Is there a disclaimer I should read before booking this trip?

The information in this trip details document has been compiled with care and is provided in good faith. However it is subject to change, and does not form part of the contract between the client and the operator. The itinerary featured is correct at time of printing. It may differ slightly to the one in the brochure. Occasionally our itineraries change as we make improvements that stem from past travellers, comments and our own research. Sometimes it can be a small change like adding an extra meal along the itinerary. Sometimes the change may result in us altering the tour for the coming year. If you have booked from the previous brochure you may find there have been some changes to the itinerary.

VERY IMPORTANT: Please ensure that you view a final copy of your Trip Details a couple of days prior to travel, in case there have been changes that affect your plans.

Is there an itinerary Disclaimer?

While it is our intention to adhere to the route described below, there is a certain amount of flexibility built into the itinerary and on occasion it may be necessary, or desirable to make alterations. The itinerary is brief, as we never know exactly where our journey will take us. Due to our style of travel and the regions we visit, travel can be unpredictable. The Trip Details document is a general guide to the tour and region and any mention of specific destinations or wildlife is by no means a guarantee that they will be visited or encountered. Aboard expedition trips visits to research stations depend on final permission.

Additionally, any travel times listed are approximations only and subject to vary due to local circumstances.

What important notes should I be aware of before the trip?

ACCOMMODATION NOTE:

Please be aware that properties we stay in with only two stories may not have elevators installed and climbing the stairs with your luggage will be necessary.

What is the group leader like?

This G Adventures group trip is accompanied by one of our group leaders, otherwise known as a Chief Experience Officer (CEO). The aim of the group leader is to take the hassle out of your travels and to help you have the best trip possible. They will provide information on the places you are travelling through, offer suggestions for things to do and see, recommend great local eating venues and introduce you to our local friends. While not being guides in the traditional sense you can expect them to have a broad general knowledge of the countries visited on the trip, including historical, cultural, religious and social aspects.

We also use local guides where we think more specific knowledge will add to the enjoyment of the places we are visiting - we think it's the best of both worlds.

How large will the group be?

Max 16, avg 12.

What meals are included in this trip?

12 breakfasts, 3 lunches

What are the meals like on this trip?

Eating is a big part of traveling. Travelling with G Adventures you experience the vast array of wonderful food that is available out in the world. Generally meals are not included in the trip price when there is a choice of eating options, to give you the maximum flexibility in deciding where, what and with whom to eat. It also gives you more budgeting flexibility, though generally food is cheap. Our groups tend to eat together to enable you to taste a larger variety of dishes and enjoy each other's company. There is no obligation to do this though. Your CEO will be able to suggest favourite restaurants during your trip. The above information applies to G Adventures group trips. For Independent trips please check the itinerary for details of meals included. For all trips please refer to the meals included and budget information for included meals and meal budgets.

What are the modes of transportation on my trip?

Private vehicle, boat, cable car, walking.

What transportation will we take on this trip?

This itinerary utilizes private transport for all included activities and transport between destinations.

Is there an extra cost for travelling solo?

We believe solo travellers should not have to pay more to travel so our group trips are designed for shared accommodation and do not involve a single supplement. Single travellers joining group trips are paired in twin or multi-share accommodation with someone of the same sex for the duration of the trip. Some of our Independent trips are designed differently and solo travellers on these itineraries must pay the single trip price.

Where will we stay during the trip?

Hotels (12 nts).

Will I get my own room?

Please note that if you have booked the "My Own Room" option for this tour, you will receive your own single room for all night stops

What kind of accommodation can I expect on this trip?

On this trip you can expect to stay in small family-run hotels or pensions (with the exception of the start and finish hotels, which are often larger city hotels), which will vary a little in standard and facilities: some may not have elevators, air-conditioning or English-speaking staff, but most importantly all are locally-run, with some traditional character, and in excellent central locations to give you maximum time for exploring the sights. You can expect to find clean, safe, simple accommodation in convenient locations.

Please note that the travel insurance required for your G Adventures trip fully meets these government requirements, so you are already covered—just ensure you have your policy details easily accessible during your travels.

How much spending money do I need for my trip?

Every traveller is different and therefore spending money requirements will vary. Some travellers may drink more than others while other travellers like to purchase more souvenirs than most. Please consider your own spending habits when it comes to allowing for drinks, shopping and tipping. Please also remember the following specific recommendations when planning your trip.

What should I know about currency, credit cards, and exchanging money while on this tour?

The currency in Turkey is the Turkish Lira (TRY) and in Georgia you'll use the Georgian Lari (GEL).

ATMs are found within main cities and will generally accept cards on the Visa and Mastercard networks. It is a great idea to travel with both a Visa and Mastercard if at all possible as while there is no hard and fast rule, some banks seem to only work with one brand of card. Please note, your bank will charge a fee for overseas withdrawals.

Cash is recommended for times when ATMs are not accessible. Euros, British Pounds and US Dollars are all easy to exchange to the Local currency. Please note that you should bring some cash with you for emergency situations but carrying only cash is a high safety risk. ATM card/s and some cash is the ideal mix.

If you are bringing US Dollars, please make sure that the notes are new and in good condition. Notes older than 1996, or with any tears or blemishes may not be accepted. Be fussy with your bank when buying cash!

As currency exchange rates can fluctuate often we ask that you refer to the following website for daily exchange rates: www.xe.com"

How much emergency money should I bring on this trip?

Please also make sure you have access to at least an additional USD \$200 (or equivalent) as an 'emergency' fund, to be used when circumstances outside our control (ex. a natural disaster) require a change to our planned route. This is a rare occurrence!

Should I be tipping on my trip?

Although not compulsory, tipping is expected and is an expression of satisfaction with the people who have assisted you throughout your tour. Although it may not be customary to you, it is of considerable significance to the people who will take care of you during your travels.

There will be several occasions during this trip where there is the opportunity to tip the local guides that we use. You may do this individually, or your CEO will offer to collect the money and tip as a group. Recommendations for tipping local guides range from 3-5 USD/EUR per person per day depending on the quality and length of the service. Ask your CEO for specific recommendations based on the circumstances and culture.

Also, at the end of your trip, if you felt that your G Adventures CEO did an outstanding job, tipping is appreciated. The amount is entirely a personal preference, however as a guideline 20-25 USD/EUR per person, per week can be used.

What activities are optional on this trip?

What do I need to know to about safety and security on my trip?

Many national governments provide a regularly updated advice service on safety issues involved with international travel. We recommend that you check your government's advice for their latest travel information before departure. We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewellery at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes, which is the most secure way of storing your valuables. A lock is recommended for securing your luggage. When travelling on a group trip, please note that your group leader has the authority to amend or cancel any part of the trip itinerary if it deemed necessary, due to safety concerns. Your Chief Experience Officer (CEO) will accompany you on all included activities. During your trip you will have some free time to pursue your own interests, relax and take it easy and explore at your leisure. While your CEO will assist you with options available in a given location, please note that any optional activities you undertake are not part of your itinerary, and we offer no representations about the safety of the activity or the standard of the operators running them. Please use your own good judgement when selecting an activity in your free time. Although the cities visited on tour are generally safe during the day, there can be risks to wandering throughout any major city at night. It is our recommendation to stay in small groups and to take taxis to and from restaurants, or during night time excursions.

Water based activities have an element of danger and excitement built into them. We recommend only participating in water based activities when accompanied by a guide(s). We make every reasonable effort to ensure the fun and adventurous element of any water based activities (in countries with varying degrees of operating standards), have a balanced approach to safety. It is our policy not to allow our CEOs to make arrangements on your behalf for water based activities that are not accompanied by guide(s).

Swimming, including snorkeling, is always at your own risk. [Read more about travel safety](#) for ways to further enhance your personal safety while traveling.

What rules should I know before joining this trip?

Illegal drugs will not be tolerated on any trips. Possessing or using drugs not only contravenes the laws of the land but also puts the rest of the group at risk. Smoking marijuana and opium is a part of local culture in some parts of the world but is not acceptable for our travellers. Our philosophy of travel is one of respect towards everyone we encounter and in particular the local people who make the world the special place it is. The exploitation of people in the sex trade is completely contrary to this philosophy. Our CEOs have the right to expel any member of the group if drugs are found in their possession or if they utilize the services of paid sex workers, in any capacity.

Is travel insurance required for my trip?

Travel insurance is compulsory in order to participate on any of our trips. When travelling on a group trip, you will not be permitted to join the group until evidence of travel insurance has been sighted by your leader, who will take note of your insurance details. When selecting a travel insurance policy we require that at a minimum you are covered for medical expenses including emergency evacuation and repatriation. A minimum coverage of USD200,000 is required. We strongly recommend that the policy also covers personal liability, cancellation, curtailment and loss of luggage and personal effects. Some tours include adventure activities that require extra coverage (e.g. crampon use); please review your itinerary and make sure that you are covered for all included activities. If you have credit card insurance we require proof of purchase of the trip (a receipt of credit card statement) with a credit card in your name. Contact your bank for details of their participating insurer, the level of coverage and emergency contact telephone number.

How should I dress to respect local customs during the tour?

You should dress modestly, loose, lightweight, long clothing is practical, you shouldn't wear short shorts or skirts.

Outside of capital cities and the more touristic centres, local dress is often more conservative and as a matter of respect we ask that both men and women are aware of this and recommend loose-fitting clothes with your shoulders covered.

Ask your CEO for more specific advice.
