Is there a travel disclaimer for my itinerary I should review before booking this trip?

While it is our intention to adhere to the route described below, there is a certain amount of flexibility built into the itinerary and on occasion it may be necessary, or desirable to make alterations. The itinerary is brief, as we never know exactly where our journey will take us. Due to our style of travel and the regions we visit, travel can be unpredictable. The Trip Details document is a general guide to the tour and region and any mention of specific destinations or wildlife is by no means a guarantee that they will be visited or encountered. Aboard expedition trips visits to research stations depend on final permission.

Additionally, any travel times listed are approximations only and subject to vary due to local circumstances.

Are there Itinerary notes?

Please note that the Quito international airport (UIO, Mariscal Sucre) will be closed on the following dates in 2026 for preventative maintenance on the runway: April 11; May 9, 16 & 30; June 6; September 5, 12 & 26; October 3 between the hours of 2am and 2pm. As well as October 17 between the hours of 6am and 6pm. For passengers flying in or out of Quito on these dates, please double check flight schedules with your airline in case of changes. Internal flights within Ecuador and Galapagos will be adjusted accordingly and any changes to schedules will be communicated at the welcome briefing.

Machu Picchu regulations require all visitors to follow a pre-determined circuit within the site as a way to prevent overcrowding. The circuit-specific entrance tickets are available on a first come, first served basis. At the time of booking, you may select your preferred circuit, subject to availability. If no selection is made, we will book a circuit based on availability at the time of booking. All circuits offer the opportunity to enjoy the beauty, history, and impressive ingenuity of this ancient site. TO NOTE: Travellers completing the Inca trail and 1-day Inca Trail will be assigned Circuit 3 for their guided visit of Machu Picchu, but will also have access to the panoramic viewpoint upon arrival via the Sun Gate.

What important notes should I be aware of before the trip?

1. The Ecuadorian government currently levies a Galapagos Islands Park entry fee of \$200 USD per person (\$100 USD for children under 12 years old). This is payable at the airport upon arrival in the park. It is not included in the cost of the tour, and must be paid in CASH. This fee funds Park maintenance and supervision in Galapagos, as well as ecological study, conservation and infrastructure development in Ecuador's other National Parks. Entry fees and the funds they generate for the National Park System are among measures taken by the Ecuadorian government to protect its natural heritage.

2. The Consejo de Gobierno (local government council) have implemented a system of Transit Control Cards at a fee of \$20 USD per person. This card is to be purchased in CASH at a counter in the Quito airport before boarding the flight to the Galapagos. Please retain this card along with your passport as you will be required to present this upon arrival to the Galapagos Islands. Please note that this applies to all tourists entering the Galapagos Islands and is a supplement to the existing entry fee to the National Park and is not controlled by tour operators or travel agencies. It is the first of a number of initiatives to track, control and maintain the sustainable tourism targets set out by the Galapagos National Park and the Ecuadorian government in an attempt to preserve the fragile environment of the archipelago.

3. Please note that the Quito international airport (UIO, Mariscal Sucre) will be closed on the following dates in 2026 for preventative maintenance on the runway: April 11; May 9, 16 & 30; June 6; September 5, 12 & 26; October 3 between the hours of 2am and 2pm. As well as October 17 between the hours of 6am and 6pm. For passengers flying in or out of Quito on these dates, please double-check flight schedules with your airline in case of changes. Internal flights within Ecuador and Galapagos will be adjusted accordingly and any changes to schedules will be communicated at the welcome briefing.

4. MACHU PICCHU CIRCUITS

Machu Picchu regulations require all visitors to follow a pre-determined circuit within the site as a way to prevent overcrowding. The circuit-specific entrance tickets are available on a first come, first served basis. At the time of booking, you may select your preferred circuit, subject to availability. If no selection is made, we will book a circuit based on availability at the time of booking. 5. MACHU PICCHU REGULATIONS

Current and correct passport details are required at time of confirmation. For more details please see the following [page](#). Please also note that regulations have been implemented for all visitors to Machu Picchu which require that different circuits be followed within the site as a way to relieve crowding. The new circuit-based entrance tickets are available on a first come first serve basis. We will do all that is possible to get everyone traveling in a group on the same route, but be aware that it is possible that members of the same group might be visiting Machu Picchu on a different circuit and not be together during this visit. Rest assured that regardless of the circuit you will enjoy the beauty and grandeur of the site.

Is there an extra cost for travelling solo?

We believe solo travellers should not have to pay more to travel so our group trips are designed for shared accommodation and do not involve a single supplement. Single travellers joining group trips are paired in twin or multi-share accommodation with someone of the same sex for the duration of the trip. Some of our Independent trips are designed differently and solo travellers on these itineraries must pay the single trip price.

Where will we stay during the trip?

Hotels (9 nts), aboard the Yolita in twin-share cabins (7 nts).

What kind of accommodation can I expect on this trip?

Cabins on board the Yolita are set up with twin beds, but can be converted into a double bed if requested prior to the tour.

What are the joining instructions?

For details of your joining hotel please refer to your tour voucher, G Account, the G Adventures App or contact your travel agent.

If you would like to book an airport Arrival transfer for your tour, please contact our Sales Team or your Travel Agent in advance of travel.

If you have paid in advance for an arrival transfer, a G Adventures representative will be at the airport to meet you. If for any reason you are not met at the airport, please call our local support line. If you are unable to make contact for whatever reason, please make your way to the joining point hotel via taxi.

Please note that day 1 is an arrival day and no activities have been planned on this day.

Upon arrival to your Joining Hotel (note that check-in time will be in the afternoon), look for a note or bulletin board in the reception with a note from your CEO. This note will give the details of your Welcome Meeting on day 1 (usually between 5pm and 7pm), where you will get a chance to meet your CEO and other travellers, as well as learn more about how the tour will run. If you don't see a note, please ask reception for details!

If you are arriving later and will miss the Welcome Meeting, your CEO will leave a note at reception for you with any information you may need, and with morning instructions for the next day.

What happens if I experience problems when arriving?

We don't expect any problems, and nor should you, but if for any reason you are unable to commence your trip as scheduled, please refer to the emergency contact details provided in this dossier and contact us as soon as possible. Please apply to your travel agent on your return for a refund of the transfer cost if this occurs.

Who should I contact in case of an emergency?

When can I do my laundry on this trip?

Laundry facilities are offered by some of our hotels for a charge. There will be times when you may want to or have to do your own laundry so we suggest you bring non-polluting/biodegradable soap.

What are the visas and entry requirements for my trip?

All countries require a valid passport (with a minimum 6 months validity). Contact your local embassy or consulate for the most up-to-date visa requirements, or see your travel agent. It is your own responsibility to have the correct travel documentation. Visa requirements for your trip will vary depending on where you are from and where you are going. We keep the following information up to date as far as possible, but rules do change and sometimes without warning. While we provide the following information in good faith, it is vital that you check the information yourself and understand that you are fully responsible for your own visa requirements.

Visa information specific to your destination and nationality can be found in our Important Pre-Departure Information page [here](#).

What should I consider when planning my personal expenses and discretionary spending for this itinerary?

Every traveller is different and therefore spending money requirements will vary. Some travellers may drink more than others while other travellers like to purchase more souvenirs than most. Please consider your own spending habits when it comes to allowing for drinks, shopping and tipping. Please also remember the following specific recommendations when planning your trip.

What should I know about currency, credit cards, and exchanging money while on this tour?

The currency in Peru is the Nuevo Sol (PEN). Ecuador uses the US Dollar (USD).

Credit cards and debit cards are very useful for cash advances. Visa cards are the most widely accepted cards. While ATMs are widely available, there are no guarantees that your credit or debit cards will actually work in Latin America. Check with your bank.

You should be aware that to purchase products or services on a credit card a fee of 5%-10% usually applies.

Do not rely on credit or debit cards as your only source of money, a combination of US dollar cash and cards is best. Always take more rather than less, as you don't want to spoil the trip by constantly feeling short of funds.

We do not recommend bringing travellers cheques as they are very difficult to change in country.

CURRENCY EXCHANGE TIP: Please be advised that slightly torn notes, notes that have been heavily marked or are faded may be difficult to exchange. It is best to bring notes in fairly good condition, in denominations lower than 100USD (or equivalent).

As currency exchange rates can fluctuate often we ask that you refer to the following website for daily exchange rates:
www.xe.com

How much emergency money should I bring on this trip?

Please also make sure you have access to at least an additional USD \$200 (or equivalent) as an 'emergency' fund, to be used when circumstances outside our control (ex. a natural disaster) require a change to our planned route. This is a rare occurrence!

Should I be tipping on my trip?

It is customary in Latin America to tip service providers such as waiters, at approximately 10%, depending on the service. Tipping is an expected - though not compulsory - component of your tour program and an expression of satisfaction with the persons who have assisted you on your tour. Although it may not be customary to you, it is of considerable significance to the people who will take care of you during your travels. There are several times during the trip where there is opportunity to tip the local guides or drivers we use. Recommendations for tipping drivers and local guides would range from \$5-10 USD per day depending on the quality and length of the service; ask your CEO for specific recommendations based on the circumstances and culture.

Also at the end of each trip if you felt your G Adventures CEO did an outstanding job, tipping is appreciated. The amount is entirely a personal preference, however as a guideline \$20-25 USD per person, per week can be used.

Are there any health considerations I should know before travelling?

Please note inoculations may be required for the country visited. It is your responsibility to consult with your travel doctor for up to date medical travel information well before departure.

You should consult your doctor for up-to-date medical travel information well before departure. We recommend that you carry a First Aid kit and hand sanitizers / antibacterial wipes as well as any personal medical requirements. Please be aware that quite often we are in remote areas and away from medical facilities, and for legal reasons our leaders are prohibited from administering any type of drug including headache tablets, antibiotics, etc. When selecting your trip please carefully read the brochure and itinerary and assess your ability to cope with our style of travel. Please refer to the Physical and Culture Shock ratings for trip specific information. G Adventures reserves the right to exclude any traveller from all or part of a trip without refund if in the reasonable opinion of our CEO they are unable to complete the itinerary without undue risk to themselves and/or the rest of the group.

Please note your Adventure travels to high altitude. This is medically defined as anything over 8,000 feet (2,440 meters). Most people can travel to 8,000 feet with minimal effects. However, everyone reacts to altitude differently and altitude sickness can on set with some people irrespective of fitness and age. For details on how to best prepare and what to do in the unlikely event you are effected on your Adventure, please consult your physician.

What do I need to know to about safety and security on my trip?

Many national governments provide a regularly updated advice service on safety issues involved with international travel. We recommend that you check your government's advice for their latest travel information before departure. We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewellery at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes, which is the most secure way of storing your valuables. A lock is recommended for securing your luggage. When travelling on a group trip, please note that your group leader has the authority to amend or cancel any part of the trip itinerary if it deemed necessary, due to safety concerns. Your Chief Experience Officer (CEO) will accompany you on all included activities. During your trip you will have some free time to pursue your own interests, relax and take it easy and explore at your leisure. While your CEO will assist you with options available in a given location, please note that any optional activities you undertake are not part of your itinerary, and we offer no representations about the safety of the activity or the standard of the operators running them. Please use your own good judgement when selecting an activity in your free time. Although the cities visited on tour are generally safe during the day, there can be risks to wandering throughout any major city at night. It is our recommendation to stay in small groups and to take taxis to and from restaurants, or during night time excursions.

Water based activities have an element of danger and excitement built into them. We recommend only participating in water based activities when accompanied by a guide(s). We make every reasonable effort to ensure the fun and adventurous element of any water based activities (in countries with varying degrees of operating standards), have a balanced approach to safety. It is our policy not to allow our CEOs to make arrangements on your behalf for water based activities that are not accompanied by guide(s).

Swimming, including snorkeling, is always at your own risk. [Read more about travel safety](#) for ways to further enhance your personal safety while traveling.

What rules should I know before joining this trip?

Illegal drugs will not be tolerated on any trips. Possessing or using drugs not only contravenes the laws of the land but also puts the rest of the group at risk. Smoking marijuana and opium is a part of local culture in some parts of the world but is not acceptable for our travellers. Our philosophy of travel is one of respect towards everyone we encounter and in particular the local people who make the world the special place it is. The exploitation of people in the sex trade is completely contrary to this philosophy. Our CEOs have the right to expel any member of the group if drugs are found in their possession or if they utilize the services of paid sex workers, in any capacity.

Is travel insurance required for my trip?

Travel insurance is compulsory in order to participate on any of our trips. When travelling on a group trip, you will not be permitted to join the group until evidence of travel insurance has been sighted by your leader, who will take note of your insurance details. When selecting a travel insurance policy we require that at a minimum you are covered for medical expenses including emergency evacuation and repatriation. A minimum coverage of USD200,000 is required. We strongly recommend that the policy also covers personal liability, cancellation, curtailment and loss of luggage and personal effects. Some tours include adventure activities that require extra coverage (e.g. crampon use); please review your itinerary and make sure that you are covered for all included activities. If you have credit card insurance we require proof of purchase of the trip (a receipt of credit card statement) with a credit card in your name. Contact your bank for details of their participating insurer, the level of coverage and emergency contact telephone number.
