Is there a disclaimer I should read before booking this trip?

The information in this trip details document has been compiled with care and is provided in good faith. However it is subject to change, and does not form part of the contract between the client and the operator. The itinerary featured is correct at time of printing. It may differ slightly to the one in the brochure. Occasionally our itineraries change as we make improvements that stem from past travellers, comments and our own research. Sometimes it can be a small change like adding an extra meal along the itinerary. Sometimes the change may result in us altering the tour for the coming year. Ultimately, our goal is to provide you with the most rewarding experience. Please note that our brochure is usually released in November each year. If you have booked from the previous brochure you may find there have been some changes to the itinerary.

VERY IMPORTANT: Please ensure that you view a final copy of your Trip Details a couple of days prior to travel, in case there have been changes that affect your plans.

Is there a travel disclaimer for my itinerary I should review before booking this trip?

While it is our intention to adhere to the route described below, there is a certain amount of flexibility built into the itinerary and on occasion it may be necessary, or desirable to make alterations. The itinerary is brief, as we never know exactly where our journey will take us. Due to our style of travel and the regions we visit, travel can be unpredictable. The Trip Details document is a general guide to the tour and region and any mention of specific destinations or wildlife is by no means a guarantee that they will be visited or encountered. Aboard expedition trips visits to research stations depend on final permission.

Additionally, any travel times listed are approximations only and subject to vary due to local circumstances.

What important notes should I be aware of before the trip?

ACCOMMODATION NOTE:
Please be aware that properties we stay in with only two stories may not have elevators installed and climbing the stairs with your luggage will be necessary.

ITINERARY PACE
This is a very fast paced itinerary which covers lots of ground. While this is great as it allows us to see a huge amount in the available time, it also means some early starts, some long drives in the mini van and less free time than many other G Adventures. We feel that if you enter this trip with this knowledge and expectation, you will appreciate even more the variety of locations we are able to include in this itinerary.

TRANSPORT
The legroom in the minivan is possibly smaller than you may be used to and taller passengers may find space a little cramped. It is important to be aware that as it is not a legal requirement in buses in Morocco, your vehicle may not be equipped with seat belts.

WEATHER
Please note that the climate in Morocco can be both very hot during the day in summer months (up to 50°C) and cold at night in the mountains in autumn, early spring and winter (down to -6°C). Summer months, from April to September are very hot throughout Morocco. Winter months November to March can be cool to cold, especially in the Atlas Mountains, with high probability of snowfall. Most Moroccan buildings are not equipped with heating, so without proper layers you will be cold at night. Please bring appropriate clothing for the months in which you are travelling and check temperatures before you leave.

RAMADAN
According to the lunar cycle, Ramadan will fall between Feb 8 - Mar 8, 2027. Please note that Ramadan is a month of fasting observed by Muslims throughout the world, during which time the followers of Islam should not eat or drink between sunrise and sunset. There may be some limitations to services and disruptions to schedules during Ramadan, but generally our tours still operate effectively during this period and food is available to non-Muslims throughout the day. It is very important to display increased cultural sensitivity during Ramadan. Please wear loose fitting clothes, that cover knees and shoulders, and try to avoid eating, drinking or smoking in public out of respect for those who can't at that time.

AID AL-ADHA
During your visit to this country, we would like to inform you about an important celebration called Aid Al-Adha. This holiday may impact your travel experience, as most shops and restaurants are closed during the celebration. Some of the historical places we visit might also be closed during this time. There will be a shorter number of staff at the hotels and less crowded streets on the day of the celebration.

What is the role of the group leader during this trip?

This G Adventures group trip is accompanied by one of our group leaders, otherwise known as a Chief Experience Officer (CEO). As the group coordinator and manager, the aim of the CEO is to take the hassle out of your travels and to help you have the best trip possible. You can expect them to have a broad general knowledge of Morocco, including historical, cultural, religious and social aspects. They will also offer suggestions for things to do and to see, recommend great local eating venues and introduce you to our local friends.

We also use certified local city guides where we think more specific knowledge will add to the enjoyment of the places we are visiting - we think it's the best of both worlds.

What is the maximum and typical number of participants on this tour?

Max 14, avg 10.

What meals are included in this trip?

3 breakfasts

What are the meals like on this trip?

Generally meals are not included in the trip price when there is a choice of eating options, to give you the maximum flexibility in deciding where, what and with whom to eat. It also gives you more budgeting flexibility, though generally food is cheap. Our groups tend to eat together to enable you to taste a larger variety of dishes and enjoy each other's company. There is no obligation to do this though. Your CEO will be able to suggest favourite restaurants during your trip. For all trips please refer to the meals included and budget information for included meals and meal budgets.

Breakfasts
Moroccan breakfasts tend to be different from your usual cereal and toast morning fare – most will be very simple - a croissant or sweet roll with jam and instant coffee and some hotels will have buffets where you will have more variety. While you are experiencing what a Moroccan family would eat, some travellers do find the provided breakfasts a bit "bread heavy" and enjoy buying fruit the day before to supplement their breakfast.

Lunches and Dinners
Moroccan cuisine is world famous and your CEO will be taking the chance to show you the best of it. Staples include cous cous, a type of grain topped with stew, tagine which is actually the name of the pot this tasty dish is cooked in, and brochette, bbq skewers of meat. These meals will generally cost between 10-15 USD per meal depending on the type of restaurant and which part of the country you are in. Other tastes not to be missed include pastilla, a sweet pasty with a savoury filling which is traditionally pigeon and harira, a delicious soup based on chick peas and filling enough when teamed with fresh bread to be a whole lunch. If you are heading to the coast the fresh seafood cooked at one of the local markets is a must eat!

Snacks
Morocco's fresh orange juice is highly recommended and you should not leave without trying a glass. The brave can try the tiny snails which are perhaps the local's favourite snack but you might prefer a cone of piping hot bite-size fried cake donuts.

What are the modes of transportation on my trip?

Private vehicle, walking.

Is there an extra cost for travelling solo?

We believe solo travellers should not have to pay more to travel so our group trips are designed for shared accommodation and do not involve a single supplement. Single travellers joining group trips are paired in twin or multi-share accommodation with someone of the same sex for the duration of the trip. Some of our Independent trips are designed differently and solo travellers on these itineraries must pay the single trip price.

Where will we stay during the trip?

Hotels (3 nts).

If I choose to purchase My Own Room, are there any exceptions during the trip?

Please note that if you have booked the "My Own Room" option for this tour, you will receive your own single room for all night stops

What should I expect from the accommodations on this trip?

On this trip you can expect to stay in local hotels or pensions (with the exception of the start and finish hotels, which are often larger city hotels), which will vary a little in standard and facilities: some may not have elevators, air-conditioning or English-speaking staff, but most importantly all are locally-run, with some traditional character, and in excellent central locations to give you maximum time for exploring the sights.

Please note that Morocco is a developing country and as such the infrastructure is not as reliable as you would expect at home. Expect quirky plumbing and the odd cold shower!

What are the joining instructions?

For details of your joining hotel please refer to your tour voucher, G Account, the G Adventures App or contact your travel agent.

If you would like to book an airport Arrival transfer for your tour, please contact our Sales Team or your Travel Agent in advance of travel.

If you have paid in advance for an arrival transfer, a G Adventures representative will be at the airport to meet you. If for any reason you are not met at the airport, please call our local support line. If you are unable to make contact for whatever reason, please make your way to the joining point hotel via taxi.

Please note that day 1 is an arrival day and no activities have been planned on this day.

Upon arrival to your Joining Hotel (note that check-in time will be in the afternoon), look for a note or bulletin board in the reception with a note from your CEO. This note will give the details of your Welcome Meeting on day 1 (usually between 5pm and 7pm), where you will get a chance to meet your CEO and other travellers, as well as learn more about how the tour will run. If you don’t see a note, please ask reception for details!

If you are arriving later and will miss the Welcome Meeting, your CEO will leave a note at reception for you with any information you may need, and with morning instructions for the next day.

What should I do if I can’t find my airport transfer or experience arrival issues?

We don't expect any problems, and nor should you, but if for any reason you are unable to commence your trip as scheduled, please refer to the emergency contact details provided in this dossier and contact us as soon as possible. If you have a pre-booked transfer, and you have not made contact with our representative within 30 minutes of clearing customs and immigration, we recommend that you make your own way to the Starting Point hotel, following the Joining Instructions. Please apply to your travel agent on your return for a refund of the transfer cost if this occurs.

Who do I contact for arrival issues or in the event of an emergency?

Should you need to contact us during a situation of dire need, it is best to first call either the G Adventures Local Representative (if one is listed below) or our G Adventures Local Office. If for any reason you do not receive an immediate answer, please leave a detailed message and contact information, so they may return your call and assist you as soon as possible.

AIRPORT TRANSFER
If you have purchased an arrival through G Adventures or if an arrival transfer is included in the cost of your tour, please note that:

Your arrival transfer has been arranged based on flight information provided to us. If you are advised of a flight schedule change or flight cancellation within 48 hours of your scheduled arrival time, please call the emergency contact number to advise of your new arrival flight information. If you do not, we will not be able to rearrange your arrival transfer and you will need to make your own way to the starting hotel at your own expense. If your arrival transfer does not arrive within 30 minutes after you have exited the arrivals area please take a taxi to your start point hotel.

What are the visas and entry requirements for my trip?

All countries require a valid passport (with a minimum 6 months validity). Contact your local embassy or consulate for the most up-to-date visa requirements, or see your travel agent. It is your own responsibility to have the correct travel documentation. Visa requirements for your trip will vary depending on where you are from and where you are going. We keep the following information up to date as far as possible, but rules do change and sometimes without warning. While we provide the following information in good faith, it is vital that you check the information yourself and understand that you are fully responsible for your own visa requirements.

Please be aware that visa requirements vary by nationality; citizens of certain countries, such as South Africa, may be subject to additional documentation requests. Since these official requirements are determined on a case-by-case basis and can be unpredictable, we strongly recommend applying for your visa well in advance. Should the embassy or consulate request further supporting documents, please contact us immediately for assistance.

Visa information specific to your destination and nationality can be found in our Important Pre-Departure Information page here

What should I consider when planning my personal expenses and discretionary spending for this itinerary?

Every traveller is different and therefore spending money requirements will vary. Some travellers may drink more than others while other travellers like to purchase more souvenirs than most. Please consider your own spending habits when it comes to allowing for drinks, shopping and tipping. Please also remember the following specific recommendations when planning your trip.

What should I know about currency, credit cards, and exchanging money while on this tour?

The local currency in Morocco is the Moroccan Dirham (MAD).

ATMs are very common in Morocco with Cirrus and Plus system cards are the most widely accepted debit cards. .While ATMs are commonly available, there are no guarantees that your credit or debit cards will actually work - it is important you check with your bank before departure and advisable to travel with more than one type of card.

Visa cards are the most widely accepted credit cards, but are generally only useful for larger/expensive purchases. You should be aware when purchasing products or services on a credit card, that a fee usually applies.

The foreign currency most commonly accepted in Morocco is the Euro. You will be able to exchange Euros, as well as GBP and USD at money exchange offices in major cities.

Do not rely on credit or debit cards as your only source of money. A combination of cash (Euro/GBP or USD) and cards is best.

As currency exchange rates can fluctuate often we ask that you refer to the following website for daily exchange rates: www.xe.com

What emergency funds do I need access to on this trip?

Please also make sure you have access to at least an additional USD $200 (or equivalent) as an 'emergency' fund, to be used when circumstances outside our control (ex. a natural disaster) require a change to our planned route. This is a rare occurrence!

Do I need to pay a departure tax?

Usually included in your ticket, check with your air travel agent.

What are the tipping guidelines for this trip?

Tipping is a way of life in Morocco. Locals themselves will usually tip anyone who provides them with services. In many cases, people depend on the tips they receive to supplement the low salary and wages of Morocco.

While on tour in Morocco, it is customary and even expected to tip small service providers such as restaurant and bar waiters, hotel staff, reception, cleaning personnel, bell boys, taxis and van drivers. Tips are regarded as an essential means of supplementing income for those working in the tourism industry.

To make things as easy as possible and avoid embarrassing situations, G Adventures has developed a tipping kitty system where your CEO will collect a contribution from everybody at the start of your tour and use this kitty to tip anybody who has provided services to the group as a whole. On Day 1 of your tour, your CEO will be able to advise on the amount required from everybody to form the tipping kitty for your trip. (this does not include your G Adventures CEO). You can pay in USD or the equivalent local currency (preferably local currency MAD). The CEO will be able to advise you on the exchange rate and the total required in either currency.

If at any time you feel that any service provider failed in maintaining or delivering good service, please bring it immediately to the attention of your CEO so a deduction of tips can take place.

At the end of your trip if you felt that your G Adventures CEO did an outstanding job, tipping is also expected and appreciated. The precise amount is entirely a personal preference, however $8-11 USD per person per day can be used as a general guideline.

What activities are optional on this trip?

- No optional activities

Are there any health considerations I should know before travelling?

DRINKING WATER: It is advisable to drink bottled water in Morocco.

Please note inoculations may be required for the country visited. It is your responsibility to consult with your travel doctor for up to date medical travel information well before departure.

There are no specific health requirements for this trip. However, we recommend protection against typhoid, tetanus, infectious hepatitis and polio. You should consult your doctor for up-to-date medical travel information before departure. We recommend that you carry a First Aid kit, hand sanitizers / antibacterial wipes as well as any personal medical requirements. Please be aware that we are in remote areas and away from medical facilities for some time during this trip, and for legal reasons our leaders are prohibited from administering any type of drug including headache tablets, antibiotics, etc.

Please note that your adventure travels to high altitude. This is medically defined as anything over 8,000ft (2,440m). Most people can travel to 8,000ft with minimal effects. However, everyone reacts to altitude differently and altitude sickness can on set with some people irrespective of fitness and age. For details on how to best prepare and what to do in the unlikely event you are affected on your adventure, please consult your physician.

What general safety tips and free-time guidelines should I follow?

Many national governments provide a regularly updated advice service on safety issues involved with international travel. We recommend that you check your government's advice for their latest travel information before departure. We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewelery at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes, which is the most secure way of storing your valuables. A lock is recommended for securing your luggage. When travelling on a group trip, please note that your group leader has the authority to amend or cancel any part of the trip itinerary if it deemed necessary, due to safety concerns. Your Chief Experience Officer (CEO) will accompany you on all included activities. During your trip you will have some free time to pursue your own interests, relax and take it easy and explore at your leisure. While your CEO will assist you with options available in a given location, please note that any optional activities you undertake are not part of your itinerary, and we offer no representations about the safety of the activity or the standard of the operators running them. Please use your own good judgement when selecting an activity in your free time. Although the cities visited on tour are generally safe during the day, there can be risks to wandering throughout any major city at night. It is our recommendation to stay in small groups and to take taxis to and from restaurants, or during night time excursions.

Water based activities have an element of danger and excitement built into them. We recommend only participating in water based activities when accompanied by a guide(s). We make every reasonable effort to ensure the fun and adventurous element of any water based activities (in countries with varying degrees of operating standards), have a balanced approach to safety. It is our policy not to allow our CEOs to make arrangements on your behalf for water based activities that are not accompanied by guide(s).

Swimming, including snorkeling, is always at your own risk. Read more about travel safety for ways to further enhance your personal safety while traveling.

What are the mandatory group rules regarding laws and behaviour?

Illegal drugs will not be tolerated on any trips. Possessing or using drugs not only contravenes the laws of the land but also puts the rest of the group at risk. Smoking marijuana and opium is a part of local culture in some parts of the world but is not acceptable for our travellers. Our philosophy of travel is one of respect towards everyone we encounter and in particular the local people who make the world the special place it is. The exploitation of people in the sex trade is completely contrary to this philosophy. Our CEOs have the right to expel any member of the group if drugs are found in their possession or if they utilize the services of paid sex workers, in any capacity.

What are the mandatory travel insurance requirements for this trip?

Travel insurance is compulsory in order to participate on any of our trips. When travelling on a group trip, you will not be permitted to join the group until evidence of travel insurance has been sighted by your leader, who will take note of your insurance details. When selecting a travel insurance policy we require that at a minimum you are covered for medical expenses including emergency evacuation and repatriation. A minimum coverage of USD200,000 is required. We strongly recommend that the policy also covers personal liability, cancellation, curtailment and loss of luggage and personal effects. Some tours include adventure activities that require extra coverage (e.g. crampon use); please review your itinerary and make sure that you are covered for all included activities. If you have credit card insurance we require proof of purchase of the trip (a receipt of credit card statement) with a credit card in your name. Contact your bank for details of their participating insurer, the level of coverage and emergency contact telephone number.

How should I dress to respect local customs during the tour?

While visiting mosques and other religious monuments you should dress modestly, cover your shoulders and you shouldn't wear short shorts or skirts. Outside of capital cities and the more touristic centres, local dress is often more conservative and as a matter of respect we ask that both men and women are aware of this and recommend loose-fitting clothes with your shoulders covered. Ask your CEO for more specific advice.
