Spend some time exploring this glacier located in the Chugach Mountains near Thompson Pass—the snowiest place in Alaska. Worthington Glacier is one of the most accessible glaciers in Alaska, passing within a few feet of the parking lot with a viewing shelter right off the Richardson Highway. Like most of Alaska’s glaciers, this valley glacier has been steadily retreating for the last 150 years, but not as dramatically as many others. The upper basin sits at 5,500 feet and collects about 28 feet of snow each year.

What's in store today will certainly be an adventure. After a quick breakfast, you'll have free time to walk, journal, or hang out with friends.

After lunch head to Glacier Lake in Valdez where you'll go on a hike and guided kayak tour of the lake. If you have yet to set your eyes on an iceberg, this might just be your chance. This gorgeous lake in Valdez is often home to large chunks of floating ice coming from the Valdez Glacier. With great views and miles of open water to paddle there's no better way to get in touch with nature.

An area definitely worth experiencing while in Valdez. You'll be able to see the actual glacier from the water while kayaking.

Optional Activities - Day 2

Hiking Around Valdez

Valdez

Valdez is known for having amazing hikes in and around the city. Pack your water bottle, pick a route, and go hit the trail!

Thompson Pass is an alpine pass through the Chugach Mountains between Glennallen and Valdez and is an adventurer's playground when the right conditions sweep through. The alpine area surrounding the pass allows for endless exploring and jaw-dropping views making this area wonderful for alpine hiking.

The Shoup Bay trail is a long, but gradual hike sporting great views hugging the Alaskan coastline. Make sure to bring layers and waterproof shoes as it can get muddy at points.

You'll spend time today in a private vehicle en route to McCarthy, but don't worry there will be plenty of epic road trip worthy stops along the way. First up is a stop at Thompson's Pass viewpoint to start the day with stunning vistas. As you continue driving highway 10 there will be plenty of quick stops at worthy viewpoints all along the Copper River. Then enjoy a visit to Liberty Falls State Recreation Site where you can stretch your legs and visit the falls, which plunge 20 ft into the Liberty Creek. Continue along the scenic highway to McCarthy. Stop and see the fish wheels at Kuskulana River Canyon and Bridge, along Gilahina River, and at Gilahina Trestle Wayside. water and place them into a large bin for processing. More than one million Pacific salmon travel up the Copper River each year to their spawning grounds and it happens from late spring into mid summer and is quite a sight to see.

Day 4

McCarthy

Visit Wrangell-St. Elias National Park and spend the day hiking along the Bonanza Mine trail. A hike that includes stunning scenery, a trek to the top of a mountain and 1930's mining ruins all in a frontier Alaskan setting. Is there a disclaimer I should read before booking this trip?

The information in this trip details document has been compiled with care and is provided in good faith. However it is subject to change, and does not form part of the contract between the client and the operator. The itinerary featured is correct at time of printing. It may differ slightly to the one in the brochure. Occasionally our itineraries change as we make improvements that stem from past travellers, comments and our own research. Sometimes it can be a small change like adding an extra meal along the itinerary. Sometimes the change may result in us altering the tour for the coming year. Ultimately, our goal is to provide you with the most rewarding experience. Please note that our brochure is usually released in November each year. If you have booked from the previous brochure you may find there have been some changes to the itinerary.

VERY IMPORTANT: Please ensure that you view a final copy of your Trip Details a couple of days prior to travel, in case there have been changes that affect your plans.

Is there a travel disclaimer for my itinerary I should review before booking this trip?

While it is our intention to adhere to the route described below, there is a certain amount of flexibility built into the itinerary and on occasion it may be necessary, or desirable to make alterations. The itinerary is brief, as we never know exactly where our journey will take us. Due to our style of travel and the regions we visit, travel can be unpredictable. The Trip Details document is a general guide to the tour and region and any mention of specific destinations or wildlife is by no means a guarantee that they will be visited or encountered. Aboard expedition trips visits to research stations depend on final permission.

Additionally, any travel times listed are approximations only and subject to vary due to local circumstances.

What important notes should I be aware of before the trip?

1. WALKS AND HIKES

All walks and hikes proposed by our CEO will be a moderate level. You may choose to participate or not, but exploring our national parks on foot is part of our way of travelling. It's a healthy way to discover North America's beauty and landscape.

2. LEGAL DRINKING AGE

Please note that the legal drinking age in the United States is 21. Many bars and clubs will ask for ID at the door, therefore listening to live music in certain bars or spending a night out is not possible when you are under the legal age, even if you don't plan on consuming alcohol. Drinking laws are strictly enforced and our CEOs are unable to help those under age obtain alcohol of any kind. In Alaska, ID is often checked, even for the elderly, and in many places every single customer making an alcohol purchase must show identification (either US government-issued ID or passport if not from the States).

While this should not stop those under legal drinking age from booking a tour, it is important to note that if a traveller is under-age there are certain optional nighttime activities that they may not legally be able to participate in. When trying to book the right trip, we recommend that travellers under legal drinking age take this into consideration.

What is the role of the group leader during this trip?

This G Adventures group trip is accompanied by one of our group leaders, otherwise known as a Chief Experience Officer (CEO). The CEO will be the group manager, leader and driver - this person is experienced in the routes travelled and will organize and lead the meal preparations and has experience in cooking a variety of local and international dishes for large groups.

As the group coordinator and manager, the aim of the CEO is to take the hassle out of your travels and to help you have the best trip possible. While not being guides in the traditional sense, you can expect them to have a broad general knowledge of the countries visited on the trip, including historical, cultural, religious and social aspects. They will also offer suggestions for things to do and to see, recommend great local eating venues and introduce you to our local friends.

We also use local guides where we think more specific knowledge will add to the enjoyment of the places we are visiting - we think it's the best of both worlds.

How large will the group be?

Max 13.

What meals are included in this trip?

5 breakfasts, 4 lunches, 3 dinners

What are the meals like on this trip?

Some meals on this tour are included in the tour price. When a meal is not included, this is because there are often many options available and we believe you should have the opportunity to explore a bit and taste the local cuisine yourself. In these cases, your CEO will be able to suggest some good local restaurants or options for you to choose from.

What are the modes of transportation on my trip?

Private vehicle and hiking.

What transportation will we take on this trip?

For this trip we use 15-passenger vans for up to 14 people plus the CEO/Driver. For groups of 8 and more travellers, we also use a trailer to carry luggage. These durable vehicles allow us to drive on most types of roads in North America.

Each van has a front passenger seat and 4 benches that will accommodate 3 people each with mandatory seat belts to keep us secure and safe. No standing is permitted in these vehicles.

Please take note of the travel times and distances in the above itinerary. There is air conditioning to cool things down on warm days to keep everyone more comfortable. Despite some of the long days, most travellers feel that the diversity of the North American landscape, culture and wildlife are all well worth the experience!

Where will we stay during the trip?

Participation camping (5nts), Rustic Lodge (1nt).

Do any exceptions apply to Rooming or “My Own Room” on my tour?

Nights 1, 2 6

What kind of accommodation can I expect on this trip?

Participation Camping and Local Lodge.

Please note that all of the campgrounds have showers except for McCarthy.

Please be aware that American campgrounds have various sites available and because of this there will likely be RVs, camper-trailers, popups and tent camping all on one property.

Participation camping in clean local campgrounds. All camping equipment (with the exception of your sleeping bag and pillow) is supplied, including comfortable camp mattresses. We supply dome tents that take only 5 minutes to assemble/disassemble. They are good quality, durable, industry-standard, oversized 2-person tents, each with 2 separate and convenient zip-up doors, so that each person has his/her own entrance.

We use 2 types of campgrounds:

- 1.) Private campgrounds: These are privately run sites, usually with all services such as fire pits, picnic tables, drinking water, toilets & shower buildings. Some have small outdoor swimming pools and laundry facilities. These campgrounds are typically located near national park entrances or towns.
- 2.) Public campgrounds: These are park-run sites, usually with basic facilities such as fire pits, picnic tables, and drinking water. Some may have shower fees for onsite facilities (\$2-6/shower).
- 3.) Charging stations may or may not be available at every campground. Most provide them, but your CEO can alert you when there will be a time between charging access points.

What are the joining instructions?

For details of your joining hotel please refer to your tour voucher, G Account, the G Adventures App or contact your travel agent.

From Anchorage airport (ANC), to reach your starting accommodation you can take the public Anchorage Transit bus or a local taxi. Please go to the airport information desk for assistance.

WELCOME MEETING TIME: 08:00

Please note that Day 1 is also a travel day, departing Anchorage around 9am from the joining hotel. Please refer to your tour voucher for your confirmed starting point.

Your CEO will organize a short meeting on the morning of Day 1 during which you will meet other tour participants and receive information about general and specific aspects of the trip. Should you arrive early, a welcome note will be left for you in the hotel so you have all the necessary information regarding the meeting time. If you arrive late, please call the emergency line as soon as possible to arrange onward transportation to catch up with the group.

What happens if I experience problems when arriving?

We don't expect any problems, and nor should you, but if for any reason you are unable to commence your trip as scheduled, please refer to the emergency contact details provided in this dossier and contact us as soon as possible. If you have a pre-booked transfer, and you have not made contact with our representative within 30 minutes of clearing customs and immigration, we recommend that you make your own way to the Starting Point hotel, following the Joining Instructions. Please apply to your travel agent on your return for a refund of the transfer cost if this occurs.

Who should I contact in case of an emergency?

Should you need to contact us during a situation of dire need, it is best to first call the G Adventures Local Representative. If for any reason you do not receive an immediate answer, please leave a detailed message and contact information, so they may return your call and assist you as soon as possible.

Due to space in the trailer, we will not be able to accommodate more than one piece of main luggage per person. This daypack will be used to carry your personal items and gear for the day, your lunch, and a water bottle.

When can I do my laundry on this trip?

Laundry can be done at least once while on tour. Most cities have laundromats where you can buy soap and wash your laundry in coin-operated machines. Your CEO will advise you along the trip where you will be able to do your laundry.

What are the visas and entry requirements for my trip?

All countries require a valid passport (with a minimum 6 months validity). Contact your local embassy or consulate for the most up-to-date visa requirements, or see your travel agent. It is your own responsibility to have the correct travel documentation. Visa requirements for your trip will vary depending on where you are from and where you are going. We keep the following information up to date as far as possible, but rules do change and sometimes without warning. While we provide the following information in good faith, it is vital that you check the information yourself and understand that you are fully responsible for your own visa requirements.

Visa information specific to your destination and nationality can be found in our Important Pre-Departure Information page [here](#)

What should I consider when planning my personal expenses and discretionary spending for this itinerary?

Every traveller is different and therefore spending money requirements will vary. Some travellers may drink more than others while other travellers like to purchase more souvenirs than most. Please consider your own spending habits when it comes to allowing for drinks, shopping and tipping. Please also remember the following specific recommendations when planning your trip.

What should I know about currency, credit cards, and exchanging money while on this tour?

The United States currency is the US Dollar (USD).

Credit cards are accepted almost everywhere in the US and can be used to purchase small and large items. When purchasing products or services with a foreign credit card in the USA, you may be charged additional fees by your credit card company for foreign purchases.

Credit cards and debit cards are very useful for cash advances but you must remember to bring your PIN number (be aware that many ATM machines only accept 4-digit PINs). Both Cirrus and Plus system cards are the most widely accepted debit cards. Both Visa and Master Cards are the most widely accepted credit cards. While ATMs are commonly available, there are no guarantees that your credit or debit cards will actually work check with your bank before you travel. A visit to an ATM can be arranged on Day 1 and other days of the trip.

Do not rely on credit or debit cards as your only source of money. A combination of US Dollars as cash (preferably smaller bills, 5's, 10's and 20's), traveller's cheques and credit cards is best. Currency exchange is best obtained prior to travel or at the airport, currency exchange is very difficult to find in the USA and most banks do not accommodate.

Always take more rather than less, as you don't want to spoil the trip by constantly feeling short of funds.

As currency exchange rates can fluctuate often we ask that you refer to the following website for daily exchange rates: www.xe.com

How much emergency money should I bring on this trip?

Please also make sure you have access to at least an additional USD \$200 (or equivalent) as an 'emergency' fund, to be used when circumstances outside our control (ex. a natural disaster) require a change to our planned route. This is a rare occurrence!

Should I be tipping on my trip?

It is customary in North America to tip service providers such as waiters, bartenders and taxi drivers, at approximately 18-20%, depending on the service. Tipping is an expected - though not compulsory - component of your tour program and an expression of satisfaction with the persons who have assisted you on your tour. Although it may not be customary to you, it is of considerable significance to the people who will take care of you during your travels. There are times during the trip where there is opportunity to tip any local guides used. Recommendations for tipping local guides would range from \$2-8 USD per activity depending on the quality and length of the service; ask your CEO for specific recommendations based on the circumstances and culture.

Also at the end of each trip if you felt your G Adventures Chief Experience Officer did an outstanding job, tipping is appreciated. The amount is entirely a personal preference; however as a guideline \$10-15 USD per person, per day can be used as a guide. If your CEO(s) exceeded your expectations, feel free to tip more.

What activities are optional on this trip?

Valdez

- Hiking Around Valdez

- Kennicott Ghost Town Guided
Tour (34USD per person)

Wrangell-Saint Elias National Park and Preserve

- Wrangell-St. Elias Scenic Flight
(300-475USD per person)

What do I need to know to about safety and security on my trip?

Many national governments provide a regularly updated advice service on safety issues involved with international travel. We recommend that you check your government's advice for their latest travel information before departure. We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewellery at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes, which is the most secure way of storing your valuables. A lock is recommended for securing your luggage. When travelling on a group trip, please note that your group leader has the authority to amend or cancel any part of the trip itinerary if it deemed necessary, due to safety concerns. Your Chief Experience Officer (CEO) will accompany you on all included activities. During your trip you will have some free time to pursue your own interests, relax and take it easy and explore at your leisure. While your CEO will assist you with options available in a given location, please note that any optional activities you undertake are not part of your itinerary, and we offer no representations about the safety of the activity or the standard of the operators running them. Please use your own good judgement when selecting an activity in your free time. Although the cities visited on tour are generally safe during the day, there can be risks to wandering throughout any major city at night. It is our recommendation to stay in small groups and to take taxis to and from restaurants, or during night time excursions.

Water based activities have an element of danger and excitement built into them. We recommend only participating in water based activities when accompanied by a guide(s). We make every reasonable effort to ensure the fun and adventurous element of any water based activities (in countries with varying degrees of operating standards), have a balanced approach to safety. It is our policy not to allow our CEOs to make arrangements on your behalf for water based activities that are not accompanied by guide(s).

Swimming, including snorkeling, is always at your own risk. [Read more about travel safety](#) for ways to further enhance your personal safety while traveling.

What rules should I know before joining this trip?

Illegal drugs will not be tolerated on any trips. Possessing or using drugs not only contravenes the laws of the land but also puts the rest of the group at risk. Smoking marijuana and opium is a part of local culture in some parts of the world but is not acceptable for our travellers. Our philosophy of travel is one of respect towards everyone we encounter and in particular the local people who make the world the special place it is. The exploitation of people in the sex trade is completely contrary to this philosophy. Our CEOs have the right to expel any member of the group if drugs are found in their possession or if they utilize the services of paid sex workers, in any capacity.

Is travel insurance required for my trip?

Travel insurance is compulsory in order to participate on any of our trips. When travelling on a group trip, you will not be permitted to join the group until evidence of travel insurance has been sighted by your leader, who will take note of your insurance details. When selecting a travel insurance policy we require that at a minimum you are covered for medical expenses including emergency evacuation and repatriation. A minimum coverage of USD200,000 is required. We strongly recommend that the policy also covers personal liability, cancellation, curtailment and loss of luggage and personal effects. Some tours include adventure activities that require extra coverage (e.g. crampon use); please review your itinerary and make sure that you are covered for all included activities. If you have credit card insurance we require proof of purchase of the trip (a receipt of credit card statement) with a credit card in your name. Contact your bank for details of their participating insurer, the level of coverage and emergency contact telephone number.

What is Planeterra?

Planeterra International Foundation is a non-profit organization committed to turning travel into impact by helping local communities earn an income from tourism. Planeterra connects underserved local communities to the benefits of tourism by developing and supporting small community-owned businesses. These businesses support Indigenous people, empower women, grant youth access to employment opportunities, and protect the environment. Planeterra also works to ensure these businesses have a thriving customer base by integrating their projects into G Adventures' itineraries globally.

G Adventures is Planeterra's largest corporate donor, covering all operating costs, so 100% of your donation will bring opportunity to people in need.
