Itinerary

NOTE: Accommodations vary per departure and are subject to change until tour start date; they are not final and should be used as examples only. Travellers may login to the G Adventures App to view accommodations specific to their departure.

Arrive in the vibrant city of Osaka and settle into your starting hotel around 4:00 pm, giving you time to ease into the energy of Japan's dynamic "kitchen capital." In the evening, reconnect with your fellow travellers and your CEO for a welcome meeting, the perfect opportunity to get oriented, meet the group, and set the tone for the journey ahead.

There are no activities planned until an evening welcome meeting. Please ensure you arrive on time for the welcome meeting and bring your passport so your CEO can collect the required information for your train tickets. Refer to your voucher for the most up to date welcome meeting time.

The most convenient way to get around Japan is by public transportation and on foot. The country's train system is often considered one of the best in the entire world so the majority of our trips utilize this efficient train network. In this tour, you will need to be able to spend the majority of the day on your feet and carry your luggage through busy train stations and streets. On average, tours in Japan walk about 15,000 steps a day. Please ensure you are fit enough to carry your own luggage and spend most of the day on your feet.

Is there a disclaimer I should read before booking this trip?

The information in this trip details document has been compiled with care and is provided in good faith. However it is subject to change, and does not form part of the contract between the client and the operator. The itinerary featured is correct at time of printing. It may differ slightly to the one in the brochure. Occasionally our itineraries change as we make improvements that stem from past travellers, comments and our own research. Sometimes it can be a small change like adding an extra meal along the itinerary. Sometimes the change may result in us altering the tour for the coming year. Is there a travel disclaimer for my itinerary I should review before booking this trip?

While it is our intention to adhere to the route described below, there is a certain amount of flexibility built into the itinerary and on occasion it may be necessary, or desirable to make alterations. The itinerary is brief, as we never know exactly where our journey will take us. Due to our style of travel and the regions we visit, travel can be unpredictable. The Trip Details document is a general guide to the tour and region and any mention of specific destinations or wildlife is by no means a guarantee that they will be visited or encountered. Aboard expedition trips visits to research stations depend on final permission.

Additionally, any travel times listed are approximations only and subject to vary due to local circumstances.

What important notes should I be aware of before the trip?

1. The most convenient way to get around Japan is by public transportation and on foot. The country's train system is often considered one of the best in the entire world so the majority of our trips utilize this efficient train network. In this tour, you will need to be able to spend the majority of the day on your feet and carry your luggage through busy train stations and streets. On average, tours in Japan walk about 15,000 steps a day. Please ensure you are fit enough to carry your own luggage and spend most of the day on your feet.

2. Japan Rail Pass

Please note that only foreigners traveling as a tourist are able to use a Japan Rail Pass. If you are a Japanese citizen/resident or traveling on a student/business/military/diplomatic visa, please advise us at time of booking as you will not be able to take advantage of the rail pass.

3. Tattoos

Tattoos are not common or widely accepted in Japan. There is no cause for concern, but do your best to cover your tattoos when possible and note that you may not be permitted to enter public spas or onsens (hot springs).

4. Luggage size restriction – Effective from May 2020 onwards

All G Adventures tours in Japan use the world-famous Shinkansen bullet trains, which have a restriction on maximum luggage size. Your luggage must be less than 160cm in total. This is roughly the size that most airline companies consider as "carry-on baggage" and allow in overhead storage compartments.

We strongly recommend bringing a day pack or backpack to use during the day, in addition to your carry-on sized luggage. Please see "What to take" under Tour details for more information.

5. ACCOMMODATION NOTE:

Please be aware that properties we stay in with only two stories may not have elevators installed and climbing the stairs with your luggage will be necessary.

What is the role of the group leader during this trip?

All G Adventures group trips are accompanied by one of our Chief Experience Officer (CEO). The aim of the group leader is to take the hassle out of your travels and to help you have the best trip possible. They will provide information on the places you are traveling through, offer suggestions for things to do and see, recommend great local eating venues and introduce you to our local friends.

While not being guides in the traditional sense, you can expect them to have a broad general knowledge of the countries visited on the trip, including historical, cultural, religious and social aspects.

How large will the group be?

Max 15, avg 12.

What meals are included in this trip?

1 breakfast, 1 dinner

What are the meals like on this trip?

Eating is a big part of traveling. G Adventures knows that worldwide, local cuisines define the cultures. We think sampling regional delicacies are intrinsic to truly experiencing the country. We want you to be able to try foods according to your individual tastes, comforts, and budgets.

Generally meals are not included in the trip price when there is a choice of eating options, to give you the maximum flexibility in deciding where, what and with whom to eat. It also gives you more budgeting flexibility. At times, meals will be taken together as a group. Other times, your CEO will point you in the direction of several delicious options, and you will have free time to pick and choose at will. Often in Japan it is fun to get some snacks and beverages with the salarymen in the evenings at small restaurants, and other times it is fun to sit with a few friends at a sushi train.

Your CEO will always strive to cater for all dietary requirements/preferences, but please keep in mind that Vegetarianism/Veganism is very uncommon in Japan so this may mean a more limited selection for you.

Please refer to the Meals Included and Budget Information for information regarding included meals on your trip. Japan's kitchen is at your fingertips!

What are the modes of transportation on my trip?

Bullet train, local train, private vehicle, public bus, subway, tram, walking.

What transportation will we take on this trip?

On our tours in Japan we use public transport, making use of Japan's world famous transport system. From the super fast Shinkansen Bullet Train to Kyoto's extensive local bus network, we ride with the locals.

Is there an extra cost for travelling solo?

We believe single travellers should not have to pay more to travel so our group trips are designed for shared accommodation and do not involve a single supplement. Single travellers joining group trips are paired in twin or multi-share accommodation with someone of the same sex for the duration of the trip. Some of our Independent trips are designed differently and single travellers on these itineraries must pay the single trip price.

Where will we stay during the trip?

Hotels (6 nts), traditional inns (1 nt).

What kind of accommodation can I expect on this trip?

Japan is one of the most populous countries in the world and space is at a premium. Therefore, hotels rooms are small! Additionally, most Japanese hotels do not have designated non-smoking rooms. Therefore, we ask hotels to deoderise rooms before check in. Please note rooms for couples usually still have two twin beds in Japan. Rooms with one large Queen or King bed are not common.

Ryokan are traditional inns found across Japan. Featuring tatami floors (soft mats of woven straw), futon beds, Japanese-style baths, cotton kimono (casual robe worn to lounge around or to head to the bath), and elaborate meals (often served in the comfort of your own room), a ryokan is the perfect place to experience traditional customs and hospitality. As ryokan are usually top tier accommodations, most guests stay only one night, often to celebrate a special occasion or holiday. Don't be intimidated by the formalities inherent to a stay at a ryokan, your hosts will welcome you the same way they do all their guests. Have fun and enjoy this relaxing opportunity to learn more about Japan's unique customs.

Minshuku are Japan's answer to the Western bed and breakfast. Similar to ryokan, they have traditional features like tatami floors, futon beds, and Japanese-style baths. Minshuku are often family-run, and as such they offer a great opportunity to interact with local people and learn more about the nation's customs. More affordable and simpler than ryokan, minshuku tend to have smaller guestrooms, shared bathroom facilities, and any included meals (traditional, local, and delicious) are served in a communal dining room.

Please note that some of the traditional Japanese inns used on this tour only offer shared bathing facilities. This means that individual shower stalls will not be available, instead several shower stations are available in an open, same-sex bathing area. Shared bathhouses and onsen (hot springs) are an essential part of Japan's culture, traditionally serving as a place for men or women to gather, relax, and discuss the days happenings.

Are there any additional packing suggestions I should consider?

It's essential to pack as lightly as possible for rail travel in Japan. All G Adventures tours use the world-famous Shinkansen bullet trains, which have a restriction on maximum luggage size.

Any luggage brought on board must be less than 160cm in total (calculated as the sum of the height + width + depth of your luggage). This is roughly the size that most airline companies consider as "carry-on baggage" and allow in overhead storage compartments. We strongly recommend bringing a day pack or backpack to use during the day (for daily essentials like water, cameras, passport, etc.).

Please note that travellers who bring luggage that exceeds this restriction will be directly penalized by the Central Japan Railway Company. Any luggage between 160–250cm will require a fee of 1,000 JPY per luggage, for each leg of your train journey, and is strictly subject to availability. Any luggage over 251cm in total is prohibited on the Shinkansen trains.

If you absolutely must bring more than what fits into a single carry-on bag plus day pack, you may bring a second carry-on bag which also must be less than 160cm in total. Please note, however, that as with all G Adventures tours, you must be able to carry your luggage unassisted.

You will also be walking with your luggage in busy public train stations to catch connecting trains, so it is highly recommended that you travel light and have easy to handle luggage and capable of walking up and down the stairs with your luggage without any assistance. A large bag will be an inconvenience to you and will slow you down!

We recommend keeping the weight of your bags between 10-15kg/22-30lb. Suitcases are not recommended for G Adventures trips! Most travellers carry a backpack or rolling bag of small to medium size. You will also need a day-pack/rucksack to carry daily essentials like water, cameras, passport, i-pods etc.

Takuhaibin - Japan's takuhaibin service is a convenient and reliable way to transfer luggage from one location to another throughout the country. Pick-up/drop-off/delivery dates and times can be easily scheduled (usually overnight) and costs are moderate. Service can be arranged at most hotels and airports. Using Takuhaibin to send your luggage between hotels, or from hotel to airport, is a great way to travel light and avoid hauling large bags on crowded trains or up and down stairs - just be sure to pack an overnight bag with everything you'll need until you're reunited with your luggage the following day.

What are the visas and entry requirements for my trip?

All countries require a valid passport (with a minimum 6 months validity). Contact your local embassy or consulate for the most up-to-date visa requirements, or see your travel agent. It is your own responsibility to have the correct travel documentation. Visa requirements for your trip will vary depending on where you are from and where you are going. We keep the following information up to date as far as possible, but rules do change and sometimes without warning. While we provide the following information in good faith, it is vital that you check the information yourself and understand that you are fully responsible for your own visa requirements.

Visa information specific to your destination and nationality can be found in our Important Pre-Departure Information page [here](#)

Where can I read detailed notes about this trip?

Travel in Japan is easy, clean, fast and efficient, however please be aware that English is still not widely spoken, however a lot of patience, a sense of humour and a respect for the local culture goes a long way in any Asian country and will greatly enrich your experience.

What should I consider when planning my personal expenses and discretionary spending for this itinerary?

Every traveller is different and therefore spending money requirements will vary. Some travellers may drink more than others while other travellers like to purchase more souvenirs than most. Please consider your own spending habits when it comes to allowing for drinks, shopping and tipping. Please also remember the following specific recommendations when planning your trip.

What should I know about currency, credit cards, and exchanging money while on this tour?

As currency exchange rates in Asia fluctuate often we ask that you refer to the following website for daily exchange rates: www.xe.com. As of April 2011 the exchange rate for JAPAN was 1 USD = 80 (Japanese Yen).

Every Post Office and 7-11 Convenience store has an ATM machine that accepts Visa, Mastercard and Debit Cards. At times, Maestro/Master Card/Cirrus have been problematic at these machines, so please bring a back-up card.

Credit Cards should not be relied upon for purchases as they are not widely accepted, except in some restaurants and department stores. Money can be exchanged at Post Offices and some banks and hotels in major cities, however it can be a very slow process.

How much emergency money should I bring on this trip?

Please also make sure you have access to at least an additional USD \$200 (or equivalent) as an 'emergency' fund, to be used when circumstances outside our control (ex. a natural disaster) require a change to our planned route. This is a rare occurrence!

Do I need to pay a departure tax?

Departure Tax is included in all International and Domestic tickets.

Should I be tipping on my trip?

Tipping for service is not practiced in Japan. Leaving money at restaurants, in taxis etc will simply cause confusion.

Tipping within the travel industry is standard to recognize the guide for a great experience. Our CEOs work hard to make your trip special. If you're happy with their service, a tip of \$5-\$7 per day is a great way to say thanks, though the final amount is completely up to you.

- Daisen-in Zen Rock Garden Visit (400JPY per person)

You should consult your doctor for up-to-date medical information pertaining to the country you are travelling to well before departure. We recommend that you carry a First Aid kit and hand sanitizers / antibacterial wipes as well as a full supply of any personal medical requirements. Always carry your prescription medication in original packaging with your doctor's prescription and ensure your medication is legal in Japan. In Asia, you will not find the same drugs as you get at home. Please be aware that sometimes we are in remote areas and away from medical facilities. Also note that for legal reasons our Leaders are prohibited from administering any type of drug including headache tablets, antibiotics, etc. When selecting your trip please carefully read the brochure and itinerary and assess your ability to cope with our style of travel. Please refer to the Physical and Culture Shock ratings for trip specific information. G Adventures reserves the right to exclude any traveller from all or part of a trip without refund if, in the reasonable opinion of the CEO, they are unable to complete the itinerary without undue risk to themselves and/or the rest of the group.

What do I need to know to about safety and security on my trip?

Many national governments provide a regularly updated advice service on safety issues involved with international travel. We recommend that you check your government's advice for their latest travel information before departure. We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewellery at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes, which is the most secure way of storing your valuables. A lock is recommended for securing your luggage. When travelling on a group trip, please note that your CEO has the authority to amend or cancel any part of the trip itinerary if it is deemed necessary due to safety concerns. Your CEO will accompany you on all included activities. During your trip you will have some free time to pursue your own interests, relax and take it easy or explore at your leisure. While your CEO will assist you with options available in a given location please note that any optional activities you undertake are not part of your itinerary, and we offer no representations about the safety of the activity or the standard of the operators running them. Please use your own good judgment when selecting an activity in your free time. Although the cities visited on tour are generally safe during the day, there can be risks to wandering throughout any major city at night. It is our recommendation to stay in small groups and to take taxis to and from restaurants, or during night time excursions.

Protests and Demonstrations- Protests and demonstrations, even those that are well intended, have the potential to turn violent with no warning. Counter protests can also turn violent. Action by security forces to disperse demonstrators and protesters may occur at any time. If you are in an area where demonstrators or protesters are gathering, avoid the temptation of staying for a good photo opportunity and leave the area immediately.

Water based activities have an element of danger and excitement built into them. We recommend only participating in water based activities when accompanied by a guide(s). We make every reasonable effort to ensure the fun and adventurous element of any water based activities (in countries with varying degrees of operating standards) have a balanced approach to safety. It is our policy not to allow our CEOs to make arrangements on your behalf for water based activities that are not accompanied by guide(s).

Swimming, including snorkeling, is always at your own risk.

We take all prudent measures in relation to your safety. For ways to further enhance your personal safety while traveling, please visit:

What are the trip specific safety considerations?

We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewellery at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes which is the most secure way of storing your valuables. A lock is recommended for securing your luggage.

What rules should I know before joining this trip?

Illegal drugs will not be tolerated on any trips. Possessing or using drugs not only contravenes the laws of the land but also puts the rest of the group at risk. Smoking marijuana and opium is a part of local culture in some parts of the world but is not acceptable for our travellers. Our philosophy of travel is one of respect towards everyone we encounter, and in particular the local people who make the world the special place it is. The exploitation of prostitutes is completely contrary to this philosophy. Our CEOs have the right to expel any member of the group if drugs are found in their possession or if they use prostitutes.

Is travel insurance required for my trip?

Travel Insurance: Travel insurance is compulsory in order to participate on any of our trips. When travelling on a group trip, you will not be permitted to join the group until evidence of travel insurance has been sighted by your CEO, who will take note of your insurance details. When selecting a travel insurance policy please bear in mind that all clients must have medical coverage and that we require a minimum coverage of USD 200,000 for repatriation and emergency rescue. We strongly recommend that the policy also covers personal liability, cancellation, curtailment and loss of luggage and personal effects. If you have credit card insurance we require proof of purchase of the trip (a receipt of credit card statement) with a credit card in your name. Contact your bank for details of their participating insurer, the level of coverage and emergency contact telephone number.

Did you know? Most communities around the world do not benefit from tourism. Give back to the places you visit on your travels by creating opportunities for local people to earn an income, and protect the environment.

Make every day count by donating \$1/day for the length of your trip, and join us in empowering the communities you will visit when you travel. 100% of your donation goes directly to Planeterra projects.

How should I dress to respect local customs during the tour?

In Asia the dress standard is more conservative than it is back home. When packing try to pick loose, lightweight, long clothing that will keep you cool in the usually hot and humid climate of Asian summers. In predominately Buddhist, Hindu and Muslim countries we ask that you dress respectfully and avoid very short shorts/skirts and singlets/tanktops when visiting temples, mosques or other holy sites.
