Today's Activities

Kota Tua Old Town Jakarta & Jamu Drinks

Jakarta

Follow your CEO on a tour of Kota Tua, Jakarta's original downtown. Lined with Dutch Colonial buildings and cobblestone streets, this area was also known as Old Batavia during the 17th century. Visit a modern Javanese herbal cafe and try the historic Jamu drink. Indonesia's traditional herbal drink Jamu is losing popularity among young people, who find its bitter taste and old-fashioned image unappealing. With the rise of modern beverages and global drink trends, Jamu is often seen as a drink of the past. Cafes around Jakarta are working to change this narrative by reimagining Jamu for a new generation, using modern brewing methods, unique flavor combinations, and sleek presentation to make this traditional drink appealing and relevant once again.

Sunda Kelapa Harbor

Jakarta

Visit Sunda Kelapa Harbor - a historic port that has been in operation for centuries. It's the perfect spot to see traditional wooden schooners, or "phinisi" ships, still in use today. You'll be able to take in the lively atmosphere of the harbor, as merchants and fishermen go about their work, offering a unique insight into the life of Jakarta's maritime culture.

Istiqlal Mosque Visit

Jakarta

Visit the largest mosque in all of Southeast Asia, the Istiqlal Mosque. This national mosque of Indonesia was built to commemorate Indonesian independence and named "Istiqlal", an Arabic word for "independence."

Jakarta Cathedral

Jakarta

Admire the impressive stained-glass windows, intricate sculptures, and the grand altar as you learn about the country's Christian history and the harmony between different faiths in Jakarta.

ACTIVITY

Enjoy dinner like the locals on Sabang Street, Jakarta's culinary center. We'll find a fun warung, local Indonesian restaurant, and try traditional meals like Lontong Sayur (rice cake with veggies and coconut milk broth), Ketoprak (a veggie dish with a splash of peanut sauce), or Gado-gado (local salad with peanut sauce dressing).

Day 3

Jakarta/Bandung

Travel southeast towards Bandung, another major city in West Java. After arriving, sit down for a traditional Sundanese lunch, eaten family-style. Explore this historic city & Indonesia's natural heritage with time to visit the Geological Museum of Bandung. We'll drive to Gedung Sate for a photo stop on our way to visit Jalan Asia Afrika for some free time to explore.

What do I need to know to about safety and security on my trip?

Many national governments provide a regularly updated advice service on safety issues involved with international travel. We recommend that you check your government's advice for their latest travel information before departure. We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewellery at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes, which is the most secure way of storing your valuables. A lock is recommended for securing your luggage. When travelling on a group trip, please note that your group leader has the authority to amend or cancel any part of the trip itinerary if it deemed necessary, due to safety concerns. Your Chief Experience Officer (CEO) will accompany you on all included activities. During your trip you will have some free time to pursue your own interests, relax and take it easy and explore at your leisure. While your CEO will assist you with options available in a given location, please note that any optional activities you undertake are not part of your itinerary, and we offer no representations about the safety of the activity or the standard of the operators running them. Please use your own good judgement when selecting an activity in your free time. Although the cities visited on tour are generally safe during the day, there can be risks to wandering throughout any major city at night. It is our recommendation to stay in small groups and to take taxis to and from restaurants, or during night time excursions.

Water based activities have an element of danger and excitement built into them. We recommend only participating in water based activities when accompanied by a guide(s). We make every reasonable effort to ensure the fun and adventurous element of any water based activities (in countries with varying degrees of operating standards), have a balanced approach to safety. It is our policy not to allow our CEOs to make arrangements on your behalf for water based activities that are not accompanied by guide(s).

Swimming, including snorkeling, is always at your own risk. [Read more about travel safety](#) for ways to further enhance your personal safety while traveling.

What rules should I know before joining this trip?

Illegal drugs will not be tolerated on any trips. Possessing or using drugs not only contravenes the laws of the land but also puts the rest of the group at risk. Smoking marijuana and opium is a part of local culture in some parts of the world but is not acceptable for our travellers. Our philosophy of travel is one of respect towards everyone we encounter and in particular the local people who make the world the special place it is. The exploitation of people in the sex trade is completely contrary to this philosophy. Our CEOs have the right to expel any member of the group if drugs are found in their possession or if they utilize the services of paid sex workers, in any capacity.

What is Planeterra?

Planeterra International Foundation is a non-profit organization committed to turning travel into impact by helping local communities earn an income from tourism. Planeterra connects underserved local communities to the benefits of tourism by developing and supporting small community-owned businesses. These businesses support Indigenous people, empower women, grant youth access to employment opportunities, and protect the environment. Planeterra also works to ensure these businesses have a thriving customer base by integrating their projects into G Adventures' itineraries globally.

G Adventures is Planeterra's largest corporate donor, covering all operating costs, so 100% of your donation will bring opportunity to people in need.

G Adventures Dollar-a-day Program - Make Every Day Count - Turn your travel into impact with [Planeterra Foundation](#).

Did you know? Most communities around the world do not benefit from tourism. Give back to the places you visit on your travels by creating opportunities for local people to earn an income, and protect the environment.

Make every day count by donating \$1/day for the length of your trip, and join us in empowering the communities you will visit when you travel. 100% of your donation goes directly to Planeterra projects.

How old must I be to join this trip?

You must be 18 to travel unaccompanied on a G Adventures tour. For minors travelling with a guardian over 21 years old, the minimum age is 12.

Are international flights included in this trip?

No, international flights are generally not included in the price of your tour.

However, on some combo tours travelling between two different countries, international flights are included as part of the itinerary and price of the tour. Please speak to your GCO or booking agent for further details.

In addition, check-in times and baggage allowances/restrictions vary by airline and can change at any time. For the most up-to-date information for your flight, please contact your airline. We recommend checking in online in advance to avoid potential delays at the airport.

What should LGBTQ+ travellers know about safety and travel considerations on this trip?

We recognize that there are specific concerns and questions you may have about your adventure in terms of safety and security.
