery from the convenience of a private vehicle.

ACTIVITY

Like in many places around the world, education for women in the village of San Antonio isn't prioritized. Girls don't typically attend school beyond primary levels. So a women's cooperative was founded here, as a way for underprivileged women to earn income, learn new skills, and share centuries-old Mayan techniques and knowledge. Visit the pottery workshop, which is newly expanded with an investment from G Adventures. Meet some of the women who've found community within its walls and gain insight into the tradition of throwing pots. Try your own hand at these ancient techniques during a pottery class. Afterward, enjoy lunch together with these inspiring and unforgettable women, sampling traditional foods of the Cayo region.

ACTIVITY

Founded by five-time National Geographic-grantee Dr. Robert Horwich, the Community Baboon Sanctuary is a conservation project that works to protect the natural habitat of the black howler monkey through community education and sustainable ecotourism practices. Go for a nature walk in the rainforest with a community guide to observe monkeys in the wild. The sanctuary also promotes the economic development of the surrounding communities through the ecotourism it brings in. Over

200 private, local landowners in seven villages, stretching over 20 square miles, have voluntarily pledged to conserve their land for the protection of the black howler monkey, resulting in an increase in the monkey population. So as part of the experience, also enjoy a cultural demonstration of rice beating and cashew roasting.

Drive up the coast and visit an animal conservation centre before catching the ferry to Caye Caulker, a true tropical paradise.

Caye Caulker is a long thin limestone caye off the coast of Belize. Fewer than 2,000 people live here full-time – an eclectic mix of Mestizo, Maya, Garifuna, Creole, and Mennonites, along with a few hippies and retirees. The main street is a sandy pathway and people get around on foot, by bike or golf cart. Apart from eating some sensational seafood (lobster is a local specialty), the main activity is snorkelling and boating along the nearby Belize Barrier Reef.

Caye Caulker is very small and has a limited number of accommodations available. For this reason, we often use different hotels, depending on the departure and time of year. Accommodations are a bit rustic, and rooms will have ensuite, electricity and hot water, but due to the remote location, there may be occasional interruptions to these services. The stunning location and natural beauty of this off-the-beaten-track island more than make up for a few minor inconveniences.

Is there a disclaimer I should read before booking this trip?

The information in this trip details document has been compiled with care and is provided in good faith. However it is subject to change, and does not form part of the contract between the client and the operator. The itinerary featured is correct at time of printing. It may differ slightly to the one in the brochure. Occasionally our itineraries change as we make improvements that stem from past travellers, comments and our own research. Sometimes it can be a small change like adding an extra meal along the itinerary. Sometimes the change may result in us altering the tour for the coming year. Ultimately, our goal is to provide you with the most rewarding experience. Please note that our brochure is usually released in November each year. If you have booked from the previous brochure you may find there have been some changes to the itinerary.

VERY IMPORTANT: Please ensure that you print a final copy of your Trip Details to review a couple of days prior to travel, in case there have been changes that affect your plans.

Is there an itinerary Disclaimer?

While it is our intention to adhere to the route described below, there is a certain amount of flexibility built into the itinerary and on occasion it may be necessary, or desirable to make alterations. The itinerary is brief, as we never know exactly where our journey will take us. Due to our style of travel and the regions we visit, travel can be unpredictable. The Trip Details document is a general guide to the tour and region and any mention of specific destinations or wildlife is by no means a guarantee that they will be visited or encountered. Aboard expedition trips visits to research stations depend on final permission.

Additionally, any travel times listed are approximations only and subject to vary due to local circumstances.

What important notes should I be aware of before the trip?

1. ARRIVAL AIRPORT

Antigua's nearest airport is approx. 1 hr away in Guatemala City.

2. POST-ACCOMMODATION

For any post tour accommodation you have the option of booking at either Caye Caulker or Belize City.

3. DEPARTURE DETAILS

Please note that this trip finishes in Caye Caulker, which is located one hour by water taxi from Belize city. There are frequent departures between 7:30am and 5pm.

4. COMBO TRIP

Please note that this trip is part of a combination of multiple G Adventures tours. As such, the CEO, staff and/or particular vehicles operating your tour may change between tour segments. You may also expect some group members to join or leave the tour, between tour segments.

What is the group leader like?

All G Adventures group trips are accompanied by one of our group leaders, a G Adventures representative, or an expedition team. The aim of the group leader is to take the hassle out of your travels and to help you have the best trip possible. They will provide information on the places you are travelling through, offer suggestions for things to do and see, recommend great local eating venues and introduce you to our local friends. While not being guides in the traditional sense you can expect them to have a broad general knowledge of the countries visited on the trip, including historical, cultural, religious and social aspects. We also use local guides where we think more specific knowledge will add to the enjoyment of the places we are visiting- we think it's the best of both worlds.

How large will the group be?

Max 16, Avg 10.

What meals are included in this trip?

16 breakfasts, 4 lunches, 1 dinner

What are the meals like on this trip?

Eating is a big part of traveling. Travelling with G Adventures you experience the vast array of wonderful food that is available out in the world. Generally meals are not included in the trip price when there is a choice of eating options, to give you the maximum flexibility in deciding where, what and with whom to eat. It also gives you more budgeting flexibility, though generally food is cheap. Our groups tend to eat together to enable you to taste a larger variety of dishes and enjoy each other's company. There is no obligation to do this though. Your CEO will be able to suggest favourite restaurants during your trip. The above information applies to G Adventures group trips. Please refer to the meals included and budget information for included meals and meal budgets.

What are the modes of transportation on my trip?

Private van, boat, plane, water taxi, walking.

Are local flights included in the cost of the trip?

All local flights are included in the cost of your tour unless otherwise noted. It is important that we have your passport information at the time of booking in order to process these tickets. Internal flight tickets are issued locally and will be given to you prior to the flight departure. Please note that there is a 25 pound limit on the Flores to Guatemala City flight. You may be charged by the airline for any weight over this limit.

Is there an extra cost for travelling solo?

We believe single travellers should not have to pay more to travel so our group trips are designed for shared accommodation and do not involve a single supplement. Single travellers joining group trips are paired in twin or multi-share accommodation with someone of the same sex for the duration of the trip. Some of our Independent trips are designed differently and single travellers on these itineraries must pay the single trip price.

Where will we stay during the trip?

Hotels (16 nts).

Will I get my own room?

Please note that if you have booked the "My Own Room" option for this tour, you will receive your own single room for all night stops

What kind of accommodation can I expect on this trip?

Please note that hotels vary greatly throughout Central America depending on the location. We do our best to pick comfortable accommodations, but in remote places, options can be limited. It also is important to remember that hot water shortages and power outages can be fairly common in Belize (even in upgraded hotels). We appreciate your patience and understanding that these occurrences are outside of our control.

What is the joining hotel?

For details of your joining hotel please refer to your tour voucher, G Account, the G Adventures App or contact your travel agent.

What are the joining instructions?

An arrival transfer is included when you arrive on Day 1, or if you arrive up to three days prior provided that you have booked your pre-accommodation through National Geographic Journeys in our joining hotel. Due to customer experience and quality considerations, all services related to the tour must be continuous.

Our driver will be waiting for you with a National Geographic Journeys sign with your name on it, and they will be waiting for you outside the luggage hall. There most likely will be many signs, so please check carefully for your name.

Please note that Day 1 is an arrival day and no activities have been planned, so you may arrive at any time. Similarly the last day is a departure day in which no activities are planned.

Your CEO will contact you at the hotel on Day 1 and make sure you are settled comfortably. If you arrive late, they will leave you a message detailing what time and where you should meet the next morning. Your CEO will organize a short meeting soon after arrival, during which you will meet other tour participants and receive information about general and specific aspects of the trip.

What happens if I experience problems when arriving?

We don't expect any problems, and nor should you, but if for any reason you are unable to commence your trip as scheduled, as soon as possible please contact your starting point hotel, requesting that you speak to or leave a message for your CEO (if you are not on a group tour please refer to the emergency contact details provided in this dossier). If you are unable to get in touch with your leader, please refer to our emergency contact details. If you have not made contact with our representative within 30 minutes of clearing customs and immigration for your airport transfer, we recommend that you make your own way to the Starting Point hotel, following the Joining Instructions. Please apply to your travel agent on your return for a refund of the transfer cost if this occurs.

Who should I contact in case of an emergency?

Should you need to contact us during a situation of dire need, it is best to first call either the G Adventures Local Operator (if one is listed below) or our G Adventures Local Office. If for any reason you do not receive an immediate answer, please leave a detailed message and contact information, so they may return your call and assist you as soon as possible.

AIRPORT TRANSFER

If you have purchased an arrival transfer or if an arrival transfer is included in the cost of your tour, please note that:

Your arrival transfer has been arranged based on flight information provided to us. If you are advised of a flight schedule change within 48 hours of your scheduled arrival time, we will do our best to rearrange your arrival transfer however we cannot guarantee this. If your arrival transfer does not arrive within 30 minutes after you have exited the arrivals area please take a taxi to your start point hotel.

What are the visas and entry requirements for my trip?

All countries require a valid passport (with a minimum 6 months validity). Contact your local embassy or consulate for the most up-to-date visa requirements, or see your travel agent. It is your own responsibility to have the correct travel documentation. Visa requirements for your trip will vary depending on where you are from and where you are going. We keep the following information up to date as far as possible, but rules do change and sometimes without warning. While we provide the following information in good faith, it is vital that you check the information yourself and understand that you are fully responsible for your own visa requirements.

Visa information specific to your destination and nationality can be found in our Important Pre-Departure Information page [here](#)

How much spending money do I need for my trip?

Every traveller is different and therefore spending money requirements will vary. Some travellers may drink more than others while other travellers like to purchase more souvenirs than most. Please consider your own spending habits when it comes to allowing for drinks, shopping and tipping. Please also remember the following specific recommendations when planning your trip.

What should I know about currency, credit cards, and exchanging money while on this tour?

Credit cards and debit cards are very useful for cash advances. Visa cards are the most widely accepted cards. While ATMs are widely available, there are no guarantees that your credit or debit cards will actually work in Latin America. Check with your bank. You should be aware that to purchase products or services on a credit card a fee of 5%-10% usually applies. Do not rely on credit or debit cards as your only source of money. A combination of US dollars cash and cards with travellers cheques as backup is best. Always take more rather than less, as you don't want to spoil the trip by constantly feeling short of funds.

CURRENCY EXCHANGE TIP: Please be advised that slightly torn notes, notes that have been heavily marked or are faded may be difficult to exchange. It is best to bring notes in fairly good condition, in denominations lower than 100USD (or equivalent).

GUATEMALA ATMs: Please note that daily withdrawal limits in this country are extremely low, currently set at 1000 quetzales - less than 140 USD. It is advisable to arrive with enough cash, if your daily needs exceed this amount.

As currency exchange rates can fluctuate often we ask that you refer to the following website for daily exchange rates:
www.xe.com

How much emergency money should I bring on this trip?

Please also make sure you have access to at least an additional USD \$200 (or equivalent) as an 'emergency' fund, to be used when circumstances outside our control (ex. a natural disaster) require a change to our planned route. This is a rare occurrence!

Do I need to pay a departure tax?

Airport tax - USD39

Departure fee when leaving Belize by land - BZ 40 or USD 20

Should I be tipping on my trip?

It is customary in Latin America to tip service providers such as waiters, at approximately 10%, depending on the service. Tipping is an expected - though not compulsory - component of your tour program and an expression of satisfaction with the persons who have assisted you on your tour. Although it may not be customary to you, it is of considerable significance to the people who will take care of you during your travels. There are several times during the trip where there is opportunity to tip the local guides or drivers we use. Recommendations for tipping drivers and local guides would range from \$5-10 USD per day depending on the quality and length of the service; ask your CEO for specific recommendations based on the circumstances and culture.

Also at the end of each trip if you felt your G Adventures CEO did an outstanding job, tipping is appreciated. The amount is entirely a personal preference, however as a guideline \$20-25 USD per person, per week can be used.

Are there any health considerations I should know before travelling?

Please note inoculations may be required for the country visited. It is your responsibility to consult with your travel doctor for up to date medical travel information well before departure.

You should consult your doctor for up-to-date medical travel information well before departure. We recommend that you carry a First Aid kit and hand sanitizers / antibacterial wipes as well as any personal medical requirements. Please be aware that quite often we are in remote areas and away from medical facilities, and for legal reasons our leaders are prohibited from administering any type of drug including headache tablets, antibiotics, etc. When selecting your trip please carefully read the brochure and itinerary and assess your ability to cope with our style of travel. Please refer to the Physical and Culture Shock ratings for trip specific information. G Adventures reserves the right to exclude any traveller from all or part of a trip without refund if in the reasonable opinion of our CEO they are unable to complete the itinerary without undue risk to themselves and/or the rest of the group.

What do I need to know to about safety and security on my trip?

Many national governments provide a regularly updated advice service on safety issues involved with international travel. We recommend that you check your government's advice for their latest travel information before departure. We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewellery at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes, which is the most secure way of storing your valuables. A lock is recommended for securing your luggage. When travelling on a group trip, please note that your CEO has the authority to amend or cancel any part of the trip itinerary if it is deemed necessary due to safety concerns. Your CEO will accompany you on all included activities. During your trip you will have some free time to pursue your own interests, relax and take it easy or explore at your leisure. While your CEO will assist you with options available in a given location please note that any optional activities you undertake are not part of your itinerary, and we offer no representations about the safety of the activity or the standard of the operators running them. Please use your own good judgment when selecting an activity in your free time. Although the cities visited on tour are generally safe during the day, there can be risks to wandering throughout any major city at night. It is our recommendation to stay in small groups and to take taxis to and from restaurants, or during night time excursions.

Protests and Demonstrations- Protests and demonstrations, even those that are well intended, have the potential to turn violent with no warning. Counter protests can also turn violent. Action by security forces to disperse demonstrators and protesters may occur at any time. If you are in an area where demonstrators or protesters are gathering, avoid the temptation of staying for a good photo opportunity and leave the area immediately.

Water based activities have an element of danger and excitement built into them. We recommend only participating in water based activities when accompanied by a guide(s). We make every reasonable effort to ensure the fun and adventurous element of any water based activities (in countries with varying degrees of operating standards) have a balanced approach to safety. It is our policy not to allow our CEOs to make arrangements on your behalf for water based activities that are not accompanied by guide(s).

Swimming, including snorkeling, is always at your own risk.

We take all prudent measures in relation to your safety. For ways to further enhance your personal safety while traveling, please visit:

www.gadventures.com/travel-resources/safety/

What are the trip specific safety considerations?

Larger cities can be dangerous during the night - please ensure you use taxis. Also on Caye Caulker exercise caution and do not walk around alone at night. There have also been cases of drinks being spiked here.

What rules should I know before joining this trip?

Illegal drugs will not be tolerated on any trips. Possessing or using drugs not only contravenes the laws of the land but also puts the rest of the group at risk. Smoking marijuana and opium is a part of local culture in some parts of the world but is not acceptable for our travellers. Our philosophy of travel is one of respect towards everyone we encounter, and in particular the local people who make the world the special place it is. The exploitation of prostitutes is completely contrary to this philosophy. Our CEOs have the right to expel any member of the group if drugs are found in their possession or if they use prostitutes.

Is travel insurance required for my trip?

Travel Insurance: Travel insurance is compulsory in order to participate on any of our trips. When travelling on a group trip, you will not be permitted to join the group until evidence of travel insurance has been sighted by your CEO, who will take note of your insurance details. When selecting a travel insurance policy please bear in mind that all clients must have medical coverage and that we require a minimum coverage of USD 200,000 for repatriation and emergency rescue. We strongly recommend that the policy also covers personal liability, cancellation, curtailment and loss of luggage and personal effects. If you have credit card insurance we require proof of purchase of the trip (a receipt of credit card statement) with a credit card in your name. Contact your bank for details of their participating insurer, the level of coverage and emergency contact telephone number.
