If no selection is made, we will book a circuit based on availability at the time of booking. All circuits offer the opportunity to enjoy the beauty, history, and impressive ingenuity of this ancient site. TO NOTE:

Travellers completing the Inca trail and 1-day Inca Trail will be assigned Circuit 3 for their guided visit of Machu Picchu, but will also have access to the panoramic viewpoint upon arrival via the Sun Gate.

Day 1

Lima

Arrive at any time. Arrival transfer is included.

Get ready for a very busy tour exploring the best of Peru in a week. We recommend booking a pre-night in Lima (in particular if your flight arrives into Lima in the evening) to recover from international flights and rest up before the excitement.

Please note that if you booked the Lima Cooking Class it does not include extra time in Lima and we highly recommend booking pre-trip accommodation. You will be picked up from your hotel at approx 10:00 am (10:30 from Aug-Dec) and taken to a local market and restaurant to prepare and enjoy a traditional Peruvian meal. You will return to your hotel around 13:00.

Please note that hot water shortages and power outages can be fairly common in Peru (even in upgraded hotels and private homes). We appreciate your patience and understanding that these occurrences are outside of our control.

Visit the pre-Incan salt pans of Las Salineras – still in use today. Marvel at the terraced pools set amongst the beauty of the Sacred Valley.

ACTIVITY

The thousand-year-old tradition of pachamanca is typically prepared in an underground oven using hot stones, earth, and aromatic herbs. For this experience, you will enjoy pachamanca a la olla, a variation prepared in a pot. Using the same local ingredients and seasonings, meats such as lamb, pork, chicken, or guinea pig are slow-cooked with vegetables to recreate the rich, earthy flavors of the original method. Savour this traditional meal, prepared by an experienced chef.

Urubamba

7h-8h

Times includes all stops and visits enroute through the Sacred Valley.

ACTIVITY

In Peru's Sacred Valley of the Inca, six communities of approximately 6000 indigenous people are working together to preserve over 700 species of potato – a cornerstone of life here. As part of an experience exclusive to National Geographic Journeys travellers – and part of our G Adventures for Good program – visit this area, named “Parque de la Papa” (“Potato Park”), to learn about life in an Andean agricultural community. Walk through the park here with a local guide, dropping by the seed bank (which has direct ties to the Svalbard Global Seed Vault in Norway) and then head out to the fields to watch the planting or harvesting process, depending on the season. After, enjoy some of the delicious varieties of potato and visit the small stone hut where traditional weaving takes place. Learn about the natural dyeing process and witness alpaca wool strands being transformed into beautiful textiles through a centuries-old backstrap weaving style. Your visit to this special community means this local enterprise can continue earning an income that supports their development and conservation goals.

ACTIVITY

Parque de la Papa (meaning "Potato Park") serves two important purposes for the community of Pampallacta: the preservation of agricultural biodiversity and economic opportunity. National Geographic Journeys travellers visit the park to learn about life in a rural agricultural Andean community and take a tour of the seed conservation program, which is preserving heritage potato species. They also learn about traditional planting, harvesting and indigenous weaving practices. With G Adventures' support, the community is able to create jobs in the area and invest in local businesses, which helps the community preserve their culture.

Pisac Ruins Guided Tour

Pisac

Tour the fascinating hilltop citadel of Pisac, an Incan ruin with plunging gorges, a ceremonial centre, and winding agriculture terracing that's still in use today. Be captivated by this truly amazing site sitting amid sweeping green valleys and mountain peaks. Explore the back of the site to see a pocketed cliff across Kitamayo Gorge, which once contained hundreds of Inca tombs.

ACTIVITY

Contribute to sustainable tourism in Huchuy Qosqo, a small village of 65 families in the Sacred Valley, by eating at the Parwa Community Restaurant. Learn how the resident-run restaurant was kickstarted by G Adventures and the Multilateral Investment Fund, to become a successful farm-to-table program that boosts the local economy and several spin-off microenterprises.

Ollantaytambo Ruins Guided Tour

Ollantaytambo

Tour the town and fortress of Ollantaytambo with a local guide. Take a step back in time at this Inca archaeological site; it still shows signs of its former glory, including agricultural terraces, a Temple Hill, and storehouses. Learn how the area, overlooking the Urubamba River Valley, was an important stronghold during warfare between the Spanish and Incas.

Day 4

Urubamba/Aguas Calientes

Catch an early transfer to the Ollantaytambo station and board a train to Aguas Calientes, the gateway to Machu Picchu. Ride through lush Andean scenery, enjoying breathtaking views of ancient ruins and everyday life. Settle into your hotel in Aguas Calientes, and choose from a variety of optional activities: take a relaxing soak in the local hot springs, visit a beautiful botanical garden, or wander the handicraft stalls in town as you prepare for an early start the following day to go up to Machu Picchu.

Please bear in mind that the town has several amenities, but is also geographically remote meaning services are sometimes more basic than one would assume. As the only option for travellers visiting Machu Picchu, the development of infrastructure has happened quite quickly, much without proper planning, and the focus on providing quality service may not be up to the standards experienced in other parts of the country.

1. MACHU PICCHU CIRCUITS

Machu Picchu regulations require all visitors to follow a pre-determined circuit within the site as a way to prevent overcrowding. The circuit-specific entrance tickets are available on a first come, first served basis. At the time of booking, you may select your preferred circuit, subject to availability. If no selection is made, we will book a circuit based on availability at the time of booking. All circuits offer the opportunity to enjoy the beauty, history, and impressive ingenuity of this ancient site. TO NOTE: Travellers completing the Inca trail and 1-day Inca Trail will be assigned Circuit 3 for their guided visit of Machu Picchu, but will also have access to the panoramic viewpoint upon arrival via the Sun Gate.

2. MACHU PICCHU REGULATIONS

Current and correct passport details are required at time of confirmation. For more details please see the following [page](#). Please also note that regulations have been implemented for all visitors to Machu Picchu which require that different circuits be followed within the site as a way to relieve crowding. The new circuit-based entrance tickets are available on a first come first serve basis. We will do all that is possible to get everyone traveling in a group on the same route, but be aware that it is possible that members of the same group might be visiting Machu Picchu on a different circuit and not be together during this visit. Rest assured that regardless of the circuit you will enjoy the beauty and grandeur of the site.

What is the group leader like?

This National Geographic group trip is accompanied by one of our group leaders, otherwise known as a National Geographic Expedition Leader. The Expedition Leader will be the group manager, leader and driver - this person is experienced in the routes travelled and will organize and lead the meal preparations and has experience in cooking a variety of local and international dishes for large groups.

As the group coordinator and manager, the aim of the Expedition Leader is to take the hassle out of your travels and to help you have the best trip possible. While not being guides in the traditional sense, you can expect them to have a broad general knowledge of the countries visited on the trip, including historical, cultural, religious and social aspects. They will also offer suggestions for things to do and to see, recommend great local eating venues and introduce you to our local friends.

We also use local guides where we think more specific knowledge will add to the enjoyment of the places we are visiting - we think it's the best of both worlds.

How large will the group be?

Max 16.

What meals are included in this trip?

14 breakfasts, 5 lunches, 5 dinners

What are the meals like on this trip?

Eating is a big part of traveling. Travelling with G Adventures you experience the vast array of wonderful food that is available out in the world. Generally meals are not included in the trip price when there is a choice of eating options, to give you the maximum flexibility in deciding where, what and with whom to eat. It also gives you more budgeting flexibility, though generally food is cheap. Our groups tend to eat together to enable you to taste a larger variety of dishes and enjoy each other's company. There is no obligation to do this though. Your Expedition Leader will be able to suggest favourite restaurants during your trip. On truck trips in Africa, aboard the expedition ship Explorer or our Galapagos yachts, while trekking in remote regions etc. food is included, plentiful and made of fresh local ingredients. The above information applies to G Adventures group trips. For Independent trips please check the itinerary for details of meals included. For all trips please refer to the meals included and budget information for included meals and meal budgets.

What are the modes of transportation on my trip?

Private van, train, plane, walking, 4x4 vehicle, boat.

Are local flights included in the cost of the trip?

All local flights are included in the cost of your tour unless otherwise noted. It is important that we have your passport information at the time of booking in order to process these tickets. Internal flight tickets are issued locally and will be given to you prior to the flight departure.

Is there an extra cost for travelling solo?

We believe solo travellers should not have to pay more to travel so our group trips are designed for shared accommodation and do not involve a single supplement. Single travellers joining group trips are paired in twin or multi-share accommodation with someone of the same sex for the duration of the trip. Some of our Independent trips are designed differently and solo travellers on these itineraries must pay the single trip price.

Where will we stay during the trip?

Hotels (14 nts), Hacienda/farm (1 nt).

Will I get my own room?

Please note that if you have booked the "My Own Room" option for this tour, you will receive your own single room for all night stops

What kind of accommodation can I expect on this trip?

Please note that hot water shortages and power outages can be fairly common in Peru and Bolivia (even in upgraded hotels). We appreciate your patience and understanding that these occurrences are outside of our control.

What are the joining instructions?

For details of your joining hotel please refer to your tour voucher, G Account, the G Adventures App or contact your travel agent.

An arrival transfer is included when you arrive on Day 1, or if you arrive up to three days prior provided that you have booked your pre-accommodation through National Geographic Journeys in our joining hotel. Due to customer experience and quality considerations, all services related to the tour must be continuous.

Upon leaving the customs area, follow the signs to the exit gate. You will then see a row of airport transfer counters. Continue walking past the transfer counters to exit number 4 where you will find your transfer driver with a National Geographic Journeys sign board with your name on it.

If for any reason you are not met at the airport, please call our local support line. If you are unable to make contact for whatever reason, please make your way to the joining point hotel via taxi.

Please note that day 1 is an arrival day and no activities have been planned on this day.

Upon arrival to your Joining Hotel (note that check-in time will be in the afternoon), look for a note or bulletin board in the reception with a note from your Expedition Leader. This note will give the details of your Welcome Meeting on day 1 (usually between 5pm and 7pm), where you will get a chance to meet your Expedition Leader and other travellers, as well as learn more about how the tour will run. If you don't see a note, please ask reception for details!

If you are arriving later and will miss the Welcome Meeting, your Expedition Leader will leave a note at reception for you with any information you may need, and with morning instructions for the next day.

What happens if I experience problems when arriving?

We don't expect any problems, and nor should you, but if for any reason you are unable to commence your trip as scheduled, please refer to the emergency contact details provided in this dossier and contact us as soon as possible. If you have a pre-booked transfer, and you have not made contact with our representative within 30 minutes of clearing customs and immigration, we recommend that you make your own way to the Starting Point hotel, following the Joining Instructions. Please apply to your travel agent on your return for a refund of the transfer cost if this occurs.

Who should I contact in case of an emergency?

Should you need to contact us during a situation of dire need, it is best to first call either the G Adventures Local Representative (if one is listed below) or our G Adventures Local Office. If for any reason you do not receive an immediate answer, please leave a detailed message and contact information, so they may return your call and assist you as soon as possible.

AIRPORT TRANSFER

If you have purchased an arrival through G Adventures or if an arrival transfer is included in the cost of your tour, please note that:

If you are advised of a flight schedule change or flight cancellation within 48 hours of your scheduled arrival time, please call the emergency contact number to advise of your new arrival flight information. If you do not, we will not be able to rearrange your arrival transfer and you will need to make your own way to the starting hotel at your own expense. What the visas and entry requirements for my trip?

All countries require a valid passport (with a minimum 6 months validity). Contact your local embassy or consulate for the most up-to-date visa requirements, or see your travel agent. It is your own responsibility to have the correct travel documentation. Visa requirements for your trip will vary depending on where you are from and where you are going. We keep the following information up to date as far as possible, but rules do change and sometimes without warning. While we provide the following information in good faith, it is vital that you check the information yourself and understand that you are fully responsible for your own visa requirements.

Visa information specific to your destination and nationality can be found in our Important Pre-Departure Information page [here](#)

How much spending money do I need for my trip?

Every traveller is different and therefore spending money requirements will vary. Some travellers may drink more than others while other travellers like to purchase more souvenirs than most. Please consider your own spending habits when it comes to allowing for drinks, shopping and tipping. Please also remember the following specific recommendations when planning your trip.

What should I know about currency, credit cards, and exchanging money while on this tour?

The currency in Peru is the Nuevo Sol (PEN). The currency in Bolivia is the Boliviano (BOB).

Credit cards and debit cards are very useful for cash advances. Visa cards are the most widely accepted cards. While ATMs are widely available, there are no guarantees that your credit or debit cards will actually work in Latin America. Check with your bank.

You should be aware that to purchase products or services on a credit card a fee of 5%-10% usually applies.

Do not rely on credit or debit cards as your only source of money, a combination of US dollar cash and cards is best. Always take more rather than less, as you don't want to spoil the trip by constantly feeling short of funds.

We do not recommend bringing travellers cheques as they are very difficult to change in country.

CURRENCY EXCHANGE TIP: Please be advised that slightly torn notes, notes that have been heavily marked or are faded may be difficult to exchange. It is best to bring notes in fairly good condition, in denominations lower than 100USD (or equivalent).

As currency exchange rates can fluctuate often we ask that you refer to the following website for daily exchange rates: www.xe.com

How much emergency money should I bring on this trip?

Please also make sure you have access to at least an additional USD \$200 (or equivalent) as an 'emergency' fund, to be used when circumstances outside our control (ex. a natural disaster) require a change to our planned route. This is a rare occurrence!

Are there any health considerations I should know before travelling?

Please note inoculations may be required for the country visited. It is your responsibility to consult with your travel doctor for up to date medical travel information well before departure.

You should consult your doctor for up-to-date medical travel information well before departure. We recommend that you carry a First Aid kit and hand sanitizers / antibacterial wipes as well as any personal medical requirements. Please be aware that quite often we are in remote areas and away from medical facilities, and for legal reasons our leaders are prohibited from administering any type of drug including headache tablets, antibiotics, etc. When selecting your trip please carefully read the brochure and itinerary and assess your ability to cope with our style of travel. Please refer to the Physical rating for trip specific information. G Adventures reserves the right to exclude any traveller from all or part of a trip without refund if in the reasonable opinion of our Expedition Leader if they are unable to complete the itinerary without undue risk to themselves and/or the rest of the group.

Please note your Adventure travels to high altitude. This is medically defined as anything over 8,000 feet (2,440 meters). Most people can travel to 8,000 feet with minimal effects. However, everyone reacts to altitude differently and altitude sickness can on set with some people irrespective of fitness and age. For details on how to best prepare and what to do in the unlikely event you are effected on your Adventure, please consult your physician.

What do I need to know to about safety and security on my trip?

Many national governments provide a regularly updated advice service on safety issues involved with international travel. We recommend that you check your government's advice for their latest travel information before departure. We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewellery at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes, which is the most secure way of storing your valuables. A lock is recommended for securing your luggage. When travelling on a group trip, please note that your Expedition Leader has the authority to amend or cancel any part of the trip itinerary if it is deemed necessary due to safety concerns. Your Expedition Leader will accompany you on all included activities. During your trip you will have some free time to pursue your own interests, relax and take it easy or explore at your leisure. While your Expedition Leader will assist you with options available in a given location please note that any optional activities you undertake are not part of your itinerary, and we offer no representations about the safety of the activity or the standard of the operators running them. Please use your own good judgment when selecting an activity in your free time. Although the cities visited on tour are generally safe during the day, there can be risks to wandering throughout any major city at night. It is our recommendation to stay in small groups and to take taxis to and from restaurants, or during night time excursions.

Protests and Demonstrations- Protests and demonstrations, even those that are well intended, have the potential to turn violent with no warning. Counter protests can also turn violent. Action by security forces to disperse demonstrators and protesters may occur at any time. If you are in an area where demonstrators or protesters are gathering, avoid the temptation of staying for a good photo opportunity and leave the area immediately.

Water based activities have an element of danger and excitement built into them. We recommend only participating in water based activities when accompanied by a guide(s). We make every reasonable effort to ensure the fun and adventurous element of any water based activities (in countries with varying degrees of operating standards) have a balanced approach to safety. It is our policy not to allow our Expedition Leaders to make arrangements on your behalf for water based activities that are not accompanied by guide(s).

Swimming, including snorkeling, is always at your own risk.

We take all prudent measures in relation to your safety. For ways to further enhance your personal safety while traveling, please visit:

www.gadventures.com/travel-resources/safety/

What rules should I know before joining this trip?

Illegal drugs will not be tolerated on any trips. Possessing or using drugs not only contravenes the laws of the land but also puts the rest of the group at risk. Smoking marijuana and opium is a part of local culture in some parts of the world but is not acceptable for our travellers. Our philosophy of travel is one of respect towards everyone we encounter, and in particular the local people who make the world the special place it is. The exploitation of prostitutes is completely contrary to this philosophy. Our Expedition Leaders have the right to expel any member of the group if drugs are found in their possession or if they use prostitutes.

Is travel insurance required for my trip?

Travel Insurance: Travel insurance is compulsory in order to participate on any of our trips. When travelling on a group trip, you will not be permitted to join the group until evidence of travel insurance has been sighted by your Expedition Leader, who will take note of your insurance details. When selecting a travel insurance policy please bear in mind that all clients must have medical coverage and that we require a minimum coverage of USD 200,000 for repatriation and emergency rescue. We strongly recommend that the policy also covers personal liability, cancellation, curtailment and loss of luggage and personal effects. If you have credit card insurance we require proof of purchase of the trip (a receipt of credit card statement) with a credit card in your name. Contact your bank for details of their participating insurer, the level of coverage and emergency contact telephone number.
