Itinerary Notes

Please note this is a camping level trip which means you will be camping most nights with some basic hotel/ hostel stays to start and end the tour. Campsite facilities in Africa are generally good, but can be basic in certain places. Despite the challenge that a few days “roughing it” may pose to some, the experience of being that close to nature, camping under the African stars, and seeing incredible wildlife at your tent door-step is not just gratifying, but ultimately an experience of a lifetime.

Day 1 **Johannesburg**

Arrive at any time.

Tonight after a brief welcome meeting at the hotel, choose to experience Johannesburg with the group and attend an optional group dinner at a local spot.

If you arrive a day or two early, we recommended booking an excursion to Soweto or the Apartheid Museum.

Please make sure you have all of the necessary visas for this tour by the time of the welcome meeting. It is very important to read the visa section in our trip details to make sure you have

all visas you will need, if any. Please note that not all nationalities are able to obtain visas upon arrival at the border.

If you have not yet pre-booked, add it to your checkout page, or ask your GCO or travel agent for assistance.

Campsite facilities in Africa are generally good, but can be basic in certain places. Despite the challenge that a few days “roughing it” may pose to some, the experience of being that close to nature, camping under the African stars, and seeing incredible wildlife at your tent door-step is not just gratifying, but ultimately an experience of a lifetime.

Is there a disclaimer I should read before booking this trip?

The information in this trip details document has been compiled with care and is provided in good faith. However it is subject to change, and does not form part of the contract between the client and the operator. The itinerary featured is correct at time of printing. It may differ slightly to the one in the brochure. Occasionally our itineraries change as we make improvements that stem from past travellers, comments and our own research. Sometimes it can be a small change like adding an extra meal along the itinerary. Sometimes the change may result in us altering the tour for the coming year. Ultimately, our goal is to provide you with the most rewarding experience. Please note that our brochure is usually released in November each year. If you have booked from the previous brochure you may find there have been some changes to the itinerary.

VERY IMPORTANT: Please ensure that you view a final copy of your Trip Details a couple of days prior to travel, in case there have been changes that affect your plans.

Is there a travel disclaimer for my itinerary I should review before booking this trip?

While it is our intention to adhere to the route described below, there is a certain amount of flexibility built into the itinerary and on occasion it may be necessary, or desirable to make alterations. The itinerary is brief, as we never know exactly where our journey will take us. Due to our style of travel and the regions we visit, travel can be unpredictable. The Trip Details document is a general guide to the tour and region and any mention of specific destinations or wildlife is by no means a guarantee that they will be visited or encountered. Aboard expedition trips visits to research stations depend on final permission.

Additionally, any travel times listed are approximations only and subject to vary due to local circumstances.

What important notes should I be aware of before the trip?

1. In the instance that you are a parent or guardian traveling with a minor under the age of 18 and you do not share the same gender as the minor child, you will accommodated together in a private room instead of the multi share option.

2. Please note that this trip is a combination of multiple G Adventures tours. As such, the staff and/or particular vehicles operating your tour may change between tour segments. You may also expect some group members to join or leave the tour, between tour segments.

3. This is not a physically demanding journey; however, travelling can be difficult, with long drives and poor road conditions at times. Despite this, most clients feel that the diversity of the African landscape, countries, culture and wildlife are all well worth the experience. We use a comfortable and safe customized safari truck for the long drives.

4. YELLOW FEVER: COUNTRY DETAIL
There is no risk of Yellow Fever transmission in Botswana, Kenya, Malawi, Namibia, South Africa, Tanzania, Uganda, Zambia, or Zimbabwe. However, all of these countries require proof of vaccination under International Health Regulations to prevent importation of the virus. It is compulsory to show a valid Yellow Fever vaccination certificate if you are travelling to any of the above countries from a Yellow Fever endemic country, or have recently transited through one (12 hours or more in airport). Endemic countries include: Angola, Benin, Bolivia, Brazil, Burkina Faso, Burundi, Cameroon, Central African Republic, Chad, Colombia, Democratic Republic of the Congo, Republic of the Congo, Côte d'Ivoire, Ecuador, Equatorial Guinea, Ethiopia, French Guiana, Gabon, Gambia, Ghana, Guinea, Guinea-Bissau, Guyana, Kenya, Liberia, Mali, Mauritania, Niger, Nigeria, Panama, Paraguay, Peru, Rwanda, São Tomé and Príncipe, Senegal, Sierra Leone, Somalia, South Sudan, Sudan, Suriname, Tanzania, Togo, Trinidad and Tobago, Uganda, Venezuela.

We advise all travellers on Southern and East Africa itineraries to carry a valid Yellow Fever vaccination certificate regardless of their country of origin. Given the multi-country nature of these itineraries, travellers will cross borders into countries that require the certificate as a condition of entry from preceding destinations. A traveller entering the itinerary from a non-endemic country may not require the certificate to enter the first country, but will almost certainly require it by the time they cross into a subsequent one. Yellow Fever vaccinations must be administered at least 10 days prior to entry into the first country visited. Under WHO regulations (effective 11 July 2016), certificates are valid for the lifetime of the person vaccinated, there is no 10-year expiry on the certificate itself, though some border officials may be unaware of this. Travellers should carry their original International Certificate of Vaccination or Prophylaxis (yellow card) at all times during the tour. Travellers without a valid certificate run the risk of being denied entry and will not be able to continue with the tour. Any additional travel expenses incurred will be at the traveller's own account.

5. RAMADAN
According to the lunar cycle, Ramadan will fall between Feb 17th - Mar 19th 2026. Please note that Ramadan is a month of fasting observed by Muslims throughout the world, during which time the followers of Islam should not eat or drink between sunrise and sunset. There may be some limitations to services and disruptions to schedules during Ramadan, but generally our tours still operate effectively during this period and food is available to non-Muslims throughout the day. It is very important to display increased cultural sensitivity during Ramadan. Please wear loose fitting clothes, that cover knees and shoulders, and try to avoid eating, drinking or smoking in public out of respect for those who can't at that time.

6. An essential part of your safari is participation. The group is usually divided into small groups and given different tasks which change on a day to day basis, from kitchen duty group (helping in prepare meals and clean up afterwards), the packing group (sets up all tables and chairs outside) and the cleaning group (which cleans the truck by emptying the rubbish bin and brooming). it is all part of your adventure and when everyone puts in a little effort the trip will run

smoothly. Your CEOs will do all the meal preparation, but we do ask the clients to help with the washing up. Team spirit is part of the fun! All camping equipment (with the exception of your sleeping bag and pillow) is supplied. We supply dome tents and assembly/disassembly takes only 5 minutes. All tents have built-in insect nets. Mattresses are also available, which are approximately 4cm thick, warm and comfortable.

7. Your CEO aims to provide you with the best service possible during your tour. They will be joining you in the back of the truck for a maximum of approximately 50% during driving, to answer questions and provide more information about the areas that you visit. They will spend the remainder of the driving time in front with the driver to enable them to make bookings, do planning and to fulfil other organizational requirements of the tour. During wildlife safari drives, your CEO will ensure to accompany you in the passenger area of the truck. This is of course because they have a lot of knowledge to share with you during these exciting wildlife safari drives. Please do not hesitate to ask your CEO any questions.

8. According to the lunar cycle, Ramadan will fall between May 5th and June 4th, 2019. Please note that Ramadan is a month of fasting observed by Muslims throughout the world, during which time the followers of Islam should not eat or drink between sunrise and sunset. In Zanzibar and other Muslim areas in Africa, it is important to note that there may be some limitations to services and disruptions to schedules during Ramadan. Generally our tours still operate effectively during this period and food is available to non-muslims throughout the day. It is important to display increased cultural sensitivity during Ramadan, particularly in Zanizbar. Please wear loose fitting clothes, that cover knees and shoulders, and try to avoid eating, drinking or smoking in public out of respect for those who can't at that time.

9. MONEY EXCHANGE
We strongly advise that you bring ZAR or USD from your home country or exchange money before the start of the tour, to avoid delays on tour. Please see the Money Exchange section for more details.

10. DRONES
The use of drones in national parks in Southern Africa is prohibited.

11. ARRIVAL AIRPORT
Please note, if you're arrival airport in Johannesburg is NOT 'Johannesburg O.R. Tambo International Airport' and you have pre-booked an arrival transfer, please contact us as soon as possible so we can pass this information onto our local office and transfer provider. This may incur additional costs.

12. OPTIONAL ACTIVITIES
Prices listed are indicative and may change seasonally or annually. Your CEO will confirm current rates while on tour.

What is the role of the group leader during this trip?

On this tour, you will be accompanied by two Chief Experience Officers (CEOs). The Chief Experience Officers (CEOs) will be the group manager and leader, cook and driver. They will provide information on the places where we are travelling, offer suggestions for things to do and see, and introduce you to our local friends. They will take care of the small things so you can concentrate on enjoying your adventure.

All of our CEOs in southern and East Africa are experienced group leaders, with a broad knowledge base of the region's history, cultures, and wildlife. Your leader will be from either southern or East Africa depending on which part of the tour you are on.

All of our overland adventure vehicle (OAV) drivers are experienced in the routes travelled, and highly skilled in dealing with different terrains. All of our cooks will organize and lead the meal preparation, and have experience in cooking a variety of local and international dishes for large groups.

In the Serengeti and Ngorongoro Crater to round out the team, along with your CEO, you will be accompanied by a local safari crew consisting of an expert driver/guide and camp cook. Your driver/guide is skilled and experienced driver and a certified safari guide, and is an integral part of the team. As well, your cook will prepare the camp meals to add some further local flavour to the trip.

We also use local guides for some included activities where we think more specific knowledge will add to the enjoyment of the places we are visiting.

What is the maximum and typical number of participants on this tour?

Max 22, avg 18.

What meals are included in this trip?

25 breakfasts, 22 lunches, 18 dinners

What are the meals like on this trip?

As mentioned above, most of the meals on this tour are included in the tour price. When a meal is not included, this is because there are often many options available - we would like to give you the opportunity to explore a bit and test the local cuisine yourself. In these cases, your CEO will be able to suggest some good local restaurants or options for you to choose from.

All included meals will be prepared from fresh local produce. The majority of the shopping for foodstuffs will be done before the trip departs, and fresh goods, such as meats, fruits, vegetables, and dairy products, will be bought en route during the trip from supermarkets, local shops and markets. Breakfasts will generally consist of breads and cereals, if time allows a warm breakfast may be prepared. Many lunches will be provided en-route and will be light meals such as sandwiches and/or salads. All evening meals will be freshly-prepared hot meals, and will consist of a variety of continental and local dishes.

Our cook will organize the meal preparation and lead the way here, but will prepare a duty schedule for ensuring a fair, rotating participation from you and your group members in the meal preparation and dish washing duties.

Vegetarian meals and other dietary requirements need to be specified prior to arrival. Please note all bottled drinking water will be at your own expense.

What are the modes of transportation on my trip?

Lando (overland adventure vehicle), 4x4 safari vehicles, ferry, mokoro, walking.

How will we travel between destinations?

This trip is done a combination of vehicles - a larger 24 seat overland vehicle named the Lando for most of the trip, and in private 6-7 seat safari vehicles for the safari section in Tanzania. Both styles of vehicles have their advantages - the allows the entire group, including your CEO, to travel together, and sits higher, great for wildlife viewing and to enjoy the scenic landscape.

The smaller safari vehicles will be used when the group is in the Serengeti and Ngorongoro Crater. With sliding windows and a large pop-up roofs, an open 360-degree view of area, great for wildlife viewing. If there is a large group, 2-3 vehicles will be used, and the group will be split up. This style of travel is by no means luxurious, but the seats are comfortable and having our own private vehicles allow us the flexibility of making stops when needed, and to stay and watch that crouching lion prepare for an attack.

For your time in Zanzibar, please note that the overland adventure vehicle (OAV) will stay in Dar es Salaam, on the mainland. We use a large public ferry with in indoor seating area to cross to the island, and while there, our transportation will be in minibuses.

Here's a quick look at the unique features of the well-equipped G Adventures overland adventure vehicle (OAV):
- Storage for your main luggage is accessible from inside the vehicle
- Day packs can be stored at your feet or on the luggage shelf above
- Onboard safety box for valuables
- Front viewing windows and large sliding windows, both great for wildlife viewing
- Reclining seats
- Fully equipped mobile kitchen
- Access to a 250L tank of drinking water
- Air-conditioning
- Charging station, when available in camp (South African plug - 220-240V)
- USB charging ports for every traveller at their seat

Please note that our Landos do not have on-board bathrooms.

This is not a physically demanding journey; however, travelling can be difficult, with long drives and poor road conditions at times. Please take note of the travel times and distances in the above itinerary, and consider that this is often on poor quality, bumpy roads. Despite this, most clients feel that the diversity of the African landscape, culture and wildlife are all well worth the experience.

Is there an extra cost for travelling solo?

We believe solo travellers should not have to pay more to travel so our group trips are designed for shared accommodation and do not involve a single supplement. Single travellers joining group trips are paired in twin or multi-share accommodation with someone of the same sex for the duration of the trip. Some of our Independent trips are designed differently and solo travellers on these itineraries must pay the single trip price.

Where will we stay during the trip?

Participation camping (19 nts), full-service camping (2 nts), simple hotels (4 nts, twin-share), bush camping (1 nt).

Do any exceptions apply to Rooming or “My Own Room” on my tour?

Day 4

What should I expect from the accommodations on this trip?

Camping in Africa is truly an adventure. You will be able to get off the beaten track to get a first-hand experience of the beautiful wilderness and nature. While camping, we stay at designated campsites in national parks and outside towns. Campsite facilities in southern Africa are generally good, but can be basic in certain places. There are generally small restaurants and/or bars, washing facilities and occasionally telephones available.

The camps have flush toilets, and showers at some camps are outdoors, having simple reed enclosures for privacy. Additionally, warm water is available at most sites, but it is not guaranteed to always be warm when you take your shower; the warm water may be used up others who also use the camp. We usually set-up camp within close proximity to the toilet facilities, though occasionally to reach them you may to walk a short distance.

All camping equipment (with the exception of your sleeping bag and pillow) is supplied, including camp mattresses, which are warm, comfortable, and approximately 4cm thick. We supply dome tents and assembly/disassembly takes only 5 minutes. They are good quality, durable, industry-standard 2-person safari canvas tents. Please note that most adults will not be able to fully stand up inside the tents, though most travellers find these more than adequate, as they have a base area of approximately 4 square meters. These tents are regularly treated with a waterproofing agent, but under certain rainy conditions, the tent fabric may become saturated to the point where seepage or leakage may occur. All tents have built-in mesh insect netting on the windows and doors.

We travel with our own portable camp chairs with a comfortable back-rest, and we utilize our own cooking equipment to provide the group good quality camp meals.

In camping within the national parks and conservation areas, some camp sites are enclosed for keeping the resident wildlife out. Other camps are open to the natural environment – care must be taken, especially at night, when a torch/flashlight is recommended when walking around the camp area.

Despite the challenge that a few days “roughing it” may pose to some, the experience of being that close to nature, camping under the African stars, and seeing incredible wildlife at your tent door-step is not just gratifying but ultimately an experience of a lifetime.

In Swakopmund, we stay in backpacker's (hostels) or small guest houses, which will give us a break from camping and to be better located than the campgrounds in the area. Here, the accommodation is based on several people sharing dormitory-style rooms, with possibly 6 to 8 people sharing a room. There will be a mix of private and shared bathroom facilities. Please be aware that where we use multi-share accommodations, rooming requests of any kind cannot be taken.

Please note that due to the high demand for accommodation in the parks, sometimes we will arrange alternative accommodation outside of the park.

In Zanzibar, we stay in standard, twin-share accommodation in Stone Town and on the beach. Please note that our Zanzibar Beach Resort location is subject to change due to availability. For private accommodation please see tours in our Classic/Standard Travel Style.

What are the joining instructions?

For details of your joining hotel please refer to your tour voucher, G Account, the G Adventures App or contact your travel agent.

If you would like to book an airport Arrival transfer for your tour, please contact our Sales Team or your Travel Agent in advance of travel.

If you have paid in advance for an arrival transfer, a G Adventures representative will be at the airport to meet you. If for any reason you are not met at the airport, please call our local support line. If you are unable to make contact for whatever reason, please make your way to the joining point hotel via taxi.

Please note that day 1 is an arrival day and no activities have been planned on this day.

Upon arrival to your Joining Hotel (note that check-in time will be in the afternoon), look for a note or bulletin board in the reception with a note from your CEO. This note will give the details of your Welcome Meeting on day 1 (usually between 5pm and 7pm), where you will get a chance to meet your CEO and other travellers, as well as learn more about how the tour will run. If you don't see a note, please ask reception for details!

If you are arriving later and will miss the Welcome Meeting, your CEO will leave a note at reception for you with any information you may need, and with morning instructions for the next day.

What should I do if I can't find my airport transfer or experience arrival issues?

We don't expect any problems, and nor should you, but if for any reason you are unable to commence your trip as scheduled, please refer to the emergency contact details provided in this dossier and contact us as soon as possible. If you have a pre-booked transfer, and you have not made contact with our representative within 30 minutes of clearing customs and immigration, we recommend that you make your own way to the Starting Point hotel, following the Joining Instructions. Please apply to your travel agent on your return for a refund of the transfer cost if this occurs.

Who do I contact for arrival issues or in the event of an emergency?

Should you need to contact us during a situation of dire need, it is best to first call either the G Adventures Local Representative (if one is listed below) or our G Adventures Local Office. If for any reason you do not receive an immediate answer, please leave a detailed message and contact information, so they may return your call and assist you as soon as possible.

AIRPORT TRANSFER
If you have purchased an arrival through G Adventures or if an arrival transfer is included in the cost of your tour, please note that:

Your arrival transfer has been arranged based on flight information provided to us. If you are advised of a flight schedule change or flight cancellation within 48 hours of your scheduled arrival time, please call the emergency contact number to advise of your new arrival flight information. If you do not, we will not be able to rearrange your arrival transfer and you will need to make your own way to the starting hotel at your own expense. What details should I be aware of when planning my departure day?

The tour ends upon arrival to Nairobi. Your flight must depart no earlier than 21:00.

What are the packing guidelines and luggage restrictions?

You will be on the move a lot, so our advice is to pack as lightly as possible. Your baggage should be clearly labeled and restricted to one soft compact suitcase, or sports bag, maximum 15kg, plus a daypack. Luggage limits on airlines are strictly enforced and space on vehicles is limited. Porters are not often available, so be prepared to carry your own bags.

For our camping style tours you will need to provide your own sleeping bag, small pillow and sleeping sheet (if you would like). We provide the tent and the sleeping pads.

Please note that the seasons in Africa is quite extreme. Winters (especially South Africa) can be really cold and summers will be really hot.
If you travel during winter months please ensure that you bring warm clothing and a suitable sleeping bag.

A set of smart casual clothes is also advisable.

Please be advised that if you plan to bring a drone with you, the use of drones in national parks in Southern Africa is prohibited.

Kenya:
Please note an important update to the Kenya Electronic Travel Authorisation (ETA) process for travellers under 18 years of age.
The Kenya Immigration Department now requires all minor ETA applications to include the official Parent/Guardian Consent Form. Self-written parental consent letters will no longer be accepted.
To avoid processing delays, the form must be completed and signed by a parent or legal guardian before submission.

As of January 1st 2024, the Kenyan government announced the introduction of a new Electronic Travel Authorisation (eTA) scheme, eliminating the requirement for all nationalities to obtain a visitor visa for Kenya. ALL travellers must apply for the eTA, including those that were previously exempt.
For more information, please refer to the eTA site here

As of October 6th 2026, Kenya will be introducing a new mandatory Inbound Travel Health Insurance from the Kenya Tourism Federation (KTF) that all travellers to Kenya must obtain for the duration of their stay.
The policy has been embedded into the ETA process, which therefore needs to be purchased before applying for your ETA.

For more information and to apply for the insurance policy, we kindly request that you visit the Kenya Tourism Federation page.

IMPORTANT NOTE:
It may be required to show a Yellow Fever certificate upon entering the country. Please check in with your local consulate and health expert for advice on Yellow Fever and other inoculations required for this area.

East Africa Tourist Visa:
An East Africa Tourist Visa allows the holder to move freely between Rwanda and Uganda with only one Visa, and is valid for a period of 90 days. It also acts as a multiple entry Visa, so if you leave any of the above countries, you do not need a new Visa to re-enter (provided it is within the 90 day validity period).
This needs to be applied for in advance, for visitors who wish to visit simultaneously the two countries (Rwanda and Uganda) for tourism.
If acquiring the EATV visa before travel, your first entry point must be the country through which you applied for the visa.
The East Africa Tourist Visa costs US$100.

Tanzania:

Where can I read detailed notes about this trip?

Anyone who is generally active and in good health should enjoy this trip. This is not a physically demanding journey; however, travelling can be difficult, with long drives and poor road conditions at times. Despite this, most clients feel that the diversity of the African landscape, culture and wildlife are all well worth the experience. We use a comfortable and safe customized safari truck for the long open road drives. This is a true African experience for outdoor enthusiasts interested in culture, adventure and wildlife, who enjoy simple campsites and basic wild camps. We will get dusty on occasion; but this is Africa!

Language
There are multiple official languages in southern and East Africa, although English is widely spoken. There are also numerous dialects spoken throughout different parts of these lands.

What should I consider when planning my personal expenses and discretionary spending for this itinerary?

Every traveller is different and therefore spending money requirements will vary. Some travellers may drink more than others while other travellers like to purchase more souvenirs than most. Please consider your own spending habits when it comes to allowing for drinks, shopping and tipping. Please also remember the following specific recommendations when planning your trip.

What should I know about currency, credit cards, and exchanging money while on this tour?

The currency in South Africa is the South African Rand (ZAR).

In Botswana, you pay with Pula (BWP) and the official currency of Zambia is the Zambian Kwacha, denoted by ZMK. It is advisable to pay in US$ in Zambia, as it is not that easy to get a good exchange rate. However, change you receive will then be in Kwacha.

Zimbabwe uses a combination of USD for tourism and the local ZiG currency for domestic transactions. USD is the most reliable currency for travellers. South African Rand is no longer consistently accepted. Bring small, clean USD notes for visas, activities and general spending.

Malawi uses the Kwacha (MWK) and Tanzania, Kenya and Uganda use the Shilling, denoted by TZS, KES and UGX respectively.

Each currency can be obtained locally by changing foreign currency or by using ATMs (where available) which will disperse local currency. Your CEO will inform you where you can change money throughout the tour and approximately how much money you will need. The easiest foreign currency to exchange for locally for any of the local currencies is the $US; however the British Pound and Euro may also be exchanged as well.

For Zimbabwe, we strongly advise that you bring ZAR or USD from your home country or exchange money before the start of the tour, to avoid delays on tour, as it can be difficult to obtain cash at ATMs.

Please note that due to past problems with forgery, $US notes that are older than year 2006 are not accepted in Africa. Large note ($US 50, $US 100 etc) can be difficult to change in some places, but will gain you the best exchange rate.

If you plan to buy your visas at borders, you will need to bring $USD cash to pay for these visas. Please note you cannot use the local currency or any other currency to buy these visas- they must be purchased in USD.

Please do not bring Travellers' cheques to Africa. They are difficult if not impossible to exchange in many places.

Visa and Mastercard are widely accepted in major towns and tourist hubs across South Africa, Botswana and Zimbabwe. ATMs are reliable in South Africa and Botswana, less so in Zimbabwe. Travellers should still carry sufficient USD cash for visas and activities.

Please note that in many areas there may be occasional power-outages, where there will be no electricity for hours at a time. In addition, ATMs outside of larger centers often run out of cash or can be out of order unexpectedly. These factors could affect your ability to access money from ATMs. As such, please do not rely on credit or debit cards as your only source of money.

A combination of foreign currency and debit/credit cards for cash advances is best. Always take more rather than less, as you don't want to spoil the trip by constantly feeling short of funds.

As currency exchange rates can fluctuate often we ask that you refer to the following website for daily exchange rates: www.xe.com.

What emergency funds do I need access to on this trip?

Please also make sure you have access to at least an additional USD $200 (or equivalent) as an 'emergency' fund, to be used when circumstances outside our control (ex. a natural disaster) require a change to our planned route. This is a rare occurrence!

Do I need to pay a departure tax?

USD40, may be included in the international air ticket

What are the tipping guidelines for this trip?

Tipping is an expected, though not compulsory, component of your tour program. The gesture serves as an expression of appreciation for exceptional service, and amounts given are up to your discretion.

Tipping is one of the most direct ways that you can have a positive economic impact within the African community. Although it may not be customary for you, it is an important source of income for those in the tourism industry. Giving a tip should be a seen as a formal 'thank you', and the action should in no way be awkward.

The best method of tipping someone that has served the whole group is to plan in advance, and not rush when it comes to saying goodbye. A suggestion would be for each group member to contribute anonymously by putting their tip into an envelope. This often works the best and the group should gather to present the gift to the recipient(s), offering their thanks and showing their appreciation. This method brings the action out into the open, allowing for a friendly and appreciative interaction between the group and the recipient(s).

You may use the following as a guideline, all given in a per person format:

CEO: $5-8 USD (per day, per person)

Local guides: $2-3 USD (per day)
Safari Guide/Driver: $2-3 USD (per day)

Restaurant Staff: 10-15% of cost of bill

Okavango Delta polers: 50-100 BWP (Botswana Pula)

Are there any health considerations I should know before travelling?

We recommend you contact your family physician, or your local travel clinic for the most up-to-date health information at least one month before departure. Travellers should also carry a basic first-aid kit and hand sanitizers/antibacterial wipes on their travels. Medical facilities are basic throughout these countries. For your own safety, we strongly recommend that you advise your tour leader of any medical condition that may affect you while travelling with the group. Your tour leader will be able to inform you of local health advisories (e.g. drinking water quality). Please ensure you have all the inoculations recommended by your doctor.

Yellow Fever Certificate Note (Updated: June 2026)

It is compulsory to show a valid Yellow Fever Certificate if you are travelling to the following G Adventures-visited countries from a Yellow Fever endemic country, or if you have transited for more than 12 hours through the airport of a Yellow Fever endemic country:
Botswana
Kenya*
Malawi
Namibia
South Africa
Tanzania
Uganda*
Zambia
Zimbabwe

*Kenya and Uganda require a valid Yellow Fever Certificate from all travellers regardless of country of origin, not only those arriving from endemic countries. Travellers to these destinations should ensure they are vaccinated regardless of their travel history. If other non-endemic countries have been visited after visiting an endemic country, a Yellow Fever certificate may still be required on entry into subsequent destinations. This is particularly relevant on multi-country Southern Africa itineraries, for example, a traveller moving from Uganda to Kenya, or from Kenya across a land border into Tanzania, will be required to show their certificate at each entry point. Please check country-specific regulations before departure.

Malaria
Malaria is a mosquito-borne disease that is present in some regions in Africa. Risk of malaria can increase during periods of heavy rain, during the rainy seasons, and in densely populated areas of Southern & East Africa. To prevent malaria, we recommend speaking to your doctor about taking preventative medication (prophylaxis), combined with regular use of insect repellent spray/cream. Please check updated travel health advisories specific to malaria before your departure.

What general safety tips and free-time guidelines should I follow?

Many national governments provide a regularly updated advice service on safety issues involved with international travel. We recommend that you check your government's advice for their latest travel information before departure. We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewelery at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes, which is the most secure way of storing your valuables. A lock is recommended for securing your luggage. When travelling on a group trip, please note that your group leader has the authority to amend or cancel any part of the trip itinerary if it deemed necessary, due to safety concerns. Your Chief Experience Officer (CEO) will accompany you on all included activities. During your trip you will have some free time to pursue your own interests, relax and take it easy and explore at your leisure. While your CEO will assist you with options available in a given location, please note that any optional activities you undertake are not part of your itinerary, and we offer no representations about the safety of the activity or the standard of the operators running them. Please use your own good judgement when selecting an activity in your free time. Although the cities visited on tour are generally safe during the day, there can be risks to wandering throughout any major city at night. It is our recommendation to stay in small groups and to take taxis to and from restaurants, or during night time excursions.

Water based activities have an element of danger and excitement built into them. We recommend only participating in water based activities when accompanied by a guide(s). We make every reasonable effort to ensure the fun and adventurous element of any water based activities (in countries with varying degrees of operating standards), have a balanced approach to safety. It is our policy not to allow our CEOs to make arrangements on your behalf for water based activities that are not accompanied by guide(s).

Swimming, including snorkeling, is always at your own risk. Read more about travel safety for ways to further enhance your personal safety while traveling.

Are there any specific safety considerations for this itinerary?

NAIROBI and Dar es Salaam and Lusaka
...aren't classed as safe cities. Some precautions you should take are:
*Always leave your passport (It's better to carry a photocopy of it instead), traveller's cheques, flight tickets and money that you won't be using in the safe deposit at the hotel reception. This is free of charge to G Adventures clients.
*Remember that like in any other city, you should never leave your bags unattended, nor flaunt jewellery, cameras etc.
*Please don't wander through the city to unknown areas especially at night. Stick to the main streets only during the day, and after sundown, please take a taxi. Taxis can be organised from reception. Also, take the address of the hotel with you.
*People are generally friendly, but don't let people take advantage of you, especially the sales people!
* Beware of people approaching you on the street with an apparent interest of where you are from, and want to sit down and have a chat with you. These people are con men and will ask you for money.
* People on the street who ask you if you want a safari and have a brochure are often con men, best to avoid these folk. Besides, you're already on safari. Zanzibar can be unsafe to single female travellers. Please always have a male companion with when walking in Stone Town.

ARUSHA and Lilongwe:
Many of the above precautions should be taken in these cities, however these towns generally have a more relaxed and friendly vibe, there are many beggars, street sellers and safari touts. These are best avoided by a polite but firm NO THANK YOU!

PHOTOGRAPHY:
Photography of government, military and border facilities may be restricted in some countries, especially Zimbabwe and Zambia. Always follow local guidance and your CEO. Drones are prohibited in all Southern African national parks.

What are the mandatory group rules regarding laws and behaviour?

Illegal drugs will not be tolerated on any trips. Possessing or using drugs not only contravenes the laws of the land but also puts the rest of the group at risk. Smoking marijuana and opium is a part of local culture in some parts of the world but is not acceptable for our travellers. Our philosophy of travel is one of respect towards everyone we encounter and in particular the local people who make the world the special place it is. The exploitation of people in the sex trade is completely contrary to this philosophy. Our CEOs have the right to expel any member of the group if drugs are found in their possession or if they utilize the services of paid sex workers, in any capacity.

What are the mandatory travel insurance requirements for this trip?

Travel insurance is compulsory in order to participate on any of our trips. When travelling on a group trip, you will not be permitted to join the group until evidence of travel insurance has been sighted by your leader, who will take note of your insurance details. When selecting a travel insurance policy we require that at a minimum you are covered for medical expenses including emergency evacuation and repatriation. A minimum coverage of USD200,000 is required. We strongly recommend that the policy also covers personal liability, cancellation, curtailment and loss of luggage and personal effects. Some tours include adventure activities that require extra coverage (e.g. crampon use); please review your itinerary and make sure that you are covered for all included activities. If you have credit card insurance we require proof of purchase of the trip (a receipt of credit card statement) with a credit card in your name. Contact your bank for details of their participating insurer, the level of coverage and emergency contact telephone number.
