The Great wall is an incredible piece of engineering stretching 6000 km west from the mountain ridges north of Beijing. It was originally constructed to protect Chinese empires from nomadic northern tribes, and even though it failed in this purpose, it's still one of the country's most remarkable achievements and an iconic destination. The cable car ride is about 5 minutes ride up to tower 14, from where you may walk to the highest point of Mutianyu Great Wall at Tower 20. The walk from ticket check to tower 10 is about 30 minutes. The cable car ride is a good option if you are hoping to save energy to challenge the Tower 20. Return ticket is recommended as you may spend more time on the wall.

Take the Beijing metro to visit the Forbidden City. Later, board a fast train to Xi'an.

Due to restrictions in China after the pandemic, the maximum daily capacity in the Forbidden City has been reduced from 80,000 to 30,000. This significant decrease in daily tickets has had a great impact on availability for both individuals and group tours to secure tickets, especially during the summer season. Our local team works very hard to secure tickets for each group. However, on the off chance we are unable to secure tickets to the Forbidden City, we will visit the Summer Palace and the Temple of Heaven, places of similar architecture and importance.

Is there a disclaimer I should read before booking this trip?

The information in this trip details document has been compiled with care and is provided in good faith. However it is subject to change, and does not form part of the contract between the client and the operator. The itinerary featured is correct at time of printing. It may differ slightly to the one in the brochure. Occasionally our itineraries change as we make improvements that stem from past travellers, comments and our own research. Sometimes it can be a small change like adding an extra meal along the itinerary. Sometimes the change may result in us altering the tour for the coming year. Ultimately, our goal is to provide you with the most rewarding experience. Please note that our brochure is usually released in November each year. If you have booked from the previous brochure you may find there have been some changes to the itinerary.

VERY IMPORTANT: Please ensure that you print a final copy of your Trip Details to review a couple of days prior to travel, in case there have been changes that affect your plans.

Is there a travel disclaimer for my itinerary I should review before booking this trip?

While it is our intention to adhere to the route described below, there is a certain amount of flexibility built into the itinerary and on occasion it may be necessary, or desirable to make alterations. The itinerary is brief, as we never know exactly where our journey will take us. Due to our style of travel and the regions we visit, travel can be unpredictable. The Trip Details document is a general guide to the tour and region and any mention of specific destinations or wildlife is by no means a guarantee that they will be visited or encountered. Aboard expedition trips visits to research stations depend on final permission.

Additionally, any travel times listed are approximations only and subject to vary due to local circumstances.

What important notes should I be aware of before the trip?

MONGOLIA

As we use local transport please note backpacks are much more suitable than suitcases for this style of trip. Jeep and bus travel means that bags have to be stowed either overhead or under beds, so travelling as light as possible is recommended. Please note that part of Mongolia's appeal is its wild nature and, as such, accommodation and infrastructure can be very basic in nature, with some shared rooms and limited access to showers in certain places. Mongolia is a country which is very different to anything you will have experienced before. Although this means it is not the easiest place to travel, this is also what makes it so special.

COMBO TRIP

Please note that this tour combines with other G Adventures tours. As such, the staff and some travel companions on your tour may have previously been traveling together with G Adventures, prior to Day 1 of your tour. Likewise, some staff and travel companions may be continuing together on another G Adventures tour, after your trip concludes.

INTERNET ACCESS

Please note while traveling through mainland China you will not be able to access some popular internet websites, certain websites such as Google, Dropbox, Gmail, Facebook, Instagram, Twitter, WordPress, etc. It may be possible to access some of these websites using a VPN. If you wish to use above blocked sites, we suggest you get a suitable VPN on your device prior to travel.

Peak season notice: Golden Week falls between October 1st and 7th, 2019/2020/2021. Please note that Golden Week is a semi-annual 7-day or 8-day national holiday for the people of China. This is a very busy time of the year for domestic tourists, so expect some crowding at major attractions. We recommend booking these dates well in advance as accommodations and transportation availability is extremely limited.

ACCOMMODATION NOTE:

Please be aware that properties we stay in with only two stories may not have elevators installed and climbing the stairs with your luggage will be necessary.

What is the role of the group leader during this trip?

All our G Adventures group trip is accompanied by a G Adventures Chief Experience Officer (CEO) in Mongolia & China. The aim of the group leader is to take the hassle out of your travels and to help you have the best trip possible. They will provide information on the places you are travelling through, offer suggestions for things to do and see, recommend great local eating venues and introduce you to our local friends. While not being guides in the traditional sense you can expect them to have a broad general knowledge of the countries visited on the trip, including historical, cultural, religious and social aspects.

What is the maximum and typical number of participants on this tour?

Max 16, avg 12.

What meals are included in this trip?

7 breakfasts, 3 lunches, 4 dinners

What are the meals like on this trip?

Eating is a big part of traveling. Travelling with G Adventures you experience the vast array of wonderful food that is available out in the world. Generally meals are not included in the trip price when there is a choice of eating options, to give you the maximum flexibility in deciding where, what and with whom to eat. It also gives you more budgeting flexibility, though generally food is cheap. Our groups tend to eat together to enable you to taste a larger variety of dishes and enjoy each other's company. There is no obligation to do this though. Your CEO will be able to suggest favourite restaurants during your trip. While trekking in remote regions, food is included, plentiful and made of fresh local ingredients. For all trips, please refer to the meals included and budget information.

For all trips please refer to the meals included and budget information for included meals and meal budgets.

What are the modes of transportation on my trip?

Prohibited items on China's trains and metro:

1. Any knives or scissors
2. Items or food that have an unpleasant odour (ex. Durian)

4. Pressurized/flammable containers over 120ml in size (ex. sunscreen spray, mosquito repellent spray, hairspray, etc.)

Prohibited items on trains to/from Guangxi Province - Guilin/Yangshuo

2. Self-heating food items (self-heating hot pot, rice, etc.)
3. As well as everything on the previous list above

Do any exceptions apply to Rooming or “My Own Room” on my tour?

Overnight train from Ulaanbaatar to Beijing on Day 8 and the overnight train from Xi'An to Suzhou on Day 12

What should I expect from the accommodations on this trip?

Mongolia:

Gers are traditional Mongolian tents made with wooden frames and layers of felt. The camps we stay at will have 2 beds with mattresses, linens, and extra blankets. The tent is on a platform and while simple, is quite comfortable and offers a truly unique experience. Our locations are remote and gers do not have built-in ensuite - all camps have shared facilities with toilette/s/sinks/showers. Most ger camps have 24 hour electricity with a couple of exceptions that have generators which after 11pm they cut electricity until morning.

What details should I be aware of when planning my departure day?

If you would like to book an airport Departure transfer for your tour, please contact our Sales Team or your Travel Agent in advance of travel.

What are the packing guidelines and luggage restrictions?

What you need to bring depends on the trip you have chosen and the countries or regions you are planning to visit. We suggest that you pack as lightly as possible as you are expected to carry your own luggage. As a rule we try not to have to walk more than 15-20 minutes with your bags which is why we recommend keeping the weight of your bags between 10-15kg/22-30lb. While suitcases are not recommended for most G Adventures trips a rolling bag of small to medium size (no XXL ones please!) is quite suitable for this trip as they need to fit under the beds when travelling on sleeper trains. You will also need a day pack/bag to carry water, cameras and other electronics like ipods and mobile phones.

CHINA

Do not bring any knives or swords into China (gifts or otherwise). If they do make it into the country, they will not be permitted on trains. If you purchase a knife or sword while travelling elsewhere before arriving in China your best option is to post/mail it home before entering the country as no post/mail companies in China will accept it as a parcel.

What are the visas and entry requirements for my trip?

All countries require a valid passport (with a minimum 6 months validity). Contact your local embassy or consulate for the most up-to-date visa requirements, or see your travel agent. It is your own responsibility to have the correct travel documentation. Visa requirements for your trip will vary depending on where you are from and where you are going. We keep the following information up to date as far as possible, but rules do change and sometimes without warning. While we provide the following information in good faith, it is vital that you check the information yourself and understand that you are fully responsible for your own visa requirements.

Please note that visas are the responsibility of the individual traveller. The visa requirements for your trip vary depending on where you are from and where you are going. We keep the following information up to date as much as possible, but rules do change. It is important that you check for yourself with the Embassy of Mongolia. Please, keep in mind that all countries require passports valid for at least 6 months from the moment of departure from the country.

Visa information specific to your destination and nationality can be found in our Important Pre-Departure Information page [here](#)

CHINA:

If you require a visa to enter China, you may also need an official Letter Of Invitation (LOI) before you can apply for your Chinese visa. If you require a Letter of Invitation (LOI) to apply for a Chinese visa, please fill out & submit the following request [form](#)

You can obtain the LOI through our visa support agent in China. The visa support link you need to complete will be sent to you or your travel agent by email when you confirm your booking. You must read the instructions carefully and fill out all the details.

Please ensure that you list the same details as appear on your LOI when filling out your Chinese Visa Application form.

HOW TO FILL IN CHINA LOI FORM ONLINE:

As Chinese visas are dated specifically for entry and exit, please ensure you enter the correct dates as per your flights entering and exiting China. Please remember to put exactly the same dates when you fill out the application at the Chinese embassy. You will need to provide additional documentation to the consulate (i.e. flights tickets, hotel reservations) if these dates fall outside the duration of the tour.

Please do not submit the below application until 3 months prior to your entry into China. The details will be forwarded to our local agent in China and your Letter of Invitation (LOI) will be issued within 10 business days of receipt.

Letter of Invitations (LOI) will be issued as a matter of priority based on the number of days from departure.

Once you have received your LOI you can apply for your visa by going to the nearest Chinese embassy. Please, remember that it is your responsibility to check whether passport details, name spelling and dates on the LOI are correct.

You must print out the full set of application forms including the 'Confirmation of Online Visa application' and 'Visa Application Form of the People's Republic of China'. All pages of each form must be printed out. The signature and date on the Confirmation Page and the 8th page of Visa Application Form of the People's Republic of China must be handwritten by the applicant themselves. Visa applicants under the age of 18 must be signed by their guardian while also adding a handwritten signature in the 'For person filling in the application on the applicant's behalf'.

IMPORTANT: if you require a visa for China and plan to travel within 3 months of your entry into China, we strongly recommend that you avoid travel outside of your home country during the period between your visa application up until

the time your visa is approved. In many cases, travellers who apply for a visa to China while in another country outside of their home country, will be denied their visa.

Travellers must have at least two blank passport pages available for each country they will visit on your tour. These are required for entry & exit stamps.

Where can I read detailed notes about this trip?

China has emerged as a great tourist destination in the last ten years and is an intriguing and rewarding destination to visit. Developing at a fast rate, travel is becoming easier for foreigners but please be aware that English is still not widely spoken outside the large cities and that accommodation, toilet facilities and some transportation is not yet at the same level as you would expect in developed countries. If you are able to bring with you a lot of patience, a great sense of humour and a willingness to try and interact with the local people, your travel experience will be greatly enhanced.

Due to Internet restrictions, some popular websites and applications – including social media sites like Facebook and email services like Gmail – may not work in China. If you think these restrictions may affect you, we suggest you do research before your departure in order to be prepared. Bear in mind the availability of websites and apps can change without notice at any time.

What should I consider when planning my personal expenses and discretionary spending for this itinerary?

Every traveller is different and therefore spending money requirements will vary. Some travellers may drink more than others while other travellers like to purchase more souvenirs than most. Please consider your own spending habits when it comes to allowing for drinks, shopping and tipping. Please also remember the following specific recommendations when planning your trip.

What should I know about currency, credit cards, and exchanging money while on this tour?

MONGOLIA

The currency used in Mongolia is the Mongolian Tugriks (MNT).

As currency exchange rates in Asia fluctuate often we ask that you refer to the following website for daily exchange rates: www.xe.com

There are many ATM machines that accept both Visa and Mastercard but these are limited to major cities. We also recommend the use of cash and travellers cheques in USD currency. Major credit cards are accepted in most shops but they may charge a 2-4% transaction fee.

One of the main things to remember is that Mongolian Tugriks can't be exchanged outside Mongolia.

Because of bank regulations and exchange rate the best USD notes to have are \$50 and \$100 without any marks/stamps/holes or stains on them. If a banknote has a mark it might be refused to be exchanged.

CHINA

As currency exchange rates in Asia fluctuate often we ask that you refer to the following website for daily exchange rates: www.xe.com.

As of April 2024 the exchange rate for China was 1 USD = 7.25 CNY (Chinese Yuan).

Although the most common payment methods in China are apps such as WeChat Pay and Alipay, we strongly recommend carrying some cash as a backup, since credit cards or mobile apps may not always work. We also suggest setting up either WeChat Pay or Alipay on your device before arriving in China. We strongly suggest setting up either Wechat or Alipay on your device prior to coming to China. This will require you link a credit or debit card to these apps and also set up a data roaming package to use in China so that you can make payments locally. Please check the terms and conditions carefully when you set up account and payment. Credit cards may work with big vendors in first tier cities like Beijing, Shanghai or Hong Kong but it's not guaranteed and less likely to work in other cities or towns and small vendors.

What emergency funds do I need access to on this trip?

Please also make sure you have access to at least an additional USD \$200 (or equivalent) as an 'emergency' fund, to be used when circumstances outside our control (ex. a natural disaster) require a change to our planned route. This is a rare occurrence!

What are the tipping guidelines for this trip?

MONGOLIA

It is customary in Asia to tip service providers such as waiters, at approximately 10%, depending on the service. Tipping is expected - though not compulsory - and shows an expression of satisfaction with the people who have assisted you on your tour. Although it may not be customary to you, it is of considerable significance to the people who will take care of you during your travels.

There are several times during the trip where there is opportunity to tip the local guides or drivers we use. You may do this individually, or your CEO will offer to collect the money and tip as a group. Recommendations for tipping drivers and local guides would range from \$3-\$5 USD per person per day depending on the quality and length of the service; ask your CEO for specific recommendations based on the circumstances and culture.

Also at the end of each trip if you felt your G Adventures CEO did an outstanding job, tipping is appreciated. The amount is entirely a personal preference, however as a guideline \$5-7 USD per person, per day can be used.

CHINA

Traditionally in China tipping is not expected and thus there is no need to tip in restaurants and your general interaction with locals; however, tipping is customary - though not compulsory - in the tourism industry and not only shows an expression of satisfaction it may also be of considerable significance to the people who will take care of you during your travels. There are times during the trip where there is opportunity to tip the local guides or drivers we use. You may do this individually, or your CEO may offer to collect the money and tip as a group.

Recommendations for tipping drivers and local guides would range from 1 to 3 USD per person per day depending on the quality and length of the service; ask your CEO for specific recommendations based on the circumstances and culture. A suggestion would be for each group member to contribute anonymously by putting their tip into an envelope. This often works the best and the group as a whole should gather to present the gift to the recipient(s), offering their thanks and showing their appreciation. This method brings the action out into the open, allowing for a friendly and appreciative interaction between the group and the recipient(s).

Also at the end of each trip if you felt your G Adventures CEO did an outstanding job tipping is appreciated. The amount is entirely a personal preference, however as a guideline \$5 USD per person per day can be used.

What activities are optional on this trip?

Are there any health considerations I should know before travelling?

Please note inoculations may be required for the country visited. It is your responsibility to consult with your travel doctor for up to date medical travel information well before departure.

You should consult your doctor for up-to-date medical travel information well before departure. We recommend that you carry a First Aid kit and hand sanitizers / antibacterial wipes as well as any personal medical requirements. Please be aware that sometimes we are in remote areas and away from medical facilities, and for legal reasons our leaders are prohibited from administering any type of drug including headache tablets, antibiotics, etc. In Asia pharmacies tend to stock the same western drugs as you get at home but they are usually produced locally so please bring the full drug name with you when trying to purchase a prescription drug. When selecting your trip please carefully read the brochure and itinerary and assess your ability to cope with our style of travel. Please refer to the Physical and Culture Shock ratings for trip specific information. G Adventures reserves the right to exclude any traveller from all or part of a trip without refund if in the reasonable opinion of our CEO they are unable to complete the itinerary without undue risk to themselves and/or the rest of the group.

What general safety tips and free-time guidelines should I follow?

Many national governments provide a regularly updated advice service on safety issues involved with international travel. We recommend that you check your government's advice for their latest travel information before departure. We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewellery at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes, which is the most secure way of storing your valuables. A lock is recommended for securing your luggage. When travelling on a group trip, please note that your CEO has the authority to amend or cancel any part of the trip itinerary if it is deemed necessary due to safety concerns. Your CEO will accompany you on all included activities. During your trip you will have some free time to pursue your own interests, relax and take it easy or explore at your leisure. While your CEO will assist you with options available in a given location please note that any optional activities you undertake are not part of your itinerary, and we offer no representations about the safety of the activity or the standard of the operators running them. Please use your own good judgment when selecting an activity in your free time. Although the cities visited on tour are generally safe during the day, there can be risks to wandering throughout any major city at night. It is our recommendation to stay in small groups and to take taxis to and from restaurants, or during night time excursions.

Protests and Demonstrations- Protests and demonstrations, even those that are well intended, have the potential to turn violent with no warning. Counter protests can also turn violent. Action by security forces to disperse demonstrators and protesters may occur at any time. If you are in an area where demonstrators or protesters are gathering, avoid the temptation of staying for a good photo opportunity and leave the area immediately.

Water based activities have an element of danger and excitement built into them. We recommend only participating in water based activities when accompanied by a guide(s). We make every reasonable effort to ensure the fun and adventurous element of any water based activities (in countries with varying degrees of operating standards) have a balanced approach to safety. It is our policy not to allow our CEOs to make arrangements on your behalf for water based activities that are not accompanied by guide(s).

Swimming, including snorkeling, is always at your own risk.

We take all prudent measures in relation to your safety. For ways to further enhance your personal safety while traveling, please visit:

www.gadventures.com/travel-resources/safety/

Are there any specific safety considerations for this itinerary?

We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewellery at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes which is the most secure way of storing your valuables. A lock is recommended for securing your luggage.

What are the mandatory group rules regarding laws and behaviour?

Illegal drugs will not be tolerated on any trips. Possessing or using drugs not only contravenes the laws of the land but also puts the rest of the group at risk. Smoking marijuana and opium is a part of local culture in some parts of the world but is not acceptable for our travellers. Our philosophy of travel is one of respect towards everyone we encounter, and in particular the local people who make the world the special place it is. The exploitation of prostitutes is completely contrary to this philosophy. Our CEOs have the right to expel any member of the group if drugs are found in their possession or if they use prostitutes.

What are the mandatory travel insurance requirements for this trip?

Travel Insurance: Travel insurance is compulsory in order to participate on any of our trips. When travelling on a group trip, you will not be permitted to join the group until evidence of travel insurance has been sighted by your CEO, who will take note of your insurance details. When selecting a travel insurance policy please bear in mind that all clients must have medical coverage and that we require a minimum coverage of USD 200,000 for repatriation and emergency rescue. We strongly recommend that the policy also covers personal liability, cancellation, curtailment and loss of luggage and personal effects. If you have credit card insurance we require proof of purchase of the trip (a receipt of credit card statement) with a credit card in your name. Contact your bank for details of their participating insurer, the level of coverage and emergency contact telephone number.

How should I dress to respect local customs during the tour?

In Asia the dress standard is more conservative than it is back home. When packing try to pick loose, lightweight, long clothing that will keep you cool in the usually hot and humid climate of Asian summers. In predominately Buddhist countries we ask that you dress respectfully and avoid very short shorts/skirts and singlets/tanktops when visiting temples or mosques or other holy sites.
