#### ACTIVITY

Hike to the top of Tado Village, a community of Sulawesi descendants. Meet with a local guide and together hike to the top of the mountain – approximately a 2-hour journey – and enjoy a stunning bird's-eye view of the iconic spiderweb rice fields. The trail is rocky and unpaved, with about 70% uphill and 20% relatively flat sections. The same path is used for both going and returning. The total trekking distance is 1.5 km. Enjoy a delicious local lunch alongside our hosts, as well.

Today we trek into the jungle! A drive and a motorbike ride brings us to the starting point of the hike. We're headed to the remote Waerebo Village, famous for its traditional circular and cone-shaped houses called Mbaru Niang. Trek through the tropical jungle and up hill for about 2-3 hours, with plenty of stops to rest. We'll be greeted with a welcome ceremony by the local villagers, followed by lunch. In the afternoon, we'll enjoy a little pick me up where we'll learn to harvest coffee beans and prep them for our own drinking. Tonight we will sleep in a Mbaru Niang together. These accommodations are basic but offer an extremely unique opportunity to experience this beautiful and cozy village.

No need to bring your entire suitcase with you into the jungle overnight. Make sure to pack a small overnight bag with the few items you need tonight and tomorrow. You'll be reunited with your main bags again tomorrow evening.

## Is there an extra cost for travelling solo?

We believe solo travellers should not have to pay more to travel so our group trips are designed for shared accommodation and do not involve a single supplement. Single travellers joining group trips are paired in twin or multi-share accommodation with someone of the same sex for the duration of the trip. Some of our Independent trips are designed differently and solo travellers on these itineraries must pay the single trip price.

## Where will we stay during the trip?

Hotel (3 nts), Guesthouse (1 nt), Mbaru Niang Homestay (1 nt), Phinisi Boat (2 nts)

## What kind of accommodation can I expect on this trip?

A variety of styles of hotels/guest houses, as well as a phinisi boat, are used on this trip. In many instances they might not be like what you are accustomed to as service and efficiency can vary. In some areas we stay in simple local guest houses in stunning locations. That said, rooms are generally small and simple yet clean. There may only be shared toilet facilities and showers.

Accommodation will be varied throughout your adventure. Some nights on this tour will be multi-share. This may involve 4-6 group members sharing a room. The majority of accommodation will have shared bathroom facilities. In Waerebo Village, our group will stay in one big communal house.

Where we use multi-share hostels, rooming requests of any kind cannot be taken. For private accommodation please see tours in our Classic Travel Style.

## What are the joining instructions?

For details of your joining hotel please refer to your tour voucher, G Account, the G Adventures App or contact your travel agent.

If you would like to book an airport Arrival transfer for your tour, please contact our Sales Team or your Travel Agent in advance of travel.

Upon arrival to your Joining Hotel (note that check-in time will be in the afternoon), look for a note or bulletin board in the reception with a note from your CEO. This note will give the details of your Welcome Meeting on day 1 (usually between 5pm and 7pm), where you will get a chance to meet your CEO and other travellers, as well as learn more about how the tour will run. If you don't see a note, please ask reception for details!

If you are arriving later and will miss the Welcome Meeting, your CEO will leave a note at reception for you with any information you may need, and with morning instructions for the next day.

# What are the visas and entry requirements for my trip?

All countries require a valid passport (with a minimum 6 months validity). Contact your local embassy or consulate for the most up-to-date visa requirements, or see your travel agent. It is your own responsibility to have the correct travel documentation. Visa requirements for your trip will vary depending on where you are from and where you are going. We keep the following information up to date as far as possible, but rules do change and sometimes without warning. While we provide the following information in good faith, it is vital that you check the information yourself and understand that you are fully responsible for your own visa requirements.

Visa information specific to your destination and nationality can be found in our Important Pre-Departure Information page [here](#)

Indonesia:

If you are eligible to apply a tourist e-visa for Indonesia, please follow the below links for further information and application:

[C1 Visa Description and Requirements](#)

[eVisa Application Website](#)

The All-Indonesia Arrival Card is mandatory for all international travelers on arrival at Soekarno–Hatta International Airport (CGK), I Gusti Ngurah Rai International Airport (DPS) and Juanda International Airport (SUB) must be completed online within 72 hours before arrival. Submitting the form in advance generates a QR code required at immigration and customs.

Note: The Arrival Card will be mandatory for all international travelers on arrival at all international airports, all international ports by land and by sea from 1 October 2025. For more information and to complete the application, visit the [Indonesia Immigration website](#).

Bali:

Effective February 14, 2024, Bali will implement the “Bali Tourist Levy” for all foreign tourists traveling to the island. This fee is 150,000 IDR (or \$10 USD). Travellers can opt to pay this fee online or in person upon arrival to Bali. We strongly suggest every traveler pay before arrival to ease your entry and avoid queueing to pay upon arrival. The Balinese Government also highly recommends travellers to pay this fee before arrival to Bali.

Payments made before your arrival into Bali will take place through the “Love Bali System.” After successful payment, the system will provide you with a digital paid notification as proof. Make sure to hold on to that proof as it will be scanned by Bali Officials upon arrival to the island. Pay Tourist Levy [here](#)

If you do not pay the fee before arrival, a cashless payment must be made at your entry point. You will receive a printout proving your payment. This document must be kept safe as entry officials will scan the printout upon entering Bali.

For more information, please click [here](#)

Information is accurate as of April 1st, 2024.

## **What should I consider when planning my personal expenses and discretionary spending for this itinerary?**

Every traveller is different and therefore spending money requirements will vary. Some travellers may drink more than others while other travellers like to purchase more souvenirs than most. Please consider your own spending habits when it comes to allowing for drinks, shopping and tipping. Please also remember the following specific recommendations when planning your trip.

## **What should I know about currency, credit cards, and exchanging money while on this tour?**

During this tour the local currency you will use is the Indonesian Rupiah. As currency exchange rates in South East Asia do fluctuate, we ask that you refer to the following website for the most up to date daily exchange rates: [www.xe.com](http://www.xe.com) for each of the above mentioned currencies. The best way to carry your money is in debit cards, withdrawing cash in local currencies from ATM machines. ATMs are found throughout South East Asia and will generally accept cards on the Visa and Mastercard networks. It is a great idea to travel with both a Visa and Mastercard if at all possible in case of loss or problems with one card, you will have a back up. Please note, your bank will charge a fee for overseas withdrawals.

## **Do I need to pay a departure tax?**

Departure Tax is included in all International and Domestic tickets.

## **Should I be tipping on my trip?**

It is customary in Asia to tip service providers such as waiters, at approximately 10%, depending on the service. Tipping is expected - though not compulsory - and shows an expression of satisfaction with the people who have assisted you on your tour. Although it may not be customary to you, it is of considerable significance to the people who will take care of you during your travels. There are several times during the trip where there is opportunity to tip the local guides or drivers we use. You may do this individually, or your CEO will offer to collect the money and tip as a group.

Recommendations for tipping drivers and local guides would range from \$1.5-\$3.5 USD per person per day depending on the quality and length of the service; ask your CEO for specific recommendations based on the circumstances and culture. Also at the end of each trip if you felt your G Adventures CEO did an outstanding job, tipping is appreciated. The amount is entirely a personal preference, however as a guideline \$20-25 USD per person, per week can be used.

## **What activities are optional on this trip?**

- No optional activities

## What do I need to know to about safety and security on my trip?

Many national governments provide a regularly updated advice service on safety issues involved with international travel. We recommend that you check your government's advice for their latest travel information before departure. We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewellery at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes, which is the most secure way of storing your valuables. A lock is recommended for securing your luggage. When travelling on a group trip, please note that your group leader has the authority to amend or cancel any part of the trip itinerary if it deemed necessary, due to safety concerns. Your Chief Experience Officer (CEO) will accompany you on all included activities. During your trip you will have some free time to pursue your own interests, relax and take it easy and explore at your leisure. While your CEO will assist you with options available in a given location, please note that any optional activities you undertake are not part of your itinerary, and we offer no representations about the safety of the activity or the standard of the operators running them. Please use your own good judgement when selecting an activity in your free time. Although the cities visited on tour are generally safe during the day, there can be risks to wandering throughout any major city at night. It is our recommendation to stay in small groups and to take taxis to and from restaurants, or during night time excursions.

Water based activities have an element of danger and excitement built into them. We recommend only participating in water based activities when accompanied by a guide(s). We make every reasonable effort to ensure the fun and adventurous element of any water based activities (in countries with varying degrees of operating standards), have a balanced approach to safety. It is our policy not to allow our CEOs to make arrangements on your behalf for water based activities that are not accompanied by guide(s).

Swimming, including snorkeling, is always at your own risk. [Read more about travel safety](#) for ways to further enhance your personal safety while traveling.
