Day 1

Jerusalem

Arrive at any time. Your arrival transfer is included.

It's highly recommended to book a pre-night in Jerusalem to recover from any jet lag you may experience. It's also a good time to relax as the trip is quite face paced with very little room for free time.

It's also important to remember that the hospitality expectation can differ greatly from what you may be used to in your home country. The point of travel is to open yourself up to cultural differences and new experiences; practice patience and keep an open mind.

Today starts off with a walking tour of Jerusalem's Old City. This area of the city is where sacred sites are located that happen to be important to three of the world's largest faiths. The group will visit the Dome of the Rock and Al-Aqsa Mosque when at the Temple Mount. Afterwards, walk through the Jewish Quarter to the Hurva Synagogue. Follow the Way of the Cross, which is believed to be the route Jesus took on his way to crucifixion. Later in the afternoon the group will climb up the Mount of Olives where they can enjoy views of the city below. In the evening take part in a discussion with a local scholar to learn about daily life in this country and the hardships that may come with it.

The included lectures serve to give context to the various viewpoints and cultural differences within Israel. Try to keep an open mind and see these discussions as learning experiences in which you can begin to understand how just about everything in Israel is either directly or indirectly related to different Political and Spiritual opinions.

During certain times of year, especially any festivals/holidays, the old city may be very crowded with both visitors and pilgrims.

While the group does take a trip to the Church of the Holy Sepulcher, there isn't often time to also visit the "Tomb of Christ", because of very long lines. If you desire to spend more time in this Church and wish to see the Tomb, we advise trying to do this on your own during free time. The Church is open in the evenings as well.

At 423m (1,388 ft) below sea level, the shores of the Dead Sea are at the lowest land elevation on Earth. The sea is named because its salinity is so high (up to nine times that of the world's oceans) that only a few microorganisms can live in its waters.

The Dead Sea is a resort area, with chain hotels whose sole purpose are to allow access to the Dead Sea. This allows time to relax, float in the sea or opt to visit a spa. Dinner is in the hotel, as there are no local restaurants within the resort area.

Note: Due to major road works in the area, access to Numeira Cafe can be limited and sometimes inaccessible. If we are unable to visit during your departure, your CEO will advise, and take the group to a different area for the included lunch.

Is there an extra cost for travelling solo?

We believe solo travellers should not have to pay more to travel so our group trips are designed for shared accommodation and do not involve a single supplement. Single travellers joining group trips are paired in twin or multi-share accommodation with someone of the same sex for the duration of the trip. Some of our Independent trips are designed differently and solo travellers on these itineraries must pay the single trip price.

Where will we stay during the trip?

Hotels (13 nts), desert camp (1 nt).

Will I get my own room?

Please note that if you have booked the "My Own Room" option for this tour, you will receive your own single room for all night stops

What kind of accommodation can I expect on this trip?

On this trip we will stay in comfortable local hotels. Rooms will be on a twin-share basis unless you have booked our My Own Room service. You can expect the rooms to have air-conditioning, private bathrooms and breakfast will be included daily. Some hotels may also have swimming pools and/or other recreational facilities.

What are the joining instructions?

For details of your joining hotel please refer to your tour voucher, G Account, the G Adventures App or contact your travel agent.

An arrival transfer is included when you arrive on Day 1, or if you arrive up to three days prior provided that you have booked your pre-accommodation through G Adventures in our joining hotel. Due to customer experience and quality considerations, all services related to the tour must be continuous. Arrival transfers will not be available to passengers who have booked pre-tour accommodations independently of G Adventures.

Your arrival transfer has been arranged based on flight information provided to us. If you are advised of a flight schedule change within 48 hours of your scheduled arrival time, we will do our best to rearrange your arrival transfer however we cannot guarantee this. If your arrival transfer does not arrive within 30 minutes after you have exited the arrivals area please take a taxi to your start point hotel. Please note that Day 1 is an arrival day and no activities have been planned, so you may arrive at any time. Similarly the last day is a departure day in which no activities are planned.

Your CEO will contact you at the hotel on Day 1 and make sure you are settled comfortably. If you arrive late, they will leave you a message detailing what time and where you should meet the next morning. Your CEO will organize a short meeting soon after arrival, during which you will meet other tour participants and receive information about general and specific aspects of the trip.

What happens if I experience problems when arriving?

We don't expect any problems, and nor should you, but if for any reason you are unable to commence your trip as scheduled, please refer to the emergency contact details provided in this dossier and contact us as soon as possible. If you have a pre-booked transfer, and you have not made contact with our representative within 30 minutes of clearing customs and immigration, we recommend that you make your own way to the Starting Point hotel, following the Joining Instructions. Please apply to your travel agent on your return for a refund of the transfer cost if this occurs.

Who should I contact in case of an emergency?

Should you need to contact us during a situation of dire need, it is best to first call either the G Adventures Local Representative (if one is listed below) or our G Adventures Local Office. If for any reason you do not receive an immediate answer, please leave a detailed message and contact information, so they may return your call and assist you as soon as possible.

When can I do my laundry on this trip?

Laundry facilities are offered by some of our hotels for a charge. There will be times when you may want to or have to do your own laundry so we suggest you bring non-polluting/biodegradable soap.

What are the visas and entry requirements for my trip?

All countries require a valid passport (with a minimum 6 months validity). Contact your local embassy or consulate for the most up-to-date visa requirements, or see your travel agent. It is your own responsibility to have the correct travel documentation. Visa requirements for your trip will vary depending on where you are from and where you are going. We keep the following information up to date as far as possible, but rules do change and sometimes without warning. While we provide the following information in good faith, it is vital that you check the information yourself and understand that you are fully responsible for your own visa requirements.

Visa information specific to your destination and nationality can be found in our Important Pre-Departure Information page [here](#)

ISRAEL AND PALESTINIAN TERRITORIES:

Most tourists to Israel and the Palestinian Territories will be issued a free visa, on arrival valid for 90 days, at air and land borders. Known exceptions to this are India, Singapore and many African countries. Please double check the requirements in relation to the passport you travel on. Usually your entry and visa will not be stamped into your passport, but onto a separate piece of paper.

IMPORTANT NOTE

Israeli hotels have new requirements due to the Israeli Value Added Tax (VAT) authorities regulation. According to the law, hotels must receive photocopies of passports and B2 visas of all visitors.

The B2 visa is a small document travelers receive upon entering Israel at passport control. Please hold on to that document as it will be requested at the hotels. If the hotels do not receive that information then they will charge an additional 17% to the rate of accommodation.

JORDAN:

For our groups the Jordanian visa will be organized at the border. Not all nationalities automatically qualify for this visa on arrival, and it is vital that you contact your local embassy or consulate for updated information according to your passport nationality. You will need to retroactively pay the 40 JOD for your visa when you depart Jordan (either at the airport in Amman or by a land border crossing). If you are departing Jordan by air, no additional departure tax will be required as it is already included on the air ticket. If you are departing Jordan by land there is a 10 JOD departure tax.

Please note: Egypt and Jordan have a peace agreement with Israel, which allows travellers to cross borders between these countries; having an Israeli stamp in your passport will not affect your ability to travel to Egypt or Jordan.

If you are planning to enter Israel via land from Egypt or Jordan, the exit stamps from these neighbouring countries will indicate that you have visited Israel. Even without an Israeli visa in your passport, these stamps will impact your ability to use the same passport to travel to Syria Lebanon, Iraq, Iran, Saudi, Libya and Yemen.

Where can I read detailed notes about this trip?

Please keep these helpful instructions in mind when crossing the border between Israel and Jordan:

1. Arrive to The Israeli Border and proceed to desks # 1-3. Here, you will be required to pay the exit fee in cash (177 NIS). Please note that there are no ATM machines in the border crossing point, only currency exchange kiosks.
2. Proceed to Customs desks #6-8 to have your passport stamped. You may be required to answer some security questions at this point. Exit the building through the Duty Free shop.
3. Upon exiting, you will be required to take a 3-5 minute shuttle (5 NIS - cash only) to the Jordanian border; this shuttle will leave when it is full, so be prepared to wait.
4. Upon arrival, proceed to the main building where there will be a G Adventures Representative will be waiting with a "G Adventures" sign. The group will be escorted to passport control, and will receive a group visa (free of charge). Please note that you will be charged an exit fee when leaving the country independently (via border or airport), at the end of your tour.
5. Follow the G Adventure representative to the customs room to check your luggage through the security scanner. You will then be escorted to the bus, and transferred to your hotel in Amman.

What should I consider when planning my personal expenses and discretionary spending for this itinerary?

Every traveller is different and therefore spending money requirements will vary. Some travellers may drink more than others while other travellers like to purchase more souvenirs than most. Please consider your own spending habits when it comes to allowing for drinks, shopping and tipping. Please also remember the following specific recommendations when planning your trip.

What should I know about currency, credit cards, and exchanging money while on this tour?

The currency in Israel is the Israeli Shekel (NIS) and the currency in Jordan is the Jordanian Dinar (JOD)

ATMs are found within main cities in Israel and Jordan and will generally accept cards on the Visa and Mastercard networks. It is a great idea to travel with both a Visa and Mastercard if at all possible as while there is no hard and fast rule, some banks seem to only work with one brand of card. Please note, your bank will charge a fee for overseas withdrawals.

Cash is recommended for times when ATMs are not accessible. Euros, British Pounds and US Dollars are all easy to exchange to the Local currency. Please note that you should bring some cash with you for emergency situations but carrying only cash is a high safety risk. ATM card/s and some cash is the ideal mix.

If you are bringing US Dollars, please make sure that the notes are new and in good condition. Notes older than 1996, or with any tears or blemishes may not be accepted. Be fussy with your bank when buying cash!

As currency exchange rates can fluctuate often we ask that you refer to the following website for daily exchange rates: www.xe.com

How much emergency money should I bring on this trip?

Please also make sure you have access to at least an additional USD \$200 (or equivalent) as an 'emergency' fund, to be used when circumstances outside our control (ex. a natural disaster) require a change to our planned route. This is a rare occurrence!

Do I need to pay a departure tax?

As you cross from Israel to Jordan there is a 177 NIS departure tax for all nationalities to be paid at border in cash when departing Israel and crossing into Jordan. As well, you will take a shuttle bus service between Israel and Jordan, the cost is 5 NIS per person and 2 JOD per bag cash.

10 JOD departure tax for all nationalities to be paid in cash if departing overland.

Should I be tipping on my trip?

Tipping is a way of life in the Middle East. Locals themselves will usually tip anyone who provides them with services. In many cases, people depend on the tips they receive to supplement the low salary and wages of the Middle East region. While on tour in the Middle East, it is customary and even expected to tip small service providers such as restaurant and bar waiters, hotel staff, reception, cleaning personnel, bell boys, taxis and van drivers. Tips are regarded as an essential means of supplementing income for those working in the tourism industry.

To make things as easy as possible and avoid embarrassing situations, G Adventures has developed a tipping kitty system where your CEO will collect a contribution from everybody at the start of your tour and use this kitty to tip anybody who has provided services to the group as a whole. A guideline for tipping is about \$5-10 USD per day, depending on the quality of the service (this does not include your G Adventures CEO). On Day 1 of your tour, your CEO will be able to advise on the amount required from everybody to form the tipping kitty for your trip. You can pay in USD or the equivalent local currency (preferably local currency). The CEO will be able to advise you on the exchange rate and the total required in either currency.

If at any time you feel that any service provider failed in maintaining or delivering good service, please bring it immediately to the attention of your CEO so a deduction of tips can take place.

If you felt that your G Adventures CEO(s) did an outstanding job, tipping is also expected and appreciated. The precise amount is entirely a personal preference, however \$35-40 USD per person per week can be used as a general guideline.

What activities are optional on this trip?

Petra

- Petra by Night (30JOD per person)
- Turkish Bath (45JOD per person)

Are there any health considerations I should know before travelling?

Please note inoculations may be required for the country visited. It is your responsibility to consult with your travel doctor for up to date medical travel information well before departure.

There are no specific health requirements for this trip. However, we recommend protection against typhoid, tetanus, infectious hepatitis and polio. You should consult your doctor for up-to-date medical travel information before departure. We recommend that you carry a First Aid kit, hand sanitizers / antibacterial wipes as well as any personal medical requirements. Please be aware that we are in remote areas and away from medical facilities for some time during this trip, and for legal reasons our leaders are prohibited from administering any type of drug including headache tablets, antibiotics, etc.

What do I need to know to about safety and security on my trip?

Many national governments provide a regularly updated advice service on safety issues involved with international travel. We recommend that you check your government's advice for their latest travel information before departure. We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewellery at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes, which is the most secure way of storing your valuables. A lock is recommended for securing your luggage. When travelling on a group trip, please note that your CEO has the authority to amend or cancel any part of the trip itinerary if it is deemed necessary due to safety concerns. Your CEO will accompany you on all included activities. During your trip you will have some free time to pursue your own interests, relax and take it easy or explore at your leisure. While your CEO will assist you with options available in a given location please note that any optional activities you undertake are not part of your itinerary, and we offer no representations about the safety of the activity or the standard of the operators running them. Please use your own good judgment when selecting an activity in your free time. Although the cities visited on tour are generally safe during the day, there can be risks to wandering throughout any major city at night. It is our recommendation to stay in small groups and to take taxis to and from restaurants, or during night time excursions.

Protests and Demonstrations- Protests and demonstrations, even those that are well intended, have the potential to turn violent with no warning. Counter protests can also turn violent. Action by security forces to disperse demonstrators and protesters may occur at any time. If you are in an area where demonstrators or protesters are gathering, avoid the temptation of staying for a good photo opportunity and leave the area immediately.

Water based activities have an element of danger and excitement built into them. We recommend only participating in water based activities when accompanied by a guide(s). We make every reasonable effort to ensure the fun and adventurous element of any water based activities (in countries with varying degrees of operating standards) have a balanced approach to safety. It is our policy not to allow our CEOs to make arrangements on your behalf for water based activities that are not accompanied by guide(s).

Swimming, including snorkeling, is always at your own risk.

We take all prudent measures in relation to your safety. For ways to further enhance your personal safety while traveling, please visit:

www.gadventures.com/travel-resources/safety/

What are the trip specific safety considerations?

Like anywhere in the world, major cities have areas safer than others, use common sense, be aware of your surroundings and mind your personal belongings.

What rules should I know before joining this trip?

Illegal drugs will not be tolerated on any trips. Possessing or using drugs not only contravenes the laws of the land but also puts the rest of the group at risk. Smoking marijuana and opium is a part of local culture in some parts of the world but is not acceptable for our travellers. Our philosophy of travel is one of respect towards everyone we encounter and in particular the local people who make the world the special place it is. The exploitation of people in the sex trade is completely contrary to this philosophy. Our CEOs have the right to expel any member of the group if drugs are found in their possession or if they utilize the services of paid sex workers, in any capacity.

Is travel insurance required for my trip?

Travel insurance is compulsory in order to participate on any of our trips. When travelling on a group trip, you will not be permitted to join the group until evidence of travel insurance has been sighted by your leader, who will take note of your insurance details. When selecting a travel insurance policy we require that at a minimum you are covered for medical expenses including emergency evacuation and repatriation. A minimum coverage of USD200,000 is required. We strongly recommend that the policy also covers personal liability, cancellation, curtailment and loss of luggage and personal effects. Some tours include adventure activities that require extra coverage (e.g. crampon use); please review your itinerary and make sure that you are covered for all included activities. If you have credit card insurance we require proof of purchase of the trip (a receipt of credit card statement) with a credit card in your name. Contact your bank for details of their participating insurer, the level of coverage and emergency contact telephone number.

Make every day count by donating \$1/day for the length of your trip, and join us in empowering the communities you will visit when you travel. 100% of your donation goes directly to Planeterra projects.

How should I dress to respect local customs during the tour?

While visiting mosques and other religious monuments you should dress modestly, cover your shoulders and you shouldn't wear short shorts or skirts. Outside of capital cities and the more touristic centres, local dress is often more conservative and as a matter of respect we ask that both men and women are aware of this and recommend loose-fitting clothes with your shoulders covered. Ask your CEO for more specific advice.
