Okavango Delta Excursion

Okavango Delta

Step into the heart of Botswana's wilderness on an unforgettable journey into the Okavango Delta. Your adventure begins with a scenic drive in an open 4x4 safari vehicle, travelling deep into the Sankoyo Concession, a pristine area teeming with wildlife and rich in natural beauty.

Our secluded camp offers a true bush experience, with comfortable, fully-set-up tents and the sounds of nature all around. From here, you'll explore the Delta the traditional way, gliding quietly through the waterways in a mokoro canoe, steered by skilled local polers who know the channels like the back of their hand.

Back on land, a guided walking safari gives you the rare opportunity to connect with the bush on foot.

Learn about the plants, animal tracks, and smaller wildlife often missed from a vehicle, while keeping an eye out for the Delta's bigger residents.

Evenings are spent relaxing by the campfire under a sky scattered with stars, swapping stories and listening to the night sounds of Africa. This is more than a trip, it's an immersion into one of the world's most remarkable ecosystems, guided by the people who call it home.

Tswana Dance Performance

Okavango Delta

1h

Enjoy a captivating performance by the Polers in the Okavango Delta. They will sing traditional songs in the Tswana language, providing a glimpse into local culture. Each performance is unique, as different groups of Polers bring their own songs and style. It's a relaxed, authentic experience that adds a special touch to your evening in the Delta

Hop into a mokoro with your friends on the way back to Maun. Search for wildlife in the reeds along the river as you make your way back towards civilization. Zoom through the western part of Botswana to Ghanzi; the heart of the Kalahari. Catch a glimpse of how the Indigenous San Bushmen adapted to the Kalahari Desert on a bushman walk. They will teach you about wilderness survival skills in a place that seems uninhabitable.

Then while the day comes to an end, enjoy the warm hospitality of the San Bushmen as the group will be staying at the G Adventures-supported Dqae Qare San Lodge & Camp. The best part? You are making a difference in the lives of this community just by enjoying your time at camp. So sit back, allow yourself to become immersed in their history and culture, sit around the fire, and simply enjoy the moment.

Enjoy the sunrise in the delta before travelling back to Maun by mokoro. Travel along the northern portions of the Kalahari Desert throughout the day – this is a severely arid and barren landscape, though very beautiful.

Arrive in the late afternoon and camp in the Ghanzi area.

Please note on departures for this itinerary over the next 6-8 months, travellers will not be visiting/staying at the G Adventures-supported Dqae Qare San Lodge & Camp. Quiver Tree Forest

Keetmanshoop

The Quiver Tree takes its name from its Afrikaans name, Kokerboom, which is a reference to the indigenous San peoples' practice of hollowing out the tubular branches to make quivers for their arrows (they're known as choje in the San language).

All of the trees in the forest are naturally occurring and self-propagating. You'll find young trees growing out of rock crevasses. The oldest trees in the forest are estimated to be between 200 and 300 years old. The unusual micro-ecosystem this forest creates also attracts a surprising abundance of wildlife, most notably a large population of rock hyrax, which hikers will almost certainly find (or hear) scurrying among the rocks.

As the group manager and leader, the aim of the group leader is to take the hassle out of your travels and to help you have the best trip possible. They will provide information on the places where are travelling, offer suggestions for things to do and see, recommend great local eating venues and introduce you to our local friends. He/she will take care of the small things so you can concentrate on enjoying your adventure. In addition, as an integral part of the team, your driver is skilled and experienced driver who has intimate knowledge of the vehicle and routes travelled.

We also use local guides where we think more specific knowledge will add to the enjoyment of the places we are visiting.

How large will the group be?

Max 18, avg 14

What meals are included in this trip?

28 breakfasts, 3 lunches, 9 dinners

What are the meals like on this trip?

Eating is a big part of travelling. Travelling with G Adventures you experience the vast array of wonderful food that is available in southern Africa. On this tour, we provide only a few meals for you and your group members, so as to give you the maximum flexibility in deciding where, what and with whom to eat. It also gives you more budgeting flexibility in your choices. Our groups tend to eat together to enable you to taste a larger variety of dishes and enjoy each other's company. There is no obligation to do this though - while in the larger centres, your group leader will be able to suggest favourite restaurants during your trip.

Your tour leader prepares the meals included in the Okavango Delta, arranging to purchase the foodstuffs before our bush camping excursion begins. Breakfasts will generally be cereals, if time allows a warm breakfast may be prepared. Lunches will be light meals such as sandwiches and/or salads. All evening meals will be freshly-prepared hot meals, and will consist of a variety of continental and local dishes.

For the included meals, vegetarian meal requests and other dietary requirements need to be specified prior to arrival.

What are the modes of transportation on my trip?

Plane, air-conditioned touring vehicle, safari vehicles, mokoro, walking.

What transportation will we take on this trip?

For all of our standard class trips in southern Africa, including this tour, we use a private local bus for the journey. We will be taking a flight for the leg between Cape Town and Johannesburg. For the buses we will be using, there will be air-conditioning, and sliding windows, allowing for comfortable travel through the region. In addition, even with a full group, there will be extra space for the benefit of the group. Having our own private vehicle through the majority of the tour allows us the flexibility of making stops when needed. In addition, we are able to travel to out-of-the-way locations where public transportation does not reach.

Road conditions in South Africa and Zimbabwe are generally good, though once into Botswana and beyond, the road quality deteriorates. As such, we slow our travelling speed and enjoy some sand and bumps en route - something which is of course part of the adventure of travelling in Africa!

In the Okavango Delta, we leave our bus behind and explore in the area in mokoros - traditional dug-out canoes. The mokoros usually seat 2 people and are handled by 'polers' - so named as they move the mokoro forward by using a very long pole pushed into the ground under the water. This is a relaxing and peaceful way to take in the fascinating environment and wonderful scenery of the delta.

Is there an extra cost for travelling solo?

We believe solo travellers should not have to pay more to travel so our group trips are designed for shared accommodation and do not involve a single supplement. Single travellers joining group trips are paired in twin or multi-share accommodation with someone of the same sex for the duration of the trip. Some of our Independent trips are designed differently and solo travellers on these itineraries must pay the single trip price.

Where will we stay during the trip?

Hotels (11 nts), lodge/chalet (11 nts), adventure tents (1 nt), guesthouse (1 nt), basic camping (1 nt), serviced camping (4 nts).

Do any exceptions apply to Rooming or “My Own Room” on my tour?

Day 9, 10, 17, 20, 21, 24, 25.

What kind of accommodation can I expect on this trip?

Hotel/Guesthouse

12 nights in comfortable twin rooms with en suite or shared facilities.

Lodge/Chalet

12 nights in standard rooms with en-suite or shared facilities.

Basic Camping (participative)

1 night is spent in pitched tents in the Delta with very basic facilities (no shower, dig-out toilet). Tents are twin.

Camping (participative)

4 nights are spent in pitched tents in Etosha National Park and Solitaire Area. Tents are twin with shared facilities.

Please note that due to the high demand for accommodation in the parks, sometimes we will arrange alternative accommodation outside of the park.

What are the joining instructions?

For details of your joining hotel please refer to your tour voucher, G Account, the G Adventures App or contact your travel agent.

If you would like to book an airport Arrival transfer for your tour, please contact our Sales Team or your Travel Agent in advance of travel.

If you have paid in advance for an arrival transfer, a G Adventures representative will be at the airport to meet you. If for any reason you are not met at the airport, please call our local support line. If you are unable to make contact for whatever reason, please make your way to the joining point hotel via taxi.

Please note that day 1 is an arrival day and no activities have been planned on this day.

Upon arrival to your Joining Hotel (note that check-in time will be in the afternoon), look for a note or bulletin board in the reception with a note from your CEO. This note will give the details of your Welcome Meeting on day 1 (usually between 5pm and 7pm), where you will get a chance to meet your CEO and other travellers, as well as learn more about how the tour will run. If you don't see a note, please ask reception for details!

If you are arriving later and will miss the Welcome Meeting, your CEO will leave a note at reception for you with any information you may need, and with morning instructions for the next day.

What happens if I experience problems when arriving?

We don't expect any problems, and nor should you, but if for any reason you are unable to commence your trip as scheduled, please refer to the emergency contact details provided in this dossier and contact us as soon as possible. If you have a pre-booked transfer, and you have not made contact with our representative within 30 minutes of clearing customs and immigration, we recommend that you make your own way to the Starting Point hotel, following the Joining Instructions. Please apply to your travel agent on your return for a refund of the transfer cost if this occurs.

Who should I contact in case of an emergency?

Should you need to contact us during a situation of dire need, it is best to first call either the G Adventures Local Representative (if one is listed below) or our G Adventures Local Office. If for any reason you do not receive an immediate answer, please leave a detailed message and contact information, so they may return your call and assist you as soon as possible.

AIRPORT TRANSFER

If you have purchased an arrival through G Adventures or if an arrival transfer is included in the cost of your tour, please note that:

Your arrival transfer has been arranged based on flight information provided to us. If you are advised of a flight schedule change or flight cancellation within 48 hours of your scheduled arrival time, please call the emergency contact number to advise of your new arrival flight information. If you do not, we will not be able to rearrange your arrival transfer and you will need to make your own way to the starting hotel at your own expense. If your arrival transfer does not arrive within 30 minutes after you have exited the arrivals area please take a taxi to your start point hotel.

Are there any additional packing suggestions I should consider?

You will be on the move a lot, so our advice is to pack as lightly as possible. Your baggage should be clearly labelled and restricted to one soft compact suitcase (please avoid a hard-top case) or sports bag – 20kg is the maximum allowance, but we suggest 15kg – plus a daypack. Luggage limits on airlines are strictly enforced and space on vehicles is limited. Porters are not often available, so be prepared to carry your own bags. It is important to pack clothes for warm days and cool evenings, as well as a warm jacket for early morning wildlife safari drives. A set of smart casual clothes is also advisable. During the winter months (May to October), the temperatures can get quite cold in Namibia and Botswana. It is wise to bring plenty of layers for cool mornings and evenings.

Please be advised that if you plan to bring a drone with you, the use of drones in national parks in Southern Africa is prohibited.

When can I do my laundry on this trip?

Please note that you will be on the move a lot, and as such there will not be a lot of time for same-day laundry service. Please ask your guide/CEO to arrange if any laundry needs to be done, so that he / she can advise or make arrangements for you. Most travellers on this trip find that Swakopmund and Windhoek are convenient places to get their washing done, though facilities are available as well in Cape Town, and Victoria Falls.

What are the visas and entry requirements for my trip?

All countries require a valid passport (with a minimum 6 months validity). Contact your local embassy or consulate for the most up-to-date visa requirements, or see your travel agent. It is your own responsibility to have the correct travel documentation. Visa requirements for your trip will vary depending on where you are from and where you are going. We keep the following information up to date as far as possible, but rules do change and sometimes without warning. While we provide the following information in good faith, it is vital that you check the information yourself and understand that you are fully responsible for your own visa requirements.

Visa information specific to your destination and nationality can be found in our Important Pre-Departure Information page [here](#)

Botswana:

Botswana as a \$30 USD tourism levy for visitors entering the country, except for residents and citizens of the Southern African Development Community (SADC) member states. This entry tax is payable at all points of entry into Botswana and will be valid for 30 days and includes multiple entry.

Namibia:

As of April 1st 2025, Namibia will be introducing a new mandatory 90-day visa, costing USD90 per person on arrival into Namibia.

We would recommend travellers applying prior to travel, to prevent delays at the Namibian border.

To apply prior to travel, please head to the [Visa on Arrival](#) page and click on 'New Visa on Arrival Application'. Please select Trans-Kalahari as your border crossing.

Once completed, please print out and bring your visa documents with you on tour.

Information is accurate as of April 1st, 2025.

How much spending money do I need for my trip?

Every traveller is different and therefore spending money requirements will vary. Some travellers may drink more than others while other travellers like to purchase more souvenirs than most. Please consider your own spending habits when it comes to allowing for drinks, shopping and tipping. Please also remember the following specific recommendations when planning your trip.

What should I know about currency, credit cards, and exchanging money while on this tour?

The currency in South Africa is the South African Rand (ZAR). The South African rand is also an accepted form of payment in Namibia.

Zimbabwe uses the US Dollar and South African Rand.

The Namibian currency is the Namibian Dollar (NAD), which is equivalent to the South African Rand.

In Botswana, you pay with Pula (BWP).

Each currency can be obtained locally by changing foreign currency or by using ATMs (where available) which will disperse local currency. Your CEO will inform you where you can change money throughout the tour and approximately how much money you will need.

For Zimbabwe, we strongly advise that you bring ZAR or USD from your home country or exchange money before the start of the tour, to avoid delays on tour, as it can be difficult to obtain cash at ATMs.

Please note that due to past problems with forgery, \$US notes that are older than year 2006 are not accepted in Africa. Large note (\$US 50, \$US 100 etc) can be difficult to change in some places, but will gain you the best exchange rate.

If you plan to buy your visas at borders, you will need to bring \$USD cash to pay for these visas. Please note you cannot use the local currency or any other currency to buy these visas- they must be purchased in USD.

Please do not bring Travellers' cheques to Africa. They are difficult if not impossible to exchange in many places.

Visa/Plus system cards are the most widely accepted debit cards. It is harder to find machines Mastercard/Cirrus cards. We highly recommend that if you hold a Mastercard, you obtain a Visa card prior to departure and travel with both. This is also useful should something unforeseen happen to one of your cards during your travels.

While there are many ATMs in the major centres, there are no guarantees that your credit or debit cards will actually work in Africa. Check with your bank.

Credit cards can be used in major cities and towns ONLY but please do not rely on them as a method of payment because they are generally not widely accepted. You should be aware that to purchase products or services on a credit card a fee of 5%-10% usually applies. The majority of our optional activities can also be paid by credit card. Your CEO will advise on these.

Please note that in many areas there may be occasional power-outages, where there will be no electricity for hours at a time. In addition, ATMs outside of larger centers often run out of cash or can be out of order unexpectedly. These factors could affect your ability to access money from ATMs. As such, please do not rely on credit or debit cards as your only source of money.

A combination of foreign currency and debit/credit cards for cash advances is best. Always take more rather than less, as you don't want to spoil the trip by constantly feeling short of funds.

As currency exchange rates can fluctuate often we ask that you refer to the following website for daily exchange rates: www.xe.com.

How much emergency money should I bring on this trip?

Please also make sure you have access to at least an additional USD \$200 (or equivalent) as an 'emergency' fund, to be used when circumstances outside our control (ex. a natural disaster) require a change to our planned route. This is a rare occurrence!

Should I be tipping on my trip?

Tipping is an expected, though not compulsory, component of your tour program. The gesture serves as an expression of appreciation for exceptional service, and amounts given are up to your discretion.

Tipping is one of the most direct ways that you can have a positive economic impact within the African community. Although it may not be customary for you, it is an important source of income for those in the tourism industry. Giving a tip should be seen as a formal 'thank you', and the action should in no way be awkward.

The best method of tipping someone that has served the whole group is to plan in advance, and not rush when it comes to saying goodbye. A suggestion would be for each group member to contribute anonymously by putting their tip into an envelope. This often works the best and the group should gather to present the gift to the recipient(s), offering their thanks and showing their appreciation. This method brings the action out into the open, allowing for a friendly and appreciative interaction between the group and the recipient(s).

You may use the following as a guideline, all given in a per person format:

CEO: \$5-8 USD (per day, per person)

Local guides: \$2-3 USD (per day)

Safari Guide/Driver: \$2-3 USD (per day)

Restaurant Staff: 10-15% of cost of bill

Okavango Delta polers: 50-100 BWP (Botswana Pula)

Are there any health considerations I should know before travelling?

We recommend you contact your family physician, or your local travel clinic for the most up-to-date health information at least one month before departure. Travellers should also carry a basic first-aid kit and hand sanitizers/antibacterial wipes on their travels. Medical facilities are basic throughout these countries. For your own safety, we strongly recommend that you advise your tour leader of any medical condition that may affect you while travelling with the group. Your tour leader will be able to inform you of local health advisories (e.g. drinking water quality). Please ensure you have all the inoculations recommended by your doctor.

Yellow Fever Certificate Note: (Updated: May 2023)

It is compulsory to show a valid Yellow Fever Certificate if you are travelling to the following G Adventures-visited countries from a Yellow Fever endemic country:

- Botswana
- Ethiopia
- Kenya
- Madagascar
- Malawi
- Mozambique
- Rwanda
- South Africa
- Swaziland
- Uganda
- Zambia
- Zimbabwe

For some of these countries, proof of Yellow Fever vaccination is also required for passengers who have travelled more than 12 hours through the airport of an endemic country. If other countries not endemic to Yellow Fever have been visited after visiting an endemic country, then a Yellow Fever certificate may still be required on entry. Please check country-specific regulations before your departure.

Malaria

Malaria is a mosquito-borne disease that is present in some regions in Africa. Risk of malaria can increase during periods of heavy rain, during the rainy seasons, and in densely populated areas of Southern & East Africa. To prevent malaria, we recommend speaking to your doctor about taking preventative medication (prophylaxis), combined with regular use of insect repellent spray/cream. Please check updated travel health advisories specific to malaria before your departure.

What do I need to know to about safety and security on my trip?

Many national governments provide a regularly updated advice service on safety issues involved with international travel. We recommend that you check your government's advice for their latest travel information before departure. We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewellery at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes, which is the most secure way of storing your valuables. A lock is recommended for securing your luggage. When travelling on a group trip, please note that your group leader has the authority to amend or cancel any part of the trip itinerary if it deemed necessary, due to safety concerns. Your Chief Experience Officer (CEO) will accompany you on all included activities. During your trip you will have some free time to pursue your own interests, relax and take it easy and explore at your leisure. While your CEO will assist you with options available in a given location, please note that any optional activities you undertake are not part of your itinerary, and we offer no representations about the safety of the activity or the standard of the operators running them. Please use your own good judgement when selecting an activity in your free time. Although the cities visited on tour are generally safe during the day, there can be risks to wandering throughout any major city at night. It is our recommendation to stay in small groups and to take taxis to and from restaurants, or during night time excursions.

Water based activities have an element of danger and excitement built into them. We recommend only participating in water based activities when accompanied by a guide(s). We make every reasonable effort to ensure the fun and adventurous element of any water based activities (in countries with varying degrees of operating standards), have a balanced approach to safety. It is our policy not to allow our CEOs to make arrangements on your behalf for water based activities that are not accompanied by guide(s).

Swimming, including snorkeling, is always at your own risk. [Read more about travel safety](#) for ways to further enhance your personal safety while traveling.

What are the trip specific safety considerations?

GENERAL: Look after your personal items. Do not leave your valuables visible in a car or hotel room. Lock your hotel room door when you enter and when you leave. Do not carry large amount of cash on you. Avoid displaying flashy jewellery and carry your camera in its pack on your shoulder rather than around your neck. Keep your passport, airline tickets, money, important documents locked up in your room/safe - do not carry it with you.

Please note that the use of drones in national parks in Southern Africa is prohibited.

Vital Information for staying Kruger NP or any reserve: Please ensure that your stay is happy and safe by taking note of a few simple warnings. You will be sharing your stay with many exciting and unusual creatures but without a little knowledge, some of them could be dangerous. Example: Bats, spiders, snakes, scorpions and mosquitos in a malarial zone. If you must walk around at night please **DO NOT DO SO WITHOUT A TORCH**. Remember: by feeding any wildlife, you are signing their death warrant as they become aggressive.

NAMIBIA: Always be alert of animals that are wandering too close to the road. Both domestic and wild animals frighten easily and can jump directly in front of the moving vehicle. If possible, avoid travelling at night. Some wildlife tends to be more active at dusk. Always be on the look-out for sandy patches, potholes and sharp bends in the road. In rainy or wet conditions beware of slippery roads, washaways, running and or stagnant water. Always have enough water (bottled) for the journey. No matter how beautiful or gentle an animal may appear, the only safe way to look at it is from the safety of your vehicle.

What rules should I know before joining this trip?

Illegal drugs will not be tolerated on any trips. Possessing or using drugs not only contravenes the laws of the land but also puts the rest of the group at risk. Smoking marijuana and opium is a part of local culture in some parts of the world but is not acceptable for our travellers. Our philosophy of travel is one of respect towards everyone we encounter and in particular the local people who make the world the special place it is. The exploitation of people in the sex trade is completely contrary to this philosophy. Our CEOs have the right to expel any member of the group if drugs are found in their possession or if they utilize the services of paid sex workers, in any capacity.

Is travel insurance required for my trip?

Travel insurance is compulsory in order to participate on any of our trips. When travelling on a group trip, you will not be permitted to join the group until evidence of travel insurance has been sighted by your leader, who will take note of your insurance details. When selecting a travel insurance policy we require that at a minimum you are covered for medical expenses including emergency evacuation and repatriation. A minimum coverage of USD200,000 is required. We strongly recommend that the policy also covers personal liability, cancellation, curtailment and loss of luggage and personal effects. Some tours include adventure activities that require extra coverage (e.g. crampon use); please review your itinerary and make sure that you are covered for all included activities. If you have credit card insurance we require proof of purchase of the trip (a receipt of credit card statement) with a credit card in your name. Contact your bank for details of their participating insurer, the level of coverage and emergency contact telephone number.
