Is there a disclaimer I should read before booking this trip?

The information in this trip details document has been compiled with care and is provided in good faith. However it is subject to change, and does not form part of the contract between the client and the operator. The itinerary featured is correct at time of printing. It may differ slightly to the one in the brochure. Occasionally our itineraries change as we make improvements that stem from past travellers, comments and our own research. Sometimes it can be a small change like adding an extra meal along the itinerary. Sometimes the change may result in us altering the tour for the coming year. Ultimately, our goal is to provide you with the most rewarding experience. Please note that our brochure is usually released in November each year. If you have booked from the previous brochure you may find there have been some changes to the itinerary.

VERY IMPORTANT: Please ensure that you print a final copy of your Trip Details to review a couple of days prior to travel, in case there have been changes that affect your plans.

Is there a travel disclaimer for my itinerary I should review before booking this trip?

While it is our intention to adhere to the route described below, there is a certain amount of flexibility built into the itinerary and on occasion it may be necessary, or desirable to make alterations. The itinerary is brief, as we never know exactly where our journey will take us. Due to our style of travel and the regions we visit, travel can be unpredictable. The Trip Details document is a general guide to the tour and region and any mention of specific destinations or wildlife is by no means a guarantee that they will be visited or encountered. Aboard expedition trips visits to research stations depend on final permission.

Additionally, any travel times listed are approximations only and subject to vary due to local circumstances.

What important notes should I be aware of before the trip?

1. TRAVEL DAYS

This is not a physically demanding journey; however, travelling can be difficult, with long drives and poor road conditions at times. Despite this, most clients feel that the diversity of the African landscape, countries, culture and wildlife are all well worth the experience. We use a comfortable and safe air-conditioned touring vehicle for the long drives.

2. COMBO TRIP

Please note that this trip is a combination of multiple G Adventures tours (Cape Town, Kruger, Livingstone). As such, the staff and/or particular vehicles operating your tour may change between tour segments. You may also expect some group members to join or leave the tour, between tour segments. Please note that there are no activities planned during your stay in Cape Town or Livingstone.

3. ACCOMMODATION

Please note, that you might share for your stay in Cape Town already if you have not booked MOR (my own room) for this trip. Please ask at check-in at the hotel if you will share your room in Cape Town already.

What is the group leader like?

On this tour, you will be accompanied by a G Adventures Chief Experience Officer (CEO) on the Cape Town portion and a different CEO on the Kruger portion of the trip. In Livingstone, you will have a local G representative.

The Chief Experience Officer (CEO) will be the group manager and leader. All of our leaders in southern Africa are registered and licensed tourism guides, meaning they've studied to have a broad knowledge base of the region's history, cultures, and wildlife, and are legally certified to lead/guide tours in the regions visited. Most of our leaders in the region are from South Africa, though it may be possible that you'll have a leader from another country in the southern African region. As the group manager and leader, the aim of the group leader is to take the hassle out of your travels and to help you have the best trip possible. They will provide information on the places where we are travelling, offer suggestions for things to do and see, recommend great local eating venues and introduce you to our local friends. He/she will take care of the small things so you can concentrate on enjoying your adventure. In addition, your Chief Experience Officer (CEO) is a skilled and experienced driver who has intimate knowledge of the vehicle and routes travelled. We also use local guides where we think more specific knowledge will add to the enjoyment of the places we are visiting.

How large will the group be?

Max 9, Avg 6.

What meals are included in this trip?

11 breakfasts, 1 lunch, 5 dinners

What are the meals like on this trip?

Eating is a big part of travelling. Travelling with G Adventures you experience the vast array of wonderful food that is available in South Africa. On this tour, we provide only a few meals for you and your group members, so as to give you the maximum flexibility in deciding where, what and with whom to eat. It also gives you more budgeting flexibility in your choices. Our groups tend to eat together to enable you to taste a larger variety of dishes and enjoy each other's company. There is no obligation to do this though - while in the larger centres, your CEO will be able to suggest favourite restaurants during your trip.

For the included meals, vegetarian meal requests and other dietary requirements need to be specified prior to arrival.

What are the modes of transportation on my trip?

Air-conditioned touring vehicle, open safari vehicle, walking, plane.

What transportation will we take on this trip?

The vehicle used will depend on the number of passengers as follows:

6-9 guests: 14 Seater Quantum (A/C)

3-5 guests: Mercedes Benz Vito OR Similar (A/C)

1-2 guests: Nissan Livina X-G or Toyota Avanza (A/C)

This style of transportation is a comfortable way to travel through the region, allowing the group to travel through the cities and parks with ease, with more opportunities to stop and either wander around or view the sites.

For the wildlife safari drives we use an open safari vehicle.

Are local flights included in the cost of the trip?

If required all local flights are included in the cost of your tours unless otherwise noted. It is important that we have your passport information at the time of booking in order to process these tickets. Internal flight tickets are issued locally and will be given to you prior to the flight departure.

Is there an extra cost for travelling solo?

We believe single travellers should not have to pay more to travel so our group trips are designed for shared accommodation and do not involve a single supplement. Single travellers joining group trips are paired in twin or multi-share accommodation with someone of the same sex for the duration of the trip. Some of our Independent trips are designed differently and single travellers on these itineraries must pay the single trip price.

Where will we stay during the trip?

Guest house (2 nts), hotel (5 nts), safari camp (4 nt).

Do any exceptions apply to Rooming or “My Own Room” on my tour?

Nights 7-8; Private Nature Reserve.

What kind of accommodation can I expect on this trip?

Private Reserve location changes

On some occasions, we may need to change accommodation or even use a different private reserve, if space is unavailable. In such a case, be assured we will choose other Lodges or comfort camps within the Greater Kruger area of equal quality.

Karongwe Private reserve

We use various accommodations within the reserve based on availability. During your time here, the group will either stay in lodge rooms or very comfortable permanent tents - both of equal quality and with similar amenities.

Zambezi Waterfront

Our base in Livingston is the Waterfront which accommodates all G Adventures groups. Our Comfort passengers stay in simple but comfortable ensuite Chalets with river-view and a private patio or balcony (other G travel styles use basic camping facilities). The Waterfront offers a full service restaurant and lively bar, 2 small pools, as well as the G desk, conveniently located in the lobby to assist all of our travellers with questions and optional activities. The Waterfront has one of the best locations in the area, directly on the Zambezi river with stunning views and the possibility to view wildlife right from the deck. The city of Livingston is approx. 15 minutes away by taxi and offers additional dining options, ATMs and shopping, although not much more of interest. Wifi is available at additional cost. USD, ZAR, EUR and GBP can be used at the Waterfront and they offer FOREX should you require local currency. Local currency is required outside of the Waterfront complex.

General notes

-Please note that hot water shortages, low water pressure and power outages can occur in Southern Africa. We appreciate your patience and understanding that these occurrences are outside of our control.

-Wifi is available in most places (extra charge may apply), but in remote areas there can be service interruptions

-A/C is not generally available in the accommodations we use, really it isn't needed as evenings tend to cool down. Floor or ceiling fans are usually available

What is the joining hotel?

For details of your joining hotel please refer to your tour voucher, G Account, the G Adventures App or contact your travel agent.

What are the joining instructions?

The nearest international airport to your joining hotel is the Cape Town International Airport.

An arrival transfer is included when you arrive on Day 1, or when you arrive up to three days prior to the tour, provided that you have booked your pre-accommodation through G Adventures in our joining hotel. Due to customer experience and quality considerations, all services related to the tour must be continuous.

Please note that Day 1 is an arrival day and no activities have been planned, so you may arrive at any time. Similarly the last day is a departure day in which no activities are planned.

Your Leader will organize a welcome meeting in the evening of Day 1, during which you will meet other tour participants and receive information about general and specific aspects of the trip.

To receive your complimentary transfer, proceed through the international or domestic arrivals area and look for a transfer person holding a G Adventures sign with your name. Ask him/her what hotel he/she will take you to (do not volunteer this information). Then present your passport for proof of identity.

What happens if I experience problems when arriving?

We don't expect any problems, and nor should you, but if for any reason you are unable to commence your trip as scheduled, as soon as possible please contact your starting point hotel, requesting that you speak to or leave a message for your CEO. If you are unable to get in touch with your leader, please refer to our emergency contact details. If you have pre-booked an airport transfer: After you have picked up your luggage and entered the arrival hall, you should see a G Adventures representative holding a G sign. If you do not see anyone, we ask that you please make your way to the information desk, which is located on the same level. If you have not made contact with our representative within 30 minutes of clearing customs and immigration, we recommend that you make your own way to the Starting Point hotel, following the Joining Instructions. Please apply to your travel agent on your return for a refund of the transfer cost if this occurs.

Who should I contact in case of an emergency?

Should you need to contact us during a situation of dire need, it is best to first call either the G Adventures Local Representative (if one is listed below) or our G Adventures Local Office. If for any reason you do not receive an immediate answer, please leave a detailed message and contact information, so they may return your call and assist you as soon as possible.

Are there any additional packing suggestions I should consider?

You will be on the move a lot, so our advice is to pack as lightly as possible. Your baggage should be clearly labelled and restricted to one soft compact suitcase (please avoid a hard-top case), or sports bag, maximum 15kg, plus a daypack. Luggage limits on airlines are strictly enforced and space on vehicles is limited. Porters are not often available, so be prepared to carry your own bags. It is important to pack clothes for warm days and cool evenings, as well as a warm jacket for early morning wildlife safari drives. A set of smart casual clothes is also advisable.

What should be on my packing list?

Health & Safety:

- Face masks (Clients will be only be required to wear a face mask where it is mandated by local regulations.)
- Pen (Please bring your own pen for filling out documents.)
- Hand sanitizer

When can I do my laundry on this trip?

PLEASE ask your guide/CEO to arrange if any laundry needs to be done, so that he / she can make arrangements for you. He/She will advise guests accordingly, in advance if guests want to do laundry where it is available.

What are the visas and entry requirements for my trip?

All countries require a valid passport (with a minimum 6 months validity). Contact your local embassy or consulate for the most up-to-date visa requirements, or see your travel agent. It is your own responsibility to have the correct travel documentation. Visa requirements for your trip will vary depending on where you are from and where you are going. We keep the following information up to date as far as possible, but rules do change and sometimes without warning. While we provide the following information in good faith, it is vital that you check the information yourself and understand that you are fully responsible for your own visa requirements.

Visa information specific to your destination and nationality can be found in our Important Pre-Departure Information page [here](#)

Zambia

*****Please be sure to visit <http://www.zambiaimmigration.gov.zm> to determine if your nationality requires a Visa, can purchase one upon arrival or must apply for one in advance.**

Note that Zambia and Zimbabwe have come out with a UNIVISA. This visa allows holders to cross back and forth between Zambia and Zimbabwe as many times as they would like within a 30-day period (giving the traveller the ability to see Victoria Falls from both sides). These visas can be purchased at Livingstone and Lusaka airports and the border posts at Victoria Falls and Kazangula for 50USD.

We recommend G Adventures' travellers purchase this visa rather than a single entry Zambia visa as the single entry is a minimum of 50USD. The UNIVISA will allow travel between the Zambia and Zimbabwe side of Victoria Falls with relative ease and no additional visa costs.

Information below is in regards to Zambian Visas only.

A Visa to enter Zimbabwe is required by several nationalities, please read the full details listed below.

There are 3 categories:

Category A: Countries whose nationals do NOT require a Visa. No action required, you will be granted easy entry at any border post.

Category B: Countries whose nationals are granted a Zimbabwe visa at port of entry on payment of requisite visa fees. These visas are easiest obtained on your arrival at the Airport or border post.

Category C: Countries whose nationals are required to apply for and obtain a Zimbabwe visa prior to travelling. You have to apply through an agency or the Zimbabwe High Commission in your home country.

Find out the Category of your country in the tables below.

If you have purchased a single entry visa upon arrival and then decide to leave Zimbabwe, even for a few hours, you will need to buy another visa to re-enter Zimbabwe. In this instance you should buy a double entry visa upon arrival, it works out cheaper.

NB - Multiple Entry Visas - cannot be obtained at the port of entry into Zimbabwe. You may enter Zimbabwe on a single entry visa and then obtain a Multiple Entry Visa from the town office - but this may take up to 7 working days to be issued.

KRUGER NATIONAL PARK

The world-renowned Kruger National Park offers a wildlife experience that ranks with the best in Africa.

Established in 1898 to protect the wildlife of the South African Lowveld, this national park of nearly 2 million hectares, SANParks - Kruger National Park is unrivalled in the diversity of its life forms and a world leader in advanced environmental management techniques and policies.

FAUNA AND FLORA

Approximately 145 mammal species occur in the park. It is possible to see all the classical African wildlife, including elephant, black and white rhino, hippopotamus, giraffe, zebra, buffalo, warthog and many antelope species.

Large carnivores include lion, leopard, cheetah, wild dog and spotted hyena.

There are also many smaller mammals.

Kruger has a list of almost 500 species of birds, some of which are not to be found elsewhere in South Africa. Hornbills, Starlings, Vultures, Rollers, Bee-eaters and Shrikes are found here birdwatchers can look forward to pursuing the big 6 (Saddle-billed Stork, Kori Bustard, Martial Eagle, Lappet-faced Vulture, Pel's Fishing Owl and Ground Hornbill). The far north of the park (Pafuri and Punda Maria regions) is regarded as one of the birding Mecca's of the country (with many regional rarities to be found), yet birding throughout the entire park is excellent. Eagles are common: Bateleur, Martial, Black-breasted Snake, Brown Snake, African Hawk, African Fish and Tawny are all regularly seen, and in summer: Wahlberg's, Steppe, Lesser Spotted. The Park's numerous water points make for excellent bird watching, while the rest camps and picnic sites are exceptionally rewarding for birders.

VEGETATION

With Kruger being so vast it naturally has a tremendous botanic diversity. Simplistically the park can be divided into 16 macro ecozones.

What should I consider when planning my personal expenses and discretionary spending for this itinerary?

Every traveller is different and therefore spending money requirements will vary. Some travellers may drink more than others while other travellers like to purchase more souvenirs than most. Please consider your own spending habits when it comes to allowing for drinks, shopping and tipping. Please also remember the following specific recommendations when planning your trip.

What should I know about currency, credit cards, and exchanging money while on this tour?

The currency in South Africa is the South African Rand (ZAR).

Rand can be obtained locally by changing foreign currency or by using ATMs (where available) which will dispense local currency. Your CEO will inform you where you can change money throughout the tour and approximately how much money you will need.

The easiest foreign currency to exchange for locally for any of the local currencies is the \$US; however the British Pound and Euro may also be exchanged as well. Please note that due to past problems with forgery, \$US notes that are older than year 2006 are not accepted in Africa.

Large note (\$US 50, \$US 100 etc) can be difficult to change in some places, but will gain you the best exchange rate.

If you plan to rely on cash, please bring foreign currency (Euro, Pound, USD) with you, as it is often expensive to buy these currencies locally. And in more rural areas, it is often not likely.

If you plan to buy your visas at borders, you will need to bring \$USD cash to pay for these visas. Please note you cannot use the local currency or any other currency to buy these visas- they must be purchased in USD.

Please do not bring Travellers' cheques to Africa. They are difficult if not impossible to exchange in many places.

Visa/Plus system cards are the most widely accepted debit cards. It is harder to find machines Mastercard/Cirrus cards. We highly recommend that if you hold a Mastercard, you obtain a Visa card prior to departure and travel with both. This is also useful should something unforeseen happen to one of your cards during your travels.

While there are many ATMs in the major centres, there are no guarantees that your credit or debit cards will actually work in Africa. Check with your bank.

Credit cards can be used in major cities and towns ONLY but please do not rely on them as a method of payment because they are generally not widely accepted. You should be aware that to purchase products or services on a credit card a fee of 5%-10% usually applies. The majority of our optional activities can also be paid by credit card. Your CEO will advise on these.

Please note that in many areas there may be occasional power-outages, where there will be no electricity for hours at a time. In addition, ATMs outside of larger centers often run out of cash or can be out of order unexpectedly. These factors could affect your ability to access money from ATMs. As such, please do not rely on credit or debit cards as your only source of money.

A combination of foreign currency and debit/credit cards for cash advances is best. Always take more rather than less, as you don't want to spoil the trip by constantly feeling short of funds.

As currency exchange rates can fluctuate often we ask that you refer to the following website for daily exchange rates: www.xe.com.

Should I be tipping on my trip?

Tipping is an expected, though not compulsory, component of your tour program. The gesture serves as an expression of appreciation for exceptional service, and amounts given are up to your discretion.

Tipping is one of the most direct ways that you can have a positive economic impact within the African community. Although it may not be customary for you, it is an important source of income for those in the tourism industry. Giving a tip should be seen as a formal 'thank you', and the action should in no way be awkward.

The best method of tipping someone that has served the whole group is to plan in advance, and not rush when it comes to saying goodbye. A suggestion would be for each group member to contribute anonymously by putting their tip into an envelope. This often works the best and the group should gather to present the gift to the recipient(s), offering their thanks and showing their appreciation. This method brings the action out into the open, allowing for a friendly and appreciative interaction between the group and the recipient(s).

You may use the following as a guideline, all given in a per person format:

CEO: \$5-8 USD (per day, per person)

Local guides: \$2-3 USD (per day)

Safari Guide/Driver: \$2-3 USD (per day)

Restaurant Staff: 10-15% of cost of bill

What activities are optional on this trip?

Cape Town

- Two Oceans Aquarium (235ZAR per person)
- Stellenbosch Wine Tour and Tasting (800ZAR per person)

Table Mountain

- Table Mountain Cable Car (420ZAR per person)
- Table Mountain Hike (2100ZAR per person)

Robben Island

- Robben Island Visit (550ZAR per person)

Kruger National Park

- Kruger National Park Open Vehicle Wildlife Safari Drive - Full day
- Kruger Area Wildlife Walk (1220ZAR per person)

Livingstone

- Zambezi Bungee Jump (168USD per person)
- Standard Sunset Cruise
- Victoria Falls Helicopter Ride (Zambia)

Victoria Falls

- Victoria Falls Whitewater Rafting (120USD per person)

Are there any health considerations I should know before travelling?

We recommend you contact your family physician, or your local travel clinic for the most up-to-date health information at least one month before departure. Travellers should also carry a basic first-aid kit and hand sanitizers/antibacterial wipes on their travels. Medical facilities are basic throughout these countries. For your own safety, we strongly recommend that you advise your tour leader of any medical condition that may affect you while travelling with the group. Your tour leader will be able to inform you of local health advisories (e.g. drinking water quality). Please ensure you have all the inoculations recommended by your doctor.

Yellow Fever Certificate Note: (Updated: May 2017)

It is compulsory to show a valid Yellow Fever Certificate if you are travelling to the following G Adventures-visited countries from a Yellow Fever endemic country:

- Botswana
- Ethiopia
- Kenya
- Madagascar
- Malawi
- Mozambique
- Namibia
- Rwanda
- South Africa
- Swaziland
- Uganda
- Zambia
- Zimbabwe

For some of these countries, proof of Yellow Fever vaccination is also required for passengers who have travelled more than 12 hours through the airport of an endemic country. If other countries not endemic to Yellow Fever have been visited after visiting an endemic country, then a Yellow Fever certificate may still be required on entry. Please check country-specific regulations before your departure.

Current Yellow Fever endemic countries:

- Ethiopia
- Kenya
- Rwanda
- Tanzania (including Zanzibar)
- Uganda
- Zambia

Refer to this link for up to date Yellow Fever Certification regulations:

<http://www.who.int/emergencies/yellow-fever/maps/en/>

Malaria

Malaria is a mosquito-borne disease that is present in some regions in Africa. Risk of malaria can increase during periods of heavy rain, during the rainy seasons, and in densely populated areas of Southern & East Africa. To prevent malaria, we recommend speaking to your doctor about taking preventative medication (prophylaxis), combined with regular use of insect repellent spray/cream. Please check updated travel health advisories specific to malaria before your departure.

What do I need to know to about safety and security on my trip?

Many national governments provide a regularly updated advice service on safety issues involved with international travel. We recommend that you check your government's advice for their latest travel information before departure. We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewellery at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes, which is the most secure way of storing your valuables. A lock is recommended for securing your luggage. When travelling on a group trip, please note that your CEO has the authority to amend or cancel any part of the trip itinerary if it is deemed necessary due to safety concerns. Your CEO will accompany you on all included activities. During your trip you will have some free time to pursue your own interests, relax and take it easy or explore at your leisure. While your CEO will assist you with options available in a given location please note that any optional activities you undertake are not part of your itinerary, and we offer no representations about the safety of the activity or the standard of the operators running them. Please use your own good judgment when selecting an activity in your free time. Although the cities visited on tour are generally safe during the day, there can be risks to wandering throughout any major city at night. It is our recommendation to stay in small groups and to take taxis to and from restaurants, or during night time excursions.

Protests and Demonstrations- Protests and demonstrations, even those that are well intended, have the potential to turn violent with no warning. Counter protests can also turn violent. Action by security forces to disperse demonstrators and protesters may occur at any time. If you are in an area where demonstrators or protesters are gathering, avoid the temptation of staying for a good photo opportunity and leave the area immediately.

Water based activities have an element of danger and excitement built into them. We recommend only participating in water based activities when accompanied by a guide(s). We make every reasonable effort to ensure the fun and adventurous element of any water based activities (in countries with varying degrees of operating standards) have a balanced approach to safety. It is our policy not to allow our CEOs to make arrangements on your behalf for water based activities that are not accompanied by guide(s).

Swimming, including snorkeling, is always at your own risk.

We take all prudent measures in relation to your safety. For ways to further enhance your personal safety while traveling, please visit:

www.gadventures.com/travel-resources/safety/

What are the trip specific safety considerations?

GENERAL: Look after your personal items. Do not leave your valuables visible in a car or hotel room. Lock your hotel room door when you enter and when you leave. Do not carry large amount of cash on you. Avoid displaying flashy jewellery and carry your camera in its pack on your shoulder rather than around your neck. Keep your passport, airline tickets, money, important documents locked up in your room/safe - do not carry it with you. Vital Information when you are staying the KNP or any Reserve: Please ensure that your stay is happy and safe by taking note of a few simple warnings. You will be sharing your stay with many exciting and unusual creatures but without knowledge some of them could be dangerous: Example: Bats, Spiders, Snakes, Scorpions, Malaria Zone. If you must walk around at night please DO NOT DO SO WITHOUT A TORCH. Remember: by feeding any wildlife, you are signing their death warrant as they become aggressive!

What rules should I know before joining this trip?

Illegal drugs will not be tolerated on any trips. Possessing or using drugs not only contravenes the laws of the land but also puts the rest of the group at risk. Smoking marijuana and opium is a part of local culture in some parts of the world but is not acceptable for our travellers. Our philosophy of travel is one of respect towards everyone we encounter, and in particular the local people who make the world the special place it is. The exploitation of prostitutes is completely contrary to this philosophy. Our CEOs have the right to expel any member of the group if drugs are found in their possession or if they use prostitutes.

Is travel insurance required for my trip?

Travel Insurance: Travel insurance is compulsory in order to participate on any of our trips. When travelling on a group trip, you will not be permitted to join the group until evidence of travel insurance has been sighted by your CEO, who will take note of your insurance details. When selecting a travel insurance policy please bear in mind that all clients must have medical coverage and that we require a minimum coverage of USD 200,000 for repatriation and emergency rescue. We strongly recommend that the policy also covers personal liability, cancellation, curtailment and loss of luggage and personal effects. If you have credit card insurance we require proof of purchase of the trip (a receipt of credit card statement) with a credit card in your name. Contact your bank for details of their participating insurer, the level of coverage and emergency contact telephone number.
