This includes the purchase of alpacas to provide a steady supply of wool, looms, and sewing machines as well as several training courses on production, sales and small business management.

Pisac Ruins Guided Tour

Pisac

Tour the fascinating hilltop citadel of Pisac, an Incan ruin with plunging gorges, a ceremonial centre, and winding agriculture terracing that's still in use today. Be captivated by this truly amazing site sitting amid sweeping green valleys and mountain peaks. Explore the back of the site to see a pocketed cliff across Kitamayo Gorge, which once contained hundreds of Inca tombs.

Ollantaytambo Ruins Guided Tour

Ollantaytambo

Tour the town and fortress of Ollantaytambo with a local guide. Take a step back in time at this Inca archaeological site; it still shows signs of its former glory, including agricultural terraces, a Temple Hill, and storehouses. Learn how the area, overlooking the Urubamba River Valley, was an important stronghold during warfare between the Spanish and Incas.

ACTIVITY

Contribute to sustainable tourism in Huchuy Qosqo, a small village of 65 families in the Sacred Valley, by eating at the Parwa Community Restaurant. Learn how the resident-run restaurant was kickstarted by G Adventures and the Multilateral Investment Fund, to become a successful farm-to-table program that boosts the local economy and several spin-off microenterprises.

Travel by train and enjoy stunning scenery following the Urubamba River Valley to Aguas Calientes. Option to visit the local hot springs and market. Those who have purchased and pre-booked the '1-day Inca Trail' hike will disembark the train at 104km and trek to the Sun Gate for their first glimpse of Machu Picchu before rejoining the group at Aguas Calientes for the night.

Board a morning train that winds through the spectacular Sacred Valley to the end of the line: the village of Aguas Calientes, a frontier town nestled in the hills beneath Machu Picchu. This is the closest town to Machu Picchu, making Aguas Calientes an ideal night stop.

To best enjoy this area, take advantage of the opportunity to visit the butterfly house, botanical gardens, or hot springs. Opt for a day hike to Mandor Gardens to see orchids and a waterfall, enjoying the lush, green scenery en route.

Please bear in mind that the town has several amenities, but is also geographically remote meaning services are sometimes more basic than one would assume. As the only option for travellers visiting Machu Picchu, the development of infrastructure has happened quite quickly, much without proper planning, and the focus on providing quality service may not be up to the standards experienced in other parts of the country.

It's considered to be South America's most important archaeological site and why it was built is still uncertain. Some archaeologists believe it was a royal estate, while others say it was a sacred religious site, a business centre, a prison, or agricultural testing station. A new theory has it being built by aliens. It doesn't matter because it's breathtaking. Must-sees include the Inti Mach'ay cave, Inti Watana, the

Generally meals are not included in the trip price when there is a choice of eating options, to give you the maximum flexibility in deciding where, what and with whom to eat. It also gives you more budgeting flexibility, though generally food is cheap. Our groups tend to eat together to enable you to taste a larger variety of dishes and enjoy each other's company. There is no obligation to do this though. Your Expedition Leader will be able to suggest favourite restaurants during your trip. On truck trips in Africa, aboard the expedition ship Explorer or our Galapagos yachts, while trekking in remote regions etc. food is included, plentiful and made of fresh local ingredients. The above information applies to G Adventures group trips. For Independent trips please check the itinerary for details of meals included. For all trips please refer to the meals included and budget information for included meals and meal budgets.

What are the modes of transportation on my trip?

Private van, plane, train, boat, walking.

Are local flights included in the cost of the trip?

All local flights are included in the cost of your tour unless otherwise noted. It is important that we have your passport information at the time of booking in order to process these tickets. Internal flight tickets are issued locally and will be given to you prior to the flight departure.

Is there an extra cost for travelling solo?

We believe single travellers should not have to pay more to travel so our group trips are designed for shared accommodation and do not involve a single supplement. Single travellers joining group trips are paired in twin or multi-share accommodation with someone of the same sex for the duration of the trip. Some of our Independent trips are designed differently and single travellers on these itineraries must pay the single trip price.

Where will we stay during the trip?

Hotels - 14 nts.

Will I get my own room?

Please note that if you have booked the "My Own Room" option for this tour, you will receive your own single room for all night stops

What kind of accommodation can I expect on this trip?

Please note that hot water shortages and power outages can be fairly common in Peru (even in upgraded hotels and private homes). We appreciate your patience and understanding that these occurrences are outside of our control.

What are the joining instructions?

For details of your joining hotel please refer to your tour voucher, G Account, the G Adventures App or contact your travel agent.

An arrival transfer is included when you arrive on Day 1, or if you arrive up to three days prior provided that you have booked your pre-accommodation through National Geographic Journeys in our joining hotel. Due to customer experience and quality considerations, all services related to the tour must be continuous.

International Arrivals: After exiting customs, proceed to Door 3, located between the two international arrival exits. You will find your transfer driver inside the terminal with a National Geographic Journeys with G Adventures sign board displaying your name.

Domestic Arrivals: Wait inside the terminal near Door 1, where your transfer driver will meet you with a National Geographic Journeys with G Adventures sign board.

If for any reason you are not met at the airport, please call our local support line. If you are unable to make contact for whatever reason, please make your way to the joining point hotel via taxi.

Please note that day 1 is an arrival day and no activities have been planned on this day.

Upon arrival to your Joining Hotel (note that check-in time will be in the afternoon), look for a note or bulletin board in the reception with a note from your Expedition Leader. This note will give the details of your Welcome Meeting on day 1 (usually between 5pm and 7pm), where you will get a chance to meet your Expedition Leader and other travellers, as well as learn more about how the tour will run. If you don't see a note, please ask reception for details!

If you are arriving later and will miss the Welcome Meeting, your Expedition Leader will leave a note at reception for you with any information you may need, and with morning instructions for the next day.

What happens if I experience problems when arriving?

We don't expect any problems, and nor should you, but if for any reason you are unable to commence your trip as scheduled, as soon as possible please contact your starting point hotel, requesting that you speak to or leave a message for your Expedition Leader (if you are not on a group tour please refer to the emergency contact details provided in this dossier). If you are unable to get in touch with your leader, please refer to our emergency contact details. If you have pre-booked an airport transfer and have not made contact with our representative within 30 minutes of clearing customs and immigration, we recommend that you make your own way to the Starting Point hotel, following the Joining Instructions. Please apply to your travel agent on your return for a refund of the transfer cost if this occurs.

Who should I contact in case of an emergency?

Should you need to contact us during a situation of dire need, it is best to first call either the G Adventures Local Representative (if one is listed below) or our G Adventures Local Office. If for any reason you do not receive an immediate answer, please leave a detailed message and contact information, so they may return your call and assist you as soon as possible.

AIRPORT TRANSFER

If you have purchased an arrival through G Adventures or if an arrival transfer is included in the cost of your tour, please note that:

What the visas and entry requirements for my trip?

All countries require a valid passport (with a minimum 6 months validity). Contact your local embassy or consulate for the most up-to-date visa requirements, or see your travel agent. It is your own responsibility to have the correct travel documentation. Visa requirements for your trip will vary depending on where you are from and where you are going. We keep the following information up to date as far as possible, but rules do change and sometimes without warning. While we provide the following information in good faith, it is vital that you check the information yourself and understand that you are fully responsible for your own visa requirements.

Visa information specific to your destination and nationality can be found in our Important Pre-Departure Information page [here](#)

How much spending money do I need for my trip?

Every traveller is different and therefore spending money requirements will vary. Some travellers may drink more than others while other travellers like to purchase more souvenirs than most. Please consider your own spending habits when it comes to allowing for drinks, shopping and tipping. Please also remember the following specific recommendations when planning your trip.

What should I know about currency, credit cards, and exchanging money while on this tour?

The currency in Peru is the Nuevo Sol (PEN).

Credit cards and debit cards are very useful for cash advances. Visa cards are the most widely accepted cards. While ATMs are widely available, there are no guarantees that your credit or debit cards will actually work in Latin America. Check with your bank.

You should be aware that to purchase products or services on a credit card a fee of 5%-10% usually applies.

Do not rely on credit or debit cards as your only source of money, a combination of US dollar cash and cards is best. Always take more rather than less, as you don't want to spoil the trip by constantly feeling short of funds.

We do not recommend bringing travellers cheques as they are very difficult to change in country.

CURRENCY EXCHANGE TIP: Please be advised that slightly torn notes, notes that have been heavily marked or are faded may be difficult to exchange. It is best to bring notes in fairly good condition, in denominations lower than 100USD (or equivalent).

As currency exchange rates can fluctuate often we ask that you refer to the following website for daily exchange rates: www.xe.com

How much emergency money should I bring on this trip?

Please also make sure you have access to at least an additional USD \$200 (or equivalent) as an 'emergency' fund, to be used when circumstances outside our control (ex. a natural disaster) require a change to our planned route. This is a rare occurrence!

Should I be tipping on my trip?

It is customary in Latin America to tip service providers such as waiters, at approximately 10%, depending on the service. Tipping is an expected - though not compulsory - component of your tour program and an expression of satisfaction with the persons who have assisted you on your tour. Although it may not be customary to you, it is of considerable significance to the people who will take care of you during your travels. There are several times during the trip where there is opportunity to tip the local guides or drivers we use. Recommendations for tipping drivers and local guides would range from \$5-10 USD per day depending on the quality and length of the service; ask your Expedition Leader for specific recommendations based on the circumstances and culture.

Also at the end of each trip if you felt your G Adventures Expedition Leader did an outstanding job, tipping is appreciated. The amount is entirely a personal preference, however as a guideline \$20-25 USD per person, per week can be used.

What activities are optional on this trip?

Nazca

- Flight over Nazca Lines

Aguas Calientes

- Butterfly House Visit
- Mandor Gardens Visit
- Hot Springs Visit (6USD per person)

Machu Picchu

- Machu Picchu Visit (75-120USD per person)
- Inca Bridge Visit (Free)

Are there any health considerations I should know before travelling?

Please note inoculations may be required for the country visited. It is your responsibility to consult with your travel doctor for up to date medical travel information well before departure.

You should consult your doctor for up-to-date medical travel information well before departure. We recommend that you carry a First Aid kit and hand sanitizers / antibacterial wipes as well as any personal medical requirements. Please be aware that quite often we are in remote areas and away from medical facilities, and for legal reasons our leaders are prohibited from administering any type of drug including headache tablets, antibiotics, etc. When selecting your trip please carefully read the brochure and itinerary and assess your ability to cope with our style of travel. Please refer to the Physical and Culture Shock ratings for trip specific information. G Adventures reserves the right to exclude any traveller from all or part of a trip without refund if in the reasonable opinion of our Expedition Leader if they are unable to complete the itinerary without undue risk to themselves and/or the rest of the group.

Please note your Adventure travels to high altitude. This is medically defined as anything over 8,000 feet (2,440 meters). Most people can travel to 8,000 feet with minimal effects. However, everyone reacts to altitude differently and altitude sickness can on set with some people irrespective of fitness and age. For details on how to best prepare and what to do in the unlikely event you are effected on your Adventure, please consult your physician.

What do I need to know to about safety and security on my trip?

Many national governments provide a regularly updated advice service on safety issues involved with international travel. We recommend that you check your government's advice for their latest travel information before departure. We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewellery at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes, which is the most secure way of storing your valuables. A lock is recommended for securing your luggage. When travelling on a group trip, please note that your Expedition Leader has the authority to amend or cancel any part of the trip itinerary if it is deemed necessary due to safety concerns. Your Expedition Leader will accompany you on all included activities. During your trip you will have some free time to pursue your own interests, relax and take it easy or explore at your leisure. While your Expedition Leader will assist you with options available in a given location please note that any optional activities you undertake are not part of your itinerary, and we offer no representations about the safety of the activity or the standard of the operators running them. Please use your own good judgment when selecting an activity in your free time. Although the cities visited on tour are generally safe during the day, there can be risks to wandering throughout any major city at night. It is our recommendation to stay in small groups and to take taxis to and from restaurants, or during night time excursions.

Protests and Demonstrations- Protests and demonstrations, even those that are well intended, have the potential to turn violent with no warning. Counter protests can also turn violent. Action by security forces to disperse demonstrators and protesters may occur at any time. If you are in an area where demonstrators or protesters are gathering, avoid the temptation of staying for a good photo opportunity and leave the area immediately.

Water based activities have an element of danger and excitement built into them. We recommend only participating in water based activities when accompanied by a guide(s). We make every reasonable effort to ensure the fun and adventurous element of any water based activities (in countries with varying degrees of operating standards) have a balanced approach to safety. It is our policy not to allow our Expedition Leaders to make arrangements on your behalf for water based activities that are not accompanied by guide(s).

Swimming, including snorkeling, is always at your own risk.

We take all prudent measures in relation to your safety. For ways to further enhance your personal safety while traveling, please visit:

www.gadventures.com/travel-resources/safety/

What are the trip specific safety considerations?

Care should be taken when wandering around on your own in central Lima, as some areas can be dangerous and pickpockets are daring.

What rules should I know before joining this trip?

Illegal drugs will not be tolerated on any trips. Possessing or using drugs not only contravenes the laws of the land but also puts the rest of the group at risk. Smoking marijuana and opium is a part of local culture in some parts of the world but is not acceptable for our travellers. Our philosophy of travel is one of respect towards everyone we encounter, and in particular the local people who make the world the special place it is. The exploitation of prostitutes is completely contrary to this philosophy. Our Expedition Leaders have the right to expel any member of the group if drugs are found in their possession or if they use prostitutes.

Is travel insurance required for my trip?

Travel Insurance: Travel insurance is compulsory in order to participate on any of our trips. When travelling on a group trip, you will not be permitted to join the group until evidence of travel insurance has been sighted by your Expedition Leader, who will take note of your insurance details. When selecting a travel insurance policy please bear in mind that all clients must have medical coverage and that we require a minimum coverage of USD 200,000 for repatriation and emergency rescue. We strongly recommend that the policy also covers personal liability, cancellation, curtailment and loss of luggage and personal effects. If you have credit card insurance we require proof of purchase of the trip (a receipt of credit card statement) with a credit card in your name. Contact your bank for details of their participating insurer, the level of coverage and emergency contact telephone number.

How can I share feedback about my trip experience?

After your travels, we want to hear from you! Your feedback information is so important to us that we'll give you 5% off the price of your next G Adventures trip if your feedback is completed on-line within 30 days of finishing your trip. Are international flights included in this trip?

No, international flights are generally not included in the price of your tour.

However, on some combo tours travelling between two different countries, international flights are included as part of the itinerary and price of the tour. Please speak to your GCO or booking agent for further details.

In addition, check-in times and baggage allowances/restrictions vary by airline and can change at any time. For the most up-to-date information for your flight, please contact your airline. We recommend checking in online in advance to avoid potential delays at the airport.

What should LGBTQ+ travellers know about safety and travel considerations on this trip?

We recognize that there are specific concerns and questions you may have about your adventure in terms of safety and security. We encourage you to visit our [LGBTQ+ page](#) for useful resources to ensure you feel safe and comfortable throughout the duration of your trip.
