Is there a travel disclaimer for my itinerary I should review before booking this trip?

While it is our intention to adhere to the route described below, there is a certain amount of flexibility built into the itinerary and on occasion it may be necessary, or desirable to make alterations. The itinerary is brief, as we never know exactly where our journey will take us. Due to our style of travel and the regions we visit, travel can be unpredictable. The Trip Details document is a general guide to the tour and region and any mention of specific destinations or wildlife is by no means a guarantee that they will be visited or encountered. Aboard expedition trips visits to research stations depend on final permission. Additionally, any travel times listed are approximations only and subject to vary due to local circumstances.

What important notes should I be aware of before the trip?

1. G Adventures requires your passport number, full name and date of birth at the time of booking. Please make sure you give this information to your travel agent.

2. Once you have confirmed your booking please give us your international flight details and advise us if you have any important issues such as allergies, special diets, etc.

3. The Ecuadorian government currently levies a Galapagos Islands Park entry fee of \$100 USD per person. This is payable at the airport upon arrival in the park. It is not included in the cost of the tour, and must be paid in CASH. This fee funds Park maintenance and supervision in Galapagos, as well as ecological study, conservation and infrastructure development in Ecuador's other National Parks. Entry fees and the funds they generate for the National Park System are among measures taken by the Ecuadorian government to protect its natural heritage.

4. The Consejo de Gobierno (local government council) have implemented a system of Transit Control Cards at a fee of \$20 USD per person. This card is to be purchased in CASH at a counter in the Quito airport before boarding the flight to the Galapagos. Please retain this card along with your passport as you will be required to present this upon arrival to the Galapagos Islands. Please note that this applies to all tourists entering the Galapagos Islands and is a supplement to the existing entry fee to the National Park and is not controlled by tour operators or travel agencies. It is the first of a number of initiatives to track, control and maintain the sustainable tourism targets set out by the Galapagos National Park and the Ecuadorian government in an attempt to preserve the fragile environment of the archipelago.

5. Please note that the rooming on our Galapagos yachts is done on a first-come, first-serve basis, and we are not able to guarantee the specific cabin you will receive on board. The cabins are comfortable and clean, all with private bathrooms. Due to the specific location of the cabins on board, the window sizes vary as well as the noise at times when the boat is navigating, given the proximity of the cabin to the engine room. Our friendly and competent crew will ensure the smooth and comfortable journey for the duration of your tour.

6. Please note that this trip is a combination of multiple G Adventures tours. As such, the staff may change between tour segments. You may also expect some group members to join or leave the tour, between tour segments. There may be a few hours between segments of the trip, where you will get to stretch your legs on land, and explore independently while your crew prepares the vessel for any passengers who will be joining the tour.

7. All travellers are required to pay the tax on domestic flights in Ecuador. Foreign travellers are exempt from this, and proving you are indeed a foreign traveller can be done by providing us with your international ticket number (ITN). Travellers who do not submit international ticket numbers at least 30 days prior to Day 1 of their tour will be required to pay the domestic tax on all included flights.

COMBO TRIP

Please note that this tour combines with other G Adventures tours. As such, the staff and some travel companions on your tour may have previously been traveling together with G Adventures, prior to Day 1 of your tour. Likewise, some staff and travel companions may be continuing together on another G Adventures tour, after your trip concludes.

What is the group leader like?

Your G Adventures group trip is met in Quito by a G Adventures representative. The aim of the representative is to give you the required information for the rest of your journey and to assist with changing money, restaurant and excursion suggestions and general information about the city. We also use local guides where we think more specific knowledge will add to the enjoyment of the places we are visiting- we think it's the best of both worlds. For your shipboard voyage we have a highly experienced shipboard staff and crew, including 2 Galapagos CEO's who are local naturalist guide's certified by the Galapagos National Park.

How large will the group be?

Max 20, avg 14

What meals are included in this trip?

9 breakfasts, 7 lunches, 7 dinners

What are the modes of transportation on my trip?

Plane, motorized yacht, panga, private vehicle.

Are local flights included in the cost of the trip?

All local flights to and from the Galapagos are included in the cost of your tour. It is important that we have your passport information at the time of booking in order to process these tickets. Internal flight tickets are issued locally and will be given to you prior to the flight departure.

Flights to either of the airports in the Galapagos leave early in the morning on Day 2 and get you into the islands in the early afternoon. Flights back to the mainland depart between 10:00am and 1:30pm arriving in the early evening.

Please note that all flights to and from the Galapagos make a 1 hour refuelling stop in Guayaquil.

Maximum one piece of luggage per person weighing a maximum of 23 kilograms (50 pounds), plus one carry-on piece weighing a maximum of 10 kilograms (22 pounds).

Is there an extra cost for travelling solo?

We believe single travellers should not have to pay more to travel so our group trips are designed for shared accommodation and do not involve a single supplement. Single travellers joining group trips are paired in twin or multi-share accommodation with someone of the same sex for the duration of the trip. Some of our Independent trips are designed differently and single travellers on these itineraries must pay the single trip price.

Where will we stay during the trip?

Hotel (2 nts), aboard the Monserrat in twin-share or double cabins (7 nts).

Will I get my own room?

Please note that if you have booked the "My Own Room" option for this tour, you will receive your own single room for all night stops

What is the joining hotel?

For details of your joining hotel please refer to your tour voucher, G Account, the G Adventures App or contact your travel agent.

What are the joining instructions?

The Quito International Airport is approximately one hour outside of the city centre where your joining hotel is located. There are a number of routes the driver may take depending on time of day and traffic, however, the route often seems long and indirect. The easiest and cheapest way to get there is by organizing a taxi at the desk within the airport (approximately \$30 USD). Private transfers generally cost more as the cars will need to drive from Quito, to the airport, and return. Immediately after the customs and immigration area, as you head to the exits, you will find a taxi stand. We strongly recommend you pay for the car at set rates from the taxi stand and therefore won't need to worry about sorting out a ride outside the airport facilities, where the situation tends to get more chaotic with many drivers vying for few clients. The taxis outside the airport area do not belong to the Taxi Airport Union and may charge higher fares.

There is also a shuttle available with the bus company Aeroservicios. Aeroservicios charges 8 USD to board a bus which will take you from the new airport to the old airport. The buses are new, comfortable, and often include wifi. From the old airport, a taxi to get to your hotel would generally cost \$5 USD depending on the distance and location.

If you have paid in advance for an arrival transfer, a G Adventures representative will be at the airport to meet you. If for any reason you are not met at the airport, please call our local support line. If you are unable to make contact for whatever reason, please make your way to the joining point hotel via taxi.

Please note that Day 1 is an arrival day and no activities have been planned for that day other than your welcome meeting in the evening, so you can arrive at any time. Similarly the last day is a departure day during which no activities have been planned.

A G Adventures Representative will organize a short meeting soon after arrival, during which you will meet other tour participants and receive information about general and specific aspects of the trip. A welcome note will be left for you in the hotel so you have all the necessary information regarding the meeting time and your transfer times back to the airport the next day. If you arrive late, s/he will leave you a message detailing what time and where you should meet the next morning.

Excess luggage can be stored free of charge at the joining hotel during your tour if desired.

Who should I contact in case of an emergency?

Should you need to contact us during a situation of dire need, it is best to first call either the G Adventures Representative (if one is listed below) or our G Adventures Local Office. If for any reason you do not receive an immediate answer, please leave a detailed message and contact information, so they may return your call and assist you as soon as possible.

AIRPORT TRANSFER

If you have purchased an arrival through G Adventures or if an arrival transfer is included in the cost of your tour, please note that:

Your arrival transfer has been arranged based on flight information provided to us. If you are advised of a flight schedule change within 48 hours of your scheduled arrival time, we will do our best to rearrange your arrival transfer however we cannot guarantee this. If your arrival transfer does not arrive within 30 minutes after you have exited the arrivals area please take a taxi to your start point hotel.

Are there any additional packing suggestions I should consider?

We recommend the use of a duffel bag or backpack (whichever you find easiest to carry). A good size daypack is also essential. If you don't wish to take all of your luggage with you to Galapagos, please ensure you have an extra bag you can leave behind at hotel storage and pickup on your return.

Please note that Galapagos is a protected National Park so your luggage will be checked before arrival and departure to and from the islands. Don't bring any food, seeds or other organic material that could affect the delicate ecosystem of the islands.

Porters are not often available, so be prepared to carry your own bags. Please remember that you can leave unnecessary articles in your joining hotel storage room. .

Please do not bring any alcoholic beverages aboard, as your boat has a bar offering a variety of alcoholic drinks and prices are reasonable.

LUGGAGE ALLOWANCE ON THE BOAT: Please note that the amount of luggage you can bring on the boat is LIMITED due to small cabin size. We recommend travellers use soft sided duffel bags of 40-50 litres in capacity. We will accept luggage types onboard, however if you are a single traveller sharing with another traveller, it's especially important to keep in mind that cabins are small in size and it's best to pack light. Luggage storage facilities are available at the start hotel for anything you don't need while you are exploring the Galapagos.

Please note that the electric outlets on this boat are 110v and will have 2 flat prongs. If necessary, please bring an adaptor with you for your electric devices, ie, battery chargers.

Laundry facilities are available at the start and end hotel at a charge. Full laundry facilities are not available onboard our yachts in the Galapagos. If you do want to do your own laundry we suggest you bring non-polluting/biodegradable soap.

What are the visas and entry requirements for my trip?

All countries require a valid passport (with a minimum 6 months validity). Contact your local embassy or consulate for the most up-to-date visa requirements, or see your travel agent. It is your own responsibility to have the correct travel documentation. Visa requirements for your trip will vary depending on where you are from and where you are going. We keep the following information up to date as far as possible, but rules do change and sometimes without warning. While we provide the following information in good faith, it is vital that you check the information yourself and understand that you are fully responsible for your own visa requirements.

Visa information specific to your destination and nationality can be found in our Important Pre-Departure Information page [here](#)

** Please note that by February 2nd 2018, it will be mandatory for every traveler to show proof of insurance (covering medical, accident, death) to the immigration authority at the airport or border crossing into Ecuador. This insurance must cover the traveler for their entire length of stay in the country.

If you do not carry proof of insurance and/or an insurance assistance card that satisfies this requirement, it is possible that your entrance into Ecuador could be denied.

What should I consider when planning my personal expenses and discretionary spending for this itinerary?

Every traveller is different and therefore spending money requirements will vary. Some travellers may drink more than others while other travellers like to purchase more souvenirs than most. Due to the remoteness of the Galapagos islands, onboard our vessels, there is no credit card machines therefore only cash is accepted. It is important that you withdraw enough cash for the duration of your trip, once in the islands, ATM machines are extremely limited and unreliable. Please consider your own spending habits when it comes to allowing for drinks, shopping and tipping. Please also remember the following specific recommendations when planning your trip.

Should I be tipping on my trip?

Tipping is an expected - though not compulsory - component of your tour program and an expression of satisfaction with the persons who have assisted you on your tour. Although it may not be customary to you, it is of considerable significance to the people who will take care of you during your travels. At the end of each trip if you felt your G Adventures CEO or and crew did an outstanding job, tipping is appreciated. There will be two envelopes left in your cabin at the end of the tour, one for the CEO and one for crew members. The amount is entirely a personal preference, however as a guideline a per traveller tip of 5-10 USD, per day for your CEO and 12-17 USD per day for the crew can be used.

What activities are optional on this trip?

Quito

- Teleférico (9USD per person)
- Quito City Tour (40-50USD per person)
- Middle of the World (40-50USD per person)
- Quito City Tour & Equator Line

Papallacta

- Papallacta Hot Springs Entrance (70-100USD per person)

Cotopaxi

What are the trip specific safety considerations?

Please take care when wandering about the city on your own, as pick pockets and purse-snatchers are common, particularly in the Old Town. Be safe and leave your passport, credit cards, traveller's cheques and cash you don't need in the hotel's safety deposit box. Most Quiteños are honest and genuinely helpful and friendly, but be safe and enjoy the city!

What rules should I know before joining this trip?

Illegal drugs will not be tolerated on any trips. Possessing or using drugs not only contravenes the laws of the land but also puts the rest of the group at risk. Smoking marijuana and opium is a part of local culture in some parts of the world but is not acceptable for our travellers. Our philosophy of travel is one of respect towards everyone we encounter, and in particular the local people who make the world the special place it is. The exploitation of prostitutes is completely contrary to this philosophy. Our group leader has the right to expel any member of the group if drugs are found in their possession or if they use prostitutes.

Is travel insurance required for my trip?

Travel insurance is compulsory in order to participate on any of our trips. When travelling on a group trip, you will not be permitted to join the group until evidence of travel insurance has been sighted by your leader, who will take note of your insurance details. When selecting a travel insurance policy we require that at a minimum you are covered for medical expenses including emergency repatriation. We strongly recommend that the policy also covers personal liability, cancellation, curtailment and loss of luggage and personal effects. If you have credit card insurance we require proof of purchase of the trip (a receipt of credit card statement) with a credit card in your name. Contact your bank for details of their participating insurer, the level of coverage and emergency contact telephone number.
