Catch a flight to the town of Victoria Falls in Zimbabwe, named after one of the most powerful waterfalls on Earth. Visit a nearby village and go grocery shopping in the bustling market. Then sit down with a local family for dinner, helping your hosts prepare a traditional Zimbabwean meal using the ingredients you picked out, and hear stories about local life and culture.

The mist off Victoria Falls can rise to a height of more than 400m (1312 ft). Local tribes used to call the falls Mosi-o-Tunya or “the smoke that thunders.” Explorer and missionary David Livingstone renamed the falls after Queen Victoria when he first saw them in 1855.

2h

Look! Up in the sky! It's a bird! It's a plane! It's... yup, it is a plane, actually.

ACTIVITY

Flatter Ncube is the head of her family which includes two sisters and numerous children. She's the youngest of a family of 10 and, now in her early 40s, lives in the village she was raised in near Victoria Falls. There she takes care of her extended family on their homestead, which she and they have been proudly building by hand, brick by brick, for years. Flatter's story highlights that life isn't easy in Africa, but despite its challenges, there is much love and laughter and a strong sense of family here.

Visit Flatter's homestead in her rural village; meet her and some of her family, and walk with some of them throughout the property, among the fruit and vegetable plants the family grows for consumption. (They even plant hot chillies among the vegetables to discourage nosy elephants.) Then help the family prepare a traditional Zimbabwean dinner, which we'll all eat together outside on the property, weather permitting. Ingredients for the meal will have been hand-selected earlier in the day, at the bustling and friendly local village market.

This experience offers great insight into typical African life, and ultimately reinforce how we all really want and need the same things in life: a stable home full of love, a good education, and plenty of opportunity for our children.

Set out for a tour of magnificent Victoria Falls. Scottish explorer David Livingstone named them after Britain's Queen Victoria, while their older, indigenous name is Mosi-oa-Tunya—"the smoke that thunders."

If you have an activity planned for this morning, we will reschedule your Falls tour for this afternoon, or tomorrow morning before departure.

Begin your adventure with a cruise down the Chobe River, taking in the sweeping views and witnessing the wildlife grazing along the riverbank. Enjoy an included lunch on land before boarding 4x4 safari vehicles for an afternoon wildlife safari drive with an expert guide. Keep an eye out for lions, elephants, and buffalos. Transfer

back to Victoria Falls, Zimbabwe, arriving in the early evening. Please note that this activity includes two border crossings between Zimbabwe and Botswana. The ordering of activities is susceptible to change.

Afterward, venture out on safari in a private concession bordering Hwange National Park, one of Zimbabwe's largest wildlife reserves and home to nearly half of the country's elephant population.

Examine the life and struggles faced by the Painted Dog (wild dog) population in and around Hwange national park and the efforts made by the conservancy to prevent poaching and the damage done by snare traps that have endangered the Painted Dog population in Zimbabwe. The ultimate goal of the project is to release rehabilitated animals back into the wild and to work with local children and communities in an effort to educate and shift behaviors away from poaching.

Road conditions in the region can range from good to very poor. As such, we slow our traveling speed in the rough spots and enjoy some sand and bumps – all part of the adventure of traveling in Africa.

Please note that hot water shortages, low water pressure and power outages can occur in Southern Africa. We appreciate your patience and understanding that these occurrences are outside of our control. Wifi is available in most places (extra charge may apply), but in remote areas there can be service interruptions. A/C is not generally available in the accommodations we use, really it isn't needed as evenings tend to cool down. Floor or ceiling fans are usually available.

Okavango Delta Excursion

Okavango Delta

Step into the heart of Botswana's wilderness on an unforgettable journey into the Okavango Delta. Your adventure begins with a scenic drive in an open 4x4 safari vehicle, travelling deep into the Sankoyo Concession, a pristine area teeming with wildlife and rich in natural beauty.

Our secluded camp offers a true bush experience, with comfortable, fully-set-up tents and the sounds of nature all around. From here, you'll explore the Delta the traditional way, gliding quietly through the waterways in a mokoro canoe, steered by skilled local polers who know the channels like the back of their hand.

Back on land, a guided walking safari gives you the rare opportunity to connect with the bush on foot. Learn about the plants, animal tracks, and smaller wildlife often missed from a vehicle, while keeping an eye out for the Delta's bigger residents.

Evenings are spent relaxing by the campfire under a sky scattered with stars, swapping stories and

listening to the night sounds of Africa. This is more than a trip, it's an immersion into one of the world's most remarkable ecosystems, guided by the people who call it home.

Day 19

Okavango Delta

Embark on both morning and late afternoon wildlife excursions by boat, on foot, or by jeep, depending on current conditions and water levels. In between, enjoy the amenities at the camp, go for a swim, or relax with a book on the deck. Remember to keep your eyes open and binoculars close to observe passing wildlife.

Chief's Island is a large area and the animals are free to move as they choose – and they do! During your guided walk there's a chance you'll see: lion, elephant, giraffe, zebra, impala, kudu and hippo as well as a plethora of birdlife – particularly when the migratory species return to us between October and March. Is there a disclaimer I should read before booking this trip?

The information in this trip details document has been compiled with care and is provided in good faith. However it is subject to change, and does not form part of the contract between the client and the operator. The itinerary featured is correct at time of printing. It may differ slightly to the one in the brochure. Occasionally our itineraries change as we make improvements that stem from past travellers, comments and our own research. Sometimes it can be a small change like adding an extra meal along the itinerary. Sometimes the change may result in us altering the tour for the coming year. Ultimately, our goal is to provide you with the most rewarding experience. Please note that our brochure is usually released in November each year. If you have booked from the previous brochure you may find there have been some changes to the itinerary.

VERY IMPORTANT: Please ensure that you view a final copy of your Trip Details a couple of days prior to travel, in case there have been changes that affect your plans.

Is there an itinerary Disclaimer?

While it is our intention to adhere to the route described below, there is a certain amount of flexibility built into the itinerary and on occasion it may be necessary, or desirable to make alterations. The itinerary is brief, as we never know exactly where our journey will take us. Due to our style of travel and the regions we visit, travel can be unpredictable. The Trip Details document is a general guide to the tour and region and any mention of specific destinations or wildlife is by no means a guarantee that they will be visited or encountered. Aboard expedition trips visits to research stations depend on final permission.

Additionally, any travel times listed are approximations only and subject to vary due to local circumstances.

What important notes should I be aware of before the trip?

1. CHOBE NATIONAL PARK PRE-SOLD ACTIVITY

Please note: For itineraries visiting the Okavango Delta, specifically Journeys: The Great Southern Africa Safari & Journeys: Southern Africa Safari Experience, a safari drive to Chobe National Park is already included. You are welcome to book a second safari experience there from Victoria Falls if you would like, or it's recommended travellers on those itineraries book alternative optional activities during days spent in Victoria Falls.

2. TRAVEL DAYS

This is not a physically demanding journey; however, travelling can be difficult, with long drives and poor road conditions at times. Despite this, most clients feel that the diversity of the African landscape, countries, culture and wildlife are all well worth the experience. We use a comfortable and safe air-conditioned vehicle for the long drives.

3. INTERNAL FLIGHT WEIGHT RESTRICTIONS

Planes used to fly into the Delta are small and weight restrictions are mandatory. For this reason luggage restrictions are 15kg per person for checked in luggage and 5kg for Hand luggage for a maximum of 20kg per person. As well, the airline requires the weight of each passenger, your Expedition Leader will collect this information from you privately, at the beginning of the trip.

4. COMBO TRIP

Please note that this tour combines with other G Adventures tours. As such, the staff and some travel companions on your tour may have previously been traveling together with G Adventures, prior to Day 1 of your tour. Likewise, some staff and travel companions may be continuing together on another G Adventures tour, after your trip concludes.

5. ACCOMMODATION

Please note, if you have not booked MOR (my own room) for this trip, you might be sharing a room for your stay in Cape Town, as well as for the rest of the tour. Please ask at check-in at the hotel in Cape Town if you will be sharing your room.

6. EXTRAS

Looking to add to your experience? Check out our Extras! Specially designed for travellers with unique interests, Extras are optional add-ons to your G adventures trip that make your adventure more you-centric. Extras must be booked prior to departure, please see details in our optional activities field and ask your sales GCO or travel agent about booking.

7. YELLOW FEVER

According to the WHO and CDC, there is no risk of yellow fever in Botswana. It is compulsory to show a valid Yellow Fever vaccination certificate if you are travelling to Botswana from a Yellow Fever endemic country, or have recently travelled to a Yellow Fever endemic country (with entry stamps in your passport), including the following countries (but not limited to): Angola, Benin, Burkina Faso, Burundi, Cameroon, Central African Republic, Chad, Congo, Democratic Republic of the Congo, Republic of the Cote d'Ivoire (Ivory Coast) Equatorial Guinea, Ethiopia, Gabon, Gambia, Ghana, Guinea Zambia, Guinea-Bissau, Kenya, Liberia, Mali, Mauritania, Niger, Nigeria, Rwanda, São Tomé and Príncipe, Senegal, Sierra Leone, Somalia, Sudan, Tanzania, Togo, Uganda, Argentina, Bolivia, Brazil, Colombia, Ecuador, French Guiana, Guyana, Panama, Paraguay, Peru, Suriname, Trinidad and Tobago, Venezuela.

****We advise all travelers to Botswana who are coming from one of the above countries, or who have visited them in the last 10 years, to be prepared with a Yellow Fever vaccination certificate or letter from your doctor with proof of vaccination. Yellow Fever inoculations need to be administered at least 10 days prior to your entry into the country. Border officials in Botswana have been strictly enforcing these requirements. Travelers without the correct**

documentation run the risk of being denied entry, and will not be able to continue with the tour. (Any additional travel expenses will be on your own account.) **

8. Water-wise tips when visiting Cape Town:

- Bring a reusable water bottle, that you can fill with Cape Town's tasty tap water.
- Reuse your towels in the hotel, for at least two days, before getting new ones.
- Keep your laundry until you have a full load to do, rather than just doing a handful of items.
- Turn off the tap when brushing your teeth, or shaving.
- Keep your showers to two minutes or less, and don't use the bath.
- Use hand sanitizer, instead of washing hands.

9. MONEY EXCHANGE

We strongly advise that you bring ZAR or USD from your home country or exchange money before the start of the tour, to avoid delays on tour. Please see the Money Exchange section for more details.

10. DRONES

The use of drones in national parks in Southern Africa is prohibited.

11. ACCOMMODATION NOTE:

Please be aware that properties we stay in with only two stories may not have elevators installed and climbing the stairs with your luggage will be necessary.

What is the group leader like?

On this tour, you will be accompanied by a National Geographic Expedition Leader.

The Expedition Leader will be the group manager and leader. All of our leaders in southern Africa are registered and licensed tourism guides, meaning they've studied to have a broad knowledge base of the region's history, cultures, and wildlife, and are legally certified to lead/guide tours in the regions visited. Most of our leaders in the region are from Southern Africa, though it may be possible that you'll have a leader from another country in the southern African region. As the group manager and leader, the aim of the group leader is to take the hassle out of your travels and to help you have the best trip possible. They will provide information on the places where we are travelling, offer suggestions for things to do and see, recommend great local eating venues and introduce you to our local friends. He/she will take care of the small things so you can concentrate on enjoying your adventure. In addition, your Expedition Leader is a skilled and experienced driver who has intimate knowledge of the vehicle and routes travelled. We also use local guides where we think more specific knowledge will add to the enjoyment of the places we are visiting.

How large will the group be?

Max 16, avg 12

What meals are included in this trip?

20 breakfasts, 7 lunches, 15 dinners

What are the meals like on this trip?

Eating is a big part of travelling. Travelling with G Adventures you experience the vast array of wonderful food that is available in South Africa. On this tour, we provide only a few meals for you and your group members, so as to give you the maximum flexibility in deciding where, what and with whom to eat. It also gives you more budgeting flexibility in your choices. Our groups tend to eat together to enable you to taste a larger variety of dishes and enjoy each other's company. There is no obligation to do this though - while in the larger centres, your Expedition Leader will be able to suggest favourite restaurants during your trip.

For the included meals, vegetarian meal requests and other dietary requirements need to be specified prior to arrival.

What are the modes of transportation on my trip?

Plane, air-conditioned touring vehicle, open safari vehicle, 4x4, walking, boat, mokoro.

What transportation will we take on this trip?

The vehicle used will depend on the number of passengers. This style of transportation is a comfortable way to travel through the region, allowing the group to travel through the cities and parks with ease, with more opportunities to stop and either wander around or view the sites.

10-16 guests: 17 Seater Mercedes Sprinter Coach (A/C)

6-9 guests: 14 Seater Toyota Quantum (A/C)

3-5 guests: Mercedes Benz Vito OR Similar (A/C)

1-2 guests: Nissan Livina X-G or Toyota Avanza (A/C)

Are local flights included in the cost of the trip?

Please be advised that any flights noted on the G Adventures Itinerary for this tour are included in the tour services provided. Flight tickets are provided by G Adventures during the tour. The date for this service will match the day of the itinerary, for which Day 1 is equal to the start date noted on the Invoice under Land Services: Tour. If flight information is required in advance for visa purposes, please contact G Adventures.

Is there an extra cost for travelling solo?

We believe solo travellers should not have to pay more to travel so our group trips are designed for shared accommodation and do not involve a single supplement. Single travellers joining group trips are paired in twin or multi-share accommodation with someone of the same sex for the duration of the trip. Some of our Independent trips are designed differently and solo travellers on these itineraries must pay the single trip price.

Where will we stay during the trip?

Hotels - 6 nts, safari lodges/camps - 9 nts, comfortable safari tent - 3 nts, comfortable tent or chalets - 2 nts.

Do any exceptions apply to Rooming or “My Own Room” on my tour?

Please note that if you have booked the "My Own Room" option for this tour, you will receive your own single accommodation for all night stops, with the following exceptions: 2 nights, Hwange NP.

What kind of accommodation can I expect on this trip?

Please remember that hotel/lodge/camp standards can be different from what you are used to in your home country, which is part of the appeal of adventure travel.

General notes:

- Please note that hot water shortages, low water pressure, and power outages can occur in Southern Africa. We appreciate your patience and understanding that these occurrences are outside of our control.
- Wifi is available in most places (extra charge may apply), but in remote areas, there can be service interruptions.
- A/C is not generally available in the accommodations we use, really it isn't needed as evenings tend to cool down. Floor or ceiling fans are usually available.
- Winter nights (June to September) can be cold, and most lodges and hotels do not have insulation or central heating. If you require additional blankets or a hot water bottle, these can be requested through your Expedition Leader or at the reception.

What are the joining instructions?

For details of your joining hotel please refer to your tour voucher, G Account, the G Adventures App or contact your travel agent.

An arrival transfer is included when you arrive on Day 1, or if you arrive up to three days prior provided that you have booked your pre-accommodation through National Geographic Journeys in our joining hotel. Due to customer experience and quality considerations, all services related to the tour must be continuous.

Our driver will be waiting for you with a National Geographic Journeys sign, and they will be waiting for you outside the luggage hall. If for any reason you are not met at the airport, please call our local support line. If you are unable to make contact for whatever reason, please make your way to the joining point hotel via taxi.

Please note that day 1 is an arrival day and no activities have been planned on this day.

Upon arrival to your Joining Hotel (note that check-in time will be in the afternoon), look for a note or bulletin board in the reception with a note from your Expedition Leader. This note will give the details of your Welcome Meeting on day 1 (usually between 5pm and 7pm), where you will get a chance to meet your Expedition Leader and other travellers, as well as learn more about how the tour will run. If you don't see a note, please ask reception for details!

If you are arriving later and will miss the Welcome Meeting, your Expedition Leader will leave a note at reception for you with any information you may need, and with morning instructions for the next day.

What happens if I experience problems when arriving?

We don't expect any problems, and nor should you, but if for any reason you are unable to commence your trip as scheduled, please refer to the emergency contact details provided in this dossier and contact us as soon as possible. If you have a pre-booked transfer, and you have not made contact with our representative within 30 minutes of clearing customs and immigration, we recommend that you make your own way to the Starting Point hotel, following the Joining Instructions. Please apply to your travel agent on your return for a refund of the transfer cost if this occurs.

Who should I contact in case of an emergency?

Should you need to contact us during a situation of dire need, it is best to first call either the G Adventures Local Representative (if one is listed below) or our G Adventures Local Office. If for any reason you do not receive an immediate answer, please leave a detailed message and contact information, so they may return your call and assist you as soon as possible.

AIRPORT TRANSFER

If you have purchased an arrival through G Adventures or if an arrival transfer is included in the cost of your tour, please note that:

Your arrival transfer has been arranged based on flight information provided to us. Included arrival transfers are provided from the nearest airport to your starting location. If you are advised of a flight schedule change or flight cancellation within 48 hours of your scheduled arrival time, please call the emergency contact number to advise of your new arrival flight information. If you do not, we will not be able to rearrange your arrival transfer and you will need to make your own way to the starting hotel at your own expense. If your arrival transfer does not arrive within 30 minutes after you have exited the arrivals area please take a taxi to your start point hotel.

What should I take on my trip?

You will be on the move a lot and the small planes used have limited luggage storage, so please pack as lightly as possible to avoid issues. Your baggage should be clearly labelled and restricted to one small soft compact sports/duffel bag, or backpack, (no hard suitcases please) weighing no more than 15kg. plus a daypack. Luggage limits on airlines are strictly enforced and space on vehicles is limited.

Porters are not often available, so be prepared to carry your own bags. It is important to pack clothes for warm days and cool evenings, as well as a warm jacket for early morning wildlife safari drives. A set of smart casual clothes is also advisable.

Porters are not often available, so be prepared to carry your own bags. It is important to pack clothes for warm days and cool evenings, as well as a warm jacket for early morning wildlife safari drives. A set of smart casual clothes is also advisable.

The Southern Hemisphere essentially has the opposite weather to the Northern Hemisphere. The winter months of June, July and August, whilst clear and warm during the day (up to 25 degrees), can drop down to single figures and even below freezing at night. Between September and May it is considerably warmer with the time between October and March being the hottest, getting up to the high 30C and sometimes above. However it is always a dry heat and the temperature does drop at night. The wet season is between November and February, but this is not a bad time to go, as it generally does not rain for very long. We strongly recommend lots of layers to wear from the start of the day until the night. You might still need to wear a fleece jacket in the mornings, a t-shirt during the day and again the fleece jacket at sunset time. A woolen hat is also very much recommendable for the cold winter's early morning wildlife safari drives.

Please be advised that if you plan to bring a drone with you, the use of drones in national parks in Southern Africa is prohibited.

What the visas and entry requirements for my trip?

All countries require a valid passport (with a minimum 6 months validity). Contact your local embassy or consulate for the most up-to-date visa requirements, or see your travel agent. It is your own responsibility to have the correct travel documentation. Visa requirements for your trip will vary depending on where you are from and where you are going. We keep the following information up to date as far as possible, but rules do change and sometimes without warning. While we provide the following information in good faith, it is vital that you check the information yourself and understand that you are fully responsible for your own visa requirements.

Visa information specific to your destination and nationality can be found in our Important Pre-Departure Information page [here](#)

Botswana:

Botswana as a \$30 USD tourism levy for visitors entering the country, except for residents and citizens of the Southern African Development Community (SADC) member states. This entry tax is payable at all points of entry into Botswana and will be valid for 30 days and includes multiple entry.

Information is accurate as of March 1st, 2024.

How much spending money do I need for my trip?

Every traveller is different and therefore spending money requirements will vary. Some travellers may drink more than others while other travellers like to purchase more souvenirs than most. Please consider your own spending habits when it comes to allowing for drinks, shopping and tipping. Please also remember the following specific recommendations when planning your trip.

What should I know about currency, credit cards, and exchanging money while on this tour?

The official currency of Botswana, is the Pula (BWP).

The official currency in South Africa is the South African Rand (ZAR).

The official currency of Zimbabwe is the US Dollar and South African Rand.

Each currency can be obtained locally by changing foreign currency or by using ATMs (where available) which will disperse local currency. Your Expedition Leader will inform you where you can change money throughout the tour and approximately how much money you will need.

For Zimbabwe, we strongly advise that you bring ZAR or USD from your home country or exchange money before the start of the tour, to avoid delays on tour, as it is not often possible to obtain money at ATMs.

Please note that due to past problems with forgery, \$US notes that are older than year 2006 are not accepted in Africa. Large note (\$US 50, \$US 100 etc) can be difficult to change in some places, but will gain you the best exchange rate.

If you plan to rely on cash, please bring foreign currency (Euro, Pound, USD) with you, as it is often expensive to buy these currencies locally. And in more rural areas, it is often not likely.

If you plan to buy your visas at borders, you will need to bring \$USD cash to pay for these visas. Please note you cannot use the local currency or any other currency to buy these visas- they must be purchased in USD.

Please do not bring Travellers' cheques to Africa. They are difficult if not impossible to exchange in many places.

Visa/Plus system cards are the most widely accepted debit cards. it is harder to find machines MasterCard/Cirrus cards. We highly recommend that if you hold a MasterCard, you obtain a Visa card prior to departure and travel with both. This is also useful should something unforeseen happen to one of your cards during your travels.

While there are many ATMs in the major centres, there are no guarantees that your credit or debit cards will actually work in Africa. Check with your bank.

Credit cards can be used in major cities and towns ONLY but please do not rely on them as a method of payment because they are generally not widely accepted. You should be aware that to purchase products or services on a credit card a fee of 5%-10% usually applies. The majority of our optional activities can also be paid by credit card. Your Expedition Leader will advise on these.

Please note that in many areas there may be occasional power-outages, where there will be no electricity for hours at a time. In addition, ATMs outside of larger centers often run out of cash or can be out of order unexpectedly. These factors could affect your ability to access money from ATMs. As such, please do not rely on credit or debit cards as your only source of money.

A combination of foreign currency and debit/credit cards for cash advances is best. Always take more rather than less, as you don't want to spoil the trip by constantly feeling short of funds.

As currency exchange rates can fluctuate often we ask that you refer to the following website for daily exchange rates: www.xe.com.

How much emergency money should I bring on this trip?

Please also make sure you have access to at least an additional USD \$200 (or equivalent) as an 'emergency' fund, to be used when circumstances outside our control (ex. a natural disaster) require a change to our planned route. This is a rare occurrence!

Should I be tipping on my trip?

Tipping is an expected, though not compulsory, component of your tour program. The gesture serves as an expression of appreciation for exceptional service, and amounts given are up to your discretion.

Tipping is one of the most direct ways that you can have a positive economic impact within the African community. Although it may not be customary for you, it is an important source of income for those in the tourism industry. Giving a tip should be seen as a formal 'thank you', and the action should in no way be awkward.

The best method of tipping someone that has served the whole group is to plan in advance, and not rush when it comes to saying goodbye. A suggestion would be for each group member to contribute anonymously by putting their tip into an envelope. This often works the best and the group should gather to present the gift to the recipient(s), offering their thanks and showing their appreciation. This method brings the action out into the open, allowing for a friendly and appreciative interaction between the group and the recipient(s).

You may use the following as a guideline, all given in a per person format:

Expedition Leader: \$10-15 USD (per day)

Driver: \$8-10 USD (per day)

Local guides: \$3-5 USD (per day)

Safari Guide/Driver: \$8-10 USD (per day)

Restaurant Staff: 10-15% of cost of bill

Porters: \$1 per bag when checking in and \$1 per bag when checking out.

Hotel Staff/Cleaning Staff: \$1-2 per day

What activities are optional on this trip?

Dyer Island

- Whale and Bird Watching at Dyer Island (2950ZAR per person)

Cape Town

- Two Oceans Aquarium (235ZAR per person)
- South African Wine Tour and Tasting

Table Mountain

- Table Mountain Cable Car (420ZAR per person)

Victoria Falls

- Full Day Excursion to Chobe National Park

Victoria Falls

- Zipline over the Zambezi (50USD per person)

Are there any health considerations I should know before travelling?

We recommend you contact your family physician, or your local travel clinic for the most up-to-date health information at least one month before departure. Travellers should also carry a basic first-aid kit and hand sanitizers/antibacterial wipes on their travels. Medical facilities are basic throughout these countries. For your own safety, we strongly recommend that you advise your tour leader of any medical condition that may affect you while travelling with the group. Your tour leader will be able to inform you of local health advisories (e.g. drinking water quality). Please ensure you have all the inoculations recommended by your doctor.

What do I need to know to about safety and security on my trip?

Many national governments provide a regularly updated advice service on safety issues involved with international travel. We recommend that you check your government's advice for their latest travel information before departure. We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewellery at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes, which is the most secure way of storing your valuables. A lock is recommended for securing your luggage. When travelling on a group trip, please note that your group leader has the authority to amend or cancel any part of the trip itinerary if it deemed necessary, due to safety concerns. Your Expedition Leader will accompany you on all included activities. During your trip you will have some free time to pursue your own interests, relax and take it easy and explore at your leisure. While your Expedition Leader will assist you with options available in a given location, please note that any optional activities you undertake are not part of your itinerary, and we offer no representations about the safety of the activity or the standard of the operators running them. Please use your own good judgement when selecting an activity in your free time. Although the cities visited on tour are generally safe during the day, there can be risks to wandering throughout any major city at night. It is our recommendation to stay in small groups and to take taxis to and from restaurants, or during night time excursions. Water based activities have an element of danger and excitement built into them. We recommend only participating in water based activities when accompanied by a guide(s). We make every reasonable effort to ensure the fun and adventurous element of any water based activities (in countries with varying degrees of operating standards), have a balanced approach to safety. It is our policy not to allow our Expedition Leaders to make arrangements on your behalf for water based activities that are not accompanied by guide(s). Swimming, including snorkeling, is always at your own risk. [Read more about travel safety](#) for ways to further enhance your personal safety while traveling.

What are the trip specific safety considerations?

GENERAL: Look after your personal items. Do not leave your valuables visible in a car or hotel room. Lock your hotel room door when you enter and when you leave. Do not carry large amount of cash on you. Avoid displaying flashy jewellery and carry your camera in its pack on your shoulder rather than around your neck. Keep your passport, airline tickets, money, important documents locked up in your room/safe - do not carry it with you.

Parks and Reserves: Please ensure that your stay is happy and safe by taking note of a few simple warnings. You will be sharing your stay with many exciting and unusual creatures but without knowledge some of them could be dangerous: Example: Bats, Spiders, Snakes, Scorpions, Malaria Zone. If you must walk around at night please **DO NOT DO SO WITHOUT A FLASHLIGHT**. Remember: by feeding any wildlife, you are signing their death warrant as they become aggressive!

Theft, can be a problem in the bigger towns and cities. Don't walk around with things you can't do without, like your passport or airline tickets. Carry minimum amounts of cash and keep it hidden or in a money belt and if possible. This is less of a problem in the rural areas.

Please note that the use of drones in national parks in Southern Africa is prohibited.

What rules should I know before joining this trip?

Illegal drugs will not be tolerated on any trips. Possessing or using drugs not only contravenes the laws of the land but also puts the rest of the group at risk. Smoking marijuana and opium is a part of local culture in some parts of the world but is not acceptable for our travellers. Our philosophy of travel is one of respect towards everyone we encounter and in particular the local people who make the world the special place it is. The exploitation of people in the sex trade is completely contrary to this philosophy. Our Expedition Leaders have the right to expel any member of the group if drugs are found in their possession or if they utilize the services of paid sex workers, in any capacity.

Is travel insurance required for my trip?

Travel insurance is compulsory in order to participate on any of our trips. When travelling on a group trip, you will not be permitted to join the group until evidence of travel insurance has been sighted by your leader, who will take note of your insurance details. When selecting a travel insurance policy we require that at a minimum you are covered for medical expenses including emergency evacuation and repatriation. A minimum coverage of USD200,000 is required. We strongly recommend that the policy also covers personal liability, cancellation, curtailment and loss of luggage and personal effects. Some tours include adventure activities that require extra coverage (e.g. crampon use); please review your itinerary and make sure that you are covered for all included activities. If you have credit card insurance we require proof of purchase of the trip (a receipt of credit card statement) with a credit card in your name. Contact your bank for details of their participating insurer, the level of coverage and emergency contact telephone number.

However, on some combo tours travelling between two different countries, international flights are included as part of the itinerary and price of the tour. Please speak to your GCO or booking agent for further details.
