Visit to the Citadel & Roman Amphitheatre

Amman

2h

The first stop on today's journey is the Citadel, an archaeological site best known for the Roman Temple of Hercules and a site used by numerous civilizations since the Bronze Age. Gain an overview of the history of this complex within Jordan on a guided visit, and then jump in a private vehicle for a ten minute drive to the Roman Amphitheatre. When under Roman rule, Amman was the bustling capital of the Roman Empire with the name of the city back then being Philadelphia. The structure was built between 138-161 CE dating back to the reign of the Roman Emperor Antoninus Pius. The theatre could once seat up to 6,000 people in its steep stairs. Spend some time with a guide learning more about the theatre and then walk through the downtown markets in Amman. From the gold market to the spices and vegetable markets there is no shortage of humming activity and vibrant colours.

ACTIVITY

Enjoy the savoury flavours and delicious local cuisine in Amman. Experience the best food stalls in the area like the famous Hashem for falafel, local olive & pickle shops, dairy shops, and the local favourite, Shehrazad Restaurant for local meat sandwiches called Arayes. Finish your locally flavoured lunch with a stop for the best Kunafa in all of Jordan at Habiba Pastries.

ACTIVITY

Travel to a Bedouin family abode in the Dheir area and experience a delightfully warm welcome into their home with the timeless tradition of a cup of authentic coffee. Become immersed in the intriguing complexities of coffee service and uncover the significance behind each cup as stories are told around the table. Put your senses to the test and savour the strong taste of jameed, a vital component of the Mansaf dish. This is Jordan's national dish consisting of hard, dry laban made from goat's milk. Learn how the milk is kept in a cheesecloth to obtain a thick yogurt in which salt is added daily to thicken the yogurt substance. After a few days of salting and rinsing the yogurt is dense enough to be shaped into round balls. The balls are dried outside in sun or shade and then used in the main dish. As you eat and listen you will gain insight into this unique way of life; a tapestry woven with time-honored traditions and cherished customs. There may be an opportunity to engage in the time-honoured practice of goat milking, offering a true glimpse into authentic daily activities.

Then, make a full three course vegetarian lunch featuring popular Jordanian dishes. Feast on your own creations for lunch as you sit down together for a meal that unites generations and cultures.

Day 6

Petra: Hike to the Ancient Back Entrance

Sprawling over a hundred square miles, the city of Petra is one of the world's most iconic cultural sites—a New Wonder of the World. With only 15% of the site exposed, there are still mysteries and secrets that are destined to remain locked in time. We likely will never witness the site returned to its former glory, when over 20,000 people lived within the city, but that shouldn't stop you from harnessing your inner explorer and following the ancient back trail from Little Petra to Petra, a unique way to enter the site, leaving the crowds behind.

Start the morning at Little Petra, a site many skip but unique and charming compared to its famous big neighbour. Then embark on a hike along the ancient trail that leads to the back entry into Petra to the Monastery. Along the way you will take a deserved break to enjoy your packed lunch before continuing on to the front entrance of Petra visiting the site as we make our way to the hotel. Little Petra to Petra Hike

Petra

5h-6h

12km

Explore the narrow alleyway with tall cliff walls and carved rock of Little Petra, which is similar to its larger namesake. Hike along the canyon to the Petra Visitor Centre. Also known as Siq al-Barid, Little Petra was once a suburb of its larger neighbour Petra. It served a support town for traders heading to the main city. Built by the Nabateans and carved right into the sandstone of the canyon there are tombs, temples, dwellings, and evidence of a sophisticated water system designed by the Nabateans. On this hike you'll begin at the smaller temple, ending at the larger, most recognized one. The best part? You get to walk along a trail that has been used since the first century B.C.E.

Terrain: moderate to rocky, uneven, & sandy.

Length: 12 km (7.5 miles)

Duration: 5-6 hours at a leisurely pace

Day 7

Wadi Rum: Desert Landscapes

Witness the dawn of a new day in the red rose city as old as time itself. Watch as the sun awakens the enigmatic wonder of Petra in its warm golden light, and feel as if you are the one who discovered this carved city built by the Nabateans more than 2000 years ago. The sands of time are no match for this magnificent structure in the Middle-East. Head further south and continue your discovery of Jordan, entering the sandy valley of Wadi Rum.

Visit Petra again at sunrise before driving to Wadi Rum for a Jeep tour through the rolling sand dunes and some light hiking. Enjoy the sun slipping beneath the horizon amid the desert landscape and savour a delicious dinner back at camp with the group.

Giza: The Great Pyramid, Sphinx, & Community Farming

Consider the sheer, staggering scale of the undertaking required to construct these pyramids and contemplate the ancient ingenuity while you marvel at their impressive structures. Ponder the mysteries still held within their immense stone blocks – secrets of their construction, the lives of those who built them, and the pharaohs they eternally entombed – mysteries that continue to captivate and challenge archaeologists, historians, and scientists to this very day. While none of this was new to the locals, seeing them for the first time can take your breath away.

Start the day in Giza, exploring the Great Pyramid site and the Sphinx. Follow this with lunch at Nawaya to experience a G Adventures-supported community farming initiative. Then transfer to the The Grand Egyptian Museum to discover more of Egypt's impressive history.

Great Pyramid of King Khufu

Cairo

2h30m

Visit the great pyramid of King Khufu, which dates back to around 2600 BC. Cap off your time there with a visit to the great Sphinx of Giza, fondly known as the guardian of the Giza Plateau.

ACTIVITY

Nawaya is a community project dedicated to empowering females and preserving the deep heritage of small-scale farming families across Egypt, while fostering sustainable development, cultivation, and cooking practices. The project works with women, providing a safe space to gain independence while working to sustain the community. The project also works closely with local farmers and village youths, teaching them how to encourage the exchange of knowledge between those who visit Cairo and those who have always called this place home. Upon arrival, the group will meet with the local women who run and manage the kitchen, and enjoy a hands-on demonstration of how to prepare Egyptian bread and Mahshi. Afterwards, sit down for a true farm-to-table meal amid the friendly hospitality of these local women as you swap stories and share laughter together.

Grand Egyptian Museum Visit

Cairo

2h-2h30m

Visit The Grand Egyptian Museum, explore the greatest treasures of Egypt after a guided visit of some of the main artifacts, enjoy time to explore on your own and make sure to gaze at the treasures of King Tut.

Day 11

Aswan: Your OMG day

There's nothing quite like the freedom of choice while travelling. After flying from Cairo to Aswan you will choose to explore one of two incredible Egyptian temples. Aswan sits near the dam that formed Lake Nasser. The world united around the mission to save the Abu Simbel and Philae temples from being submerged forever in the rising waters of the lake. A global effort was put in place to dismantle and rebuild the temples at a site above the high water mark. That feat of humanity meant that these temples were saved for travellers to continue to enjoy today.

Board a flight to Aswan in the morning and then have the choice between two activity options to discover Abu Simbel Temple or Philae Temple. You can't go wrong with either experience as they both allow an authentic taste of history and life along the Nile.

874km

Look! Up in the sky! It's a bird! It's a plane! It's... yup, it is a plane, actually.

ACTIVITY

Option 1: Part historic monument and part modern marvel, Abu Simbel is one of Egypt's grandest temples. Built during the rule of Ramses the II this structure was almost swallowed by the Nile, but now stands safe and sound thanks to some crafty archaeologists and UNESCO. Travel through Egypt's rugged landscapes and the towering figures of Ramses himself, Ra-Horakhty, Amun, and Ptah will all be waiting to welcome you. Enjoy a guided tour here and lunch at a local restaurant afterwards.

Option 2: Sail across the Nile to the beautiful island of Agilkia and explore the Greco Roman history of the Temple of Philae, built as a dedication to the Goddess Isis. This temple complex was moved from its original location on the Island of Philae after the flooding of Lake Nasser, the word "philae" meaning "the end" in reference to this island's placement on what was once the southernmost border of Egypt.

Afterwards, visit a Nubian Village where you will learn about Nubian people, their culture, and their own distinct language. A language that actually can not be learned as it does not have an alphabet. Visit a local family for mint tea and a chat about their lives and history.

Day 12

Aswan to Kom Ombo: Sailing the Nile

Our journey north begins today along the Nile aboard a traditional dahabiya. Sail past farmlands and small islands that have forever been bathed by rich nutrients, creating fertile land in a narrow green ribbon along the river's banks, surrounded by desert on both sides. Our day ends as we dock near Gebal El Silseila, the perfect vantage point for a sunset on the Nile.

This morning you can choose to pre-book a visit to Philae Temple if you chose Abu Simbel yesterday. Otherwise you will have a free, leisurely morning before the group boards the dahabiya, your OMG Stay. Sail north on the Nile to Kom Ombo and visit the temple here before docking for the evening nearby.

ACTIVITY

Enjoy a fabulous community connection moment during a delicious home-cooked lunch hosted by a local family outside of the Valley of the Kings. In a village where most of the tourist buses speed by heading to the sites Egypt is known for, we will stop and visit a family's home and witness true hospitality from locals. Learn about the family who live here, hear about the importance of their garden, and about how they cook the food the group is about to eat. For 15 years this family has been hosting groups of G Adventures travellers and the support they have received has helped four generations (close to 50 people) thrive, as well as provided education opportunities for the family's children, nieces, and nephews. Sit down, smell the delicious flavours of the special dishes prepared, and relax in the home and hospitality of a truly local Egyptian family.

Luxor Temple After Dark

Luxor

1h

Take in the beauty of the Luxor temple, an architectural splendour located near the Nile and right in the centre of downtown Luxor. One of Egypt's most impressive temples, Luxor has been used as a place of

worship all the way from its conception in 1390 BC to present day. Evidence of ancient worship, Coptic Christianity and Islamic architecture are found throughout the temple, illustrating how the regional culture has evolved over several thousand years. Your visit will take place after dark to allow you to witness the temple lit up in all of its glory.

Karnak Temple Visit

Luxor

3h-4h

Enjoy a visit to the Karnak Temple, which was once the centre of all religious life in ancient Egypt. Built and extended by successive generations of rulers, admire the amazing architecture, massive columns, and painted hieroglyphs.

Valley of the Kings, Hatshepsut Temple and Colossi of Memnon Visit

Luxor

6h-7h

Rise early to cross the Nile to the west bank, passing through farmers fields on your way to the Valley of the Kings.

Descend the narrow, rock-hewn corridors and take in the magnificent decoration and designs of the tombs of the pharaohs. While the treasure has now all gone, the tombs contain the incredible paintings of the life of their incumbent and stories from the Book of the Dead.

Continue on to visit to the impressive Funerary Temple of Queen Hatshepsut, which seems to rise out of the surrounding limestone outcrops - a reminder of the power women held in the Ancient Kingdom. End the day with a stop at the two mammoth statues of Amenophis II at the Colossi of Memnon. Please note, there is an additional 300 EGP fee to take photos in the Valley Of Kings.

Your adventure comes to an end, and you can depart at any time today. You may be leaving Egypt behind, but the experiences you have will last forever.

Is there a travel disclaimer for my itinerary I should review before booking this trip?

While it is our intention to adhere to the route described below, there is a certain amount of flexibility built into the itinerary and on occasion it may be necessary, or desirable to make alterations. The itinerary is brief, as we never know exactly where our journey will take us. Due to our style of travel and the regions we visit, travel can be unpredictable. The Trip Details document is a general guide to the tour and region and any mention of specific destinations or wildlife is by no means a guarantee that they will be visited or encountered. Aboard expedition trips visits to research stations depend on final permission.

Additionally, any travel times listed are approximations only and subject to vary due to local circumstances.

What important notes should I be aware of before the trip?

ACCOMMODATION NOTE:

Please be aware that properties we stay in with only two stories may not have elevators installed and climbing the stairs with your luggage will be necessary.

RAMADAN

According to the lunar cycle, Ramadan will fall between Feb 17th - Mar 19th 2026. Please note that Ramadan is a month of fasting observed by Muslims throughout the world, during which time the followers of Islam should not eat or drink between sunrise and sunset. There may be some limitations to services and disruptions to schedules during Ramadan, but generally our tours still operate effectively during this period and food is available to non-Muslims throughout the day. It is very important to display increased cultural sensitivity during Ramadan. Please wear loose fitting clothes, that cover knees and shoulders, and try to avoid eating, drinking or smoking in public out of respect for those who can't at that time.

TIPPING NOTE:

Tipping is a way of life in the Middle East. Locals themselves will usually tip anyone who provides them with services. Due to this expectation, your CEO will collect a Tipping Kitty at the start of the tour. For more details see the Tipping section below.

TRAVEL DAYS

Please be aware that there are some long driving days on this tour. You can refer to the detailed trip itinerary for more information on estimated travel times. Please note that any times mentioned are approximations only to give you an idea of the journey lengths and the actual time taken will depend on factors such as public transport timetables and road conditions. A mix of private and public transport is used throughout this trip.

OPTIONAL ACTIVITIES

Please note all optional activities and entrance fees will need to be paid by card only as per a new change implemented by the ministry of tourism in Egypt.

AID AL-ADHA

During your visit to this country, we would like to inform you about an important celebration called Aid Al-Adha. This holiday may impact your travel experience, as most shops and restaurants are closed during the celebration. Some of the historical places we visit might also be closed during this time. There will be a shorter number of staff at the hotels and less crowded streets on the day of the celebration. Aid Al-Adha will fall between May 27th-28th 2026, and May 17th-18th 2027.

What is the role of the group leader during this trip?

This G Adventures group trip is accompanied by one of our group leaders, otherwise known as a Chief Experience Officer (CEO). The aim of the group leader is to take the hassle out of your travels and to help you have the best trip possible. They will provide information on the places you are travelling through, offer suggestions for things to do and see, recommend great local eating venues and introduce you to our local friends. While not being guides in the traditional sense you can expect them to have a broad general knowledge of the countries visited on the trip, including historical, cultural, religious and social aspects.

We also use local guides where we think more specific knowledge will add to the enjoyment of the places we are visiting - we think it's the best of both worlds.

How large will the group be?

Max 16, avg 12

What meals are included in this trip?

13 breakfasts, 11 lunches, 6 dinners

What are the meals like on this trip?

Eating is a big part of traveling. Travelling with G Adventures you experience the vast array of wonderful food that is available out in the world. Generally meals are not included in the trip price when there is a choice of eating options, to give you the maximum flexibility in deciding where, what and with whom to eat. It also gives you more budgeting flexibility, though generally food is cheap. Our groups tend to eat together to enable you to taste a larger variety of dishes and enjoy each other's company. There is no obligation to do this though. Your CEO will be able to suggest favourite restaurants during your trip. The above information applies to G Adventures group trips. For Independent trips please check the itinerary for details of meals included. For all trips please refer to the meals included and budget information for included meals and meal budgets.

What are the modes of transportation on my trip?

Private van/bus, 4x4, Dahabiya, plane, walking.

On this trip we will use a mixture of Dahabiya, private van, and plane. En route to Wadi Rum and our desert camp we will travel in 4x4 vehicles. For more information see the detailed itinerary.

Is there an extra cost for travelling solo?

We believe solo travellers should not have to pay more to travel so our group trips are designed for shared accommodation and do not involve a single supplement. Single travellers joining group trips are paired in twin or multi-share accommodation with someone of the same sex for the duration of the trip. Some of our Independent trips are designed differently and solo travellers on these itineraries must pay the single trip price.

Where will we stay during the trip?

Hotels (10 nts), Lodge (1 nt), Wadi Rum Desert Camp (Room) (1 nt), Traditional Dahabiya Nile Sailing Boat (2 nts).

Will I get my own room?

Please note that if you have booked the "My Own Room" option for this tour, you will receive your own single room for all night stops

What kind of accommodation can I expect on this trip?

On this trip we will stay in comfortable local hotels and pensions. Rooms will be on a twin-share basis unless you have booked our My Own Room service. You can expect the rooms to have air-conditioning, private bathrooms and breakfast will be included daily. Some hotels may also have swimming pools and/or other recreational facilities.

What are the joining instructions?

For details of your joining hotel please refer to your tour voucher, G Account, the G Adventures App or contact your travel agent.

An arrival transfer is included when you arrive on Day 1, or if you arrive up to three days prior provided that you have booked your pre-accommodation through G Adventures in our joining hotel. Due to customer experience and quality considerations, all services related to the tour must be continuous.

Our driver will be waiting for you with a G Adventures sign, and they will be waiting for you outside the arrival hall. If for any reason you are not met at the airport, please call our local support line. If you are unable to make contact for whatever reason, please make your way to the joining point hotel via taxi.

Please note that day 1 is an arrival day and no activities have been planned on this day.

Upon arrival to your Joining Hotel (note that check-in time will be in the afternoon), look for a note or bulletin board in the reception with a note from your CEO. This note will give the details of your Welcome Meeting on day 1 (usually between 5pm and 7pm), where you will get a chance to meet your CEO and other travellers, as well as learn more about how the tour will run. If you don't see a note, please ask reception for details!

If you are arriving later and will miss the Welcome Meeting, your CEO will leave a note at reception for you with any information you may need, and with morning instructions for the next day.

What happens if I experience problems when arriving?

We don't expect any problems, and nor should you, but if for any reason you are unable to commence your trip as scheduled, please refer to the emergency contact details provided in this dossier and contact us as soon as possible. If you have a pre-booked transfer, and you have not made contact with our representative within 30 minutes of clearing customs and immigration, we recommend that you make your own way to the Starting Point hotel, following the Joining Instructions. Please apply to your travel agent on your return for a refund of the transfer cost if this occurs.

Who should I contact in case of an emergency?

Should you need to contact us during a situation of dire need, it is best to first call either the G Adventures Local Operator (if one is listed below) or our G Adventures Local Office. What are the visas and entry requirements for my trip?

All countries require a valid passport (with a minimum 6 months validity). Contact your local embassy or consulate for the most up-to-date visa requirements, or see your travel agent. It is your own responsibility to have the correct travel documentation. Visa requirements for your trip will vary depending on where you are from and where you are going. We keep the following information up to date as far as possible, but rules do change and sometimes without warning. While we provide the following information in good faith, it is vital that you check the information yourself and understand that you are fully responsible for your own visa requirements.

Visa information specific to your destination and nationality can be found in our Important Pre-Departure Information page [here](#)

JORDAN:

Jordan visa can be obtained on arrival at land and airport borders for most nationalities for a fee of 40 JOD. While most travellers are not required to obtain their visa in advance, there are exceptions and you must check the requirements of your particular passport. While we provide this information in good faith, your visa is your responsibility. If you are departing Jordan by Air, then no departure tax is required as it is already included on the air ticket. If you are departing Jordan by land then you will be required to pay an 10 JOD departure tax .

Where can I read detailed notes about this trip?

Climate:

The winter months are from October to March and are characterized by cold nights and pleasant days. Summer is from April to September and is characterized by an increasing dry heat and dust. It rains generally only in short bursts in the period from the beginning of November until March.

What should I consider when planning my personal expenses and discretionary spending for this itinerary?

Every traveller is different and therefore spending money requirements will vary. Some travellers may drink more than others while other travellers like to purchase more souvenirs than most. Please consider your own spending habits when it comes to allowing for drinks, shopping and tipping. Please also remember the following specific recommendations when planning your trip.

What should I know about currency, credit cards, and exchanging money while on this tour?

The currency in Jordan is the Jordanian Dinar (JOD) and the currency used in Egypt is the Egyptian Pound (EGP).

ATMs are found within main cities in Jordan and Egypt and will generally accept cards on the Visa and Mastercard networks. It is a great idea to travel with both a Visa and Mastercard if at all possible as while there is no hard and fast rule, some banks seem to only work with one brand of card. Please note, your bank will charge a fee for overseas withdrawals.

Cash is recommended for times when ATMs are not accessible. Euros, British Pounds and US Dollars are all easy to exchange to the Local currency. Please note that you should bring some cash with you for emergency situations but carrying only cash is a high safety risk. ATM card/s and some cash is the ideal mix.

If you are bringing US Dollars, please make sure that the notes are new and in good condition. Notes older than 1996, or with any tears or blemishes may not be accepted. Be fussy with your bank when buying cash!

As currency exchange rates can fluctuate often we ask that you refer to the following website for daily exchange rates: www.xe.com

How much emergency money should I bring on this trip?

Please also make sure you have access to at least an additional USD \$200 (or equivalent) as an 'emergency' fund, to be used when circumstances outside our control (ex. a natural disaster) require a change to our planned route. This is a rare occurrence!

Do I need to pay a departure tax?

Departure tax is usually included in your air tickets. If you depart Egypt via Nuweiba Port, there is a departure tax of approximately 9 USD.

Should I be tipping on my trip?

On the Geluxe Collection tours, tipping is included for all included activities and meals. Tipping is not included for the CEO or Porterage. Should you want some basic guidelines on tipping for the activities you do on your own, please see below. At the end of each trip if you felt your G Adventures CEO did an outstanding job, tipping is appreciated. The amount is entirely a personal preference, however as a guideline \$10-15 USD per person, per day can be used.

For meals and activities not included in your itinerary, it is appropriate in the Middle East to tip 10%. Though not compulsory, tipping is expected. Although it may not be customary to you, it is of considerable significance to the people who will take care of you during your travels and shows an expression of satisfaction.

What activities are optional on this trip?

Aswān

- Philae Temple Visit

Are there any health considerations I should know before travelling?

DRINKING WATER: It is advisable to drink bottled water in Jordan and Egypt.

Please note inoculations may be required for the country visited. It is your responsibility to consult with your travel doctor for up to date medical travel information well before departure.

There are no specific health requirements for this trip. However, we recommend protection against typhoid, tetanus, infectious hepatitis and polio. You should consult your doctor for up-to-date medical travel information before departure. We recommend that you carry a First Aid kit, hand sanitizers / antibacterial wipes as well as any personal medical requirements. Please be aware that we are in remote areas and away from medical facilities for some time during this trip, and for legal reasons our leaders are prohibited from administering any type of drug including headache tablets, antibiotics, etc.

What do I need to know to about safety and security on my trip?

Many national governments provide a regularly updated advice service on safety issues involved with international travel. We recommend that you check your government's advice for their latest travel information before departure. We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewellery at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes, which is the most secure way of storing your valuables. A lock is recommended for securing your luggage. When travelling on a group trip, please note that your group leader has the authority to amend or cancel any part of the trip itinerary if it deemed necessary, due to safety concerns. Your Chief Experience Officer (CEO) will accompany you on all included activities. During your trip you will have some free time to pursue your own interests, relax and take it easy and explore at your leisure. While your CEO will assist you with options available in a given location, please note that any optional activities you undertake are not part of your itinerary, and we offer no representations about the safety of the activity or the standard of the operators running them. Please use your own good judgement when selecting an activity in your free time. Although the cities visited on tour are generally safe during the day, there can be risks to wandering throughout any major city at night. It is our recommendation to stay in small groups and to take taxis to and from restaurants, or during night time excursions.

Water based activities have an element of danger and excitement built into them. We recommend only participating in water based activities when accompanied by a guide(s). We make every reasonable effort to ensure the fun and adventurous element of any water based activities (in countries with varying degrees of operating standards), have a balanced approach to safety. It is our policy not to allow our CEOs to make arrangements on your behalf for water based activities that are not accompanied by guide(s).

Swimming, including snorkeling, is always at your own risk. [Read more about travel safety](#) for ways to further enhance your personal safety while traveling.

What rules should I know before joining this trip?

Illegal drugs will not be tolerated on any trips. Possessing or using drugs not only contravenes the laws of the land but also puts the rest of the group at risk. Smoking marijuana and opium is a part of local culture in some parts of the world but is not acceptable for our travellers. Our philosophy of travel is one of respect towards everyone we encounter and in particular the local people who make the world the special place it is. The exploitation of people in the sex trade is completely contrary to this philosophy. Our CEOs have the right to expel any member of the group if drugs are found in their possession or if they utilize the services of paid sex workers, in any capacity.

Is travel insurance required for my trip?

Travel insurance is compulsory in order to participate on any of our trips. When travelling on a group trip, you will not be permitted to join the group until evidence of travel insurance has been sighted by your leader, who will take note of your insurance details. When selecting a travel insurance policy we require that at a minimum you are covered for medical expenses including emergency evacuation and repatriation. A minimum coverage of USD200,000 is required. We strongly recommend that the policy also covers personal liability, cancellation, curtailment and loss of luggage and personal effects. Some tours include adventure activities that require extra coverage (e.g. crampon use); please review your itinerary and make sure that you are covered for all included activities. If you have credit card insurance we require proof of purchase of the trip (a receipt of credit card statement) with a credit card in your name. Contact your bank for details of their participating insurer, the level of coverage and emergency contact telephone number.

What is Planeterra?

Planeterra connects underserved local communities to the benefits of tourism by developing and supporting small community-owned businesses. These businesses support Indigenous people, empower women, grant youth access to employment opportunities, and protect the environment. Planeterra also works to ensure these businesses have a thriving customer base by integrating their projects into G Adventures' itineraries globally.

Make every day count by donating \$1/day for the length of your trip, and join us in empowering the communities you will visit when you travel. 100% of your donation goes directly to Planeterra projects.

How should I dress to respect local customs during the tour?

While visiting mosques and other religious monuments you should dress modestly, cover your shoulders and you shouldn't wear short shorts or skirts. Outside of capital cities and the more touristic centres, local dress is often more conservative and as a matter of respect we ask that both men and women are aware of this and recommend loose-fitting clothes with your shoulders covered. Ask your CEO for more specific advice.

No, international flights are generally not included in the price of your tour.

However, on some combo tours travelling between two different countries, international flights are included as part of the itinerary and price of the tour. Please speak to your GCO or booking agent for further details.
